SECTION 5. IC 22-3-6-1, AS AMENDED BY P.L.160-2022, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 1. In IC 22-3-2 through IC 22-3-6, unless the context otherwise requires:

(a) "Employer" includes the state and any political subdivision, any municipal corporation within the state, any individual or the legal representative of a deceased individual, firm, association, limited liability company, limited liability partnership, or corporation or the receiver or trustee of the same, using the services of another for pay. A corporation, limited liability company, or limited liability partnership that controls the activities of another corporation, limited liability company, or limited liability partnership, or a corporation and a limited liability company or a corporation and a limited liability partnership that are commonly owned entities, or the controlled corporation, limited liability company, limited liability partnership, or commonly owned entities, and a parent corporation and its subsidiaries shall each

be considered joint employers of the corporation's, the controlled corporation's, the limited liability company's, the limited liability partnership's, the commonly owned entities', the parent's, or the subsidiaries' employees for purposes of IC 22-3-2-6 and IC 22-3-3-31. Both a lessor and a lessee of employees shall each be considered joint employers of the employees provided by the lessor to the lessee for purposes of IC 22-3-2-6 and IC 22-3-3-31. If the employer is insured, the term includes the employer's insurer so far as applicable. However, the inclusion of an employer's insurer within this definition does not allow an employer's insurer to avoid payment for services rendered to an employee with the approval of the employer. The term also includes an employer that ~~provides on-the-job training under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) to the extent set forth in IC 22-3-2-2.5.~~ **employs a student as part of a work based learning program to the extent set forth in IC 22-3-2-2.6.** The term does not include a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) "Employee" means every person, including a minor, in the service of another, under any contract of hire or apprenticeship, written or implied, except one whose employment is both casual and not in the usual course of the trade, business, occupation, or profession of the employer.

(1) An executive officer elected or appointed and empowered in accordance with the charter and bylaws of a corporation, other than a municipal corporation or governmental subdivision or a charitable, religious, educational, or other nonprofit corporation, is an employee of the corporation under IC 22-3-2 through IC 22-3-6. An officer of a corporation who is an employee of the corporation under IC 22-3-2 through IC 22-3-6 may elect not to be an employee of the corporation under IC 22-3-2 through IC 22-3-6. An officer of a corporation who is also an owner of any interest in the corporation may elect not to be an employee of the corporation under IC 22-3-2 through IC 22-3-6. If an officer makes this election, the officer must serve written notice of the election on the corporation's insurance carrier and the board. An

1 officer of a corporation may not be considered to be excluded as
2 an employee under IC 22-3-2 through IC 22-3-6 until the notice
3 is received by the insurance carrier and the board.

4 (2) An executive officer of a municipal corporation or other
5 governmental subdivision or of a charitable, religious,
6 educational, or other nonprofit corporation may, notwithstanding
7 any other provision of IC 22-3-2 through IC 22-3-6, be brought
8 within the coverage of its insurance contract by the corporation by
9 specifically including the executive officer in the contract of
10 insurance. The election to bring the executive officer within the
11 coverage shall continue for the period the contract of insurance is
12 in effect, and during this period, the executive officers thus
13 brought within the coverage of the insurance contract are
14 employees of the corporation under IC 22-3-2 through IC 22-3-6.

15 (3) Any reference to an employee who has been injured, when the
16 employee is dead, also includes the employee's legal
17 representatives, dependents, and other persons to whom
18 compensation may be payable.

19 (4) An owner of a sole proprietorship may elect to include the
20 owner as an employee under IC 22-3-2 through IC 22-3-6 if the
21 owner is actually engaged in the proprietorship business. If the
22 owner makes this election, the owner must serve upon the owner's
23 insurance carrier and upon the board written notice of the
24 election. No owner of a sole proprietorship may be considered an
25 employee under IC 22-3-2 through IC 22-3-6 until the notice has
26 been received. If the owner of a sole proprietorship:

27 (A) is an independent contractor in the construction trades and
28 does not make the election provided under this subdivision,
29 the owner must obtain a certificate of exemption under
30 IC 22-3-2-14.5; or

31 (B) is an independent contractor and does not make the
32 election provided under this subdivision, the owner may obtain
33 a certificate of exemption under IC 22-3-2-14.5.

