1 determine the total amount of money paid by the state comptroller to
2 the city or county during the state fiscal year 2002. The amount
3 determined is the base year revenue for the city or county. The state
4 comptroller shall certify the base year revenue determined under this
5 subsection to the city or county. The total amount of money distributed
6 to a city or county under this section during a state fiscal year may not
7 exceed the entity's base year revenue. For each state fiscal year, the
8 state comptroller shall pay that part of the riverboat wagering taxes
9 that:

- 10 (1) exceeds a particular city's or county's base year revenue; and
- 11 (2) would otherwise be due to the city or county under this
- 12 section;

13 to the state general fund instead of to the city or county.

14 (d) Except as provided in subsections (k) and (l), before August 15
15 of each year, the state comptroller shall distribute the wagering taxes
16 set aside for revenue sharing under subsection (a)(1) to the county
17 treasurer of each county that does not have a riverboat according to the
18 ratio that the county's population bears to the total population of the
19 counties that do not have a riverboat. Except as provided in subsection
20 (g), the county auditor shall distribute the money received by the
21 county under this subsection as follows:

- 22 (1) To each city located in the county according to the ratio the
- 23 city's population bears to the total population of the county.
- 24 (2) To each town located in the county according to the ratio the
- 25 town's population bears to the total population of the county.
- 26 (3) After the distributions required in subdivisions (1) and (2)
- 27 are made, the remainder shall be retained by the county.

28 (e) Money received by a city, town, or county under subsection (d)
29 or (g) may be used for any of the following purposes:

- 30 (1) To reduce the property tax levy of the city, town, or county
- 31 for a particular year (a property tax reduction under this
- 32 subdivision does not reduce the maximum levy of the city, town,
- 33 or county under IC 6-1.1-18.5).
- 34 (2) For deposit in a special fund or allocation fund created under
- 35 IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and
- 36 IC 36-7-30 to provide funding for debt repayment.
- 37 (3) To fund sewer and water projects, including storm water
- 38 management projects.
- 39 (4) For police and fire pensions.
- 40 (5) To carry out any governmental purpose for which the money

3 IC 6-1.1-18.5.

4 (f) This subsection does not apply to an inland casino operating in
5 Vigo County. Before July 15 of each year, the state comptroller shall
6 determine the total amount of money distributed to an entity under
7 IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If
8 the state comptroller determines that the total amount of money
9 distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the
10 preceding state fiscal year was less than the entity's base year revenue
11 (as determined under IC 4-33-12-9), the state comptroller shall make
12 a supplemental distribution to the entity from taxes collected under this
13 chapter and deposited into the state general fund. Except as provided
14 in subsection (h), the amount of an entity's supplemental distribution
15 is equal to:

- 16 (1) the entity's base year revenue (as determined under
- 17 IC 4-33-12-9); minus
- 18 (2) the sum of:
 - 19 (A) the total amount of money distributed to the entity and
 - 20 constructively received by the entity during the preceding
 - 21 state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
 - 22 (B) the amount of any admissions taxes deducted under
 - 23 IC 6-3.1-20-7.

24 (g) This subsection applies only to Marion County. The county
25 auditor shall distribute the money received by the county under
26 subsection (d) as follows:

- 27 (1) To each city, other than the consolidated city, located in the
- 28 county according to the ratio that the city's population bears to
- 29 the total population of the county.
- 30 (2) To each town located in the county according to the ratio that
- 31 the town's population bears to the total population of the county.
- 32 (3) After the distributions required in subdivisions (1) and (2)
- 33 are made, the remainder shall be paid in equal amounts to the
- 34 consolidated city and the county.

35 (h) This subsection does not apply to an inland casino operating
36 in Vigo County. This subsection applies to a supplemental distribution
37 made after June 30, 2017. The maximum amount of money that may be
38 distributed under subsection (f) in a state fiscal year is equal to the
39 following:

- 40 (1) Before July 1, 2021, forty-eight million dollars
- 41 (\$48,000,000).
- 42 (2) After June 30, 2021, if the total adjusted gross receipts

4 licensees from gambling games authorized under this article

6 amount is forty-eight million dollars (\$48,000,000).

7 (3) After June 30, 2021, if the total adjusted gross receipts
8 received by licensees from gambling games authorized under
9 this article during the preceding state fiscal year is less than the
10 total adjusted gross receipts received by licensees from gambling
11 games authorized under this article during the state fiscal year
12 ending June 30, 2020, the maximum amount is equal to the
13 result of:

- 14 (A) forty-eight million dollars (\$48,000,000); multiplied by
- 15 (B) the result of:
 - 16 (i) the total adjusted gross receipts received by
 - 17 licensees from gambling games authorized under this
 - 18 article during the preceding state fiscal year; divided
 - 19 by
 - 20 (ii) the total adjusted gross receipts received by
 - 21 licensees from gambling games authorized under this
 - 22 article during the state fiscal year ending June 30,
 - 23 2020.

24 If the total amount determined under subsection (f) exceeds the
25 maximum amount determined under this subsection, the amount
26 distributed to an entity under subsection (f) must be reduced according
27 to the ratio that the amount distributed to the entity under IC 4-33-12-6
28 or IC 4-33-12-8 bears to the total amount distributed under
29 IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental
30 distribution.

31 (i) This subsection applies to a supplemental distribution, if any,
32 payable to Lake County, Hammond, Gary, or East Chicago under
33 subsections (f) and (h). Beginning in July 2016, the state comptroller
34 shall, after making any deductions from the supplemental distribution
35 required by IC 6-3.1-20-7, deduct from the remainder of the
36 supplemental distribution otherwise payable to the unit under this
37 section the lesser of:

- 38 (1) the remaining amount of the supplemental distribution; or
- 39 (2) the difference, if any, between:

1 SECTION 13. IC 6-1.1-2-11, AS ADDED BY P.L.68-2025,
 2 SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 3 JULY 1, 2025 (RETROACTIVE)]: Sec. 11. (a) As used in this section,
 4 "tax increment financing allocation area" means any area authorized by
 5 statute in which ad valorem property taxes are allocated, including the
 6 following:

- 7 (1) IC 6-1.1-39 (economic development districts).
 8 (2) IC 8-22-3.5 (airport development zones).
 9 (3) IC 36-7-14 (redevelopment of areas needing redevelopment
 10 generally).
 11 (4) IC 36-7-15.1 (redevelopment of areas in Marion County).
 12 (5) IC 36-7-30 (reuse of federal military bases).
 13 (6) IC 36-7-30.5 (development of multicounty federal military

18 (b) The department shall, in each year beginning after December
 19 31, ~~2025~~, **2026**, and ending before January 1, 2034, adjust the base
 20 assessed value of each tax increment financing allocation area to
 21 neutralize the effect of the changing tax rates resulting year to year
 22 from the homestead deduction under IC 6-1.1-12-37(c)(2) and
 23 IC 6-1.1-12-37.5(c) and the deduction for eligible property under
 24 IC 6-1.1-12-47. It is the intent of the general assembly that an increase
 25 in revenue from a change in tax rates resulting from these statutes
 26 accrue only to the base assessed value and not to the tax increment
 27 financing allocation area. However, in the case of a decrease in revenue
 28 from a change in tax rates resulting from these statutes, the department
 29 may neutralize the change under this subsection in a positive manner
 30 with regard to the tax increment financing allocation area to protect the
 31 ability to pay bonds based on incremental revenue, if the tax increment
 32 financing allocation area demonstrates to the department that an
 33 adjustment is needed before the department calculates a positive
 34 neutralization adjustment.

35 SECTION 14. IC 6-1.1-3-17, AS AMENDED BY P.L.232-2017,

27 SECTION 15. IC 6-1.1-4-4.5, AS AMENDED BY P.L.230-2025,
28 SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

31 the assessed value of real property to account for changes in value in
32 those years since a reassessment under section 4.2 of this chapter for
33 the property last took effect.

34 (b) Subject to subsection (f), the system must be applied to adjust
35 assessed values beginning with the 2006 assessment date and each year

- 1 (A) reevaluate the factors that affect value;
- 2 (B) express the interactions of those factors mathematically;
- 3 (C) use mass appraisal techniques to estimate updated
- 4 property values within statistical measures of accuracy; and
- 5 (D) provide notice to taxpayers of an assessment increase
- 6 that results from the application of annual adjustments.
- 7 (3) Prescribe procedures that permit the application of the
- 8 adjustment percentages in an efficient manner by assessing
- 9 officials.
- 10 (d) The department of local government finance must review and
- 11 certify each annual adjustment determined under this section.
- 12 (e) For an assessment beginning after December 31, 2022,
- 13 agricultural improvements such as but not limited to barns, grain bins,
- 14 or silos on land assessed as agricultural shall not be adjusted using
- 15 factors, such as neighborhood delineation, that are appropriate for use
- 16 in adjusting residential, commercial, and industrial real property. Those
- 17 portions of agricultural parcels that include land and buildings not used
- 18 for an agricultural purpose, such as homes, homesites, and excess
- 19 residential land and commercial or industrial land and buildings, shall

- 30 effect on January 1, 2005), except that the department shall adjust the
- 31 methodology as follows:
- 32 (1) Use a six (6) year rolling average adjusted under subdivision
- 33 (3) instead of a four (4) year rolling average.
- 34 (2) Use the data from the six (6) most recent years preceding the
- 35 year in which the assessment date occurs for which data is
- 36 available, before one (1) of those six (6) years is eliminated
- 37 under subdivision (3) when determining the rolling average.
- 38 (3) Eliminate in the calculation of the rolling average the year
- 39 among the six (6) years for which the highest market value in use
- 40 of agricultural land is determined.
- 41 (4) After determining a preliminary base rate that would apply
- 42 for the assessment date without applying the adjustment under

1 this subdivision, the department of local government finance
2 shall adjust the preliminary base rate as follows:

3 (A) If the preliminary base rate for the assessment date
4 would be at least ten percent (10%) greater than the final
5 base rate determined for the preceding assessment date, a
6 capitalization rate of:

7 (i) for purposes of determining the preliminary base
8 rate for the January 1, 2025, ~~and the~~ January 1, 2026,
9 **and January 1, 2027**, assessment dates, nine percent
10 (9%); and

13 for assessment dates after December 31, ~~2026~~, **2027**,
14 eight percent (8%);

15 shall be used to determine the final base rate.

16 (B) If the preliminary base rate for the assessment date
17 would be at least ten percent (10%) less than the final base
18 rate determined for the preceding assessment date, a
19 capitalization rate of six percent (6%) shall be used to
20 determine the final base rate.

21 (C) If neither clause (A) nor clause (B) applies, a
22 capitalization rate of seven percent (7%) shall be used to
23 determine the final base rate.

24 (D) In the case of a market value in use for a year that is
25 used in the calculation of the six (6) year rolling average
26 under subdivision (1) for purposes of determining the base
27 rate for the assessment date:

28 (i) that market value in use shall be recalculated by
29 using the capitalization rate determined under clauses
30 (A) through (C) for the calculation of the base rate for
31 the assessment date; and

32 (ii) the market value in use recalculated under item (i)
33 shall be used in the calculation of the six (6) year
34 rolling average under subdivision (1).

35 (g) For assessment dates after December 31, 2009, an adjustment
36 in the assessed value of real property under this section shall be based
37 on the estimated true tax value of the property on the assessment date
38 that is the basis for taxes payable on that real property.

39 (h) The department shall release the department's annual
40 determination of the base rate on or before March 1 of each year.

41 (i) For the January 1, 2025, assessment date only, the base rate

27 ~~expiration~~) is not required to file a statement to apply for the deduction,
28 if:

29 (1) the individual who occupies the real property receives a
30 deduction provided under section 9 (before its expiration), 11
31 (before its expiration), 13 (**before its expiration**), 14, 16,
32 (~~before its expiration~~); 17.4 (before its expiration), or 37 of this
33 chapter in a particular year; and

34 (2) the trust remains eligible for the deduction in the following
35 year.

36 However, for purposes of a deduction under section 37 of this chapter,
37 the individuals that qualify the trust for a deduction must comply with
38 the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015)
39 before January 1, 2013.

40 (f) A cooperative housing corporation (as defined in 26 U.S.C.

1 in section 37 of this chapter) is not required to file a statement to apply
 2 for the deduction for the current calendar year if the cooperative
 3 housing corporation remains eligible for the deduction for the current
 4 calendar year. However, the county auditor may, in the county auditor's
 5 discretion, terminate the deduction for assessment dates after January
 6 15, 2012, if the individual does not comply with the requirement in
 7 IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015), as determined by the
 8 county auditor, before January 1, 2013. Before the county auditor
 9 terminates a deduction because the taxpayer claiming the deduction did
 10 not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired
 11 January 1, 2015) before January 1, 2013, the county auditor shall mail
 12 notice of the proposed termination of the deduction to:

13 (1) the last known address of each person liable for any property
 14 taxes or special assessment, as shown on the tax duplicate or
 15 special assessment records; or

16 (2) the last known address of the most recent owner shown in the
 17 transfer book.

