(B) shall be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins.

(7) For real property included in a group of parcels that is reassessed, the reassessment is the basis for taxes payable in the year following the year in which the reassessment is to be completed.

(8) The reassessment plan must specify the dates by which the assessor must submit land values under section 13.6 of this chapter to the county property tax assessment board of appeals.

**(9) The department may not approve the reassessment plan until the assessor provides verification that the land values determination under section 13.6 of this chapter has been completed.**

~~(9)~~ (10) Subject to review and approval by the department of local government finance, the county assessor may modify the reassessment plan.

(b) A county may submit a reassessment plan that provides for reassessing more than twenty-five percent (25%) of all parcels of real property in the county in a particular year. A plan may provide that all parcels are to be reassessed in one (1) year. However, a plan must cover a four (4) year period. All real property in each group of parcels shall be reassessed under the county's reassessment plan once during each reassessment cycle.

(c) The reassessment of the first group of parcels under a county's reassessment plan shall begin on July 1, 2014, and shall be completed on or before January 1, 2015.

(b) If the county assessor fails to determine land values under subsection (a) before the deadlines in the county's reassessment plan under section 4.2 of this chapter, the county property tax assessment board of appeals shall determine the values. If the county property tax assessment board of appeals fails to determine the values before the land values become effective, the department of local government finance shall determine the values.

(c) The county assessor shall notify all township assessors in the county (if any) of the values. Assessing officials shall use the values determined under this section.

(d) A petition for the review of the land values determined by a county assessor under this section may be filed with the department of local government finance not later than forty-five (45) days after the county assessor makes the determination of the land values. The petition must be signed by at least the lesser of:

- (1) one hundred (100) property owners in the county; or
- (2) five percent (5%) of the property owners in the county.

(e) Upon receipt of a petition for review under subsection (d), the department of local government finance:

(1) includes all of the provisions required under section 19.5(b) of this chapter; and

(2) adequately provides for the creation and transmission of real property assessment data in the form required by the legislative services agency and ~~the division of data analysis of the~~ department.

(b) No contract shall be made with any professional appraiser to act as technical advisor in the assessment of property, before the giving of notice and the receiving of bids from anyone desiring to furnish this service. Notice of the time and place for receiving bids for the contract shall be given by publication by one (1) insertion in two (2) newspapers of general circulation published in the county and representing each of the two (2) leading political parties in the county. If only one (1) newspaper is there published, notice in that one (1) newspaper is sufficient to comply with the requirements of this subsection. However, any and all bids may be rejected, and new bids may be asked.

In addition, if a public utility company has appealed the department of local government finance's assessment of the company's distributable property, the department shall notify the county auditor of the appeal.

The county auditor shall enter for taxation the assessed valuation of a public utility company's distributable property which the department distributes to a taxing district of the county.

(c) The county assessor may exempt designated infrastructure development zone broadband assets. This includes the eligible broadband infrastructure assets located in a designated infrastructure development zone of a centrally assessed telephone company or cable company (as defined in section 2(15) of this chapter).

(d) A centrally assessed telephone company or cable company (as defined in section 2(15) of this chapter) that makes eligible infrastructure investments in a designated infrastructure development zone established under the provisions of IC 6-1.1-12.5-5 in facilities and technologies used:

(f) The county auditor shall reduce the department of local government finance's certified values for each applicable state assessed personal property record that qualifies for the exemption prior to the certification of the county's net assessed values to the department. This shall include the certified values for the centrally assessed telephone company or cable company (as defined in section 2(15) of this chapter).

(1) The real property, including mausoleums and other structures in which human remains are buried or interred but not including crematories, funeral homes, offices, or maintenance structures. (2) it is owned by a not-for-profit corporation or association.

SECTION 6. IC 6-1.1-12-37, AS AMENDED BY P.L.174-2022, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2023]: Sec. 37. (a) The following definitions apply throughout this section:

(1) "Dwelling" means any of the following:

(A) Residential real property improvements that an individual uses as the individual's residence, including a house or garage.

(B) A mobile home that is not assessed as real property that an individual uses as the individual's residence.

(C) A manufactured home that is not assessed as real property that an individual uses as the individual's residence.

