25                  (3) The tract of land upon which a building that is used for

1 society's head rabbi, priest, preacher, minister, or pastor.  
 2 (d) Property referred to in this section shall be assessed to the  
 3 extent required under IC 6-1.1-11-9.  
 4 (e) This subsection applies to transactions occurring after  
 5 December 31, 2021. The sales disclosure form required under  
 6 IC 6-1.1-5.5-5 shall include an attestation that property transferred  
 7 under this subsection will continue to be used by a church or religious  
 8 society for the same tax exempt purpose. A county assessor that  
 9 reasonably suspects that the property transferred is no longer being

 12 attestation. The request for articles of incorporation or bylaws to  
 13 confirm the attestation must:  
 14 (1) be made in writing; and

 18 society for the same tax exempt purpose.  
 19 Notwithstanding ~~IC 6-1.1-11-4(e)~~, **IC 6-1.1-11-4(d)**, when exempt

 23 society is not required to file a certified exemption application with the  
 24 county assessor of the county in which the property that is the subject  
 25 of the exemption is located. If the property remains eligible for the  
 26 exemption under this section after the transfer, the exempt status of the  
 27 property carries over to the transferee church or religious society.

 37 chapter is not required if the exempt property is a cemetery:

7 (B) tangible property owned by a church or religious society  
8 used for educational purposes described in IC 6-1.1-10-16;

9 (C) other tangible property owned, occupied, and used by a

12 (D) other tangible property owned by a fraternity or sorority  
13 (as defined in IC 6-1.1-10-24);

14 (2) the exemption application referred to in section 3 or 3.5 of

21 IC 6-1.1-10-24.

22 ~~(e)~~ (d) If, after an assessment date, an exempt property is  
23 transferred or its use is changed resulting in its ineligibility for an  
24 exemption under IC 6-1.1-10, the county assessor shall terminate the  
25 exemption for the next assessment date. However, if the property  
26 remains eligible for an exemption under IC 6-1.1-10 following the  
27 transfer or change in use, the exemption shall be left in place for that  
28 assessment date. For the following assessment date, the person that  
29 obtained the exemption or the current owner of the property, as  
30 applicable, shall, under section 3 of this chapter and except as provided  
31 in this section, file a certified application in duplicate with the county  
32 assessor of the county in which the property that is the subject of the  
33 exemption is located. In all cases, the person that obtained the  
34 exemption or the current owner of the property shall notify the county  
35 assessor for the county where the tangible property is located of the  
36 change in ownership or use in the year that the change occurs. The  
37 notice must be in the form prescribed by the department of local  
38 government finance.

39 ~~(f)~~ (e) If the county assessor discovers that title to or use of  
40 property granted an exemption under IC 6-1.1-10 has changed, the  
41 county assessor shall notify the persons entitled to a tax statement

4 signed under penalties of perjury, that identifies the new owners or use  
5 of the property and indicates whether the property continues to meet  
6 the requirements for an exemption under IC 6-1.1-10. Upon receipt of  
7 the affidavit, the county assessor shall reinstate the exemption under  
8 IC 6-1.1-15-12.1. However, a claim under IC 6-1.1-26-1.1 for a refund  
9 of all or a part of a tax installment paid and any correction of error  
10 under IC 6-1.1-15-12.1 must be filed not later than three (3) years after  
11 the taxes are first due.

12 (g) (f) This section shall not be construed to limit the authority of  
13 the county property tax assessment board of appeals to review the  
14 ongoing eligibility of a property for an exemption. A county property  
15 tax assessment board of appeals shall disapprove an exemption  
16 application in any year following the initial approval of the application  
17 if the property is not eligible for an exemption.

 24 [EFFECTIVE JULY 1, 2026]: Sec. 8.5. (a) ~~The commission~~  
 25 **department** shall adopt rules under IC 4-22-2 for outdoor event

1 However, a statewide code of fire safety laws or building laws

 6 this section applies include Chapter 536 of the Revised Code of the  
 7 Consolidated City and County Indianapolis/Marion, Indiana Codified

12 (c) This subsection applies to cities, towns, and counties described

29 SECTION 330. IC 22-13-2-10, AS AMENDED BY P.L.187-2021,

22 (A) noncompliance with the rule; or

23 (B) compliance with an alternative requirement approved

26 (c) A variance granted under this section is conditioned upon  
27 compliance with an alternative standard approved under subsection  
28 (b)(2)(B).