18 (g) An individual who:

19 (1) was eligible for a homestead credit under IC 6-1.1-20.9

22 (2) would have been eligible for a homestead credit under
 23 IC 6-1.1-20.9 (repealed) for property taxes imposed for the
 24 March 1, 2008, or January 15, 2009, assessment date if
 25 IC 6-1.1-20.9 had not been repealed;

26 is not required to file a statement to apply for a deduction under section
 27 37 of this chapter if the individual remains eligible for the deduction in
 28 the current year. An individual who filed for a homestead credit under
 29 IC 6-1.1-20.9 (repealed) for an assessment date after March 1, 2007 (if
 30 the property is real property), or after January 1, 2008 (if the property
 31 is personal property), shall be treated as an individual who has filed for
 32 a deduction under section 37 of this chapter. However, the county
 33 auditor may, in the county auditor's discretion, terminate the deduction
 34 for assessment dates after January 15, 2012, if the individual does not
 35 comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January
 36 1, 2015), as determined by the county auditor, before January 1, 2013.
 37 Before the county auditor terminates the deduction because the
 38 taxpayer claiming the deduction did not comply with the requirement
 39 in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1,
 40 2013, the county auditor shall mail notice of the proposed termination
 41 of the deduction to the last known address of each person liable for any
 42 property taxes or special assessment, as shown on the tax duplicate or

2 recent owner shown in the transfer book.

3 (h) If a county auditor terminates a deduction because the taxpayer
4 claiming the deduction did not comply with the requirement in
5 IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013,
6 the county auditor shall reinstate the deduction if the taxpayer provides
7 proof that the taxpayer is eligible for the deduction and is not claiming
8 the deduction for any other property.

9 (i) A taxpayer described in section 37(r) of this chapter is not
10 required to file a statement to apply for the deduction provided by
11 section 37 of this chapter if the property owned by the taxpayer remains
12 eligible for the deduction for that calendar year.

13 **(j) A surviving spouse who received the deduction provided by**

6 (b) Each year a homestead is eligible for a standard deduction
7 from the assessed value of the homestead for an assessment date.
8 Except as provided in subsection (n), the deduction provided by this
9 section applies to property taxes first due and payable for an
10 assessment date only if an individual has an interest in the homestead
11 described in subsection (a)(2)(B) on:

- 12 (1) the assessment date; or
- 13 (2) any date in the same year after an assessment date that a
14 statement is filed under subsection (e) or section 44 of this
15 chapter, if the property consists of real property.

16 If more than one (1) individual or entity qualifies property as a
17 homestead under subsection (a)(2)(B) for an assessment date, only one
18 (1) standard deduction from the assessed value of the homestead may

21 individual or entity qualifying for the deduction.

22 (c) Except as provided in section 40.5 of this chapter, the total
23 amount of the deduction that a person may receive under this section

8 (e) Except as provided in sections 17.8 and 44 of this chapter and
 9 subject to section 45 of this chapter, an individual who desires to claim
 10 the deduction provided by this section must file a certified statement on
 11 forms prescribed by the department of local government finance with
 12 the auditor of the county in which the homestead is located. The
 13 statement must include:

14 (1) the parcel number or key number of the property and the

 30 under subsection (a)(2)(B) and the individual's spouse (if
 31 any):

32 (i) as the names appear in the records of the United
 33 States Social Security Administration for the purposes
 34 of the issuance of a Social Security card and Social
 35 Security number; or

36 (ii) that they use as their legal names when they sign

 2 not have a Social Security number, any of the following for
 3 that individual:

4 (i) The last five (5) digits of the individual's driver's
 5 license number.

6 (ii) The last five (5) digits of the individual's state

8 (iii) The last five (5) digits of a preparer tax

 14 Service preparer tax identification number, the last five
 15 (5) digits of a control number that is on a document
 16 issued to the individual by the United States
 17 government.

18 If a form or statement provided to the county auditor under this section,
 19 IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or
 20 part or all of the Social Security number of a party or other number
 21 described in subdivision (4)(B) of a party, the telephone number and
 22 the Social Security number or other number described in subdivision
 23 (4)(B) included are confidential. The statement may be filed in person
 24 or by mail. If the statement is mailed, the mailing must be postmarked
 25 on or before the last day for filing. The statement applies for that first
 26 year and any succeeding year for which the deduction is allowed.

27 (f) To obtain the deduction for a desired calendar year under this
 28 section in which property taxes are first due and payable, the individual
 29 desiring to claim the deduction must do the following as applicable:

30 (1) Complete, date, and file the certified statement described in
 31 subsection (e) on or before January 15 of the calendar year in
 32 which the property taxes are first due and payable.

33 (2) Satisfy any recording requirements on or before January 15
 34 of the calendar year in which the property taxes are first due and
 35 payable for a homestead described in subsection (a)(2).

36 (g) Except as provided in subsection (l), if a person who is
 37 receiving, or seeks to receive, the deduction provided by this section in
 38 the person's name:

39 (1) changes the use of the individual's property so that part or all
 40 of the property no longer qualifies for the deduction under this
 41 section; or

- 1 person is already receiving:
- 2 (A) a deduction under this section in the person's name as
- 3 an individual or a spouse; or
- 4 (B) a deduction under the law of another state that is
- 5 equivalent to the deduction provided by this section;
- 6 the person must file a certified statement with the auditor of the county,
- 7 notifying the auditor of the person's ineligibility, not more than sixty
- 8 (60) days after the date of the change in eligibility. A person who fails
- 9 to file the statement required by this subsection may, under
- 10 IC 6-1.1-36-17, be liable for any additional taxes that would have been
- 11 due on the property if the person had filed the statement as required by
- 12 this subsection plus a civil penalty equal to ten percent (10%) of the
- 13 additional taxes due. The civil penalty imposed under this subsection
- 14 is in addition to any interest and penalties for a delinquent payment that
- 15 might otherwise be due. One percent (1%) of the total civil penalty
- 16 collected under this subsection shall be transferred by the county to the
- 17 department of local government finance for use by the department in
- 18 establishing and maintaining the homestead property data base under
- 19 subsection (j) and, to the extent there is money remaining, for any other
- 20 purposes of the department. This amount becomes part of the property
- 21 tax liability for purposes of this article.
- 22 (h) The department of local government finance may adopt rules
- 23 or guidelines concerning the application for a deduction under this
- 24 section.
- 25 (i) This subsection does not apply to property in the first year for
- 26 which a deduction is claimed under this section if the sole reason that
- 27 a deduction is claimed on other property is that the individual or
- 28 married couple maintained a principal residence at the other property
- 29 on the assessment date in the same year in which an application for a
- 30 deduction is filed under this section or, if the application is for a
- 31 homestead that is assessed as personal property, on the assessment date
- 32 in the immediately preceding year and the individual or married couple
- 33 is moving the individual's or married couple's principal residence to the
- 34 property that is the subject of the application. Except as provided in
- 35 subsection (l), the county auditor may not grant an individual or a
- 36 married couple a deduction under this section if:
- 37 (1) the individual or married couple, for the same year, claims
- 38 the deduction on two (2) or more different applications for the
- 39 deduction; and
- 40 (2) the applications claim the deduction for different property.
- 41 (j) The department of local government finance shall provide
- 42 secure access to county auditors to a homestead property data base that

1 includes access to the homestead owner's name and the numbers
 2 required from the homestead owner under subsection (e)(4) for the sole
 3 purpose of verifying whether an owner is wrongly claiming a deduction
 4 under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or
 5 IC 6-3.6-5 (before its expiration). Each county auditor shall submit data
 6 on deductions applicable to the current tax year on or before March 15
 7 of each year in a manner prescribed by the department of local
 8 government finance.

9 (k) A county auditor may require an individual to provide evidence
 10 proving that the individual's residence is the individual's principal place
 11 of residence as claimed in the certified statement filed under subsection
 12 (e). The county auditor may limit the evidence that an individual is
 13 required to submit to a state income tax return, a valid driver's license,
 14 or a valid voter registration card showing that the residence for which
 15 the deduction is claimed is the individual's principal place of residence.
 16 The county auditor may not deny an application filed under section 44
 17 of this chapter because the applicant does not have a valid driver's
 18 license or state identification card with the address of the homestead
 19 property. The department of local government finance shall work with
 20 county auditors to develop procedures to determine whether a property
 21 owner that is claiming a standard deduction or homestead credit is not
 22 eligible for the standard deduction or homestead credit because the
 23 property owner's principal place of residence is outside Indiana.

24 (l) A county auditor shall grant an individual a deduction under
 25 this section regardless of whether the individual and the individual's
 26 spouse claim a deduction on two (2) different applications and each
 27 application claims a deduction for different property if the property
 28 owned by the individual's spouse is located outside Indiana and the
 29 individual files an affidavit with the county auditor containing the
 30 following information:

31 (1) The names of the county and state in which the individual's
 32 spouse claims a deduction substantially similar to the deduction
 33 allowed by this section.

34 (2) A statement made under penalty of perjury that the following
 35 are true:

36 (A) That the individual and the individual's spouse maintain
 37 separate principal places of residence.

38 (B) That neither the individual nor the individual's spouse
 39 has an ownership interest in the other's principal place of
 40 residence.

41 (C) That neither the individual nor the individual's spouse
 42 has, for that same year, claimed a standard or substantially

1 similar deduction for any property other than the property
 2 maintained as a principal place of residence by the
 3 respective individuals.
 4 A county auditor may require an individual or an individual's spouse to
 5 provide evidence of the accuracy of the information contained in an
 6 affidavit submitted under this subsection. The evidence required of the
 7 individual or the individual's spouse may include state income tax
 8 returns, excise tax payment information, property tax payment
 9 information, driver's license information, and voter registration
 10 information.

- 11 (m) If:
- 12 (1) a property owner files a statement under subsection (e) to
 - 13 claim the deduction provided by this section for a particular
 - 14 property; and
 - 15 (2) the county auditor receiving the filed statement determines
 - 16 that the property owner's property is not eligible for the
 - 17 deduction;

18 the county auditor shall inform the property owner of the county
 19 auditor's determination in writing. If a property owner's property is not
 20 eligible for the deduction because the county auditor has determined
 21 that the property is not the property owner's principal place of
 22 residence, the property owner may appeal the county auditor's
 23 determination as provided in IC 6-1.1-15. The county auditor shall
 24 inform the property owner of the owner's right to appeal when the
 25 county auditor informs the property owner of the county auditor's
 26 determination under this subsection.

27 (n) An individual is entitled to the deduction under this section for
 28 a homestead for a particular assessment date if:

- 29 (1) either:
 - 30 (A) the individual's interest in the homestead as described
 - 31 in subsection (a)(2)(B) is conveyed to the individual after
 - 32 the assessment date, but within the calendar year in which
 - 33 the assessment date occurs; or
 - 34 (B) the individual contracts to purchase the homestead after
 - 35 the assessment date, but within the calendar year in which
 - 36 the assessment date occurs;
- 37 (2) on the assessment date:
 - 38 (A) the property on which the homestead is currently
 - 39 located was vacant land; or
 - 40 (B) the construction of the dwelling that constitutes the
 - 41 homestead was not completed; and
- 42 (3) either:

- 1 (A) the individual files the certified statement required by
- 2 subsection (e); or
- 3 (B) a sales disclosure form that meets the requirements of
- 4 section 44 of this chapter is submitted to the county assessor
- 5 on or before December 31 of the calendar year for the
- 6 individual's purchase of the homestead.

7 An individual who satisfies the requirements of subdivisions (1)
 8 through (3) is entitled to the deduction under this section for the
 9 homestead for the assessment date, even if on the assessment date the
 10 property on which the homestead is currently located was vacant land
 11 or the construction of the dwelling that constitutes the homestead was
 12 not completed. The county auditor shall apply the deduction for the
 13 assessment date and for the assessment date in any later year in which
 14 the homestead remains eligible for the deduction. A homestead that
 15 qualifies for the deduction under this section as provided in this
 16 subsection is considered a homestead for purposes of section 37.5 of
 17 this chapter and IC 6-1.1-20.6.

18 (o) This subsection applies to an application for the deduction
 19 provided by this section that is filed for an assessment date occurring
 20 after December 31, 2013. Notwithstanding any other provision of this
 21 section, an individual buying a mobile home that is not assessed as real
 22 property or a manufactured home that is not assessed as real property
 23 under a contract providing that the individual is to pay the property
 24 taxes on the mobile home or manufactured home is not entitled to the
 25 deduction provided by this section unless the parties to the contract
 26 comply with IC 9-17-6-17.