(2) "Homestead" means an individual's principal place of residence:

(A) that is located in Indiana;

(B) that:

- (i) the individual owns;
- (ii) the individual is buying under a contract recorded in the county recorder's office, or evidenced by a memorandum of contract recorded in the county recorder's office under IC 36-2-11-20, that provides that the individual is to pay the property taxes on the residence, and that obligates the owner to convey title to the individual upon completion of all of the individual's contract obligations;

(C) that consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

Except as provided in subsection (k), the term does not include property owned by a corporation, partnership, limited liability company, or other entity not described in this subdivision.

(b) Each year a homestead is eligible for a standard deduction from the assessed value of the homestead for an assessment date. Except as provided in subsection (p), the deduction provided by this section applies to property taxes first due and payable for an assessment date only if an individual has an interest in the homestead described in subsection (a)(2)(B) on:

- (1) the assessment date; or
- (2) any date in the same year after an assessment date that a statement is filed under subsection (e) or section 44 of this chapter, if the property consists of real property.

If more than one (1) individual or entity qualifies property as a homestead under subsection (a)(2)(B) for an assessment date, only one (1) standard deduction from the assessed value of the homestead may be applied for the assessment date. Subject to subsection (c), the auditor of the county shall record and make the deduction for the individual or entity qualifying for the deduction.

(c) Except as provided in section 40.5 of this chapter, the total amount of the deduction that a person may receive under this section

for a particular year is the lesser of:

(1) sixty percent (60%) of the assessed value of the real property, mobile home not assessed as real property, or manufactured home not assessed as real property; or

(2) for assessment dates:

(A) before January 1, 2023, forty-five thousand dollars (\$45,000); or

(B) after December 31, 2022, forty-eight thousand dollars (\$48,000).

(d) A person who has sold real property, a mobile home not assessed as real property, or a manufactured home not assessed as real property to another person under a contract that provides that the contract buyer is to pay the property taxes on the real property, mobile home, or manufactured home may not claim the deduction provided under this section with respect to that real property, mobile home, or manufactured home.

(e) Except as provided in sections 17.8 and 44 of this chapter and subject to section 45 of this chapter, an individual who desires to claim the deduction provided by this section must file a certified statement on forms prescribed by the department of local government finance, with the auditor of the county in which the homestead is located. The statement must include:

(1) the parcel number or key number of the property and the name of the city, town, or township in which the property is located;

(2) the name of any other location in which the applicant or the applicant's spouse owns, is buying, or has a beneficial interest in residential real property;

(3) the names of:

(A) the applicant and the applicant's spouse (if any):

(i) as the names appear in the records of the United States Social Security Administration for the purposes of the issuance of a Social Security card and Social Security number; or

(ii) that they use as their legal names when they sign their names on legal documents;

if the applicant is an individual; or

(B) each individual who qualifies property as a homestead under subsection (a)(2)(B) and the individual's spouse (if any):

(i) as the names appear in the records of the United States Social Security Administration for the purposes

of the issuance of a Social Security card and Social Security number; or

(ii) that they use as their legal names when they sign their names on legal documents;

if the applicant is not an individual; and

(4) either:

(A) the last five (5) digits of the applicant's Social Security number and the last five (5) digits of the Social Security number of the applicant's spouse (if any); or

(B) if the applicant or the applicant's spouse (if any) does not have a Social Security number, any of the following for that individual:

(i) The last five (5) digits of the individual's driver's license number.

(ii) The last five (5) digits of the individual's state identification card number.

(iii) The last five (5) digits of a preparer tax identification number that is obtained by the individual through the Internal Revenue Service of the United States.

(iv) If the individual does not have a driver's license, a state identification card, or an Internal Revenue Service preparer tax identification number, the last five (5) digits of a control number that is on a document issued to the individual by the United States government.

If a form or statement provided to the county auditor under this section, IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or part or all of the Social Security number of a party or other number described in subdivision (4)(B) of a party, the telephone number and the Social Security number or other number described in subdivision (4)(B) included are confidential. The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. To obtain the deduction for a desired calendar year in which property taxes are first due and payable, the statement must be completed and dated in the immediately preceding calendar year and filed with the county auditor on or before January 5 of the calendar year in which the property taxes are first due and payable.

