

HOUSE BILL No. 1029

DIGEST OF INTRODUCED BILL

Citations Affected: IC 16-41-18.2.

Synopsis: Alzheimer's disease and dementia education. Requires the Indiana department of health (state department) to: (1) collaborate with a national Alzheimer's disease and dementia organization in educating the public about Alzheimer's disease and dementia; and (2) identify and collaborate with additional partners in the education. Requires the state department to partner for outreach in the education and publish certain educational materials on the state department's website. Allows the state department to accept grants, services, and property from public and private entities for the education.

Effective: July 1, 2026.

Porter, Barrett, Jackson C

December 1, 2025, read first time and referred to Committee on Public Health.

Second Regular Session of the 124th General Assembly (2026)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2025 Regular Session of the General Assembly.

HOUSE BILL No. 1029

A BILL FOR AN ACT to amend the Indiana Code concerning health.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. IC 16-41-18.2 IS ADDED TO THE INDIANA CODE