34 (5) A partner in a partnership may elect to include the partner as
35 an employee under IC 22-3-2 through IC 22-3-6 if the partner is
36 actually engaged in the partnership business. If a partner makes
37 this election, the partner must serve upon the partner's insurance
38 carrier and upon the board written notice of the election. No

1 partner may be considered an employee under IC 22-3-2 through
2 IC 22-3-6 until the notice has been received. If a partner in a
3 partnership:

4 (A) is an independent contractor in the construction trades and
5 does not make the election provided under this subdivision,
6 the partner must obtain a certificate of exemption under
7 IC 22-3-2-14.5; or

9 election provided under this subdivision, the partner may
10 obtain a certificate of exemption under IC 22-3-2-14.5.

12 through IC 22-3-6 if:

13 (A) they are licensed real estate agents;

16 (C) they have written agreements with real estate brokers
17 stating that they are not to be treated as employees for tax
18 purposes.

19 (7) A person is an independent contractor and not an employee
20 under IC 22-3-2 through IC 22-3-6 if the person is an independent

28 and have the owner-operator's drivers covered under a worker's
29 compensation insurance policy or authorized self-insurance that
30 insures the motor carrier if the owner-operator pays the premiums
31 as requested by the motor carrier. An election by an
32 owner-operator under this subdivision does not terminate the
33 independent contractor status of the owner-operator for any
34 purpose other than the purpose of this subdivision.

35 (9) A member or manager in a limited liability company may elect
36 to include the member or manager as an employee under
37 IC 22-3-2 through IC 22-3-6 if the member or manager is actually
38 engaged in the limited liability company business. If a member or

manager makes this election, the member or manager must serve upon the member's or manager's insurance carrier and upon the board written notice of the election. A member or manager may not be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received.

(13) A driver providing drive away operations is an independent contractor and not an employee when:

(c) "Minor" means an individual who has not reached seventeen (17) years of age.

(1) Unless otherwise provided in this subsection, a minor employee shall be considered as being of full age for all purposes of IC 22-3-2 through IC 22-3-6.

(2) If the employee is a minor who, at the time of the accident, is employed, required, suffered, or permitted to work in violation of IC 22-2-18-40 (before its expiration on June 30, 2021) and IC 22-2-18.1-23, the amount of compensation and death benefits,

as provided in IC 22-3-2 through IC 22-3-6, shall be double the amount which would otherwise be recoverable. The insurance carrier shall be liable on its policy for one-half (1/2) of the compensation or benefits that may be payable on account of the injury or death of the minor, and the employer shall be liable for the other one-half (1/2) of the compensation or benefits. If the employee is a minor who is not less than sixteen (16) years of age and who has not reached seventeen (17) years of age and who at the time of the accident is employed, suffered, or permitted to work at any occupation which is not prohibited by law, this subdivision does not apply.

The average weekly wages for such a student shall be calculated as provided in subsection (d)(4).

(4) The rights and remedies granted in this subsection to a minor under IC 22-3-2 through IC 22-3-6 on account of personal injury or death by accident shall exclude all rights and remedies of the minor, the minor's parents, or the minor's personal representatives, dependents, or next of kin at common law, statutory or otherwise, on account of the injury or death. This subsection does not apply to minors who have reached seventeen (17) years of age.

(d) "Average weekly wages" means the earnings of the injured employee in the employment in which the employee was working at the time of the injury during the period of fifty-two (52) weeks immediately preceding the date of injury, divided by fifty-two (52), except as follows:

(1) If the injured employee lost seven (7) or more calendar days during this period, although not in the same week, then the earnings for the remainder of the fifty-two (52) weeks shall be divided by the number of weeks and parts thereof remaining after the time lost has been deducted.

(2) Where the employment prior to the injury extended over a

period of less than fifty-two (52) weeks, the method of dividing the earnings during that period by the number of weeks and parts thereof during which the employee earned wages shall be followed, if results just and fair to both parties will be obtained. Where by reason of the shortness of the time during which the employee has been in the employment of the employee's employer or of the casual nature or terms of the employment it is impracticable to compute the average weekly wages, as defined in this subsection, regard shall be had to the average weekly amount which during the fifty-two (52) weeks previous to the injury was being earned by a person in the same grade employed at the same work by the same employer or, if there is no person so employed, by a person in the same grade employed in the same class of employment in the same district.