(f) Except as provided in subsection (n), if a person who is receiving, or seeks to receive, the deduction provided by this section in

- 1 the person's name:
- 2 (1) changes the use of the individual's property so that part or all
- 3 of the property no longer qualifies for the deduction under this
- 4 section; or
- 5 (2) is not eligible for a deduction under this section because the
- 6 person is already receiving:
- 7 (A) a deduction under this section in the person's name as
- 8 an individual or a spouse; or
- 9 (B) a deduction under the law of another state that is
- 10 equivalent to the deduction provided by this section;
- 11 the person must file a certified statement with the auditor of the county,
- 12 notifying the auditor of the person's ineligibility, not more than sixty
- 13 (60) days after the date of the change in eligibility. A person who fails
- 14 to file the statement required by this subsection may, under
- 15 IC 6-1.1-36-17, be liable for any additional taxes that would have been
- 16 due on the property if the person had filed the statement as required by
- 17 this subsection plus a civil penalty equal to ten percent (10%) of the
- 18 additional taxes due. The civil penalty imposed under this subsection
- 19 is in addition to any interest and penalties for a delinquent payment that
- 20 might otherwise be due. One percent (1%) of the total civil penalty
- 21 collected under this subsection shall be transferred by the county to the
- 22 department of local government finance for use by the department in
- 23 establishing and maintaining the homestead property data base under
- 24 subsection (i) and, to the extent there is money remaining, for any other
- 25 purposes of the department. This amount becomes part of the property
- 26 tax liability for purposes of this article.
- 27 (g) The department of local government finance may adopt rules
- 28 or guidelines concerning the application for a deduction under this
- 29 section.
- 30 (h) This subsection does not apply to property in the first year for
- 31 which a deduction is claimed under this section if the sole reason that
- 32 a deduction is claimed on other property is that the individual or
- 33 married couple maintained a principal residence at the other property
- 34 on the assessment date in the same year in which an application for a
- 35 deduction is filed under this section or, if the application is for a
- 36 homestead that is assessed as personal property, on the assessment date
- 37 in the immediately preceding year and the individual or married couple
- 38 is moving the individual's or married couple's principal residence to the
- 39 property that is the subject of the application. Except as provided in
- 40 subsection (n), the county auditor may not grant an individual or a
- 41 married couple a deduction under this section if:
- 42 (1) the individual or married couple, for the same year, claims

the deduction on two (2) or more different applications for the deduction; and

(2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.6-5 (after December 31, 2016). Each county auditor shall submit data on deductions applicable to the current tax year on or before March 15 of each year in a manner prescribed by the department of local government finance.

(j) A county auditor may require an individual to provide evidence proving that the individual's residence is the individual's principal place of residence as claimed in the certified statement filed under subsection (e). The county auditor may limit the evidence that an individual is required to submit to a state income tax return, a valid driver's license, or a valid voter registration card showing that the residence for which the deduction is claimed is the individual's principal place of residence. **The county auditor may not deny an application filed under section 44 of this chapter because the applicant does not have a valid driver's license or state identification card with the address of the homestead property.** The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

(k) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

(l) If a county auditor terminates a deduction for property described in subsection (k) with respect to property taxes that are:

(1) imposed for an assessment date in 2009; and

(2) first due and payable in 2010;

on the grounds that the property is not owned by an entity described in subsection (a)(2)(B), the county auditor shall reinstate the deduction if the taxpayer provides proof that the property is eligible for the deduction in accordance with subsection (k) and that the individual residing on the property is not claiming the deduction for any other property.

(m) For assessment dates after 2009, the term "homestead" includes:

(1) a deck or patio;

(2) a gazebo; or

(3) another residential yard structure, as defined in rules adopted by the department of local government finance (other than a swimming pool);

that is assessed as real property and attached to the dwelling.

(n) A county auditor shall grant an individual a deduction under this section regardless of whether the individual and the individual's spouse claim a deduction on two (2) different applications and each application claims a deduction for different property if the property owned by the individual's spouse is located outside Indiana and the individual files an affidavit with the county auditor containing the following information:

(1) The names of the county and state in which the individual's spouse claims a deduction substantially similar to the deduction allowed by this section.

