

# PROPOSED AMENDMENT

## HB 1568 # 13

### DIGEST

Information. Requires a pharmacist to provide certain information about a woman's options for birth control before prescribing a hormonal contraceptive patch or self-administered hormonal contraceptive. Sets forth requirements for training on options for family planning.

---

- 1           Page 3, between lines 41 and 42, begin a new line block indented  
2           and insert:
