To the extent possible, the Indiana economic development corporation shall provide for the transfer under item (i) to be made in four (4) equal installments. However, an amount sufficient to meet current obligations to retire or refinance indebtedness or leases for which tax revenues under this section were pledged before January 1, 2015, by the Orange County development commission shall be paid to the Orange County development commission before making distributions to the South Central Indiana Regional Economic Development Corporation and Radius Indiana or their successor entities or partnerships. 2 comptroller shall certify the base year revenue determined under this
3 subsection to the city or county. The total amount of money distributed
4 to a city or county under this section during a state fiscal year may not
5 exceed the entity's base year revenue. For each state fiscal year, the

12 (d) Except as provided in subsections (k) and (l), before August 15
13 of each year, the state comptroller shall distribute the wagering taxes
14 set aside for revenue sharing under subsection (a)(1) to the county
15 treasurer of each county that does not have a riverboat according to the

26 (e) Money received by a city, town, or county under subsection (d)
27 or (g) may be used for any of the following purposes:

- 28 (1) To reduce the property tax levy of the city, town, or county
29 for a particular year (a property tax reduction under this
30 subdivision does not reduce the maximum levy of the city, town,
31 or county under IC 6-1.1-18.5).
- 32 (2) For deposit in a special fund or allocation fund created under

IC 6-1.1-18.5.
(f) This subsection does not apply to an inland casino operating in Vigo County. Before July 15 of each year, the state comptroller shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the state comptroller determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the state comptroller shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (h), the amount of an entity's supplemental distribution is equal to:

- (1) the entity's base year revenue (as determined under IC 4-33-12-9); minus
- (2) the sum of:
 - (A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
 - (B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(g) This subsection applies only to Marion County. The county auditor shall distribute the money received by the county under subsection (d) as follows:

- (1) To each city, other than the consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(h) This subsection does not apply to an inland casino operating in Vigo County. This subsection applies to a supplemental distribution made after June 30, 2017. The maximum amount of money that may be distributed under subsection (f) in a state fiscal year is equal to the following:

- (1) Before July 1, 2021, forty-eight million dollars (\$48,000,000).
- (2) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or

1 greater than the total adjusted gross receipts received by
2 licensees from gambling games authorized under this article
3 during the state fiscal year ending June 30, 2020, the maximum
4 amount is forty-eight million dollars (\$48,000,000).

5 (3) After June 30, 2021, if the total adjusted gross receipts
6 received by licensees from gambling games authorized under
7 this article during the preceding state fiscal year is less than the
8 total adjusted gross receipts received by licensees from gambling
9 games authorized under this article during the state fiscal year
10 ending June 30, 2020, the maximum amount is equal to the
11 result of:

12 (A) forty-eight million dollars (\$48,000,000); multiplied by

13 (B) the result of:

14 (i) the total adjusted gross receipts received by
15 licensees from gambling games authorized under this
16 article during the preceding state fiscal year; divided
17 by

18 (ii) the total adjusted gross receipts received by
19 licensees from gambling games authorized under this
20 article during the state fiscal year ending June 30,
21 2020.

22 If the total amount determined under subsection (f) exceeds the
23 maximum amount determined under this subsection, the amount
24 distributed to an entity under subsection (f) must be reduced according
25 to the ratio that the amount distributed to the entity under IC 4-33-12-6
26 or IC 4-33-12-8 bears to the total amount distributed under
27 IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental
28 distribution.

29 (i) This subsection applies to a supplemental distribution, if any,
30 payable to Lake County, Hammond, Gary, or East Chicago under
31 subsections (f) and (h). Beginning in July 2016, the state comptroller
32 shall, after making any deductions from the supplemental distribution
33 required by IC 6-3.1-20-7, deduct from the remainder of the
34 supplemental distribution otherwise payable to the unit under this
35 section the lesser of:

36 (1) the remaining amount of the supplemental distribution; or

37 (2) the difference, if any, between:

38 (A) three million five hundred thousand dollars
39 (\$3,500,000); minus

40 (B) the amount of admissions taxes constructively received
41 by the unit in the previous state fiscal year.

28 deposited as being received from all riverboats whose supplemental
29 wagering tax, as calculated under IC 4-33-12-1.5(b), is over three and

1 SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
2 JULY 1, 2025 (RETROACTIVE)]: Sec. 11. (a) As used in this section,
3 "tax increment financing allocation area" means any area authorized by
4 statute in which ad valorem property taxes are allocated, including the
5 following:

- 6 (1) IC 6-1.1-39 (economic development districts).

