

PROPOSED AMENDMENT

HB 1635 # 16

DIGEST

Adopting curriculum. Removes provisions that require the state board of education to: (1) develop algebra I, algebra II, and geometry courses that include real world application and project based and inquiry based learning; and (2) implement the courses not later than the 2025-2026 school year. Provides that each school corporation and charter school shall adopt algebra I, algebra II, and geometry curriculum that include: (1) real world application; and (2) project based and inquiry based learning.