(3) Wherever allowances of any character made to an employee in lieu of wages are a specified part of the wage contract, they shall be deemed a part of the employee's earnings.

(4) In computing the average weekly wages to be used in calculating an award for permanent impairment under IC 22-3-3-10 for a student employee in an approved training program under IC 20-37-2-7 **or a work based learning program (as defined in IC 22-3-2.2-2.6)**, the following formula shall be used. (a) As used in this chapter, "employer" includes the state and any political subdivision, any municipal corporation within the state, any individual or the legal representative of a deceased individual, firm, association, limited liability company, limited liability partnership, or corporation or the receiver or trustee of the same, using the services of another for pay. A corporation, limited liability company, or limited liability partnership that controls the activities of another corporation, limited liability company, or limited liability partnership, or a corporation and a limited liability company or a corporation and a limited liability partnership that are commonly

owned entities, or the controlled corporation, limited liability company, limited liability partnership, or commonly owned entities, and a parent corporation and its subsidiaries shall each be considered joint employers of the corporation's, the controlled corporation's, the limited liability company's, the limited liability partnership's, the commonly owned entities', the parent's, or the subsidiaries' employees for purposes of sections 6 and 33 of this chapter. Both a lessor and a lessee of employees shall each be considered joint employers of the employees provided by the lessor to the lessee for purposes of sections 6 and 33 of this chapter. The term also includes an employer that ~~provides on-the-job training under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) to the extent set forth under section 2.5 of this chapter~~ **employs a student as part of a work based learning program to the extent set forth in section 2.6 of this chapter.** If the employer is insured, the term includes the employer's insurer so far as applicable. However, the inclusion of an employer's insurer within this definition does not allow an employer's insurer to avoid payment for services rendered to an employee with the approval of the employer. The term does not include a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) As used in this chapter, "employee" means every person, including a minor, in the service of another, under any contract of hire or apprenticeship written or implied, except one whose employment is both casual and not in the usual course of the trade, business, occupation, or profession of the employer. For purposes of this chapter the following apply:

(1) Any reference to an employee who has suffered disablement, when the employee is dead, also includes the employee's legal representative, dependents, and other persons to whom compensation may be payable.

(2) An owner of a sole proprietorship may elect to include the owner as an employee under this chapter if the owner is actually engaged in the proprietorship business. If the owner makes this election, the owner must serve upon the owner's insurance carrier and upon the board written notice of the election. No owner of a

1 sole proprietorship may be considered an employee under this
 2 chapter unless the notice has been received. If the owner of a sole
 3 proprietorship:

4 (A) is an independent contractor in the construction trades and
 5 does not make the election provided under this subdivision,
 6 the owner must obtain a certificate of exemption under section
 7 34.5 of this chapter; or

8 (B) is an independent contractor and does not make the
 9 election provided under this subdivision, the owner may obtain
 10 a certificate of exemption under section 34.5 of this chapter.

11 (3) A partner in a partnership may elect to include the partner as
 12 an employee under this chapter if the partner is actually engaged
 13 in the partnership business. If a partner makes this election, the
 14 partner must serve upon the partner's insurance carrier and upon
 15 the board written notice of the election. No partner may be
 16 considered an employee under this chapter until the notice has
 17 been received. If a partner in a partnership:

18 (A) is an independent contractor in the construction trades and
 19 does not make the election provided under this subdivision,
 20 the partner must obtain a certificate of exemption under
 21 section 34.5 of this chapter; or

22 (B) is an independent contractor and does not make the
 23 election provided under this subdivision, the partner may
 24 obtain a certificate of exemption under section 34.5 of this
 25 chapter.

26 (4) Real estate professionals are not employees under this chapter
 27 if:

28 (A) they are licensed real estate agents;

29 (B) substantially all their remuneration is directly related to
 30 sales volume and not the number of hours worked; and

31 (C) they have written agreements with real estate brokers
 32 stating that they are not to be treated as employees for tax
 33 purposes.

34 (5) A person is an independent contractor in the construction
 35 trades and not an employee under this chapter if the person is an
 36 independent contractor under the guidelines of the United States
 37 Internal Revenue Service.