(2) A statement made under penalty of perjury that the following are true:

(A) That the individual and the individual's spouse maintain separate principal places of residence.

(B) That neither the individual nor the individual's spouse has an ownership interest in the other's principal place of residence.

(C) That neither the individual nor the individual's spouse has, for that same year, claimed a standard or substantially similar deduction for any property other than the property maintained as a principal place of residence by the respective individuals.

A county auditor may require an individual or an individual's spouse to provide evidence of the accuracy of the information contained in an

1 affidavit submitted under this subsection. The evidence required of the  
 2 individual or the individual's spouse may include state income tax  
 3 returns, excise tax payment information, property tax payment  
 4 information, driver license information, and voter registration  
 5 information.

6 (o) If:

7 (1) a property owner files a statement under subsection (e) to  
 8 claim the deduction provided by this section for a particular  
 9 property; and

10 (2) the county auditor receiving the filed statement determines  
 11 that the property owner's property is not eligible for the  
 12 deduction;

13 the county auditor shall inform the property owner of the county  
 14 auditor's determination in writing. If a property owner's property is not  
 15 eligible for the deduction because the county auditor has determined  
 16 that the property is not the property owner's principal place of  
 17 residence, the property owner may appeal the county auditor's  
 18 determination as provided in IC 6-1.1-15. The county auditor shall  
 19 inform the property owner of the owner's right to appeal when the  
 20 county auditor informs the property owner of the county auditor's  
 21 determination under this subsection.

22 (p) An individual is entitled to the deduction under this section for  
 23 a homestead for a particular assessment date if:

24 (1) either:

25 (A) the individual's interest in the homestead as described  
 26 in subsection (a)(2)(B) is conveyed to the individual after  
 27 the assessment date, but within the calendar year in which  
 28 the assessment date occurs; or

29 (B) the individual contracts to purchase the homestead after  
 30 the assessment date, but within the calendar year in which  
 31 the assessment date occurs;

32 (2) on the assessment date:

33 (A) the property on which the homestead is currently  
 34 located was vacant land; or

35 (B) the construction of the dwelling that constitutes the  
 36 homestead was not completed; and

37 (3) either:

38 (A) the individual files the certified statement required by  
 39 subsection (e); or

40 (B) a sales disclosure form that meets the requirements of  
 41 section 44 of this chapter is submitted to the county assessor  
 42 on or before December 31 of the calendar year for the

1 individual's purchase of the homestead.  
 2 An individual who satisfies the requirements of subdivisions (1)  
 3 through (3) is entitled to the deduction under this section for the  
 4 homestead for the assessment date, even if on the assessment date the  
 5 property on which the homestead is currently located was vacant land  
 6 or the construction of the dwelling that constitutes the homestead was  
 7 not completed. The county auditor shall apply the deduction for the  
 8 assessment date and for the assessment date in any later year in which  
 9 the homestead remains eligible for the deduction. A homestead that  
 10 qualifies for the deduction under this section as provided in this  
 11 subsection is considered a homestead for purposes of section 37.5 of  
 12 this chapter and IC 6-1.1-20.6.

13 (q) This subsection applies to an application for the deduction  
 14 provided by this section that is filed for an assessment date occurring  
 15 after December 31, 2013. Notwithstanding any other provision of this  
 16 section, an individual buying a mobile home that is not assessed as real  
 17 property or a manufactured home that is not assessed as real property  
 18 under a contract providing that the individual is to pay the property  
 19 taxes on the mobile home or manufactured home is not entitled to the  
 20 deduction provided by this section unless the parties to the contract  
 21 comply with IC 9-17-6-17.

22 (r) This subsection:  
 23 (1) applies to an application for the deduction provided by this  
 24 section that is filed for an assessment date occurring after  
 25 December 31, 2013; and

26 (2) does not apply to an individual described in subsection (q).  
 27 The owner of a mobile home that is not assessed as real property or a  
 28 manufactured home that is not assessed as real property must attach a  
 29 copy of the owner's title to the mobile home or manufactured home to  
 30 the application for the deduction provided by this section.