29 (d) A variance granted under this section takes precedence over  
30 conflicting rules adopted by a state agency and conflicting ordinances

 35 [EFFECTIVE JULY 1, 2026]: Sec. 16. (a) A practitioner shall comply  
 36 with the standards established under this licensing program. A  
 37 practitioner is subject to the exercise of the disciplinary sanctions under  
 38 IC 22-12-7-7 if the department finds that a practitioner has:

39 (1) engaged in or knowingly cooperated in fraud or material  
 40 deception in order to obtain a license to practice, including  
 41 cheating on a licensing examination;

- 1 (2) engaged in fraud or material deception in the course of  
 2 professional services or activities;  
 3 (3) advertised services or goods in a false or misleading manner;  
 4 (4) falsified or knowingly allowed another person to falsify  
 5 attendance records or certificates of completion of continuing  
 6 education courses provided under this chapter;  
 7 (5) been convicted of a crime that has a direct bearing on the  
 8 practitioner's ability to continue to practice competently;  
 9 (6) knowingly violated a state statute or rule or federal statute or  
 10 regulation regulating the profession for which the practitioner is  
 11 licensed;  
 12 (7) continued to practice although the practitioner has become  
 13 unfit to practice due to:  
 14 (A) professional incompetence;  
 15 (B) failure to keep abreast of current professional theory or  
 16 practice;  
 17 (C) physical or mental disability; or  
 18 (D) addiction to, abuse of, or severe dependency on alcohol  
 19 or other drugs that endanger the public by impairing a  
 20 practitioner's ability to practice safely;  
 21 (8) engaged in a course of lewd or immoral conduct in  
 22 connection with the delivery of services to the public;  
 23 (9) allowed the practitioner's name or a license issued under this  
 24 chapter to be used in connection with an individual or business  
 25 who renders services beyond the scope of that individual's or  
 26 business's training, experience, or competence;  
 27 (10) had disciplinary action taken against the practitioner or the  
 28 practitioner's license to practice in another state or jurisdiction  
 29 on grounds similar to those under this chapter;  
 30 (11) assisted another person in committing an act that would  
 31 constitute a ground for disciplinary sanction under this chapter;  
 32 or  
 33 (12) allowed a license issued by the department to be:  
 34 (A) used by another person; or  
 35 (B) displayed to the public when the license has expired, is  
 36 inactive, is invalid, or has been revoked or suspended.  
 37 For purposes of subdivision (10), a certified copy of a record of  
 38 disciplinary action constitutes prima facie evidence of a disciplinary  
 39 action in another jurisdiction.  
 40 (b) If an applicant or a practitioner has engaged in or knowingly  
 41 cooperated in fraud or material deception to obtain a license to

1 practice, including cheating on the licensing examination, the  
2 department may rescind the license if it has been granted, void the  
3 examination or other fraudulent or deceptive material, and prohibit the  
4 applicant from reapplying for the license for a length of time  
5 established by the department.

6 (c) The department may deny licensure to an applicant who has  
7 had disciplinary action taken against the applicant or the applicant's  
8 license to practice in another state or jurisdiction or who has practiced  
9 without a license in violation of the law. A certified copy of the record  
10 of disciplinary action is conclusive evidence of the other jurisdiction's  
11 disciplinary action.

12 (d) The department may order a practitioner to submit to a  
13 reasonable physical or mental examination if the practitioner's physical  
14 or mental capacity to practice safely and competently is at issue in a  
15 disciplinary proceeding. Failure to comply with a department order to  
16 submit to a physical or mental examination makes a practitioner liable  
17 to temporary suspension under subsection (h).

18 (e) Except as provided under subsection (f) or (g), a license may  
19 not be denied, revoked, or suspended because the applicant or holder  
20 has been convicted of an offense. The acts from which the applicant's  
21 or holder's conviction resulted may, however, be considered as to  
22 whether the applicant or holder should be entrusted to serve the public  
23 in a specific capacity.

24 (f) The department may deny, suspend, or revoke a license issued  
25 under this chapter if the individual who holds the license is convicted  
26 of any of the following:

- 27 (1) Possession of cocaine or a narcotic drug under IC 35-48-4-6.
- 28 (2) Possession of methamphetamine under IC 35-48-4-6.1.

- 36 (6) Dealing in paraphernalia as a Class D felony (for a crime

- 39 (7) Possession of paraphernalia as a Class D felony (for a crime

 5 applicant initiates the application until the earlier of the  
 6 following:

7 (A) The date the application is completed.

8 (B) One (1) calendar year after the applicant initiates the  
 9 application; **and**

10 **(10) may adopt and enforce procedural rules under**  
 11 **IC 25-1-6-3.**

12 (c) In administering the renewal of licenses or certificates under  
 13 this chapter, the agency shall send a notice of the upcoming expiration  
 14 of a license or certificate to each holder of a license or certificate at  
 15 least ninety (90) days before the expiration of the license or certificate.  
 16 The notice must inform the holder of the license or certificate of the  
 17 need to renew and the requirement of payment of the renewal fee. If  
 18 this notice of expiration is not sent by the agency, the holder of the  
 19 license or certificate is not subject to a sanction for failure to renew if,  
 20 once notice is received from the agency, the license or certificate is  
 21 renewed within forty-five (45) days after receipt of the notice.