17 (b) The department shall, in each year beginning after December
18 31, ~~2025~~, **2026**, and ending before January 1, 2034, adjust the
19 base assessed value of each tax increment financing allocation area to
20 neutralize the effect of the changing tax rates resulting year to year
21 from the homestead deduction under IC 6-1.1-12-37(c)(2) and
22 IC 6-1.1-12-37.5(c) and the deduction for eligible property under
23 IC 6-1.1-12-47. It is the intent of the general assembly that an increase
24 in revenue from a change in tax rates resulting from these statutes
25 accrue only to the base assessed value and not to the tax increment
26 financing allocation area. However, in the case of a decrease in revenue
27 from a change in tax rates resulting from these statutes, the department
28 may neutralize the change under this subsection in a positive manner
29 with regard to the tax increment financing allocation area to protect the
30 ability to pay bonds based on incremental revenue, if the tax increment
31 financing allocation area demonstrates to the department that an
32 adjustment is needed before the department calculates a positive
33 neutralization adjustment.

25 report must be in an electronic format under IC 5-14-6.

26 SECTION 15. IC 6-1.1-4-4.5, AS AMENDED BY P.L.230-2025,
27 SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
28 JULY 1, 2026]: Sec. 4.5. (a) The department of local government
29 finance shall adopt rules establishing a system for annually adjusting
30 the assessed value of real property to account for changes in value in
31 those years since a reassessment under section 4.2 of this chapter for
32 the property last took effect.

33 (b) Subject to subsection (f), the system must be applied to adjust
34 assessed values beginning with the 2006 assessment date and each year
35 thereafter that is not a year in which a reassessment under section 4.2
36 of this chapter for the property becomes effective.

37 (c) The rules adopted under subsection (a) must include the
38 following characteristics in the system:

39 (1) Promote uniform and equal assessment of real property
40 within and across classifications.

41 (2) Require that assessing officials:

42 (A) reevaluate the factors that affect value;

1 (B) express the interactions of those factors mathematically;
 2 (C) use mass appraisal techniques to estimate updated
 3 property values within statistical measures of accuracy; and
 4 (D) provide notice to taxpayers of an assessment increase
 5 that results from the application of annual adjustments.
 6 (3) Prescribe procedures that permit the application of the
 7 adjustment percentages in an efficient manner by assessing
 8 officials.
 9 (d) The department of local government finance must review and
 10 certify each annual adjustment determined under this section.
 11 (e) For an assessment beginning after December 31, 2022,
 12 agricultural improvements such as but not limited to barns, grain bins,
 13 or silos on land assessed as agricultural shall not be adjusted using
 14 factors, such as neighborhood delineation, that are appropriate for use
 15 in adjusting residential, commercial, and industrial real property. Those
 16 portions of agricultural parcels that include land and buildings not used
 17 for an agricultural purpose, such as homes, homesites, and excess
 18 residential land and commercial or industrial land and buildings, shall
 19 be adjusted by the factor or factors developed for other similar property
 20 within the geographic stratification. The residential portion of
 21 agricultural properties shall be adjusted by the factors applied to
 22 similar residential purposes.
 23 (f) In making the annual determination of the base rate to satisfy
 24 the requirement for an annual adjustment for each assessment date, the
 25 department of local government finance shall, not later than March 1
 26 of each year, determine the base rate using the methodology reflected
 27 in Table 2-18 of Book 1, Chapter 2 of the department of local
 28 government finance's Real Property Assessment Guidelines (as in
 29 effect on January 1, 2005), except that the department shall adjust the
 30 methodology as follows:
 31 (1) Use a six (6) year rolling average adjusted under subdivision
 32 (3) instead of a four (4) year rolling average.
 33 (2) Use the data from the six (6) most recent years preceding the
 34 year in which the assessment date occurs for which data is
 35 available, before one (1) of those six (6) years is eliminated
 36 under subdivision (3) when determining the rolling average.
 37 (3) Eliminate in the calculation of the rolling average the year
 38 among the six (6) years for which the highest market value in use
 39 of agricultural land is determined.
 40 (4) After determining a preliminary base rate that would apply
 41 for the assessment date without applying the adjustment under
 42 this subdivision, the department of local government finance

shall adjust the preliminary base rate as follows:

(A) If the preliminary base rate for the assessment date would be at least ten percent (10%) greater than the final base rate determined for the preceding assessment date, a capitalization rate of:

(i) for purposes of determining the preliminary base rate for the January 1, 2025, ~~and the January 1, 2026,~~ **and January 1, 2027**, assessment dates, nine percent (9%); and

(g) For assessment dates after December 31, 2009, an adjustment in the assessed value of real property under this section shall be based on the estimated true tax value of the property on the assessment date that is the basis for taxes payable on that real property.

