SECTION 3. IC 3-3-2-2, AS AMENDED BY P.L.133-2021, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) This subsection applies only to the first regular session of the one hundred twenty-second general assembly. If the general assembly adjourns sine die before November 15, 2021, without having complied with the requirements of section 1 of this chapter, a redistricting commission is established. 1 challenging the apportionment of congressional districts or general
2 assembly districts.

3 (b) The general assembly makes the following findings with
4 respect to actions to which this section applies:

5 (1) The state has a compelling interest in preserving the
6 integrity of its elections and ensuring elections are fair,
7 orderly, and free from chaos and confusion.

8 (2) Actions challenging the apportionment of congressional
9 or general assembly districts can have statewide impacts on
10 the electoral process and disrupt the orderly conduct of
11 elections.

12 (3) Judicial alterations to election laws can interfere with the
13 orderly administration of an election, cause unanticipated
14 consequences, and undermine voter confidence in the
15 electoral process.

16 (4) A prompt, orderly determination of apportionment issues
17 by a court of last resort is critical for preserving election
18 integrity, protecting voter confidence, and preventing chaotic
19 disruption of the electoral process.

20 (c) The following apply in any action to which this section
21 applies:

22 (1) A temporary restraining order may not be sought or
23 issued.

24 (2) The supreme court has mandatory and exclusive
25 jurisdiction over any appeal from an order granting,
26 extending, modifying, or refusing to dissolve an injunction.
27 However, this subdivision does not apply to an appeal from
28 an order refusing to grant or dissolving an injunction.

29 (3) The supreme court has mandatory and exclusive
30 jurisdiction over any appeal from a final judgment or any
31 other appealable order holding the apportionment
32 unconstitutional or otherwise invalid, either in whole or in
33 part.

34 (4) If an appeal is taken from an order, injunction, or
35 judgment concerning the apportionment of congressional
36 districts or general assembly districts, the order, injunction,
37 or judgment is automatically stayed by operation of law
38 pending disposition of the appeal by the supreme court. Any
39 party may seek relief from the stay in the supreme court, and
40 relief from the stay may be sought only in the supreme court.

41 (5) Any action or appeal of an action to which this section
42 applies must be given priority over ordinary matters.