22 (d) In administering an examination for licensure or certification,  
 23 the agency shall make the appropriate application forms available at  
 24 least thirty (30) days before the deadline for submitting an application  
 25 to all persons wishing to take the examination.

26 (e) The agency may require an applicant for license renewal to  
 27 submit evidence proving that:

28 (1) the applicant continues to meet the minimum requirements  
 29 for licensure; and

30 (2) the applicant is not in violation of:

31 (A) the statute regulating the applicant's profession; or

32 (B) rules adopted by the board regulating the applicant's  
 33 profession.

34 (f) The agency shall process an application for renewal of a license  
 35 or certificate:

36 (1) not later than ten (10) days after the agency receives all  
 37 required forms and evidence; or

38 (2) within twenty-four (24) hours after the time that an applicant  
 39 for renewal appears in person at the agency with all required  
 40 forms and evidence.

41 This subsection does not require the agency to issue a renewal license

1 or certificate to an applicant if subsection (g) applies.

2 (g) The agency may delay issuing a license renewal for up to one  
3 hundred twenty (120) days after the renewal date for the purpose of  
4 permitting the board to investigate information received by the agency  
5 that the applicant for renewal may have committed an act for which the  
6 applicant may be disciplined. If the agency delays issuing a license  
7 renewal, the agency shall notify the applicant that the applicant is being  
8 investigated. Except as provided in subsection (h), before the end of the  
9 one hundred twenty (120) day period, the board shall do one (1) of the  
10 following:

11 (1) Deny the license renewal following a personal appearance by  
12 the applicant before the board.

13 (2) Issue the license renewal upon satisfaction of all other  
14 conditions for renewal.

15 (3) Issue the license renewal and file a complaint under  
16 IC 25-1-7.

17 (4) Upon agreement of the applicant and the board and following  
18 a personal appearance by the applicant before the board, renew  
19 the license and place the applicant on probation status under  
20 IC 25-1-9-9.

21 (h) If an individual fails to appear before the board under  
22 subsection (g), the board may take action on the applicant's license  
23 allowed under subsection (g)(1), (g)(2), or (g)(3).

24 (i) The applicant's license remains valid until the final  
25 determination of the board is rendered unless the renewal is denied or  
26 the license is summarily suspended under IC 25-1-9-10.

27 (j) The license of the applicant for a license renewal remains valid  
28 during the one hundred twenty (120) day period unless the license  
29 renewal is denied following a personal appearance by the applicant  
30 before the board before the end of the one hundred twenty (120) day  
31 period. If the one hundred twenty (120) day period expires without  
32 action by the board, the license shall be automatically renewed at the  
33 end of the one hundred twenty (120) day period.

34 (k) The board's renewal of a license does not preclude the board  
35 from imposing sanctions on the licensee as a result of a complaint filed  
36 by the attorney general after renewal of the license.

37 (l) Notwithstanding any other statute, the agency may stagger  
38 license or certificate renewal cycles. However, if a renewal cycle for a  
39 specific board or committee is changed, the agency must obtain the  
40 approval of the affected board or committee.

41 (m) An application for a license, certificate, registration, or permit

1 is abandoned without an action of the board, if the applicant does not  
 2 complete the requirements to complete the application within one (1)  
 3 year after the date on which the application was filed. However, the  
 4 board may, for good cause shown, extend the validity of the application  
 5 for additional thirty (30) day periods. An application submitted after  
 6 the abandonment of an application is considered a new application.

33 time of care.

 22           **the remote state. A licensee may apply for and hold compact**  
 23           **privileges in multiple member states.**

24           **Sec. 3. A licensed athletic trainer must follow the scope of**

 26           **licensee engaging in the practice of athletic training in a remote**

 31           **athletic training, as applicable.**

32           **Sec. 4. A licensee engaging in the practice of athletic training**  
 33           **in a remote state is subject to the remote state's regulatory**  
 34           **authority. A remote state may, in accordance with due process and**

 16       **Sec. 7. If a licensee's compact privilege in any remote state is**

 33       **Sec. 2. This chapter does not require that the state of**  
 34 **qualifying licensure be the state of primary residence or state of**

 36       **Sec. 3. This compact does not interfere with a licensee's ability**  
 37 **to hold a single state license in multiple states.**  
 38       **Sec. 4. This compact does not affect the requirements**  
 39 **established by a member state for the issuance of a single state**

1 required to pay a fee to the commission for a compact privilege. If  
 2 a member state chooses to charge a member state fee, it may  
 3 choose to charge a reduced fee or no fee to an active military  
 4 member or their spouse for a compact privilege.

5 **Chapter 7. Adverse Actions**

6 **Sec. 1.** A member state in which a licensee is issued a compact  
 7 qualifying license has the exclusive authority to impose adverse  
 8 action against the compact qualifying license issued by that  
 9 member state.