38 (6) An owner-operator that provides a motor vehicle and the

services of a driver under a written contract that is subject to IC 8-2.1-24-23, 45 IAC 16-1-13, or 49 CFR 376, to a motor carrier is not an employee of the motor carrier for purposes of this chapter. The owner-operator may elect to be covered and have the owner-operator's drivers covered under a worker's compensation insurance policy or authorized self-insurance that insures the motor carrier if the owner-operator pays the premiums as requested by the motor carrier. An election by an owner-operator under this subdivision does not terminate the independent contractor status of the owner-operator for any purpose other than the purpose of this subdivision.

~~(7) An unpaid participant under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) is an employee to the extent set forth under section 2.5 of this chapter.~~

(7) A student who performs services for an employer as part of a work based learning program, either paid or unpaid, is an employee to the extent set forth in section 2.6 of this chapter.

(8) A person who enters into an independent contractor agreement with a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to perform youth coaching services on a part-time basis is not an employee for purposes of this chapter.

(9) An officer of a corporation who is an employee of the corporation under this chapter may elect not to be an employee of the corporation under this chapter. An officer of a corporation who is also an owner of any interest in the corporation may elect not to be an employee of the corporation under this chapter. If an officer makes this election, the officer must serve written notice of the election on the corporation's insurance carrier and the board. An officer of a corporation may not be considered to be excluded as an employee under this chapter until the notice is received by the insurance carrier and the board.

(10) An individual who is not an employee of the state or a political subdivision is considered to be a temporary employee of the state for purposes of this chapter while serving as a member of a mobile support unit on duty for training, an exercise, or a response, as set forth in IC 10-14-3-19(c)(2)(B).

(c) As used in this chapter, "minor" means an individual who has

1 not reached seventeen (17) years of age. A minor employee shall be
2 considered as being of full age for all purposes of this chapter.
3 However, if the employee is a minor who, at the time of the last
4 exposure, is employed, required, suffered, or permitted to work in
5 violation of the employment of minors laws of this state, the amount of
6 compensation and death benefits, as provided in this chapter, shall be
7 double the amount which would otherwise be recoverable. The
8 insurance carrier shall be liable on its policy for one-half (1/2) of the
9 compensation or benefits that may be payable on account of the
10 disability or death of the minor, and the employer shall be wholly liable
11 for the other one-half (1/2) of the compensation or benefits. If the
12 employee is a minor who is not less than sixteen (16) years of age and
13 who has not reached seventeen (17) years of age, and who at the time
14 of the last exposure is employed, suffered, or permitted to work at any
15 occupation which is not prohibited by law, the provisions of this
16 subsection prescribing double the amount otherwise recoverable do not
17 apply. The rights and remedies granted to a minor under this chapter on
18 account of disease shall exclude all rights and remedies of the minor,
19 the minor's parents, the minor's personal representatives, dependents,
20 or next of kin at common law, statutory or otherwise, on account of any
21 disease.

22 (d) This chapter does not apply to casual laborers as defined in
23 subsection (b), nor to farm or agricultural employees, nor to household
24 employees, nor to railroad employees engaged in train service as
25 engineers, firemen, conductors, brakemen, flagmen, baggagemen, or
26 foremen in charge of yard engines and helpers assigned thereto, nor to
27 their employers with respect to these employees. Also, this chapter
28 does not apply to employees or their employers with respect to
29 employments in which the laws of the United States provide for
30 compensation or liability for injury to the health, disability, or death by
31 reason of diseases suffered by these employees.

32 (e) As used in this chapter, "disablement" means the event of
33 becoming disabled from earning full wages at the work in which the
34 employee was engaged when last exposed to the hazards of the
35 occupational disease by the employer from whom the employee claims
36 compensation or equal wages in other suitable employment, and
37 "disability" means the state of being so incapacitated.

38 (f) For the purposes of this chapter, no compensation shall be

1 payable for or on account of any occupational diseases unless
2 disablement, as defined in subsection (e), occurs within two (2) years
3 after the last day of the last exposure to the hazards of the disease
4 except for the following:

5 (1) In all cases of occupational diseases caused by the inhalation
6 of silica dust or coal dust, no compensation shall be payable
7 unless disablement, as defined in subsection (e), occurs within
8 three (3) years after the last day of the last exposure to the hazards
9 of the disease.

10 (2) In all cases of occupational disease caused by the exposure to
11 radiation, no compensation shall be payable unless disablement,
12 as defined in subsection (e), occurs within two (2) years from the
13 date on which the employee had knowledge of the nature of the
14 employee's occupational disease or, by exercise of reasonable
15 diligence, should have known of the existence of such disease and
16 its causal relationship to the employee's employment.