27 (p) This subsection:
 28 (1) applies to an application for the deduction provided by this
 29 section that is filed for an assessment date occurring after
 30 December 31, 2013; and

31 (2) does not apply to an individual described in subsection (o).
 32 The owner of a mobile home that is not assessed as real property or a
 33 manufactured home that is not assessed as real property must attach a
 34 copy of the owner's title to the mobile home or manufactured home to
 35 the application for the deduction provided by this section.

36 (q) For assessment dates after 2013, the term "homestead"
 37 includes property that is owned by an individual who:

- 38 (1) is serving on active duty in any branch of the armed forces of
- 39 the United States;
- 40 (2) was ordered to transfer to a location outside Indiana; and
- 41 (3) was otherwise eligible, without regard to this subsection, for

 2 specified in the order described in subdivision (2).
 3 For property to qualify under this subsection for the deduction provided
 4 by this section, the individual described in subdivisions (1) through (3)
 5 must submit to the county auditor a copy of the individual's transfer
 6 orders or other information sufficient to show that the individual was

 10 ownership interest is otherwise terminated, whichever occurs first.
 11 Notwithstanding subsection (a)(2), the property remains a homestead
 12 regardless of whether the property continues to be the individual's

 14 outside Indiana. The property continues to qualify as a homestead
 15 under this subsection if the property is leased while the individual is
 16 away from Indiana and is serving on active duty, if the individual has
 17 lived at the property at any time during the past ten (10) years.
 18 Otherwise, the property ceases to qualify as a homestead under this
 19 subsection if the property is leased while the individual is away from

 21 shall also be construed as a homestead for purposes of section 37.5 of
 22 this chapter.

23 (r) As used in this section, "homestead" includes property that
 24 satisfies each of the following requirements:

25 (1) The property is located in Indiana and consists of a dwelling
 26 and includes up to one (1) acre of land immediately surrounding
 27 that dwelling, and any of the following improvements:

28 (A) Any number of decks, patios, gazebos, or pools.

29 (B) One (1) additional building that is not part of the
 30 dwelling if the building is predominately used for a
 31 residential purpose and is not used as an investment
 32 property or as a rental property.

33 (C) One (1) additional residential yard structure other than
 34 a deck, patio, gazebo, or pool.

35 (2) The property is the principal place of residence of an
 36 individual.

37 (3) The property is owned by an entity that is not described in
 38 subsection (a)(2)(B).

39 (4) The individual residing on the property is a shareholder,
 40 partner, or member of the entity that owns the property.

41 (5) The property was eligible for the standard deduction under
 42 this section on March 1, 2009.

10 (b) The application of the credit under this chapter, IC 6-1.1-49,

 14 increase its property tax levy to make up for that reduction.

15 (c) A political subdivision may not borrow money to compensate

18 SECTION 55. IC 6-1.1-20.6-9.8, AS AMENDED BY P.L.9-2024,
 19 SECTION 171, IS AMENDED TO READ AS FOLLOWS
 20 [EFFECTIVE JANUARY 1, 2026 (RETROACTIVE)]: Sec. 9.8. (a)
 21 This section applies to property taxes first due and payable after
 22 December 31, 2009.

23 (b) The following definitions apply throughout this section:
 24 (1) "Debt service obligations of a political subdivision" refers to:
 25 (A) the principal and interest payable during a calendar year
 26 on bonds; and
 27 (B) lease rental payments payable during a calendar year on
 28 leases;
 29 of a political subdivision payable from ad valorem property
 30 taxes.

31 (2) "Protected taxes" refers to the following:
 32 (A) Property taxes that are exempted from the application
 33 of a credit granted under section 7 or 7.5 of this chapter by
 34 section 7(b), 7(c), 7.5(b), or 7.5(c) of this chapter or another

 36 (B) Property taxes imposed by a political subdivision to pay
 37 for debt service obligations of a political subdivision that
 38 are not exempted from the application of a credit granted
 39 under section 7 or 7.5 of this chapter by section 7(b), 7(c),
 40 7.5(b), or 7.5(c) of this chapter or any other law. Property
 41 taxes described in this clause are subject to the credit

1 7(b), 7(c), 7.5(b), or 7.5(c) of this chapter regardless of their
2 designation as protected taxes.
3 (3) "Unprotected taxes" refers to property taxes that are not
4 protected taxes.
5 (c) Except as provided in section 9.9 of this chapter, the total
6 amount of revenue to be distributed to the fund for which the protected
7 taxes were imposed shall be determined as if no credit were granted
8 under section 7, ~~or 7.5~~, **or 7.7** of this chapter **or under IC 6-1.1-49**.
9 The total amount of the loss in revenue resulting from the granting of
10 credits under section 7, ~~or 7.5~~, **or 7.7** of this chapter **or under**
11 **IC 6-1.1-49** must reduce only the amount of unprotected taxes
12 distributed to a fund using the following criteria:
13 (1) The reduction may be allocated in the amounts determined
14 by the political subdivision using a combination of unprotected
15 taxes of the political subdivision in those taxing districts in
16 which the credit caused a reduction in protected taxes.
17 (2) The tax revenue and each fund of any other political
18 subdivisions must not be affected by the reduction.
19 (d) When:
20 (1) the revenue that otherwise would be distributed to a fund
21 receiving only unprotected taxes is reduced entirely under
22 subsection (c) and the remaining revenue is insufficient for a
23 fund receiving protected taxes to receive the revenue specified
24 by subsection (c); or
25 (2) there is not a fund receiving only unprotected taxes from
26 which to distribute revenue;
27 the revenue distributed to the fund receiving protected taxes must also
28 be reduced. If the revenue distributed to a fund receiving protected
29 taxes is reduced, the political subdivision may transfer money from one
30 (1) or more of the other funds of the political subdivision to offset the
31 loss in revenue to the fund receiving protected taxes. The transfer is
32 limited to the amount necessary for the fund receiving protected taxes
33 to receive the revenue specified under subsection (c). The amount
34 transferred shall be specifically identified as a debt service obligation
35 transfer for each affected fund.

 4 obligations existing before January 1, 2017; or
 5 (B) indebtedness that is approved in a local public question
 6 or referendum under IC 6-1.1-20 or any other law; and
 7 (2) the school corporation's:
 8 (A) total debt service levy is greater than the school
 9 corporation's total debt service levy in 2016; and
 10 (B) total debt service tax rate is greater than the school
 11 corporation's total debt service tax rate in 2016;
 12 the school corporation is not eligible to allocate credits proportionately
 13 under this section.
 14 (b) This subsection applies to credits allocated after December 31,
 15 2023. A school corporation is not eligible to allocate credits
 16 proportionately under this section, if a school corporation after July 1,
 17 2023, issues new bonds or enters into a new lease rental agreement for
 18 which the school corporation is imposing or will impose a debt service
 19 levy other than:
 20 (1) to refinance or renew prior bond or lease rental obligations
 21 existing before January 1, 2024, but only if the refinancing or
 22 renewal is for a lower interest rate; or
 23 (2) indebtedness that is approved in a local public question or
 24 referendum under IC 6-1.1-20 or any other law.
 25 (c) Subject to subsection (a) (before January 1, 2024) and
 26 subsection (b) (after December 31, 2023), a school corporation is
 27 eligible to allocate credits proportionately under this section for 2019,
 28 2020, 2021, 2022, 2023, 2024, 2025, or 2026 if the school corporation's
 29 percentage computed under this subsection is at least ten percent (10%)
 30 for its operations fund levy as certified by the department of local
 31 government finance. A school corporation shall compute its percentage
 32 under this subsection as determined under the following formula:
 33 STEP ONE: Determine the amount of credits granted under this
 34 chapter against the school corporation's levy for the school
 35 corporation's operations fund.
 36 STEP TWO: Determine the amount of the school corporation's
 37 levy that is attributable to new debt incurred after June 30, 2019,
 38 but is not attributable to the debt service levy described in
 39 subsection (a)(1)(B) (before January 1, 2024) or subsection
 40 (b)(2) (after December 31, 2023).
 41 STEP THREE: Determine the result of the school corporation's
 42 total levy minus any referendum levy.

- 1 STEP FOUR: Subtract the STEP TWO amount from the STEP
- 2 THREE amount.
- 3 STEP FIVE: Divide the STEP FOUR amount by the STEP
- 4 THREE amount expressed as a percentage.
- 5 STEP SIX: Multiply the STEP ONE amount by the STEP FIVE

- 7 STEP SEVEN: Determine the school corporation's levy for the
- 8 school corporation's operations fund.
- 9 STEP EIGHT: Divide the STEP SIX amount by the STEP
- 10 SEVEN amount expressed as a percentage.

11 The computation must be made by taking into account the requirements
 12 of section 9.8 of this chapter regarding protected taxes and the impact
 13 of credits granted under this chapter on the revenue to be distributed to
 14 the school corporation's operations fund for the particular year.

15 (d) A school corporation that desires to be an eligible school
 16 corporation under this section must, before May 1 of the year for which
 17 it wants a determination, submit a written request for a certification by
 18 the department of local government finance that the computation of the
 19 school corporation's percentage under subsection (c) is correct. The
 20 department of local government finance shall, not later than June 1 of
 21 that year, determine whether the percentage computed by the school
 22 corporation under subsection (c) is accurate and certify whether the
 23 school corporation is eligible under this section.

24 (e) For a school corporation that is certified as eligible under this
 25 section, the school corporation may allocate the effect of the credits
 26 granted under this chapter **and IC 6-1.1-49** proportionately among all
 27 the school corporation's property tax funds that are not exempt under
 28 section 7.5(b) or 7.5(c) of this chapter, based on the levy for each fund
 29 and without taking into account the requirements of section 9.8 of this
 30 chapter regarding protected taxes as determined under the following
 31 formula:

- 32 STEP ONE: Determine the product of:
 - 33 (A) the percentage determined under STEP EIGHT of
 - 34 subsection (c); multiplied by
 - 35 (B) five (5).
- 36 STEP TWO: Determine the lesser of the STEP ONE percentage
- 37 or one hundred percent (100%).
- 38 STEP THREE: Determine the product of:
 - 39 (A) the amount determined under STEP SIX of subsection
 - 40 (c); multiplied by
 - 41 (B) the STEP TWO percentage.

42 The school corporation may allocate the amount of credits determined

1 under STEP THREE proportionately under this section. The
 2 department of local government finance shall include in its certification

 4 credits that the school corporation may allocate proportionately as
 5 determined under this subsection.

6 (f) This section expires January 1, 2027.

 27 notified, notify the person in writing by first class mail that the
 28 sale is subject to forfeiture if the person does not pay the
 29 amounts the person owes within fifteen (15) days of the date the
 30 written notice is mailed;
- 31 (2) if the person does not meet the conditions described in
 32 subdivision (1) within fifteen (15) days after the written notice

19 (c) A certificate of sale is assignable. However, a purchaser who

 26 described in section 5.1, 5.3, ~~or 5.4~~, ~~or 5.9~~ of this chapter until the
 27 person satisfies the eligibility requirements as determined by the county
 28 auditor, a county legislative body may adopt an ordinance further

6 revenue under this section is equal to:

- 7 (A) the STEP FOUR result for the provider; divided by
- 8 (B) the STEP FIVE result.

9 (b) Subject to subsection (d), the county may determine the
10 allocation method for revenue raised from a tax rate for fire
11 protection or emergency medical services under section 2(b)(2) of
12 this chapter. However, in determining the allocation method, the
13 county shall, for each provider of fire protection, emergency
14 medical services, or both in the county, consider the service
15 boundaries of the provider and the population living within the
16 service boundaries of the provider using the most recent federal
17 decennial census.

18 (c) If at least fifty percent (50%) of fire runs made by a
19 township fire department during the calendar year preceding by

21 being determined are carried out by full-time firefighters who
22 receive a salary of at least thirty thousand dollars (\$30,000), the
23 county shall distribute an allocation of revenue to the township fire
24 department under this section.

25 (d) In the case of a county that provides fire protection,

29 are considered within the service boundaries for the county.

30 (e) For purposes of a distribution under this section, a
31 distribution to a:

- 32 (1) fire protection territory shall be made to the provider
33 unit of the fire protection territory; and
- 34 (2) volunteer fire department shall be made to the taxing unit
35 that is served by the volunteer fire department.

36 (f) If the population living within the service boundaries of a
37 provider cannot be determined using data from the United States
38 Census Bureau, the county may determine an estimated population
39 based on income tax returns that report a residence located within
40 the service boundaries of the provider. The county auditor shall
41 provide the estimated population to the department of local
42 government finance not later than July 15 of the calendar year that

29 (d) A resolution passed by a county fiscal body under subsection

STEP ELEVEN: Determine the result of:
(A) the STEP SIX result; minus
(B) the STEP NINE result.
STEP TWELVE: To determine the amount to be allocated
to the county, determine the sum of:
(A) the STEP TEN result; plus

(b) Subject to subsection (g), the revenue raised from a tax rate under section 2(b)(4) of this chapter shall be allocated to the cities and towns based on the population of the city or the population of the town; whichever is applicable; compared to the population of all the cities or the population of all the towns; whichever is applicable; that are eligible for a distribution; subject to subsection (d). (c) The money may be used by the city or town fiscal body for any of the purposes of the city or town, including public safety (as defined in IC 6-3.6-2-14) and economic development purposes described in IC 6-3.6-10. The city or town fiscal body may pledge its general purpose revenue to the payment of bonds or to lease payments as set forth in this chapter.