10 **Sec. 2.** A member state may take adverse action based on  
 11 current significant investigative information of a remote state, so  
 12 long as the member state follows its own procedures for imposing  
 13 adverse action.

14 **Sec. 3.** This compact does not override a member state's  
 15 decision that participation in an alternative program may be used  
 16 in lieu of adverse action and that the participation remains non  
 17 public if required by the member state's laws or rules.

18 **Sec. 4. (a)** A remote state may:

19 (1) take adverse actions against a licensee's compact  
 20 privilege in that state; and

21 (2) issue subpoenas for both hearings and investigations that  
 22 require the attendance and testimony of witnesses as well as  
 23 the production of evidence.

24 (b) Subpoenas may be issued by a member state athletic  
 25 training licensing authority for the attendance and testimony of  
 26 witnesses and the production of evidence.

27 (c) A member state which issues a subpoena may request  
 28 service of that subpoena by another member state. The member  
 29 state receiving the request to serve a subpoena shall serve the  
 30 subpoena if it is deemed enforceable by a court of competent  
 31 jurisdiction according to the practice and procedure in the  
 32 receiving member state.

33 (d) The issuing authority shall pay any witness fees, travel  
 34 expenses, mileage, and other fees required by the service statutes  
 35 of the state where the witnesses or evidence are located.

36 **Sec. 5.** For purposes of taking adverse action, a member state  
 37 shall give the same priority and effect to reported conduct received  
 38 from another member state as it would if the conduct had occurred  
 39 within that state. In so doing, the investigating member state shall  
 40 apply its own state laws to determine appropriate action.

41 **Sec. 6.** A member state, if otherwise permitted by state law,  
 42 may recover from the affected licensee the costs of investigations

1 and dispositions of cases resulting from any adverse action taken  
2 against that licensee.

3 **Sec. 7. (a) In addition to the authority granted to a member**  
4 **state by its respective state law, any member state may participate**  
5 **with other member states in joint investigations of licensees.**

6 **(b) Member states shall share any current significant**  
7 **investigative information, litigation, or compliance materials in**  
8 **furtherance of any joint or individual investigation initiated under**  
9 **the compact. In sharing the information under this section between**  
10 **member state athletic trainer licensing authorities, all information**  
11 **obtained must be kept confidential, except as otherwise mutually**  
12 **agreed upon by the sharing and receiving member state.**

13 **(c) A remote state may issue subpoenas on behalf of a member**  
14 **state for both hearings and investigations that require the**  
15 **attendance and testimony of witnesses as well as the production of**  
16 **evidence.**

17 **Sec. 8. If a member state takes adverse action, the member**  
18 **state shall promptly notify the administrator of the data system.**  
19 **The administrator of the data system shall promptly notify all**  
20 **member states of any adverse actions by remote states.**

21 **Sec. 9. This compact does not permit a member state to take**  
22 **any adverse action against a licensee or holder of a compact**  
23 **privilege for conduct or practice occurring in another member**  
24 **state that was legal in the member state at the time the conduct or**  
25 **practice was undertaken.**

26 **Chapter 8. Commission**

27 **Sec. 1. The compact member states establish a joint**  
28 **government agency whose membership consists of all member**  
29 **states that have enacted the compact known as the athletic trainer**  
30 **licensure compact commission. The compact commission is an**  
31 **instrumentality of the member states acting jointly and not an**  
32 **instrumentality of any one (1) state. The compact commission**  
33 **comes into existence on or after the effective date of the compact**  
34 **as set forth in IC 25-5.3-12.**

35 **Sec. 2. (a) Each member state has and is limited to one (1)**  
36 **commissioner selected by that member state's licensing authority**  
37 **within sixty (60) days of the member state's effective date.**

38 **(b) The commissioner selected under subsection (a) must be an**  
39 **administrator or their designated staff or current board member**  
40 **of the licensing authority.**

41 **(c) The compact commission may recommend removal or**  
42 **suspension of any commissioner from office.**

28           **(f) The commission shall indemnify and hold harmless any**  
 29 **member, officer, executive director, employee, and representative**  
 30 **of the commission for the amount of any settlement or judgment**  
 31 **obtained against that person arising out of any actual or alleged**

1 defense with respect to antitrust claims under the Sherman Act,  
 2 Clayton Act, or any other state or federal antitrust or  
 3 anticompetitive law or regulation.

4 (i) This compact is not a waiver of sovereign immunity by the  
 5 member states or by the compact commission.

6 **Chapter 9. Data System**

7 **Sec. 1.** The commission shall provide for the development,  
 8 maintenance, operation, and use of a coordinated data system and  
 9 reporting system containing licensure, compact privileges, adverse  
 10 action, and the presence of current significant investigative  
 11 information on all licensees and applicants for a license in member  
 12 states.

13 **Sec. 2.** Notwithstanding any other state law to the contrary, a  
 14 member state shall submit a uniform data set to the data system on  
 15 all licensees, applicants, and others to whom this compact is  
 16 applicable as required by the rules of the compact commission,  
 17 including the following:

18 (1) Personally identifying information.

