

# PROPOSED AMENDMENT

## HB 1064 # 2

### DIGEST

Unmanned aerial vehicles. Exempts certain persons from the unmanned aerial vehicle statute.

---

- 1       Page 2, between lines 34 and 35, begin a new line block indented  
2       and insert:
- 3       **"(6) A public utility (as defined in IC 8-1-2-1) that provides**  
4       **electric service if the public utility's use of an unmanned**  
5       **aerial vehicle is for the purpose of installing, servicing,**  
6       **maintaining, or inspecting critical infrastructure.**
- 7       **(7) A person conducting an otherwise lawful agricultural**  
8       **operation, which may include incidental or brief overflight of**  
9       **a property boundary that is necessary to service an adjacent**  
10      **property.**
- 11      **(8) An insurer using the unmanned aerial vehicle for the**  
12      **purpose of either:**
- 13          **(A) investigating a policy claim on; or**  
14          **(B) underwriting a property insurance policy for;**  
15      **the property over which the unmanned aerial vehicle is being**  
16      **operated.**
- 17      **(9) Either:**
- 18          **(A) an offeror; or**  
19          **(B) a subcontractor of the offeror;**  
20      **for the purpose of preparing a potential proposal in response**  
21      **to a governmental body's request for proposals under**  
22      **IC 5-23-5.**
- 23      **(10) A person operating an unmanned aerial vehicle over:**  
24          **(A) a public right-of-way; or**  
25          **(B) an easement, including a utility easement, for which the**  
26      **person has an interest in."**

(Reference is to HB 1064 as introduced.)