17 (3) In all cases of occupational diseases caused by the inhalation
18 of asbestos dust, no compensation shall be payable unless
19 disablement, as defined in subsection (e), occurs within three (3)
20 years after the last day of the last exposure to the hazards of the
21 disease if the last day of the last exposure was before July 1, 1985.

22 (4) In all cases of occupational disease caused by the inhalation
23 of asbestos dust in which the last date of the last exposure occurs
24 on or after July 1, 1985, and before July 1, 1988, no compensation
25 shall be payable unless disablement, as defined in subsection (e),
26 occurs within twenty (20) years after the last day of the last
27 exposure.

28 (5) In all cases of occupational disease caused by the inhalation
29 of asbestos dust in which the last date of the last exposure occurs
30 on or after July 1, 1988, no compensation shall be payable unless
31 disablement (as defined in subsection (e)) occurs within
32 thirty-five (35) years after the last day of the last exposure.

33 (g) For the purposes of this chapter, no compensation shall be
34 payable for or on account of death resulting from any occupational
35 disease unless death occurs within two (2) years after the date of
36 disablement. However, this subsection does not bar compensation for
37 death:

38 (1) where death occurs during the pendency of a claim filed by an

1 employee within two (2) years after the date of disablement and
2 which claim has not resulted in a decision or has resulted in a
3 decision which is in process of review or appeal; or

4 (2) where, by agreement filed or decision rendered, a
5 compensable period of disability has been fixed and death occurs
6 within two (2) years after the end of such fixed period, but in no
7 event later than three hundred (300) weeks after the date of
8 disablement.

9 (h) As used in this chapter, "billing review service" refers to a
10 person or an entity that reviews a medical service provider's bills or
11 statements for the purpose of determining pecuniary liability. The term
12 includes an employer's worker's compensation insurance carrier if the
13 insurance carrier performs such a review.

14 (i) As used in this chapter, "billing review standard" means the data
15 used by a billing review service to determine pecuniary liability.

16 (j) As used in this chapter, "community" means a geographic service
17 area based on ZIP code districts defined by the United States Postal
18 Service according to the following groupings:

19 (1) The geographic service area served by ZIP codes with the first
20 three (3) digits 463 and 464.

21 (2) The geographic service area served by ZIP codes with the first
22 three (3) digits 465 and 466.

23 (3) The geographic service area served by ZIP codes with the first
24 three (3) digits 467 and 468.

25 (4) The geographic service area served by ZIP codes with the first

29 (6) The geographic service area served by the 46107 ZIP code and
30 ZIP codes with the first three (3) digits 462.

31 (7) The geographic service area served by ZIP codes with the first
32 three (3) digits 470, 471, 472, 474, and 478.

33 (8) The geographic service area served by ZIP codes with the first
34 three (3) digits 475, 476, and 477.

35 (k) As used in this chapter, "medical service provider" refers to a
36 person or an entity that provides services or products to an employee
37 under this chapter. Except as otherwise provided in this chapter, the
38 term includes a medical service facility.

(l) As used in this chapter, "medical service facility" means any of the following that provides a service or product under this chapter and uses the CMS 1450 (UB-04) form or the CMS 1500 (HCFA-1500) form for Medicare reimbursement:

(1) An ambulatory outpatient surgical center (as defined in IC 16-18-2-14).

(2) A hospital (as defined in IC 16-18-2-179).

(3) A hospital based health facility (as defined in IC 16-18-2-180).

(m) As used in this chapter, "pecuniary liability" means the responsibility of an employer or the employer's insurance carrier for the payment of the charges for each specific service or product for human medical treatment provided under this chapter as follows:

(1) This subdivision applies before July 1, 2014, to all medical service providers, and after June 30, 2014, to a medical service provider that is not a medical service facility. Payment of the charges in a defined community, equal to or less than the charges made by medical service providers at the eightieth percentile in the same community for like services or products.

(2) Payment of the charges in a reasonable amount, which is established by payment of one (1) of the following:

(A) The amount negotiated at any time between the medical service facility and any of the following, if an amount has been negotiated:

(i) The employer.

(ii) The employer's insurance carrier.

(iii) A billing review service on behalf of a person described in item (i) or (ii).