19 (2) Licensure data.

20 (3) Adverse actions against a licensee, license applicant, or  
 21 compact privilege and related information.

22 (4) Nonconfidential information related to alternative  
 23 program participation, the beginning and ending dates of the  
 24 participation, and other information related to the  
 25 participation.

26 (5) Any denial of an application for licensure, and the reason  
 27 for the denial, (excluding the reporting of any criminal  
 28 history record information where prohibited by law).

29 (6) A binary determination regarding the presence of current  
 30 significant investigative information.

31 (7) Other information that may facilitate the administration  
 32 of this compact or the protection of the public, as determined  
 33 by the rules of the commission.

34 **Sec. 3.** The records and information provided to a member  
 35 state under this compact or through the data system, when  
 36 certified by the commission or an agent of the commission,  
 37 constitute the authenticated business records of the commission,  
 38 and are entitled to any associated hearsay exception in any relevant  
 39 judicial, quasi-judicial, or administrative proceedings in a member  
 40 state.

41 **Sec. 4.** Current significant investigative information pertaining  
 42 to a licensee in any member state will only be available to other

1 member states.  
 2 **Sec. 5. It is the responsibility of the member states to monitor**  
 3 **the data system to determine whether adverse action has been**  
 4 **taken against a licensee or license applicant. Adverse action**  
 5 **information pertaining to a licensee or license applicant in any**  
 6 **member state will be available to any other member state.**  
 7 **Sec. 6. Member states contributing information to the data**  
 8 **system may designate information that may not be shared with the**  
 9 **public without the express permission of the contributing state.**  
 10 **Sec. 7. Any information submitted to the data system that is**  
 11 **subsequently expunged under federal law or the laws of the**  
 12 **member state contributing the information must be removed from**  
 13 **the data system.**  
 14 **Chapter 10. Rulemaking**  
 15 **Sec. 1. The compact commission shall promulgate reasonable**  
 16 **rules to effectively and efficiently implement and administer this**  
 17 **compact. A rule may be invalidated and have no force or effect**  
 18 **only if a court of competent jurisdiction holds that the rule is**  
 19 **invalid because the compact commission exercised its rulemaking**  
 20 **authority in a manner that is beyond the scope and purposes of the**  
 21 **compact, or the powers granted hereunder, or based upon another**  
 22 **applicable standard of review.**  
 23 **Sec. 2. The rules of the compact commission have the force of**  
 24 **law in each member state. However, where the rules conflict with**  
 25 **the laws of a member state that relate to the scope of practice a**  
 26 **licensed athletic trainer is permitted to undertake in that state and**  
 27 **the circumstances under which they may do so, as held by a court**  
 28 **of competent jurisdiction, the rules of the compact commission are**  
 29 **ineffective in that state to the extent of the conflict.**  
 30 **Sec. 3. The compact commission shall exercise its rulemaking**  
 31 **powers under the criteria set forth in this chapter and the rules.**  
 32 **rules of this compact become binding on the day following adoption**  
 33 **or as of the date specified in the rule or amendment, whichever is**  
 34 **later.**  
 35 **Sec. 4. If a majority of the legislatures of the member states**  
 36 **rejects a rule or portion of a rule, by enacting a statute or**  
 37 **resolution in the same manner used to adopt the compact within**  
 38 **four (4) years of the date of adoption of the rule, then the rule has**  
 39 **no further force and effect in any member state.**  
 40 **Sec. 5. Rules must be adopted at a regular or special meeting**  
 41 **of the compact commission.**

1 commission shall hold a public hearing and allow persons to  
 2 provide oral and written comments, data, facts, opinions, and  
 3 arguments. At least thirty (30) days in advance of the public  
 4 hearing on the proposed rule, the compact commission shall  
 5 provide a notice of proposed rulemaking:

- 6 (1) on the website of the compact commission or other  
 7 publicly accessible platform;  
 8 (2) to persons who have requested notice of the compact  
 9 commission's notices of proposed rulemaking; and  
 10 (3) in any other way as the compact commission may by rule  
 11 specify.

12 **Sec. 7. The notice of proposed rulemaking under section 6 of**  
 13 **this chapter must include the following:**

- 14 (1) The time, date, and location of the public hearing at  
 15 which the compact commission will hear public comments on  
 16 the proposed rule and, if different, the time, date, and  
 17 location of the meeting where the compact commission will  
 18 consider and vote on the proposed rule.  
 19 (2) If the hearing is held via telecommunication, video  
 20 conference, or other electronic means, the compact  
 21 commission shall include the mechanism for access to the  
 22 hearing in the notice of proposed rulemaking.  
 23 (3) The text of the proposed rule and the reason for the  
 24 proposed rule.  
 25 (4) A request for comments on the proposed rule from any  
 26 interested person.  
 27 (5) The manner in which interested persons may submit  
 28 written comments.