12 resolution request; or the county may distribute the total amount of
13 revenue raised from a tax rate under section 2(b)(4) of this chapter to
14 all eligible cities or towns as set forth in this section. If no eligible city

18 for the county under section 4 of this chapter.

19 (g) Notwithstanding any provision to the contrary in this section;
20 if an adopting body that imposes a tax rate of one and two-tenths
21 percent (1.2%) under section 2(b)(1) of this chapter subsequently
22 adopts an ordinance to concurrently impose a tax rate under section
23 2(b)(4) of this chapter:

24 (1) seventy-five percent (75%) of the revenue received from the
25 tax rate imposed under section 2(b)(4) of this chapter shall be
26 retained by the county and may be used for the purposes
27 described in section 4 of this chapter; and

28 (2) twenty-five percent (25%) of the revenue received from the
29 tax rate imposed under section 2(b)(4) of this chapter shall be
30 distributed among the eligible cities and towns as set forth in this
31 section and may be used for the purposes set forth in this section.

32 However, the adopting body may, by ordinance, determine to allocate

Hancock County.

(b) The county fiscal body may, by ordinance, allocate part of the tax rate imposed under IC 6-3.6-5 (before its expiration), not to exceed a tax rate of fifteen hundredths percent (0.15%), to a property tax credit against the property tax liability imposed for public libraries in the county, if all territory in the county is included in a library district. The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. Tax revenues derived from the part of the tax rate imposed under IC 6-3.6-5 (before its expiration) that is designated for property tax replacement credits under this section shall be deposited in the library property tax replacement fund. Any interest earned on money in the library property tax replacement fund shall be credited to the library property tax replacement fund.

(c) The amount of property tax replacement credits that each public library in the county is entitled to receive during a calendar year under this section (before the expiration of IC 6-3.6-5) equals the lesser of:

- (1) the product of:
 - (A) the amount of revenue deposited by the county auditor in the library property tax replacement fund; multiplied by
 - (B) a fraction described as follows:
 - (i) The numerator of the fraction equals the sum of the total property taxes that would have been collected by the public library during the previous calendar year from taxpayers located within the library district if the property tax replacement under this section had not been in effect.
 - (ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax replacement credits under this section if the property tax replacement under this section had not been in effect; or

(2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax replacement credit under this section were not in effect.

The department of local government finance shall make any adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into

1 reciprocal borrowing agreements with all other public libraries in the
 2 county. If the total amount of tax revenue deposited by the county
 3 auditor in the library property tax replacement fund for a calendar year
 4 exceeds the total property tax liability that would otherwise be imposed
 5 for public libraries in the county for the year, the excess must remain
 6 in the library property tax replacement fund and may be used for library
 7 property tax replacement purposes in the following calendar year.

8 (d) A public library receiving property tax replacement credits
 9 under this section shall allocate the credits among each fund for which
 10 a distinct property tax levy is imposed in proportion to the property
 11 taxes levied for each fund. However, if a public library did not impose
 12 a property tax levy during the previous calendar year or did not impose
 13 a property tax levy for a particular fund during the previous calendar
 14 year, but the public library is imposing a property tax levy in the
 15 current calendar year or is imposing a property tax levy for the
 16 particular fund in the current calendar year, the department of local
 17 government finance shall adjust the amount of property tax
 18 replacement credits allocated among the various funds of the public
 19 library and shall provide the adjustment to the county auditor. If a
 20 public library receiving property tax replacement credits under this
 21 section does not impose a property tax levy for a particular fund that is
 22 first due and payable in a calendar year in which the property tax
 23 replacement credits are being distributed, the public library is not
 24 required to allocate to that fund a part of the property tax replacement
 25 credits to be distributed to the public library. Notwithstanding
 26 IC 6-1.1-20-1.1(a)(1), a public library that receives property tax
 27 replacement credits under this section is subject to the procedures for
 28 the issuance of bonds set forth in IC 6-1.1-20.

29 (e) A public library shall treat property tax replacement credits
 30 received during a particular calendar year under this section as a part
 31 of the public library's property tax levy for each fund for that same
 32 calendar year for purposes of fixing the public library's budget and for
 33 purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

34 (f) For the purpose of allocating tax revenue under IC 6-3.6-6 and
 35 computing and distributing tax revenue under IC 6-5.5 or IC 6-6-5, the
 36 property tax replacement credits that are received under this section
 37 shall be treated as though they were property taxes that were due and
 38 payable during that same calendar year.

39 **(g) The county fiscal body shall adopt a resolution to allow a**
 40 **one (1) time transfer to be made after December 31, 2028, but not**
 41 **later than July 1, 2029, of money from the library property tax**

2 (1) Hancock County Public Library for deposit in the general

3 fund; and

6 Library and Fortville Public Library based on each library's

7 proportional share of the population in each library district

8 compared to the total population in both library districts, based on

9 the most recent federal decennial census. After the county fiscal

10 body adopts a resolution under this subsection, before the transfer

11 may be made, and not later than July 1, 2029, the Hancock County

12 Public Library and Fortville Public Library shall each adopt a

13 substantially similar resolution requesting that the transfer be

14 made and provide certified copies to the county fiscal body. Upon

15 receiving the certified copies, the county fiscal body shall make the

16 transfer under this subsection.

16 SECTION 105. IC 6-3.6-7-27, AS AMENDED BY P.L.197-2016,
17 SECTION 63, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
18 JANUARY 1, 2028]: Sec. 27. (a) This section applies only to an
19 eligible county, as defined in IC 8-25-1-4.

20 (b) If the voters of the county approve a local public question
21 under IC 8-25-2, the fiscal body of the county may adopt an ordinance
22 to provide for the use of local income tax revenues ~~attributable to an~~
23 ~~additional tax rate imposed under IC 6-3.6-6~~ to fund a public

27 (as defined in IC 8-24-1-10) who reside in a township in which the
28 voters approve a public transportation project in a local public question
29 held under IC 8-25-6. An ordinance adopted under this subsection must
30 specify an additional tax rate to be imposed in the county (or township
31 in the case of an additional rate required by IC 8-25-6-10) of at least
32 one-tenth percent (0.1%), but not more than twenty-five hundredths
33 percent (0.25%). If an ordinance is adopted under this subsection, the
34 amount of the certified distribution attributable to the additional tax
35 rate imposed under this subsection must be:

- 36 (1) retained by the county auditor;
- 37 (2) deposited in the county public transportation project fund
38 established under IC 8-25-3-7; and
- 39 (3) used for the purpose provided in this subsection instead of as
40 a property tax replacement distribution.

 9 JANUARY 1, 2026 (RETROACTIVE)]: Sec. 13. (a) As the basis for

19 SECTION 141. IC 36-1-12-3, AS AMENDED BY P.L.86-2025,
 20 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 21 JANUARY 1, 2026 (RETROACTIVE)]: Sec. 3. (a) The board may
 22 purchase or lease materials in the manner provided in IC 5-22 and
 23 perform any public work, by means of its own workforce, without
 24 awarding a contract whenever the cost of that public work project is
 25 estimated to be less than three hundred seventy-five thousand dollars
 26 (\$375,000), adjusted annually by ~~the~~ **an amount equal to the**
 27 **unadjusted** percentage change **for all items** in the Consumer Price
 28 Index for all Urban Consumers as published by the United States
 29 Bureau of Labor Statistics **for the immediately preceding year. On**
 30 **or before January 15, 2026, and on or before January 1 of each**
 31 **year thereafter**, the department of local government finance shall
 32 annually publish the adjusted cost estimate threshold for the current
 33 year, determined in the manner required by this subsection, ~~on the~~
 34 ~~department's website.~~ **in the Indiana Register under IC 4-22-7-7. For**
 35 **purposes of applying the annual cost estimate threshold**
 36 **adjustment, the annual percentage change is applied to the**
 37 **adjusted amount for the immediately preceding year.**

38 (b) Before a board may perform any work under this section by
 39 means of its own workforce, the political subdivision or agency must
 40 have a group of employees on its staff who are capable of performing
 41 the construction, maintenance, and repair applicable to that work.

42 (c) For purposes of ~~this subsection,~~ **determining** the cost of a public

1 work project, **the cost** includes:
 2 (1) the actual cost of materials, labor, equipment, and rental;
 3 (2) a reasonable rate for use of trucks and heavy equipment
 4 owned; and
 5 (3) all other expenses incidental to the performance of the project.
 6 ~~(b)~~ **(d)** This subsection applies only to a municipality or a county.
 7 The workforce of a municipality or county may perform a public work
 8 described in subsection (a) only if:
 9 (1) the workforce, through demonstrated skills, training, or
 10 expertise, is capable of performing the public work; and
 11 (2) for a public work project under subsection (a) whose cost is
 12 estimated to be more than one hundred thousand dollars
 13 (\$100,000), the board:
 14 **(A)** publishes a notice under IC 5-3-1 that:
 15 (i) describes the public work that the board intends to
 16 perform with its own workforce; and
 17 (ii) sets forth the projected cost of each component of the
 18 public work as described in subsection (a); and
 19 **(B)** determines at a public meeting that it is in the public
 20 interest to perform the public work with the board's own
 21 workforce.
 22 A public work project performed by a board's own workforce must be
 23 inspected and accepted as complete in the same manner as a public
 24 work project performed under a contract awarded after receiving bids.
 25 ~~(c)~~ **(e)** When the project involves the rental of equipment with an
 26 operator furnished by the owner, or the installation or application of
 27 materials by the supplier of the materials, the project is considered to
 28 be a public work project and subject to this chapter. However, an
 29 annual contract may be awarded for equipment rental and materials to
 30 be installed or applied during a calendar or fiscal year if the proposed
 31 project or projects are described in the bid specifications.
 32 ~~(d)~~ **(f)** A board of aviation commissioners or an airport authority
 33 board may purchase or lease materials in the manner provided in
 34 IC 5-22 and perform any public work by means of its own workforce
 35 and owned or leased equipment, in the construction, maintenance, and
 36 repair of any airport roadway, runway, taxiway, or aircraft parking
 37 apron whenever the cost of that public work project is estimated to be
 38 less than one hundred fifty thousand dollars (\$150,000).
 39 ~~(e)~~ **(g)** Municipal and county hospitals must comply with this
 40 chapter for all contracts for public work that are financed in whole or
 41 in part with cumulative building fund revenue, as provided in section
 42 1(c) of this chapter. However, if the cost of the public work is

1 estimated to be less than fifty thousand dollars (\$50,000), as reflected
2 in the board minutes, the hospital board may have the public work done
3 without receiving bids, by purchasing the materials and performing the
4 work by means of its own workforce and owned or leased equipment.

5 ~~(f)~~ **(h)** If a public works project involves a structure, an
6 improvement, or a facility under the control of a public highway
7 department that is under the political control of a unit (as defined in
8 IC 36-1-2-23) and involved in the construction, maintenance, or repair
9 of a public highway (as defined in IC 9-25-2-4), the department may
10 not artificially divide the project to bring any part of the project under

11 SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
12 UPON PASSAGE]: Sec. 39. (a) As used in this section:

13 "Allocation area" means that part of a redevelopment project area
14 to which an allocation provision of a declaratory resolution adopted
15 under section 15 of this chapter refers for purposes of distribution and
16 allocation of property taxes.

17 "Base assessed value" means, subject to subsection (j), the
18 following:

19 (1) If an allocation provision is adopted after June 30, 1995, in a
20 declaratory resolution or an amendment to a declaratory
21 resolution establishing an economic development area:

22 (A) the net assessed value of all the property as finally
23 determined for the assessment date immediately preceding the
24 effective date of the allocation provision of the declaratory
25 resolution, as adjusted under subsection (h); plus

26 (B) to the extent that it is not included in clause (A), the net
27 assessed value of property that is assessed as residential
28 property under the rules of the department of local government
29 finance, within the allocation area, as finally determined for
30 the current assessment date.

31 (2) If an allocation provision is adopted after June 30, 1997, in a
32 declaratory resolution or an amendment to a declaratory
33 resolution establishing a redevelopment project area:

34 (A) the net assessed value of all the property as finally
35 determined for the assessment date immediately preceding the
36 effective date of the allocation provision of the declaratory
37 resolution, as adjusted under subsection (h); plus

38 (B) to the extent that it is not included in clause (A), the net
39 assessed value of property that is assessed as residential
40 property under the rules of the department of local government
41 finance, as finally determined for the current assessment date.