(h) The department shall release the department's annual determination of the base rate on or before March 1 of each year.

(i) For the January 1, 2025, assessment date only, the base rate determined using the capitalization rate under subsection (f)(4)(A)(i) shall not apply to land that is assessed under section 12 of this chapter.

27 individual in accordance with section 17.9 of this chapter (~~before its~~
28 ~~expiration~~) is not required to file a statement to apply for the deduction,
29 if:

30 (1) the individual who occupies the real property receives a
31 deduction provided under section 9 (before its expiration), 11
32 (before its expiration), 13 (**before its expiration**), 14, 16,
33 (~~before its expiration~~), 17.4 (before its expiration), or 37 of this
34 chapter in a particular year; and

35 (2) the trust remains eligible for the deduction in the following
36 year.

37 However, for purposes of a deduction under section 37 of this chapter,
38 the individuals that qualify the trust for a deduction must comply with
39 the requirement in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015)
40 before January 1, 2013.

41 (f) A cooperative housing corporation (as defined in 26 U.S.C.

1 the immediately preceding calendar year for a homestead (as defined
 2 in section 37 of this chapter) is not required to file a statement to apply
 3 for the deduction for the current calendar year if the cooperative
 4 housing corporation remains eligible for the deduction for the current
 5 calendar year. However, the county auditor may, in the county auditor's
 6 discretion, terminate the deduction for assessment dates after January
 7 15, 2012, if the individual does not comply with the requirement in
 8 IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015), as determined by the
 9 county auditor, before January 1, 2013. Before the county auditor
 10 terminates a deduction because the taxpayer claiming the deduction did
 11 not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired
 12 January 1, 2015) before January 1, 2013, the county auditor shall mail
 13 notice of the proposed termination of the deduction to:

19 (g) An individual who:

20 (1) was eligible for a homestead credit under IC 6-1.1-20.9
 21 (repealed) for property taxes imposed for the March 1, 2007, or

23 (2) would have been eligible for a homestead credit under
 24 IC 6-1.1-20.9 (repealed) for property taxes imposed for the
 25 March 1, 2008, or January 15, 2009, assessment date if
 26 IC 6-1.1-20.9 had not been repealed;

27 is not required to file a statement to apply for a deduction under section
 28 37 of this chapter if the individual remains eligible for the deduction in
 29 the current year. An individual who filed for a homestead credit under
 30 IC 6-1.1-20.9 (repealed) for an assessment date after March 1, 2007 (if
 31 the property is real property), or after January 1, 2008 (if the property
 32 is personal property), shall be treated as an individual who has filed for
 33 a deduction under section 37 of this chapter. However, the county
 34 auditor may, in the county auditor's discretion, terminate the deduction
 35 for assessment dates after January 15, 2012, if the individual does not
 36 comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January
 37 1, 2015), as determined by the county auditor, before January 1, 2013.
 38 Before the county auditor terminates the deduction because the
 39 taxpayer claiming the deduction did not comply with the requirement
 40 in IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1,
 41 2013, the county auditor shall mail notice of the proposed termination
 42 of the deduction to the last known address of each person liable for any

4 (h) If a county auditor terminates a deduction because the taxpayer
5 claiming the deduction did not comply with the requirement in
6 IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013,
7 the county auditor shall reinstate the deduction if the taxpayer provides
8 proof that the taxpayer is eligible for the deduction and is not claiming
9 the deduction for any other property.

10 (i) A taxpayer described in section 37(r) of this chapter is not
11 required to file a statement to apply for the deduction provided by
12 section 37 of this chapter if the property owned by the taxpayer remains
13 eligible for the deduction for that calendar year.

14 **(j) A surviving spouse who received the deduction provided by**

2 property owned by a corporation, partnership, limited liability
3 company, or other entity not described in this subdivision.

4 **(3) "Principal place of residence" means an individual's true,**
5 **fixed, permanent home to which the individual has the**
6 **intention of returning after an absence.**

7 (b) Each year a homestead is eligible for a standard deduction
8 from the assessed value of the homestead for an assessment date.
9 Except as provided in subsection (n), the deduction provided by this
10 section applies to property taxes first due and payable for an
11 assessment date only if an individual has an interest in the homestead
12 described in subsection (a)(2)(B) on:

- 13 (1) the assessment date; or
- 14 (2) any date in the same year after an assessment date that a

22 individual or entity qualifying for the deduction.