29 **Sec. 8. All hearings must be recorded. A copy of the recording**  
 30 **and all written comments and documents received by the compact**  
 31 **commission in response to the proposed rule must be available to**  
 32 **the public.**

33 **Sec. 9. This chapter does not require a separate hearing on**  
 34 **each rule. Rules may be grouped for the convenience of the**  
 35 **compact commission at hearings required by this chapter.**

36 **Sec. 10. (a) The compact commission shall, by majority vote of**  
 37 **all members, take final action on the proposed rule based on the**  
 38 **rulemaking record and the full text of the rule.**

39 (b) The compact commission may adopt changes to the  
 40 proposed rule if the changes do not enlarge the original purpose of  
 41 the proposed rule.

42 (c) The compact commission shall provide an explanation of

M  
e  
r  
g

1 the reasons for substantive changes made to the proposed rule as  
 2 well as reasons for substantive changes not made that were  
 3 recommended by commenters.

4 (d) The compact commission shall determine a reasonable  
 5 effective date for the rule. Except for an emergency as provided in  
 6 this section, the effective date of the rule must be no sooner than  
 7 thirty (30) days after issuing the notice that it adopted or amended  
 8 the rule.

9 (e) Upon determination that an emergency exists, the compact  
 10 commission may consider and adopt an emergency rule with  
 11 twenty-four (24) hours' notice, with opportunity to comment if the  
 12 usual rulemaking procedures provided in the compact and in this  
 13 section is retroactively applied to the rule as soon as reasonably  
 14 possible but in no event later than ninety (90) days after the  
 15 effective date of the rule. For the purposes of this subsection, an  
 16 emergency rule is one that must be adopted immediately in order  
 17 to:

18 (1) meet an imminent threat to public health, safety, or  
 19 welfare;

20 (2) prevent a loss of compact commission or member state  
 21 funds;

22 (3) meet a deadline for the promulgation of a rule that is  
 23 established by federal law or rule; or

24 (4) protect public health and safety.

25 (f) The compact commission or an authorized committee of the  
 26 compact commission may direct revisions to a previously adopted  
 27 rule for purposes of correcting typographical errors, errors in  
 28 format, errors in consistency, or grammatical errors. Public notice  
 29 of any revisions must be posted on the website of the compact  
 30 commission. The revision must be subject to challenge by any  
 31 person for a period of at least thirty (30) days after posting. The  
 32 revision may be challenged only on grounds that the revision  
 33 results in a material change to a rule. A challenge must be made in  
 34 writing and delivered to the compact commission before the end of  
 35 the notice period. If no challenge is made, the revision takes effect  
 36 without further action. If the revision is challenged, the revision  
 37 may not take effect without the approval of the compact  
 38 commission.

39 (g) A member state's rulemaking requirements do not apply  
 40 under this compact.

41 **Chapter 11. Oversight, Dispute Resolution, and Enforcement**

42 **Sec. 1. (a) The executive and judicial branches of state**

1 government in each member state shall enforce this compact and  
 2 take all actions necessary and appropriate to implement the  
 3 compact.

4 (b) Except as otherwise provided in this compact, venue is  
 5 proper and judicial proceedings by or against the compact  
 6 commission must be brought solely and exclusively in a court of  
 7 competent jurisdiction where the principal office of the compact  
 8 commission is located. The compact commission may waive venue  
 9 and jurisdictional defenses to the extent it adopts or consents to  
 10 participate in alternative dispute resolution proceedings. This  
 11 section does not affect or limit the selection or propriety of venue  
 12 in any action against a licensee for professional malpractice,  
 13 misconduct or any such similar matter.

14 (c) The compact commission may receive service of process in  
 15 any proceeding regarding the enforcement or interpretation of the  
 16 compact and shall have standing to intervene in a proceeding  
 17 regarding the enforcement or interpretation of the compact for all  
 18 purposes. Failure to provide the compact commission service of  
 19 process renders a judgment or order void as to the compact  
 20 commission, this compact, or promulgated rules.

21 Sec. 2. (a) If the compact commission determines that a  
 22 member state has defaulted in the performance of its obligations or  
 23 responsibilities under this compact or the promulgated rules, the  
 24 commission shall provide written notice to the defaulting state. The  
 25 notice of default must describe the default, the proposed means of  
 26 curing the default, and any other action that the compact  
 27 commission may take, and must offer training and specific  
 28 technical assistance regarding the default.

29 (b) The compact commission shall provide a copy of the notice  
 30 of default to the other member states.

31 Sec. 3. If a state in default fails to cure the default, the  
 32 defaulting state may be terminated from the compact upon an  
 33 affirmative vote of a majority of the commissioners of the member  
 34 states, and all rights, privileges and benefits conferred on the  
 35 defaulting state by this compact may be terminated on the effective  
 36 date of termination. A cure of the default does not relieve the  
 37 offending state of obligations or liabilities incurred during the  
 38 period of default.