1 (A) an allocation provision adopted before June 30, 1995, in
2 a declaratory resolution or an amendment to a declaratory
3 resolution establishing a redevelopment project area expires
4 after June 30, 1997; and
5 (B) after June 30, 1997, a new allocation provision is included
6 in an amendment to the declaratory resolution;
7 the net assessed value of all the property as finally determined for
8 the assessment date immediately preceding the effective date of
9 the allocation provision adopted after June 30, 1997, as adjusted
10 under subsection (h).
11 (4) Except as provided in subdivision (5), for all other allocation
12 areas, the net assessed value of all the property as finally
13 determined for the assessment date immediately preceding the
14 effective date of the allocation provision of the declaratory
15 resolution, as adjusted under subsection (h).
16 (5) If an allocation area established in an economic development
17 area before July 1, 1995, is expanded after June 30, 1995, the
18 definition in subdivision (1) applies to the expanded part of the
19 area added after June 30, 1995.
20 (6) If an allocation area established in a redevelopment project
21 area before July 1, 1997, is expanded after June 30, 1997, the
22 definition in subdivision (2) applies to the expanded part of the
23 area added after June 30, 1997.
24 Except as provided in section 39.3 of this chapter, "property taxes"
25 means taxes imposed under IC 6-1.1 on real property. However, upon
26 approval by a resolution of the redevelopment commission adopted
27 before June 1, 1987, "property taxes" also includes taxes imposed
28 under IC 6-1.1 on depreciable personal property. If a redevelopment
29 commission adopted before June 1, 1987, a resolution to include within
30 the definition of property taxes, taxes imposed under IC 6-1.1 on
31 depreciable personal property that has a useful life in excess of eight
32 (8) years, the commission may by resolution determine the percentage
33 of taxes imposed under IC 6-1.1 on all depreciable personal property
34 that will be included within the definition of property taxes. However,
35 the percentage included must not exceed twenty-five percent (25%) of
36 the taxes imposed under IC 6-1.1 on all depreciable personal property.
37 (b) A declaratory resolution adopted under section 15 of this chapter
38 on or before the allocation deadline determined under subsection (i)
39 may include a provision with respect to the allocation and distribution
40 of property taxes for the purposes and in the manner provided in this
41 section. A declaratory resolution previously adopted may include an
42 allocation provision by the amendment of that declaratory resolution on

1 or before the allocation deadline determined under subsection (i) in
 2 accordance with the procedures required for its original adoption. A
 3 declaratory resolution or amendment that establishes an allocation
 4 provision must include a specific finding of fact, supported by
 5 evidence, that the adoption of the allocation provision will result in
 6 new property taxes in the area that would not have been generated but
 7 for the adoption of the allocation provision. For an allocation area
 8 established before July 1, 1995, the expiration date of any allocation
 9 provisions for the allocation area is June 30, 2025, or the last date of
 10 any obligations that are outstanding on July 1, 2015, whichever is later.
 11 A declaratory resolution or an amendment that establishes an allocation
 12 provision after June 30, 1995, must specify an expiration date for the
 13 allocation provision. For an allocation area established before July 1,
 14 2008, the expiration date may not be more than thirty (30) years after
 15 the date on which the allocation provision is established. For an
 16 allocation area established after June 30, 2008, the expiration date may
 17 not be more than twenty-five (25) years after the date on which the first
 18 obligation was incurred to pay principal and interest on bonds or lease
 19 rentals on leases payable from tax increment revenues. However, with
 20 respect to bonds or other obligations that were issued before July 1,
 21 2008, if any of the bonds or other obligations that were scheduled when
 22 issued to mature before the specified expiration date and that are
 23 payable only from allocated tax proceeds with respect to the allocation
 24 area remain outstanding as of the expiration date, the allocation
 25 provision does not expire until all of the bonds or other obligations are
 26 no longer outstanding. Notwithstanding any other law, in the case of an
 27 allocation area that is established after June 30, 2019, and that is
 28 located in a redevelopment project area described in section
 29 25.1(c)(3)(C) of this chapter, an economic development area described
 30 in section 25.1(c)(3)(C) of this chapter, or an urban renewal project
 31 area described in section 25.1(c)(3)(C) of this chapter, the expiration
 32 date of the allocation provision may not be more than thirty-five (35)
 33 years after the date on which the allocation provision is established.
 34 The allocation provision may apply to all or part of the redevelopment
 35 project area. The allocation provision must require that any property
 36 taxes subsequently levied by or for the benefit of any public body
 37 entitled to a distribution of property taxes on taxable property in the
 38 allocation area be allocated and distributed as follows:
 39 (1) Except as otherwise provided in this section, the proceeds of
 40 the taxes attributable to the lesser of:
 41 (A) the assessed value of the property for the assessment date
 42 with respect to which the allocation and distribution is made;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.
(2) This subdivision applies to a fire protection territory established after December 31, 2022. If a unit becomes a participating unit of a fire protection territory that is established after a declaratory resolution is adopted under section 15 of this chapter, the excess of the proceeds of the property taxes attributable to an increase in the property tax rate for the participating unit of a fire protection territory:
(A) except as otherwise provided by this subdivision, shall be determined as follows:
STEP ONE: Divide the unit's tax rate for fire protection for the year before the establishment of the fire protection territory by the participating unit's tax rate as part of the fire protection territory.
STEP TWO: Subtract the STEP ONE amount from one (1).
STEP THREE: Multiply the STEP TWO amount by the allocated property tax attributable to the participating unit of the fire protection territory; and
(B) to the extent not otherwise included in subdivisions (1) and (3), the amount determined under STEP THREE of clause (A) shall be allocated to and distributed in the form of an allocated property tax revenue pass back to the participating unit of the fire protection territory for the assessment date with respect to which the allocation is made.
However, if the redevelopment commission determines that it is unable to meet its debt service obligations with regards to the allocation area without all or part of the allocated property tax revenue pass back to the participating unit of a fire protection area under this subdivision, then the allocated property tax revenue pass back under this subdivision shall be reduced by the amount necessary for the redevelopment commission to meet its debt service obligations of the allocation area. The calculation under this subdivision must be made by the redevelopment commission in collaboration with the county auditor and the applicable fire protection territory. Any calculation determined according to clause (A) must be submitted to the department of local government finance in the manner prescribed by the department of local government finance. The department of local government finance shall verify the accuracy of each calculation.

(3) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivisions (1) and (2) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(4) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1), (2), and (3) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

(N) Expend revenues that are allocated for police and fire services on both capital expenditures and operating expenses as authorized in section 12.2(a)(28) of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(5) Except as provided in subsection (g), before June 15 of each year, the commission shall do the following:

- (A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (4), plus the amount necessary for other purposes described in

subdivision (4).
(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The county auditor, upon receiving the notice, shall forward this notice (in an electronic format) to the department of local government finance not later than June 15 of each year. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (4) or lessors under section 25.3 of this chapter. **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

(C) If:
(i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred

1 percent (200%) of the amount of allocated tax proceeds
 2 necessary to make, when due, principal and interest
 3 payments on bonds described in subdivision (4); plus
 4 (ii) the amount necessary for other purposes described in
 5 subdivision (4);
 6 the commission shall submit to the legislative body of the unit
 7 its determination of the excess assessed value that the
 8 commission proposes to allocate to the respective taxing units
 9 in the manner prescribed in subdivision (1). The legislative
 10 body of the unit may approve the commission's determination
 11 or modify the amount of the excess assessed value that will be
 12 allocated to the respective taxing units in the manner
 13 prescribed in subdivision (1).
 14 (6) Notwithstanding subdivision (5), in the case of an allocation
 15 area that is established after June 30, 2019, and that is located in
 16 a redevelopment project area described in section 25.1(c)(3)(C)
 17 of this chapter, an economic development area described in
 18 section 25.1(c)(3)(C) of this chapter, or an urban renewal project
 19 area described in section 25.1(c)(3)(C) of this chapter, for each
 20 year the allocation provision is in effect, if the amount of excess
 21 assessed value determined by the commission under subdivision
 22 (5)(A) is expected to generate more than two hundred percent
 23 (200%) of:
 24 (A) the amount of allocated tax proceeds necessary to make,
 25 when due, principal and interest payments on bonds described
 26 in subdivision (4) for the project; plus
 27 (B) the amount necessary for other purposes described in
 28 subdivision (4) for the project;
 29 the amount of the excess assessed value that generates more than
 30 two hundred percent (200%) of the amounts described in clauses
 31 (A) and (B) shall be allocated to the respective taxing units in the
 32 manner prescribed by subdivision (1).
 33 (c) For the purpose of allocating taxes levied by or for any taxing
 34 unit or units, the assessed value of taxable property in a territory in the
 35 allocation area that is annexed by any taxing unit after the effective
 36 date of the allocation provision of the declaratory resolution is the
 37 lesser of:
 38 (1) the assessed value of the property for the assessment date with
 39 respect to which the allocation and distribution is made; or
 40 (2) the base assessed value.

1 irrevocably pledged by the redevelopment district for payment as set

 3 (e) Notwithstanding any other law, each assessor shall, upon
 4 petition of the redevelopment commission, reassess the taxable
 5 property situated upon or in, or added to, the allocation area, effective
 6 on the next assessment date after the petition.
 7 (f) Notwithstanding any other law, the assessed value of all taxable
 8 property in the allocation area, for purposes of tax limitation, property
 9 tax replacement, and formulation of the budget, tax rate, and tax levy
 10 for each political subdivision in which the property is located is the
 11 lesser of:
 12 (1) the assessed value of the property as valued without regard to
 13 this section; or
 14 (2) the base assessed value.
 15 (g) If any part of the allocation area is located in an enterprise zone
 16 created under IC 5-28-15, the unit that designated the allocation area
 17 shall create funds as specified in this subsection. A unit that has
 18 obligations, bonds, or leases payable from allocated tax proceeds under
 19 subsection (b)(4) shall establish an allocation fund for the purposes
 20 specified in subsection (b)(4) and a special zone fund. Such a unit
 21 shall, until the end of the enterprise zone phase out period, deposit each
 22 year in the special zone fund any amount in the allocation fund derived
 23 from property tax proceeds in excess of those described in subsection
 24 (b)(1), (b)(2), and (b)(3) from property located in the enterprise zone
 25 that exceeds the amount sufficient for the purposes specified in
 26 subsection (b)(4) for the year. The amount sufficient for purposes
 27 specified in subsection (b)(4) for the year shall be determined based on
 28 the pro rata portion of such current property tax proceeds from the part
 29 of the enterprise zone that is within the allocation area as compared to
 30 all such current property tax proceeds derived from the allocation area.
 31 A unit that has no obligations, bonds, or leases payable from allocated
 32 tax proceeds under subsection (b)(4) shall establish a special zone fund
 33 and deposit all the property tax proceeds in excess of those described
 34 in subsection (b)(1), (b)(2), and (b)(3) in the fund derived from
 35 property tax proceeds in excess of those described in subsection (b)(1),
 36 (b)(2), and (b)(3) from property located in the enterprise zone. The unit
 37 that creates the special zone fund shall use the fund (based on the
 38 recommendations of the urban enterprise association) for programs in
 39 job training, job enrichment, and basic skill development that are
 40 designed to benefit residents and employers in the enterprise zone or
 41 other purposes specified in subsection (b)(4), except that where

3 programs shall reserve at least one-half (1/2) of their enrollment in any
4 session for residents of the enterprise zone.

5 (h) The state board of accounts and department of local government
6 finance shall make the rules and prescribe the forms and procedures

20 However, the adjustments under this subsection:

- 21 (1) may not include the effect of phasing in assessed value due to
- 22 property tax abatements under IC 6-1.1-12.1;
- 23 (2) may not produce less property tax proceeds allocable to the
- 24 redevelopment district under subsection (b)(4) than would
- 25 otherwise have been received if the reassessment under the
- 26 reassessment plan or the annual adjustment had not occurred; and
- 27 (3) may decrease base assessed value only to the extent that
- 28 assessed values in the allocation area have been decreased due to
- 29 annual adjustments or the reassessment under the reassessment
- 30 plan.

31 Assessed value increases attributable to the application of an abatement
32 schedule under IC 6-1.1-12.1 may not be included in the base assessed

- 1 (2) Subject to subdivision (3), the initial allocation deadline and

- 5 2016, and December 31 of each fifth year thereafter.
- 6 (3) At least one (1) year before the date of an allocation deadline

- 13 (j) If a redevelopment commission adopts a declaratory resolution

2 allocation fund, including the amount that would have been
3 allocated but for the credit.