23 (c) Except as provided in section 40.5 of this chapter, the total
24 amount of the deduction that a person may receive under this section
25 for a particular year is:

 - 27 (A) sixty percent (60%) of the assessed value of the real

41 assessed as real property and manufactured homes not assessed as real
42 property shall be construed and applied in the same manner in terms of

2 (d) A person who has sold real property, a mobile home not
3 assessed as real property, or a manufactured home not assessed as real
4 property to another person under a contract that provides that the
5 contract buyer is to pay the property taxes on the real property, mobile

9 (e) Except as provided in sections 17.8 and 44 of this chapter and
10 subject to section 45 of this chapter, an individual who desires to claim
11 the deduction provided by this section must file a certified statement on
12 forms prescribed by the department of local government finance with
13 the auditor of the county in which the homestead is located. The
14 statement must include:

15 (1) the parcel number or key number of the property and the
16 name of the city, town, or township in which the property is
17 located;

23 (i) as the names appear in the records of the United
24 States Social Security Administration for the purposes
25 of the issuance of a Social Security card and Social
26 Security number; or

27 (ii) that they use as their legal names when they sign
28 their names on legal documents;

29 if the applicant is an individual; or

30 (B) each individual who qualifies property as a homestead
31 under subsection (a)(2)(B) and the individual's spouse (if
32 any):

 15 Service preparer tax identification number, the last five
 16 (5) digits of a control number that is on a document

19 If a form or statement provided to the county auditor under this section,
 20 IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or
 21 part or all of the Social Security number of a party or other number
 22 described in subdivision (4)(B) of a party, the telephone number and
 23 the Social Security number or other number described in subdivision
 24 (4)(B) included are confidential. The statement may be filed in person
 25 or by mail. If the statement is mailed, the mailing must be postmarked
 26 on or before the last day for filing. The statement applies for that first
 27 year and any succeeding year for which the deduction is allowed.

28 (f) To obtain the deduction for a desired calendar year under this
 29 section in which property taxes are first due and payable, the individual
 30 desiring to claim the deduction must do the following as applicable:

31 (1) Complete, date, and file the certified statement described in
 32 subsection (e) on or before January 15 of the calendar year in
 33 which the property taxes are first due and payable.

34 (2) Satisfy any recording requirements on or before January 15
 35 of the calendar year in which the property taxes are first due and
 36 payable for a homestead described in subsection (a)(2).

37 (g) Except as provided in subsection (l), if a person who is
 38 receiving, or seeks to receive, the deduction provided by this section in
 39 the person's name:

40 (1) changes the use of the individual's property so that part or all

- 1 (2) is not eligible for a deduction under this section because the
 2 person is already receiving:
- 3 (A) a deduction under this section in the person's name as
 4 an individual or a spouse; or
- 5 (B) a deduction under the law of another state that is
 6 equivalent to the deduction provided by this section;
- 7 the person must file a certified statement with the auditor of the county,
 8 notifying the auditor of the person's ineligibility, not more than sixty
 9 (60) days after the date of the change in eligibility. A person who fails
 10 to file the statement required by this subsection may, under
 11 IC 6-1.1-36-17, be liable for any additional taxes that would have been
 12 due on the property if the person had filed the statement as required by
 13 this subsection plus a civil penalty equal to ten percent (10%) of the
 14 additional taxes due. The civil penalty imposed under this subsection
 15 is in addition to any interest and penalties for a delinquent payment that
 16 might otherwise be due. One percent (1%) of the total civil penalty
 17 collected under this subsection shall be transferred by the county to the
 18 department of local government finance for use by the department in
 19 establishing and maintaining the homestead property data base under
 20 subsection (j) and, to the extent there is money remaining, for any other
 21 purposes of the department. This amount becomes part of the property
 22 tax liability for purposes of this article.
- 23 (h) The department of local government finance may adopt rules
 24 or guidelines concerning the application for a deduction under this
 25 section.
- 26 (i) This subsection does not apply to property in the first year for
 27 which a deduction is claimed under this section if the sole reason that
 28 a deduction is claimed on other property is that the individual or
 29 married couple maintained a principal residence at the other property
 30 on the assessment date in the same year in which an application for a
 31 deduction is filed under this section or, if the application is for a
 32 homestead that is assessed as personal property, on the assessment date
 33 in the immediately preceding year and the individual or married couple
 34 is moving the individual's or married couple's principal residence to the
 35 property that is the subject of the application. Except as provided in
 36 subsection (l), the county auditor may not grant an individual or a
 37 married couple a deduction under this section if:
- 38 (1) the individual or married couple, for the same year, claims
 39 the deduction on two (2) or more different applications for the
 40 deduction; and
- 41 (2) the applications claim the deduction for different property.
- 42 (j) The department of local government finance shall provide