39 Sec. 4. Termination of membership in the compact must be  
 40 imposed only after all other means of securing compliance have  
 41 been exhausted. Notice of intent to suspend or terminate must be  
 42 given by the compact commission to the governor, the majority and

1 minority leaders of the defaulting state's legislature, the defaulting  
 2 state's licensing authority and each of the member states' licensing  
 3 authority.

4 **Sec. 5.** A state that has been terminated is responsible for all  
 5 assessments, obligations, and liabilities incurred through the  
 6 effective date of termination, including obligations that extend  
 7 beyond the effective date of termination.

8 **Sec. 6.** Upon the termination of a state's membership from this  
 9 compact, that state shall immediately provide notice to all licensees  
 10 within that state of the termination. The terminated state shall  
 11 continue to recognize all licenses and compact privileges granted  
 12 under this compact for a minimum of one hundred eighty (180)  
 13 days after the date of the notice of termination under this section.

14 **Sec. 7.** The compact commission shall not bear any costs  
 15 related to a state that is found to be in default or that has been  
 16 terminated from the compact, unless agreed upon in writing  
 17 between the compact commission and the defaulting state.

18 **Sec. 8.** The defaulting state may appeal the action of the  
 19 compact commission by petitioning the United States District  
 20 Court for the District of Columbia or the federal district where the  
 21 compact commission has its principal offices. The prevailing party  
 22 must be awarded all costs of the litigation, including reasonable  
 23 attorney's fees.

24 **Sec. 9. (a)** Upon request by a member state, the compact  
 25 commission shall attempt to resolve disputes related to the compact  
 26 that arise among member states and between member and non  
 27 member states.

28 **(b)** The compact commission shall promulgate a rule providing  
 29 for both mediation and binding dispute resolution for disputes as  
 30 appropriate.

31 **Sec. 10. (a)** By two-thirds (2/3) majority vote, the compact  
 32 commission may initiate legal action against a member state in  
 33 default in the United States District Court for the District of  
 34 Columbia or the federal district where the compact commission  
 35 has its principal offices to enforce compliance with the provisions  
 36 of the compact and its promulgated rules. The relief sought may  
 37 include both injunctive relief and damages. In the event judicial  
 38 enforcement is necessary, the prevailing party must be awarded all  
 39 costs of the litigation, including reasonable attorney's fees. The  
 40 remedies under this section are not the exclusive remedies of the  
 41 compact commission. The compact commission may pursue any  
 42 other remedies available under federal or the defaulting member

1 state's law.

2 (b) A member state may initiate legal action against the  
3 compact commission in the United States District Court for the  
4 District of Columbia or the federal district where the compact  
5 commission has its principal offices to enforce compliance with the  
6 provisions of the compact and its promulgated rules. The relief  
7 sought may include both injunctive relief and damages. In the  
8 event judicial enforcement is necessary, the prevailing party must  
9 be awarded all costs of the litigation, including reasonable  
10 attorney's fees.

11 (c) No person other than a member state may enforce this  
12 compact against the compact commission.

13 **Chapter 12. Effective Date, Withdrawal, and Amendment**

14 **Sec. 1. (a)** The compact comes into effect on the date on which  
15 the compact statute is enacted into law in the seventh member  
16 state.

17 (b) On or after the effective date of the compact, the compact  
18 commission shall convene and review the enactment of each of the  
19 first seven (7) member states ("charter member states") to  
20 determine if the statute enacted and made effective by each charter  
21 member state is materially different than the model compact  
22 statute.

23 **Sec. 2. (a)** A charter member state whose enactment is found  
24 to be materially different from the model compact language is  
25 entitled to the default process set forth in IC 25-5.3-11.

26 (b) If any member state is later found to be in default, or is  
27 terminated or withdraws from the compact, the compact  
28 commission remains in existence and the compact remains in effect  
29 even if the number of member states is less than seven (7).

30 **Sec. 3.** Member states enacting the compact after the seven (7)  
31 initial charter member states are subject to the process set forth in  
32 this chapter to determine if their enactments are materially  
33 different from the model compact statute and whether they qualify  
34 for participation in the compact.

35 **Sec. 4.** All actions taken for the benefit of the compact  
36 commission or in furtherance of the purposes of the administration  
37 of the compact before the effective date of the compact or the  
38 compact commission coming into existence must be considered to  
39 be actions of the compact commission unless specifically  
40 repudiated by the compact commission.

41 **Sec. 5.** Any state that joins the compact after the compact  
42 commission's initial adoption of the rules and bylaws is subject to

M  
e  
r  
g  
e  
d

1 the rules and bylaws as they exist on the date on which the compact  
 2 becomes law in that state. Any rule that has been previously  
 3 adopted by the compact commission has the full force and effect of  
 4 law on the day the compact becomes law in that state.