4 (d) The commission may determine to grant to taxpayers in an
5 allocation area from its allocation fund a credit under this section, as
6 calculated under subsection (c). Except as provided in subsection (g),
7 one-half (1/2) of the credit shall be applied to each installment of taxes
8 (as defined in IC 6-1.1-21-2) (before its repeal) that under
9 IC 6-1.1-22-9 are due and payable in a year. The commission must
10 provide for the credit annually by a resolution and must find in the
11 resolution the following:

12 (1) That the money to be collected and deposited in the allocation
13 fund, based upon historical collection rates, after granting the
14 credit will equal the amounts payable for contractual obligations
15 from the fund, plus ten percent (10%) of those amounts.

16 (2) If bonds payable from the fund are outstanding, that there is
17 a debt service reserve for the bonds that at least equals the amount
18 of the credit to be granted.

19 (3) If bonds of a lessor under section 25.2 of this chapter or under
20 IC 36-1-10 are outstanding and if lease rentals are payable from
21 the fund, that there is a debt service reserve for those bonds that
22 at least equals the amount of the credit to be granted.

23 If the tax increment is insufficient to grant the credit in full, the
24 commission may grant the credit in part, prorated among all taxpayers.

25 (e) Notwithstanding section 39(b) of this chapter, the allocation
26 fund established under section 39(b) of this chapter for the allocation
27 area for a program adopted under section 45 of this chapter may only
28 be used to do one (1) or more of the following:

29 (1) Accomplish one (1) or more of the actions set forth in section
30 39(b)(4)(A) through 39(b)(4)(H) and 39(b)(4)(J) of this chapter
31 for property that is residential in nature.

32 (2) Reimburse the county or municipality for expenditures made
33 by the county or municipality in order to accomplish the housing
34 program in that allocation area.

35 The allocation fund may not be used for operating expenses of the
36 commission.

37 (f) Notwithstanding section 39(b) of this chapter, the commission
38 shall, relative to the allocation fund established under section 39(b) of
39 this chapter for an allocation area for a program adopted under section
40 45 of this chapter, do the following before June 15 of each year:

assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to:

- (A) make the distribution required under section 39(b)(2) and 39(b)(3) of this chapter;
- (B) make, when due, principal and interest payments on bonds described in section 39(b)(4) of this chapter;
- (C) pay the amount necessary for other purposes described in section 39(b)(4) of this chapter; and
- (D) reimburse the county or municipality for anticipated expenditures described in subsection (e)(2).

(2) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The county auditor, upon receiving the notice, shall forward this notice (in an electronic format) to the department of local government finance not later than June 15 of each year. The notice must:

- (A) state the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 39(b)(1) of this chapter; or
- (B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. **If a commission fails to provide the notice under this subdivision, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the**

2 **the allocation and distribution of allocated tax proceeds under**
3 **this section to the respective taxing units.**

4 (3) If:

5 (A) the amount of excess assessed value determined by the
6 commission is expected to generate more than two hundred
7 percent (200%) of the amount of allocated tax proceeds
8 necessary to make, when due, principal and interest payments
9 on bonds described in subdivision (1); plus

10 (B) the amount necessary for other purposes described in
11 subdivision (1);

12 the commission shall submit to the legislative body of the unit its
13 determination of the excess assessed value that the commission
14 proposes to allocate to the respective taxing units in the manner
15 prescribed in subdivision (2). The legislative body of the unit may
16 approve the commission's determination or modify the amount of
17 the excess assessed value that will be allocated to the respective
18 taxing units in the manner prescribed in subdivision (2).

19 (g) This subsection applies to an allocation area only to the extent
20 that the net assessed value of property that is assessed as residential
21 property under the rules of the department of local government finance
22 is not included in the base assessed value. If property tax installments
23 with respect to a homestead (as defined in IC 6-1.1-12-37) are due in
24 installments established by the department of local government finance
25 under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an
26 allocation area is entitled to an additional credit under subsection (d)
27 for the taxes (as defined in IC 6-1.1-21-2) (before its repeal) due in
28 installments. The credit shall be applied in the same proportion to each
29 installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal).

24 (D) Pay the principal of and interest on bonds issued by the

29 to which an allocation provision of a resolution adopted under section
30 8 of this chapter refers for purposes of distribution and allocation of

32 "Base assessed value" means, subject to subsection (j), the

- 34 (1) If an allocation provision is adopted after June 30, 1995, in a

property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted

1 before June 1, 1987, "property taxes" also includes taxes imposed
 2 under IC 6-1.1 on depreciable personal property. If a redevelopment
 3 commission adopted before June 1, 1987, a resolution to include within
 4 the definition of property taxes, taxes imposed under IC 6-1.1 on
 5 depreciable personal property that has a useful life in excess of eight
 6 (8) years, the commission may by resolution determine the percentage
 7 of taxes imposed under IC 6-1.1 on all depreciable personal property
 8 that will be included within the definition of property taxes. However,
 9 the percentage included must not exceed twenty-five percent (25%) of
 10 the taxes imposed under IC 6-1.1 on all depreciable personal property.

11 (b) A resolution adopted under section 8 of this chapter on or before
 12 the allocation deadline determined under subsection (i) may include a
 13 provision with respect to the allocation and distribution of property
 14 taxes for the purposes and in the manner provided in this section. A
 15 resolution previously adopted may include an allocation provision by
 16 the amendment of that resolution on or before the allocation deadline
 17 determined under subsection (i) in accordance with the procedures
 18 required for its original adoption. A declaratory resolution or
 19 amendment that establishes an allocation provision must include a
 20 specific finding of fact, supported by evidence, that the adoption of the
 21 allocation provision will result in new property taxes in the area that
 22 would not have been generated but for the adoption of the allocation
 23 provision. For an allocation area established before July 1, 1995, the
 24 expiration date of any allocation provisions for the allocation area is
 25 June 30, 2025, or the last date of any obligations that are outstanding
 26 on July 1, 2015, whichever is later. However, for an allocation area
 27 identified as the Consolidated Allocation Area in the report submitted
 28 in 2013 to the fiscal body under section 36.3 of this chapter, the
 29 expiration date of any allocation provisions for the allocation area is
 30 January 1, 2051. A declaratory resolution or an amendment that
 31 establishes an allocation provision after June 30, 1995, must specify an
 32 expiration date for the allocation provision. For an allocation area
 33 established before July 1, 2008, the expiration date may not be more
 34 than thirty (30) years after the date on which the allocation provision
 35 is established. For an allocation area established after June 30, 2008,
 36 the expiration date may not be more than twenty-five (25) years after
 37 the date on which the first obligation was incurred to pay principal and
 38 interest on bonds or lease rentals on leases payable from tax increment
 39 revenues. However, with respect to bonds or other obligations that were
 40 issued before July 1, 2008, if any of the bonds or other obligations that
 41 were scheduled when issued to mature before the specified expiration
 42 date and that are payable only from allocated tax proceeds with respect

2 allocation provision does not expire until all of the bonds or other
3 obligations are no longer outstanding. The allocation provision may
4 apply to all or part of the redevelopment project area. The allocation
5 provision must require that any property taxes subsequently levied by
6 or for the benefit of any public body entitled to a distribution of
7 property taxes on taxable property in the allocation area be allocated
8 and distributed as follows:

9 (1) Except as otherwise provided in this section, the proceeds of
10 the taxes attributable to the lesser of:

11 (A) the assessed value of the property for the assessment date
12 with respect to which the allocation and distribution is made;
13 or

14 (B) the base assessed value;
15 shall be allocated to and, when collected, paid into the funds of
16 the respective taxing units.

17 (2) The excess of the proceeds of the property taxes imposed for
18 the assessment date with respect to which the allocation and
19 distribution is made that are attributable to taxes imposed after
20 being approved by the voters in a referendum or local public
21 question conducted after April 30, 2010, not otherwise included
22 in subdivision (1) shall be allocated to and, when collected, paid
23 into the funds of the taxing unit for which the referendum or local
24 public question was conducted.

25 (3) Except as otherwise provided in this section, property tax
26 proceeds in excess of those described in subdivisions (1) and (2)
27 shall be allocated to the redevelopment district and, when
28 collected, paid into a special fund for that allocation area that may
29 be used by the redevelopment district only to do one (1) or more
30 of the following:

31 (A) Pay the principal of and interest on any obligations
32 payable solely from allocated tax proceeds that are incurred by
33 the redevelopment district for the purpose of financing or
34 refinancing the redevelopment of that allocation area.

35 (B) Establish, augment, or restore the debt service reserve for
36 bonds payable solely or in part from allocated tax proceeds in
37 that allocation area.

38 (C) Pay the principal of and interest on bonds payable from
39 allocated tax proceeds in that allocation area and from the
40 special tax levied under section 19 of this chapter.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.
- (K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate**

five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.

(C) If:

- (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
- (ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon

1 petition of the commission, reassess the taxable property situated upon
 2 or in, or added to, the allocation area, effective on the next assessment
 3 date after the petition.

4 (f) Notwithstanding any other law, the assessed value of all taxable
 5 property in the allocation area, for purposes of tax limitation, property
 6 tax replacement, and formulation of the budget, tax rate, and tax levy
 7 for each political subdivision in which the property is located is the
 8 lesser of:

9 (1) the assessed value of the property as valued without regard to
 10 this section; or
 11 (2) the base assessed value.

12 (g) If any part of the allocation area is located in an enterprise zone
 13 created under IC 5-28-15, the unit that designated the allocation area
 14 shall create funds as specified in this subsection. A unit that has
 15 obligations, bonds, or leases payable from allocated tax proceeds under
 16 subsection (b)(3) shall establish an allocation fund for the purposes
 17 specified in subsection (b)(3) and a special zone fund. Such a unit
 18 shall, until the end of the enterprise zone phase out period, deposit each
 19 year in the special zone fund the amount in the allocation fund derived
 20 from property tax proceeds in excess of those described in subsection
 21 (b)(1) and (b)(2) from property located in the enterprise zone that
 22 exceeds the amount sufficient for the purposes specified in subsection
 23 (b)(3) for the year. A unit that has no obligations, bonds, or leases
 24 payable from allocated tax proceeds under subsection (b)(3) shall
 25 establish a special zone fund and deposit all the property tax proceeds
 26 in excess of those described in subsection (b)(1) and (b)(2) in the fund
 27 derived from property tax proceeds in excess of those described in
 28 subsection (b)(1) and (b)(2) from property located in the enterprise
 29 zone. The unit that creates the special zone fund shall use the fund,
 30 based on the recommendations of the urban enterprise association, for
 31 one (1) or more of the following purposes:

32 (1) To pay for programs in job training, job enrichment, and basic
 33 skill development designed to benefit residents and employers in
 34 the enterprise zone. The programs must reserve at least one-half
 35 (1/2) of the enrollment in any session for residents of the
 36 enterprise zone.

37 (2) To make loans and grants for the purpose of stimulating
 38 business activity in the enterprise zone or providing employment
 39 for enterprise zone residents in the enterprise zone. These loans
 40 and grants may be made to the following:

41 (A) Businesses operating in the enterprise zone.
 42 (B) Businesses that will move their operations to the enterprise

a law that:
(A) terminates the automatic extension of allocation deadlines under subdivision (2); and
(B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3).

SECTION 153. IC 36-7-15.1-26, AS AMENDED BY P.L.68-2025, SECTION 235, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2028]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

- (A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
- (B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential

property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted

1 before June 1, 1987, "property taxes" also includes taxes imposed
 2 under IC 6-1.1 on depreciable personal property. If a redevelopment
 3 commission adopted before June 1, 1987, a resolution to include within
 4 the definition of property taxes, taxes imposed under IC 6-1.1 on
 5 depreciable personal property that has a useful life in excess of eight
 6 (8) years, the commission may by resolution determine the percentage
 7 of taxes imposed under IC 6-1.1 on all depreciable personal property
 8 that will be included within the definition of property taxes. However,
 9 the percentage included must not exceed twenty-five percent (25%) of
 10 the taxes imposed under IC 6-1.1 on all depreciable personal property.

