30 fund, the police officer or former marshal may continue as a member
31 of that fund instead of the 1977 fund. Notwithstanding the age

33 former marshal employed by a municipality at the time the
34 municipality enters the 1977 fund under this section shall be a member
35 of the 1977 fund unless the police officer or former marshal elects to
36 continue as a member of the public employees' retirement fund. A
37 person may become a member of the 1977 fund under this subsection
38 without meeting the age limitation under section 7(a) of this chapter

 6 fund under this subsection shall be determined under section 18 or 18.1
 7 of this chapter. No service credit beyond that allowed under section 18
 8 or 18.1 of this chapter may be recognized under the 1977 fund.
- 9 (b) If a unit did not establish a 1937 fund for its firefighters, the
 10 unit may participate in the public employees' retirement fund or it may
 11 participate in the 1977 fund. If a unit established a 1937 fund for its
 12 firefighters, the unit is and shall remain a participant in the 1977 fund.
- 13 (c) A unit that:
 14 (1) has not established a pension fund for its firefighters; or
 15 (2) is participating in the public employees' retirement fund

 19 under this subsection must comply with section 21 of this chapter.

 22 continue as a member of that fund instead of the 1977 fund.
- 23 (d) If a unit that participates in the 1977 fund provides longevity
 24 increases, the amount of the longevity increase provided in a year must
 25 be greater than or equal to the amount of the longevity increase
 26 provided in the previous year.

 28 airport authority that participates in the 1977 fund under this subsection
 29 must comply with section 21 of this chapter. However, if a police
 30 officer or firefighter is a member of the public employees' retirement
 31 fund, the police officer or firefighter may continue as a member of that
 32 fund instead of the 1977 fund.
- 33 (f) A school corporation or charter school that:
 34 (1) employs a school resource officer; or
 35 (2) enters into a contract or memorandum of understanding with
 36 a **local law enforcement agency to employ a school resource**
 37 **officer;**
 38 ~~(A) local law enforcement agency;~~
 39 ~~(B) private entity; or~~
 40 ~~(C) nonprofit corporation;~~
 41 **to employ a school resource officer;**

may **allow the school resource officer** to participate in the 1977 fund. A school corporation or charter school that ~~participates in the 1977 fund~~ **employs a school resource officer** under this subsection or subsection (g) must comply with section 21.5 of this chapter **and must enter into a contract or memorandum of understanding with a local law enforcement agency for the purpose of complying with the reporting and payment requirements under sections 6 and 6.5 of this chapter.** However, if a school resource officer is a member of the public employees' retirement fund, the school resource officer may continue as a member of that fund instead of the 1977 fund.

(g) A school resource officer hired or rehired after June 30, 2024, who is a member of the 1977 fund shall remain in the 1977 fund.

(h) **A school corporation or charter school that establishes a school police department under IC 20-26-16 may participate in the 1977 fund. For purposes of this chapter, the term "police officer" includes a school police officer who is a member of a school corporation or charter school police department that participates in the 1977 fund. Notwithstanding the age requirements under section 7(a) of this chapter, a school police officer employed by a school corporation or charter school at the time the school corporation or charter school enters the 1977 fund under this section shall be a member of the 1977 fund unless the school corporation or charter school elects to continue the school police officer as a member of the public employees' retirement fund. A school police officer may become a member of the 1977 fund under this subsection without meeting the age limitation under section 7(a) of this chapter only if the school police officer satisfies:**

(1) any aptitude, physical agility, or physical and mental standards established by a local board under IC 36-8-3.2; and

(2) the minimum standards that are:

(A) adopted by the system board under section 19 of this chapter; and

(B) in effect on the date the school police officer becomes a member of the 1977 fund.

Credit for prior service of a school police officer who becomes a member of the 1977 fund under this subsection shall be determined under section 18 or 18.1 of this chapter. No service credit beyond that allowed under section 18 or 18.1 of this chapter may be recognized under the 1977 fund.
