22 (d) Except as provided in subsections (k) and (l), before August 15  
 23 of each year, the state comptroller shall distribute the wagering taxes  
 24 set aside for revenue sharing under subsection (a)(1) to the county  
 25 treasurer of each county that does not have a riverboat according to the

 27 counties that do not have a riverboat. Except as provided in subsection  
 28 (g), the county auditor shall distribute the money received by the  
 29 county under this subsection as follows:

30 (1) To each city located in the county according to the ratio the  
 31 city's population bears to the total population of the county.

 33 town's population bears to the total population of the county.  
 34 (3) After the distributions required in subdivisions (1) and (2) are  
 35 made, the remainder shall be retained by the county.

36 (e) Money received by a city, town, or county under subsection (d)  
 37 or (g) may be used for any of the following purposes:

38 (1) To reduce the property tax levy of the city, town, or county for  
 39 a particular year (a property tax reduction under this subdivision  
 40 does not reduce the maximum levy of the city, town, or county

 42 (2) For deposit in a special fund or allocation fund created under

1           IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and

6           (5) To carry out any governmental purpose for which the money  
 7           is appropriated by the fiscal body of the city, town, or county.  
 8           Money used under this subdivision does not reduce the property  
 9           tax levy of the city, town, or county for a particular year or reduce  
 10           the maximum levy of the city, town, or county under  
 11           IC 6-1.1-18.5.

12           (f) This subsection does not apply to an inland casino operating in  
 13           Vigo County, **Allen County, DeKalb County, Steuben County, or**  
 14           **Wayne County**. Before July 15 of each year, the state comptroller shall  
 15           determine the total amount of money distributed to an entity under  
 16           IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If  
 17           the state comptroller determines that the total amount of money  
 18           distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the  
 19           preceding state fiscal year was less than the entity's base year revenue  
 20           (as determined under IC 4-33-12-9), the state comptroller shall make  
 21           a supplemental distribution to the entity from taxes collected under this  
 22           chapter and deposited into the state general fund. Except as provided  
 23           in subsection (h), the amount of an entity's supplemental distribution  
 24           is equal to:

25           (1) the entity's base year revenue (as determined under  
 26           IC 4-33-12-9); minus

27           (2) the sum of:

28           (A) the total amount of money distributed to the entity and  
 29           constructively received by the entity during the preceding state  
 30           fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus

31           (B) the amount of any admissions taxes deducted under  
 32           IC 6-3.1-20-7.

33           (g) This subsection applies only to Marion County. The county  
 34           auditor shall distribute the money received by the county under  
 35           subsection (d) as follows:

36           (1) To each city, other than the consolidated city, located in the  
 37           county according to the ratio that the city's population bears to the  
 38           total population of the county.

39           (2) To each town located in the county according to the ratio that  
 40           the town's population bears to the total population of the county.

41           (3) After the distributions required in subdivisions (1) and (2) are  
 42           made, the remainder shall be paid in equal amounts to the

1                   consolidated city and the county.

2                   (h) This subsection does not apply to an inland casino operating in  
3                   Vigo County, **Allen County, DeKalb County, Steuben County, or**  
4                   **Wayne County**. This subsection applies to a supplemental distribution  
5                   made after June 30, 2017. The maximum amount of money that may be  
6                   distributed under subsection (f) in a state fiscal year is equal to the  
7                   following:

8                   (1) Before July 1, 2021, forty-eight million dollars (\$48,000,000).

9                   (2) After June 30, 2021, if the total adjusted gross receipts  
10                  received by licensees from gambling games authorized under this  
11                  article during the preceding state fiscal year is equal to or greater  
12                  than the total adjusted gross receipts received by licensees from  
13                  gambling games authorized under this article during the state  
14                  fiscal year ending June 30, 2020, the maximum amount is  
15                  forty-eight million dollars (\$48,000,000).

16                  (3) After June 30, 2021, if the total adjusted gross receipts  
17                  received by licensees from gambling games authorized under this  
18                  article during the preceding state fiscal year is less than the total  
19                  adjusted gross receipts received by licensees from gambling  
20                  games authorized under this article during the state fiscal year  
21                  ending June 30, 2020, the maximum amount is equal to the result  
22                  of:

23                  (A) forty-eight million dollars (\$48,000,000); multiplied by

24                  (B) the result of:

25                   (i) the total adjusted gross receipts received by licensees  
26                  from gambling games authorized under this article during  
27                  the preceding state fiscal year; divided by  
28                   (ii) the total adjusted gross receipts received by licensees  
29                  from gambling games authorized under this article during  
30                  the state fiscal year ending June 30, 2020.

31                  If the total amount determined under subsection (f) exceeds the  
32                  maximum amount determined under this subsection, the amount

36                  IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental  
37                  distribution.

38                  (i) This subsection applies to a supplemental distribution, if any,

41                  shall, after making any deductions from the supplemental distribution  
42                  required by IC 6-3.1-20-7, deduct from the remainder of the

1 supplemental distribution otherwise payable to the unit under this  
2 section the lesser of:

3 (1) the remaining amount of the supplemental distribution; or  
4 (2) the difference, if any, between:  
5 (A) three million five hundred thousand dollars (\$3,500,000);  
6 minus  
7 (B) the amount of admissions taxes constructively received by  
8 the unit in the previous state fiscal year.

9 The state comptroller shall distribute the amounts deducted under this  
10 subsection to the northwest Indiana redevelopment authority  
11 established under IC 36-7.5-2-1 for deposit in the development

17 deposit the money into either the education fund (IC 20-40-2) or  
18 the operations fund (IC 20-40-18)) or riverboat fund established  
19 under IC 36-1-8-9, or both;  
20 (2) may not be used to reduce the maximum levy under  
21 IC 6-1-1-18.5 of a county, city, or town or the maximum tax rate  
22 of a school corporation, but, except as provided in subsection  
23 (b)(3)(B), may be used at the discretion of the political  
24 subdivision to reduce the property tax levy of the county, city, or  
25 town for a particular year;  
26 (3) except as provided in subsection (b)(3)(B), may be used for  
27 any legal or corporate purpose of the political subdivision,  
28 including the pledge of money to bonds, leases, or other  
29 obligations under IC 5-1-14-4; and  
30 (4) is considered miscellaneous revenue.

31 Money distributed under subsection (b)(3)(B) must be used for the  
32 purposes specified in subsection (b)(3)(B).

33 (k) After June 30, 2020, the amount of wagering taxes that would  
34 otherwise be distributed to South Bend under subsection (d) shall be  
35 deposited as being received from all riverboats whose supplemental  
36 wagering tax, as calculated under IC 4-33-12-1.5(b), is over three and  
37 five-tenths percent (3.5%). The amount deposited under this  
38 subsection, in each riverboat's account, is proportionate to the  
39 supplemental wagering tax received from that riverboat under  
40 IC 4-33-12-1.5 in the month of July. The amount deposited under this  
41 subsection must be distributed in the same manner as the supplemental  
42 wagering tax collected under IC 4-33-12-1.5. This subsection expires

1        June 30, 2021.

2        (l) After June 30, 2021, the amount of wagering taxes that would