11 (b) A resolution adopted under section 8 of this chapter on or before
 12 the allocation deadline determined under subsection (i) may include a
 13 provision with respect to the allocation and distribution of property
 14 taxes for the purposes and in the manner provided in this section. A
 15 resolution previously adopted may include an allocation provision by
 16 the amendment of that resolution on or before the allocation deadline
 17 determined under subsection (i) in accordance with the procedures
 18 required for its original adoption. A declaratory resolution or
 19 amendment that establishes an allocation provision must include a
 20 specific finding of fact, supported by evidence, that the adoption of the
 21 allocation provision will result in new property taxes in the area that
 22 would not have been generated but for the adoption of the allocation
 23 provision. For an allocation area established before July 1, 1995, the
 24 expiration date of any allocation provisions for the allocation area is
 25 June 30, 2025, or the last date of any obligations that are outstanding
 26 on July 1, 2015, whichever is later. However, for an allocation area
 27 identified as the Consolidated Allocation Area in the report submitted
 28 in 2013 to the fiscal body under section 36.3 of this chapter, the
 29 expiration date of any allocation provisions for the allocation area is
 30 January 1, 2051. A declaratory resolution or an amendment that
 31 establishes an allocation provision after June 30, 1995, must specify an
 32 expiration date for the allocation provision. For an allocation area
 33 established before July 1, 2008, the expiration date may not be more
 34 than thirty (30) years after the date on which the allocation provision
 35 is established. For an allocation area established after June 30, 2008,
 36 the expiration date may not be more than twenty-five (25) years after
 37 the date on which the first obligation was incurred to pay principal and
 38 interest on bonds or lease rentals on leases payable from tax increment
 39 revenues. However, with respect to bonds or other obligations that were
 40 issued before July 1, 2008, if any of the bonds or other obligations that
 41 were scheduled when issued to mature before the specified expiration
 42 date and that are payable only from allocated tax proceeds with respect

1 to the allocation area remain outstanding as of the expiration date, the
2 allocation provision does not expire until all of the bonds or other
3 obligations are no longer outstanding. The allocation provision may
4 apply to all or part of the redevelopment project area. The allocation
5 provision must require that any property taxes subsequently levied by
6 or for the benefit of any public body entitled to a distribution of
7 property taxes on taxable property in the allocation area be allocated
8 and distributed as follows:

9 (1) Except as otherwise provided in this section, the proceeds of
10 the taxes attributable to the lesser of:

11 (A) the assessed value of the property for the assessment date
12 with respect to which the allocation and distribution is made;
13 or

14 (B) the base assessed value;

15 shall be allocated to and, when collected, paid into the funds of
16 the respective taxing units.

17 (2) The excess of the proceeds of the property taxes imposed for
18 the assessment date with respect to which the allocation and
19 distribution is made that are attributable to taxes imposed after
20 being approved by the voters in a referendum or local public
21 question conducted after April 30, 2010, not otherwise included
22 in subdivision (1) shall be allocated to and, when collected, paid
23 into the funds of the taxing unit for which the referendum or local
24 public question was conducted.

25 (3) Except as otherwise provided in this section, property tax
26 proceeds in excess of those described in subdivisions (1) and (2)
27 shall be allocated to the redevelopment district and, when
28 collected, paid into a special fund for that allocation area that may
29 be used by the redevelopment district only to do one (1) or more
30 of the following:

31 (A) Pay the principal of and interest on any obligations
32 payable solely from allocated tax proceeds that are incurred by
33 the redevelopment district for the purpose of financing or
34 refinancing the redevelopment of that allocation area.

35 (B) Establish, augment, or restore the debt service reserve for
36 bonds payable solely or in part from allocated tax proceeds in
37 that allocation area.

38 (C) Pay the principal of and interest on bonds payable from
39 allocated tax proceeds in that allocation area and from the
40 special tax levied under section 19 of this chapter.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.
- (K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate**

However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.

(C) If:

- (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
- (ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

5 property in the allocation area, for purposes of tax limitation, property

7 for each political subdivision in which the property is located is the
8 lesser of:

10 this section; or

11 (2) the base assessed value.

14 shall create funds as specified in this subsection. A unit that has
15 obligations, bonds, or leases payable from allocated tax proceeds under
16 subsection (b)(3) shall establish an allocation fund for the purposes
17 specified in subsection (b)(3) and a special zone fund. Such a unit
18 shall, until the end of the enterprise zone phase out period, deposit each
19 year in the special zone fund the amount in the allocation fund derived
20 from property tax proceeds in excess of those described in subsection
21 (b)(1) and (b)(2) from property located in the enterprise zone that
22 exceeds the amount sufficient for the purposes specified in subsection
23 (b)(3) for the year. A unit that has no obligations, bonds, or leases
24 payable from allocated tax proceeds under subsection (b)(3) shall
25 establish a special zone fund and deposit all the property tax proceeds
26 in excess of those described in subsection (b)(1) and (b)(2) in the fund
27 derived from property tax proceeds in excess of those described in
28 subsection (b)(1) and (b)(2) from property located in the enterprise
29 zone. The unit that creates the special zone fund shall use the fund,
30 based on the recommendations of the urban enterprise association, for
31 one (1) or more of the following purposes:

32 (1) To pay for programs in job training, job enrichment, and basic
33 skill development designed to benefit residents and employers in
34 the enterprise zone. The programs must reserve at least one-half
35 (1/2) of the enrollment in any session for residents of the
36 enterprise zone.

37 (2) To make loans and grants for the purpose of stimulating
38 business activity in the enterprise zone or providing employment

41 (A) Businesses operating in the enterprise zone.

42 (B) Businesses that will move their operations to the enterprise

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each annual adjustment under IC 6-1.1-4-4.5, the ~~department of local government finance county auditor~~ shall, **on forms prescribed by the department of local government finance**, adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. The county auditor shall, in the manner prescribed by the department of local government finance, submit the forms required by this subsection to the department of local government finance no later than July 15 of each year.~~

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact

1 fund a credit under this section, as calculated under subsection (c), by

3 defined in IC 6-1.1-21-2 (before its repeal)) that under IC 6-1.1-22-9
4 are due and payable in a year. Except as provided in subsection (g),
5 one-half (1/2) of the credit shall be applied to each installment of taxes
6 (as defined in IC 6-1.1-21-2 (before its repeal)). The commission must
7 provide for the credit annually by a resolution and must find in the
8 resolution the following:

- 9 (1) That the money to be collected and deposited in the allocation
10 fund, based upon historical collection rates, after granting the
11 credit will equal the amounts payable for contractual obligations
12 from the fund, plus ten percent (10%) of those amounts.
- 13 (2) If bonds payable from the fund are outstanding, that there is
14 a debt service reserve for the bonds that at least equals the amount
15 of the credit to be granted.
- 16 (3) If bonds of a lessor under section 17.1 of this chapter or under
17 IC 36-1-10 are outstanding and if lease rentals are payable from
18 the fund, that there is a debt service reserve for those bonds that
19 at least equals the amount of the credit to be granted.

20 If the tax increment is insufficient to grant the credit in full, the
21 commission may grant the credit in part, prorated among all taxpayers.

22 (e) Notwithstanding section 26(b) of this chapter, the special fund
23 established under section 26(b) of this chapter for the allocation area
24 for a program adopted under section 32 of this chapter may only be
25 used to do one (1) or more of the following:

- 26 (1) Accomplish one (1) or more of the actions set forth in section
27 26(b)(3)(A) through 26(b)(3)(H) of this chapter.
- 28 (2) Reimburse the consolidated city for expenditures made by the
29 city in order to accomplish the housing program in that allocation
30 area.

31 The special fund may not be used for operating expenses of the
32 commission.

33 (f) Notwithstanding section 26(b) of this chapter, the commission
34 shall, relative to the special fund established under section 26(b) of this

36 of this chapter, do the following before June 15 of each year:

- 37 (1) Determine the amount, if any, by which the assessed value of

- (B) make, when due, principal and interest payments on bonds described in section 26(b)(3) of this chapter;
- (C) pay the amount necessary for other purposes described in section 26(b)(3) of this chapter; and
- (D) reimburse the consolidated city for anticipated expenditures described in subsection (e)(2).

(2) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (A) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter; or
- (B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. **If a commission fails to provide the notice under this subdivision, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments

9 SECTION 155. IC 36-7-15.1-53, AS AMENDED BY P.L.174-2022,
10 SECTION 73, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
11 UPON PASSAGE]: Sec. 53. (a) As used in this section:

12 "Allocation area" means that part of a redevelopment project area
13 to which an allocation provision of a resolution adopted under section
14 40 of this chapter refers for purposes of distribution and allocation of
15 property taxes.

16 "Base assessed value" means, subject to subsection (j):

17 (1) the net assessed value of all the property as finally determined
18 for the assessment date immediately preceding the effective date
19 of the allocation provision of the declaratory resolution, as
20 adjusted under subsection (h); plus

21 (2) to the extent that it is not included in subdivision (1), the net
22 assessed value of property that is assessed as residential property
23 under the rules of the department of local government finance, as
24 finally determined for the current assessment date.

25 Except as provided in section 55 of this chapter, "property taxes"
26 means taxes imposed under IC 6-1.1 on real property.

27 (b) A resolution adopted under section 40 of this chapter on or
28 before the allocation deadline determined under subsection (i) may
29 include a provision with respect to the allocation and distribution of
30 property taxes for the purposes and in the manner provided in this
31 section. A resolution previously adopted may include an allocation
32 provision by the amendment of that resolution on or before the
33 allocation deadline determined under subsection (i) in accordance with
34 the procedures required for its original adoption. A declaratory
35 resolution or an amendment that establishes an allocation provision
36 must be approved by resolution of the legislative body of the excluded
37 city and must specify an expiration date for the allocation provision.
38 For an allocation area established before July 1, 2008, the expiration
39 date may not be more than thirty (30) years after the date on which the
40 allocation provision is established. For an allocation area established
41 after June 30, 2008, the expiration date may not be more than
42 twenty-five (25) years after the date on which the first obligation was

1 incurred to pay principal and interest on bonds or lease rentals on
 2 leases payable from tax increment revenues. However, with respect to
 3 bonds or other obligations that were issued before July 1, 2008, if any
 4 of the bonds or other obligations that were scheduled when issued to
 5 mature before the specified expiration date and that are payable only
 6 from allocated tax proceeds with respect to the allocation area remain
 7 outstanding as of the expiration date, the allocation provision does not
 8 expire until all of the bonds or other obligations are no longer
 9 outstanding. The allocation provision may apply to all or part of the
 10 redevelopment project area. The allocation provision must require that
 11 any property taxes subsequently levied by or for the benefit of any
 12 public body entitled to a distribution of property taxes on taxable
 13 property in the allocation area be allocated and distributed as follows:

14 (1) Except as otherwise provided in this section, the proceeds of
 15 the taxes attributable to the lesser of:

16 (A) the assessed value of the property for the assessment date
 17 with respect to which the allocation and distribution is made;

18 or

19 (B) the base assessed value;

20 shall be allocated to and, when collected, paid into the funds of
 21 the respective taxing units.

22 (2) The excess of the proceeds of the property taxes imposed for
 23 the assessment date with respect to which the allocation and
 24 distribution is made that are attributable to taxes imposed after
 25 being approved by the voters in a referendum or local public
 26 question conducted after April 30, 2010, not otherwise included
 27 in subdivision (1) shall be allocated to and, when collected, paid
 28 into the funds of the taxing unit for which the referendum or local
 29 public question was conducted.

30 (3) Except as otherwise provided in this section, property tax
 31 proceeds in excess of those described in subdivisions (1) and (2)
 32 shall be allocated to the redevelopment district and, when
 33 collected, paid into a special fund for that allocation area that may
 34 be used by the redevelopment district only to do one (1) or more
 35 of the following:

36 (A) Pay the principal of and interest on any obligations
 37 payable solely from allocated tax proceeds that are incurred by
 38 the redevelopment district for the purpose of financing or
 39 refinancing the redevelopment of that allocation area.

40 (B) Establish, augment, or restore the debt service reserve for
 41 bonds payable solely or in part from allocated tax proceeds in
 42 that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. 1 unit or units, the assessed value of taxable property in a territory in the
 2 allocation area that is annexed by any taxing unit after the effective
 3 date of the allocation provision of the resolution is the lesser of:
 4 (1) the assessed value of the property for the assessment date with
 5 respect to which the allocation and distribution is made; or
 6 (2) the base assessed value.

7 (d) Property tax proceeds allocable to the redevelopment district
 8 under subsection (b)(3) may, subject to subsection (b)(4), be
 9 irrevocably pledged by the redevelopment district for payment as set
 10 forth in subsection (b)(3).

11 (e) Notwithstanding any other law, each assessor shall, upon
 12 petition of the commission, reassess the taxable property situated upon
 13 or in, or added to, the allocation area, effective on the next assessment
 14 date after the petition.

15 (f) Notwithstanding any other law, the assessed value of all taxable
 16 property in the allocation area, for purposes of tax limitation, property
 17 tax replacement, and formulation of the budget, tax rate, and tax levy
 18 for each political subdivision in which the property is located, is the
 19 lesser of:
 20 (1) the assessed value of the property as valued without regard to
 21 this section; or
 22 (2) the base assessed value.

23 (g) If any part of the allocation area is located in an enterprise zone
 24 created under IC 5-28-15, the unit that designated the allocation area
 25 shall create funds as specified in this subsection. A unit that has
 26 obligations, bonds, or leases payable from allocated tax proceeds under
 27 subsection (b)(3) shall establish an allocation fund for the purposes
 28 specified in subsection (b)(3) and a special zone fund. Such a unit
 29 shall, until the end of the enterprise zone phase out period, deposit each
 30 year in the special zone fund the amount in the allocation fund derived
 31 from property tax proceeds in excess of those described in subsection
 32 (b)(1) and (b)(2) from property located in the enterprise zone that
 33 exceeds the amount sufficient for the purposes specified in subsection
 34 (b)(3) for the year. A unit that has no obligations, bonds, or leases

the forms required by this subsection to the department of local government finance no later than July 15 of each year.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

- (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
- (B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

- (1) the date on which the documents are filed with the county auditor; or
- (2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3).