31 (s) For assessment dates after 2013, the term "homestead" includes  
 32 property that is owned by an individual who:

33 (1) is serving on active duty in any branch of the armed forces of  
 34 the United States;  
 35 (2) was ordered to transfer to a location outside Indiana; and  
 36 (3) was otherwise eligible, without regard to this subsection, for  
 37 the deduction under this section for the property for the  
 38 assessment date immediately preceding the transfer date  
 39 specified in the order described in subdivision (2).

40 For property to qualify under this subsection for the deduction provided

SECTION 2 ~~2~~ [3]. IC 6-1.1-35.2-2, AS AMENDED BY P.L.207-2016, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2023]: Sec. 2. (a) In any year in

which an assessing official takes office for the first time, the department of local government finance shall conduct training sessions determined under the rules adopted by the department under IC 4-22-2 for the new assessing officials. The sessions must be held at the locations described in subsection (b).

(b) To ensure that all newly elected or appointed assessing officials have an opportunity to attend the training sessions required by this section, the department of local government finance shall conduct the training sessions **virtually or in person** at a minimum of four (4) separate regional locations. The department shall determine the locations of the training sessions, but:

(1) at least one (1) training session must be held in the northeastern part of Indiana;

(2) at least one (1) training session must be held in the northwestern part of Indiana;

(3) at least one (1) training session must be held in the southeastern part of Indiana; and

(d) A person is entitled to a mileage allowance under this section only for travel between the person's place of work and the training session nearest to the person's place of work.

SECTION 2 ~~↔~~ [4]. IC 20-26-11-13, AS AMENDED BY P.L.140-2018, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2023]: Sec. 13. (a) As used in this section, the following terms have the following meanings:

(1) "Class of school" refers to a classification of each school or program in the transferee corporation by the grades or special programs taught at the school. Generally, these classifications are denominated as kindergarten, elementary school, middle school or junior high school, high school, and special schools or classes, such as schools or classes for special education, career and technical education, or career education.

(2) "Special equipment" means equipment that during a school year:

(A) is used only when a child with disabilities is attending school;

(B) is not used to transport a child to or from a place where the child is attending school;

(C) is necessary for the education of each child with disabilities that uses the equipment, as determined under the individualized education program for the child; and

(D) is not used for or by any child who is not a child with disabilities.

(3) "Student enrollment" means the following:

(A) The total number of students in kindergarten through grade 12 who are enrolled in a transferee school corporation on a date determined by the state board.

(B) The total number of students enrolled in a class of school in a transferee school corporation on a date determined by the state board.

However, a kindergarten student shall be counted under clauses (A) and (B) as one-half (1/2) student. The state board may select a different date for counts under this subdivision. However, the same date shall be used for all school corporations making a count for the same class of school.

(b) Each transferee corporation is entitled to receive for each school year on account of each transferred student, except a student transferred under section 6 of this chapter, transfer tuition from the transferor corporation or the state as provided in this chapter. Transfer tuition equals the amount determined under STEP THREE of the following formula:

STEP ONE: Allocate to each transfer student the capital expenditures for any special equipment used by the transfer student and a proportionate share of the operating costs incurred by the transferee school for the class of school where the transfer student is enrolled.

STEP TWO: If the transferee school included the transfer

student in the transferee school's current ADM, allocate to the transfer student a proportionate share of the following education fund revenues of the transferee school:

(A) State tuition support distributions received during the calendar year in which the school year ends.

(B) Property tax levies under:

(i) IC 20-45-7; and

(ii) IC 20-45-8 (before its expiration on January 1, 2024); and

(iii) IC 20-45-9.

for the calendar year in which the school year ends.

(C) The sum of the following excise tax revenue received for deposit in the calendar year in which the school year begins:

(i) Financial institution excise tax revenue (IC 6-5.5).

(ii) Vehicle excise taxes (IC 6-6-5).

(iii) Commercial vehicle excise taxes (IC 6-6-5.5).

(iv) Boat excise tax (IC 6-6-11).

(v) Aircraft license excise tax (IC 6-6-6.5).

(D) Allocations to the transferee school under IC 6-3.6.

STEP THREE: Determine the greater of:

(A) zero (0); or

(B) the result of subtracting the STEP TWO amount from the STEP ONE amount.

