BILL NUMBER: HB 1145

NOTE PREPARED: Jan 15, 2026
BILL AMENDED:

SUBJECT: Thirteenth Check.

FIRST AUTHOR: Rep. Karickhoff
FIRST SPONSOR:

BILL STATUS: CR Adopted - 1st House

FUNDS AFFECTED: X GENERAL
X DEDICATED
FEDERAL

IMPACT: State & Local

Summary of Legislation: The bill provides for a thirteenth check in calendar year 2026 for certain members, participants, or beneficiaries of the:

- (1) Indiana State Teachers' Retirement Fund (TRF);
- (2) Indiana Public Employees' Retirement Fund (PERF);
- (3) State Excise Police, Gaming Agent, Gaming Control Officer, and Conservation Enforcement Officers' Retirement Plan (EG&C);
- (4) State Police Pre-1987 Benefit System; and
- (5) State Police 1987 Benefit System.

Effective Date: July 1, 2026.

Explanation of State Expenditures: *Thirteenth Checks - State:* The bill provides a thirteenth check in FY 2027 to beneficiaries of PERF, TRF, EG&C, and the State Police Benefit System. The estimated cost for the thirteenth checks paid to state beneficiaries is \$33.6 M, shown in Table 1. The proposed thirteenth check amounts per beneficiary are shown in Table 2.

The thirteenth checks for PERF (state), TRF Pre-'96 (teachers who began teaching prior to July 1, 1995), and EG&C will be paid from the pension funds' pre-funded supplemental reserve accounts (SRAs), which are set up to pre-fund cost-of-living increases (COLAs) and thirteenth checks.

The thirteenth checks for the State Police employee beneficiaries will be paid from the State Police Pension Trust Fund. The State Police Pension Trust receives funding from state General Fund appropriations through the biennial budget process. The bill does not make an appropriation to either the State Police Pension Trust or to the State Police SRAs to fund the thirteenth checks for State Police recipients. This will increase the liability of the State Police Pension Trust Funds and reduce the funded status of the State Police pension funds.

The estimate is based on pension fund member retiree, disability, and beneficiary data and years of service as of June 30, 2024 and actual thirteenth check payments from September 2025. The estimate was adjusted to account for retirements and disabilities occurring between that date and the eligibility dates laid out in the bill.

Additional Information -

Total Expenditures for Thirteenth Checks: The combined state (\$33.6 M) and local (\$28.3 M) expenditures to provide thirteenth checks under the bill are estimated at \$61.9 M.

Funding—SRAs: SRAs were established by SEA 373-2018 for PERF, TRF, EG&C, and the LE DB as a way to pre-fund COLAs and thirteenth checks. The SRAs are funded by employer contributions as a surcharge as determined by the INPRS Board, as a percentage of the employers' payroll that is attributable to those employees who are members of PERF, TRF '96, or EG&C. Additionally, \$30 M annually of surplus revenue from the State Lottery Commission is transferred to the SRA to pre-fund thirteenth checks and COLAs for members of the TRF Pre-'96 Fund. The INPRS Board has leeway to use the lottery revenue for other SRA

funds as well.

Workload Impact: INPRS administers the PERF, TRF, and EG&C funds. The State Police and the Treasurer of State's Office administer the State Police Benefit Funds. This bill will increase workload for these agencies to make additional payments to pension benefit recipients. The administrative costs of the funds are paid from the respective funds.

Explanation of State Revenues:

Explanation of Local Expenditures: *Thirteenth Checks - Local:* The estimated local cost for thirteenth checks is shown in Table 3. The thirteenth checks will be paid from the funds' SRAs which are pre-funded by an employer contribution surcharge.