SECTION 156. IC 36-7-15.1-53, AS AMENDED BY P.L.68-2025, SECTION 236, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2028]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of

property taxes.

"Base assessed value" means, subject to subsection (j):

(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

- (A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.
- (B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.
- (C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.
- (D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.
- (E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

 15 (A) state the amount, if any, of excess property taxes that the
 16 commission has determined may be paid to the respective
 17 taxing units in the manner prescribed in section 26(b)(1) of
 18 this chapter; or
 19 (B) state that the commission has determined that there is no
 20 excess assessed value that may be allocated to the respective
 21 taxing units in the manner prescribed in subdivision (1).
 22 The county auditor shall allocate to the respective taxing units the
 23 amount, if any, of excess assessed value determined by the
 24 commission. **If a commission fails to provide the notice under
 25 subdivision (2), the county auditor shall allocate five percent (5%)
 26 of the assessed value in the allocation area that is used to calculate
 27 the allocation and distribution of allocated tax proceeds under this
 28 section to the respective taxing units. However, if the commission
 29 notifies the county auditor and the department of local government
 30 finance, no later than July 1, that it is unable to meet its debt
 31 service obligations with regard to the allocation area without all or
 32 part of the allocated tax proceeds attributed to the assessed value
 33 that has been allocated to the respective taxing units, then the
 34 county auditor may not allocate five percent (5%) of the assessed
 35 value in the allocation area that is used to calculate the allocation

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

1 described in subdivision (3) or lessors under section 19 of this
2 chapter.

3 (c) For the purpose of allocating taxes levied by or for any taxing
4 unit or units, the assessed value of taxable property in a territory in the
5 allocation area that is annexed by a taxing unit after the effective date
6 of the allocation provision of the declaratory resolution is the lesser of:

- 7 (1) the assessed value of the property for the assessment date with
- 8 respect to which the allocation and distribution is made; or
- 9 (2) the base assessed value.

10 (d) Property tax proceeds allocable to the military base reuse district
11 under subsection (b)(3) may, subject to subsection (b)(4), be
12 irrevocably pledged by the military base reuse district for payment as
13 set forth in subsection (b)(3).

14 (e) Notwithstanding any other law, each assessor shall, upon
15 petition of the reuse authority, reassess the taxable property situated
16 upon or in or added to the allocation area, effective on the next
17 assessment date after the petition.

18 (f) Notwithstanding any other law, the assessed value of all taxable
19 property in the allocation area, for purposes of tax limitation, property
20 tax replacement, and the making of the budget, tax rate, and tax levy
21 for each political subdivision in which the property is located is the
22 lesser of:

- 23 (1) the assessed value of the property as valued without regard to
- 24 this section; or
- 25 (2) the base assessed value.

26 (g) If any part of the allocation area is located in an enterprise zone
27 created under IC 5-28-15, the unit that designated the allocation area
28 shall create funds as specified in this subsection. A unit that has
29 obligations, bonds, or leases payable from allocated tax proceeds under
30 subsection (b)(3) shall establish an allocation fund for the purposes
31 specified in subsection (b)(3) and a special zone fund. Such a unit
32 shall, until the end of the enterprise zone phase out period, deposit each
33 year in the special zone fund any amount in the allocation fund derived
34 from property tax proceeds in excess of those described in subsection
35 (b)(1) and (b)(2) from property located in the enterprise zone that
36 exceeds the amount sufficient for the purposes specified in subsection
37 (b)(3) for the year. The amount sufficient for purposes specified in
38 subsection (b)(3) for the year shall be determined based on the pro rata
39 part of such current property tax proceeds from the part of the
40 enterprise zone that is within the allocation area as compared to all
41 such current property tax proceeds derived from the allocation area. A

 3 described in subsection (b)(1) and (b)(2) that are derived from property

 5 fund shall use the fund (based on the recommendations of the urban
 6 enterprise association) for programs in job training, job enrichment,
 7 and basic skill development that are designed to benefit residents and
 8 employers in the enterprise zone or other purposes specified in
 9 subsection (b)(3), except that where reference is made in subsection

 11 special zone fund only to that part of the allocation area that is also
 12 located in the enterprise zone. The programs shall reserve at least
 13 one-half (1/2) of their enrollment in any session for residents of the

 28 include the effect of property tax abatements under IC 6-1.1-12.1, and
 29 these adjustments may not produce less property tax proceeds allocable
 30 to the military base reuse district under subsection (b)(3) than would
 31 otherwise have been received if the reassessment under the county's
 32 reassessment plan or annual adjustment had not occurred. ~~The~~

16 SECTION 159. IC 36-7-30-25, AS AMENDED BY P.L.68-2025,
17 SECTION 237, IS AMENDED TO READ AS FOLLOWS
18 [EFFECTIVE JULY 1, 2028]: Sec. 25. (a) The following definitions
19 apply throughout this section:

20 (1) "Allocation area" means that part of a military base reuse area
21 to which an allocation provision of a declaratory resolution
22 adopted under section 10 of this chapter refers for purposes of
23 distribution and allocation of property taxes.

24 (2) "Base assessed value" means, subject to subsection (i):

25 (A) the net assessed value of all the property as finally

29 (B) to the extent that it is not included in clause (A) or (C), the
30 net assessed value of any and all parcels or classes of parcels
31 identified as part of the base assessed value in the declaratory
32 resolution or an amendment thereto, as finally determined for
33 any subsequent assessment date; plus

34 (C) to the extent that it is not included in clause (A) or (B), the
35 net assessed value of property that is assessed as residential
36 property under the rules of the department of local government
37 finance, within the allocation area, as finally determined for
38 the current assessment date.

39 Clause (C) applies only to allocation areas established in a
40 military reuse area after June 30, 1997, and to the part of an
41 allocation area that was established before June 30, 1997, and that

refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means, subject to subsection (i):

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment to the declaratory resolution, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 16 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 18 of this chapter. The allocation provision may apply to all or part of the military base development area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district;

by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; by

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes

described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy

1 for each political subdivision in which the property is located is the
2 lesser of:

- 3 (1) the assessed value of the property as valued without regard to
- 4 this section; or
- 5 (2) the base assessed value.

6 (g) If any part of the allocation area is located in an enterprise zone
 7 created under IC 5-28-15, the development authority shall create funds
 8 as specified in this subsection. A development authority that has
 9 obligations, bonds, or leases payable from allocated tax proceeds under
 10 subsection (b)(3) shall establish an allocation fund for the purposes
 11 specified in subsection (b)(3) and a special zone fund. The
 12 development authority shall, until the end of the enterprise zone phase
 13 out period, deposit each year in the special zone fund any amount in the
 14 allocation fund derived from property tax proceeds in excess of those
 15 described in subsection (b)(1) and (b)(2) from property located in the
 16 enterprise zone that exceeds the amount sufficient for the purposes
 17 specified in subsection (b)(3) for the year. The amount sufficient for
 18 purposes specified in subsection (b)(3) for the year shall be determined
 19 based on the pro rata part of such current property tax proceeds from
 20 the part of the enterprise zone that is within the allocation area as
 21 compared to all such current property tax proceeds derived from the
 22 allocation area. A development authority that does not have
 23 obligations, bonds, or leases payable from allocated tax proceeds under
 24 subsection (b)(3) shall establish a special zone fund and deposit all the
 25 property tax proceeds in excess of those described in subsection (b)(1)
 26 and (b)(2) that are derived from property in the enterprise zone in the
 27 fund. The development authority that creates the special zone fund
 28 shall use the fund (based on the recommendations of the urban
 29 enterprise association) for programs in job training, job enrichment,
 30 and basic skill development that are designed to benefit residents and
 31 employers in the enterprise zone or for other purposes specified in
 32 subsection (b)(3), except that where reference is made in subsection
 33 (b)(3) to an allocation area it shall refer for purposes of payments from
 34 the special zone fund only to that part of the allocation area that is also
 35 located in the enterprise zone. The programs shall reserve at least
 36 one-half (1/2) of their enrollment in any session for residents of the
 37 enterprise zone.

(1) "Allocation area" means that part of a military base development area to which an allocation provision of a declaratory resolution adopted under section 16 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means, subject to subsection (i):

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment to the declaratory resolution, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 16 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 18 of this chapter. The allocation provision may apply to all or part of the military base development area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

1 (f) Notwithstanding any other law, the assessed value of all taxable
2 property in the allocation area, for purposes of tax limitation, property
3 tax replacement, and the making of the budget, tax rate, and tax levy
4 for each political subdivision in which the property is located is the
5 lesser of:

- 6 (1) the assessed value of the property as valued without regard to
- 7 this section; or
- 8 (2) the base assessed value.

9 (g) If any part of the allocation area is located in an enterprise zone
10 created under IC 5-28-15, the development authority shall create funds
11 as specified in this subsection. A development authority that has
12 obligations, bonds, or leases payable from allocated tax proceeds under
13 subsection (b)(3) shall establish an allocation fund for the purposes
14 specified in subsection (b)(3) and a special zone fund. The
15 development authority shall, until the end of the enterprise zone phase
16 out period, deposit each year in the special zone fund any amount in the
17 allocation fund derived from property tax proceeds in excess of those
18 described in subsection (b)(1) and (b)(2) from property located in the
19 enterprise zone that exceeds the amount sufficient for the purposes
20 specified in subsection (b)(3) for the year. The amount sufficient for
21 purposes specified in subsection (b)(3) for the year shall be determined
22 based on the pro rata part of such current property tax proceeds from
23 the part of the enterprise zone that is within the allocation area as
24 compared to all such current property tax proceeds derived from the
25 allocation area. A development authority that does not have
26 obligations, bonds, or leases payable from allocated tax proceeds under
27 subsection (b)(3) shall establish a special zone fund and deposit all the
28 property tax proceeds in excess of those described in subsection (b)(1)
29 and (b)(2) that are derived from property in the enterprise zone in the
30 fund. The development authority that creates the special zone fund
31 shall use the fund (based on the recommendations of the urban
32 enterprise association) for programs in job training, job enrichment,
33 and basic skill development that are designed to benefit residents and
34 employers in the enterprise zone or for other purposes specified in
35 subsection (b)(3), except that where reference is made in subsection
36 (b)(3) to an allocation area it shall refer for purposes of payments from
37 the special zone fund only to that part of the allocation area that is also
38 located in the enterprise zone. The programs shall reserve at least
39 one-half (1/2) of their enrollment in any session for residents of the
40 enterprise zone.

 27 anniversary of the effective date of the allocation provision, the auditor
 28 of the county in which the military base development district is located

 30 assessment date immediately preceding the later of:

- 31 (1) the date on which the documents are filed with the county
- 32 auditor; or
- 33 (2) the date on which the documents are filed with the department

35 (j) For an allocation area established after June 30, 2024,
 36 "residential property" refers to the assessed value of property that is

 39 residential assessed value as defined for purposes of calculating the
 40 rate for the local income tax property tax relief credit designated for

(b) The unit's fiscal officer may transfer money in the tourism improvement fund to the district management association to be used only for the purposes specified in the ordinance establishing the district. Any bonds issued under this chapter are payable solely from special assessments deposited in the tourism improvement fund and other revenues of the district.

If the district management association is a new nonprofit corporation created to manage the district, the certificate of incorporation or bylaws of the district management association shall provide for voting representation of owners within the district. If the district management association is an existing nonprofit corporation, the existing nonprofit corporation may create a committee of district owners or owners' representatives.

3 January 1, ~~2028~~, **2029**, or excise tax distributions that are distributed
4 based on the amount of a taxing unit's property tax levies, each
5 participating unit in a territory is considered to have imposed a part of
6 the property tax levy imposed for the territory. The part of the property
7 tax levy imposed for the territory for a particular year that shall be
8 attributed to a participating unit is equal to the amount determined in
9 the following STEPS:

10 STEP ONE: Determine the total amount of all property taxes
11 imposed by the participating unit in the year before the year in
12 which a property tax levy was first imposed for the territory.

13 STEP TWO: Determine the sum of the STEP ONE amounts for
14 all participating units.

24 calendar year 2018, 2019, or 2020, as applicable, including the
25 allocation amount for any taxing unit whose distribution was affected
26 by the clerical or mathematical error in those years. The department of
27 local government finance may apply the adjustment to the allocation
28 amount for a taxing unit over a period not to exceed ten (10) years in
29 order to offset the effect of the adjustment on the distribution.

30 (d) This subsection applies to a territory established by an ordinance
31 or a resolution adopted under this chapter after December 31, 2024.
32 Before additional revenue from a local income tax rate may be
33 allocated to the provider unit of a new territory due to an increased