If a child is placed in an institution or facility in Indiana by or with the approval of the department of child services, the institution or facility shall charge the department of child services for the use of the space within the institution or facility (commonly called capital costs) that is used to provide educational services to the child based upon a prorated per student cost.

(c) Operating costs shall be determined for each class of school where a transfer student is enrolled. The operating cost for each class of school is based on the total expenditures of the transferee corporation for the class of school from its education fund and operations fund expenditures as specified in the classified budget forms prescribed by the state board of accounts. This calculation excludes:

(1) capital outlay;

(2) debt service;

(3) costs of transportation;

(4) salaries of board members;

(5) contracted service for legal expenses; and

(6) any expenditure that is made from extracurricular account

- 1 receipts;  
2 for the school year.
- 3 (d) The capital cost of special equipment for a school year is equal  
4 to:
- 5 (1) the cost of the special equipment; divided by  
6 (2) the product of:
- 7 (A) the useful life of the special equipment, as determined  
8 under the rules adopted by the state board; multiplied by  
9 (B) the number of students using the special equipment  
10 during at least part of the school year.
- 11 (e) When an item of expense or cost described in subsection (c)  
12 cannot be allocated to a class of school, it shall be prorated to all  
13 classes of schools on the basis of the student enrollment of each class  
14 in the transferee corporation compared with the total student  
15 enrollment in the school corporation.
- 16 (f) Operating costs shall be allocated to a transfer student for each  
17 school year by dividing:
- 18 (1) the transferee school corporation's operating costs for the  
19 class of school in which the transfer student is enrolled; by  
20 (2) the student enrollment of the class of school in which the  
21 transfer student is enrolled.
- 22 When a transferred student is enrolled in a transferee corporation for  
23 less than the full school year of student attendance, the transfer tuition  
24 shall be calculated by the part of the school year for which the  
25 transferred student is enrolled. A school year of student attendance  
26 consists of the number of days school is in session for student  
27 attendance. A student, regardless of the student's attendance, is enrolled  
28 in a transferee school unless the student is no longer entitled to be  
29 transferred because of a change of residence, the student has been  
30 excluded or expelled from school for the balance of the school year or  
31 for an indefinite period, or the student has been confirmed to have  
32 withdrawn from school. The transferor and the transferee corporation  
33 may enter into written agreements concerning the amount of transfer  
34 tuition due in any school year. If an agreement cannot be reached, the  
35 amount shall be determined by the state board, and costs may be  
36 established, when in dispute, by the state board of accounts.
- 37 (g) A transferee school shall allocate revenues described in  
38 subsection (b) STEP TWO to a transfer student by dividing:
- 39 (1) the total amount of revenues received during a period; by  
40 (2) the current ADM of the transferee school for the period in  
41 which the revenues are received.
- 42 However, for state tuition support distributions or any other state

distribution computed using less than the total current ADM of the transferee school, the transferee school shall allocate the revenues to the transfer student by dividing the revenues that the transferee school is eligible to receive during the period by the student count used to compute the state distribution.

(h) Instead of the payments provided in subsection (b), the transferor corporation or state owing transfer tuition may enter into a long term contract with the transferee corporation governing the transfer of students. The contract may:

(1) be entered into for a period of not more than five (5) years with an option to renew;

(2) specify a maximum number of students to be transferred; and

(3) fix a method for determining the amount of transfer tuition and the time of payment, which may be different from that provided in section 14 of this chapter.

(i) A school corporation may negotiate transfer tuition agreements with a neighboring school corporation that can accommodate additional students. Agreements under this section may:

(1) be for one (1) year or longer; and

(2) fix a method for determining the amount of transfer tuition or time of payment that is different from the method, amount, or time of payment that is provided in this section or section 14 of this chapter.

A school corporation may not transfer a student under this section without the prior approval of the child's parent.

(B) the tax rate that will be imposed if the public question is approved by the voters.

STEP SEVEN: Divide the result of STEP SIX by the result of STEP FIVE, expressed as a percentage.

(f) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to the school corporation determined under subsection (d), and the estimated average percentage of property tax increase on a business property to be paid to the school corporation determined under subsection (e), in a manner prescribed by the department of local government finance, and provide the certification to the governing body of the school corporation that proposes to impose property taxes.