5 **Sec. 6. (a)** Any member state may withdraw from this compact  
 6 by enacting a statute repealing this article.

7 (b) A member state's withdrawal does not take effect until one  
 8 hundred eighty (180) days after enactment of the repealing statute.

9 (c) Withdrawal does not affect the continuing requirement of  
 10 the withdrawing state's licensing authority to comply with the  
 11 investigative and adverse action reporting requirements of this  
 12 compact before the effective date of withdrawal.

13 (d) Upon the enactment of a statute withdrawing from this  
 14 compact, a state shall immediately provide notice of the  
 15 withdrawal to all licensees and privilege holders within that state.  
 16 Notwithstanding any subsequent statutory enactment to the  
 17 contrary, a withdrawing state shall continue to recognize all  
 18 compact privileges granted under this compact for a minimum of  
 19 one hundred eighty (180) days after the date of the notice of  
 20 withdrawal.

21 (e) This compact does not invalidate or prevent any licensure  
 22 agreement or other cooperative arrangement between a member  
 23 state and a non member state that does not conflict with the  
 24 provisions of this compact.

25 (f) This compact may be amended by the member states.  
 26 However, any amendment to this compact does not become  
 27 effective and binding upon any member state until it is enacted into  
 28 the laws of all member states.

29 **Chapter 13. Construction and Severability**

30 **Sec. 1.** This compact and the compact commission's  
 31 rulemaking authority must be liberally construed so as to  
 32 effectuate the purposes, and the implementation and  
 33 administration of the compact. Provisions of the compact expressly  
 34 authorizing or requiring the promulgation of rules do not limit the  
 35 compact commission's rulemaking authority solely for those  
 36 purposes.

37 **Sec. 2.** The provisions of this compact are severable and if any  
 38 phrase, clause, sentence or provision of this compact is held by a  
 39 court of competent jurisdiction to be contrary to the constitution  
 40 of any member state, a state seeking participation in the compact,  
 41 or of the United States, or the applicability of any phrase, clause  
 42 sentence or provision of this compact to any government, agency,

 2 **competent jurisdiction, the validity of the remainder of this**  
 3 **compact and the applicability of the remainder of this compact to**  
 4 **any other government, agency, person or circumstance remains**  
 5 **valid.**

6 **Sec. 3. Notwithstanding the foregoing, the compact**  
 7 **commission may deny a state's participation in the compact or**  
 8 **terminate a member state's participation in the compact if it**  
 9 **determines that a constitutional requirement of a member state is**  
 10 **a material departure from the compact. Otherwise, if this compact**  
 11 **is held to be contrary to the constitution of any member state, the**  
 12 **compact remains in full force and effect as to the remaining**  
 13 **member states and in full force and effect as to the member state**  
 14 **affected as to all severable matters.**

15 **Chapter 14. Consistent Effect and Conflicts**

16 **Sec. 1. This compact does not prevent or inhibit the**  
 17 **enforcement of any other law of a member state that is not**  
 18 **inconsistent with the compact.**

19 **Sec. 2. Any laws, statutes, regulations, or other legal**  
 20 **requirements in a member state in conflict with the compact are**  
 21 **superseded to the extent of the conflict.**

22 **Sec. 3. All permissible agreements between the compact**  
 23 **commission and the member states are binding in accordance with**  
 24 **their terms.**

28 of a statewide 911 system. The amount of the fee assessed under this  
29 subsection is one dollar (\$1). The ~~board~~ **commission** may adjust the  
30 statewide 911 fee to ensure adequate revenue for the board to fulfill the

32 to the following:

33 (1) The following apply to an increase in the fee:

34 (A) The ~~board~~ **commission** may increase the fee only one

- 25           (2) with respect to communications service provided to end users
- 26 by the eligible telecommunications carrier in its capacity as an

- 33           (1) The monthly statewide 911 fee established under subsection
- 34 (a).
- 35           (2) The number of unique end users for which the eligible
- 36 telecommunications carrier received reimbursement from the
- 37 universal service fund during the immediately preceding month.
- 38 The eligible telecommunications carrier may bill and collect from each

 7 911 fee under subsection (a), the **board commission** shall provide  
 8 written notice to the department of state revenue not later than sixty  
 9 (60) days before the date the increase or decrease takes effect that  
 10 includes:

- 11 (1) the effective date for the increase or decrease; and

 24 payment against the fee. A provider may not prorate the monthly 911  
 25 fee collected from a user.

26 (c) Subject to subsection (d), a provider shall remit statewide 911  
 27 fees collected under this section to the **board authority** at the time and  
 28 in the manner prescribed by the **board authority**. However, the **board**  
 29 **authority** shall require a provider to report to the **board authority**, no  
 30 less frequently than on an annual basis, the amount of fees collected  
 31 from all of the provider's customers described in subsection (a)(1) and