1 secure access to county auditors to a homestead property data base that
 2 includes access to the homestead owner's name and the numbers
 3 required from the homestead owner under subsection (e)(4) for the sole
 4 purpose of verifying whether an owner is wrongly claiming a deduction
 5 under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or
 6 IC 6-3.6-5 (before its expiration). Each county auditor shall submit data
 7 on deductions applicable to the current tax year on or before March 15
 8 of each year in a manner prescribed by the department of local
 9 government finance.

10 (k) A county auditor may require an individual to provide evidence
 11 proving that the individual's residence is the individual's principal place
 12 of residence as claimed in the certified statement filed under subsection
 13 (e). The county auditor may limit the evidence that an individual is
 14 required to submit to a state income tax return, a valid driver's license,
 15 or a valid voter registration card showing that the residence for which
 16 the deduction is claimed is the individual's principal place of residence.
 17 The county auditor may not deny an application filed under section 44
 18 of this chapter because the applicant does not have a valid driver's
 19 license or state identification card with the address of the homestead
 20 property. The department of local government finance shall work with
 21 county auditors to develop procedures to determine whether a property
 22 owner that is claiming a standard deduction or homestead credit is not
 23 eligible for the standard deduction or homestead credit because the
 24 property owner's principal place of residence is outside Indiana.

25 (l) A county auditor shall grant an individual a deduction under
 26 this section regardless of whether the individual and the individual's
 27 spouse claim a deduction on two (2) different applications and each
 28 application claims a deduction for different property if the property
 29 owned by the individual's spouse is located outside Indiana and the
 30 individual files an affidavit with the county auditor containing the
 31 following information:

32 (1) The names of the county and state in which the individual's
 33 spouse claims a deduction substantially similar to the deduction
 34 allowed by this section.

35 (2) A statement made under penalty of perjury that the following
 36 are true:

37 (A) That the individual and the individual's spouse maintain
 38 separate principal places of residence.

39 (B) That neither the individual nor the individual's spouse
 40 has an ownership interest in the other's principal place of
 41 residence.

42 (C) That neither the individual nor the individual's spouse

1 has, for that same year, claimed a standard or substantially
2 similar deduction for any property other than the property
3 maintained as a principal place of residence by the
4 respective individuals.

5 A county auditor may require an individual or an individual's spouse to
6 provide evidence of the accuracy of the information contained in an
7 affidavit submitted under this subsection. The evidence required of the
8 individual or the individual's spouse may include state income tax
9 returns, excise tax payment information, property tax payment
10 information, driver's license information, and voter registration
11 information.

- 12 (m) If:
- 13 (1) a property owner files a statement under subsection (e) to
14 claim the deduction provided by this section for a particular
15 property; and
 - 16 (2) the county auditor receiving the filed statement determines
17 that the property owner's property is not eligible for the
18 deduction;

19 the county auditor shall inform the property owner of the county
20 auditor's determination in writing. If a property owner's property is not
21 eligible for the deduction because the county auditor has determined
22 that the property is not the property owner's principal place of
23 residence, the property owner may appeal the county auditor's
24 determination as provided in IC 6-1.1-15. The county auditor shall
25 inform the property owner of the owner's right to appeal when the
26 county auditor informs the property owner of the county auditor's
27 determination under this subsection.

28 (n) An individual is entitled to the deduction under this section for
29 a homestead for a particular assessment date if:

- 30 (1) either:
- 31 (A) the individual's interest in the homestead as described
32 in subsection (a)(2)(B) is conveyed to the individual after
33 the assessment date, but within the calendar year in which
34 the assessment date occurs; or
 - 35 (B) the individual contracts to purchase the homestead after
36 the assessment date, but within the calendar year in which
37 the assessment date occurs;
- 38 (2) on the assessment date:
- 39 (A) the property on which the homestead is currently
40 located was vacant land; or

42 homestead was not completed; and

- (3) either:
 - (A) the individual files the certified statement required by subsection (e); or
 - (B) a sales disclosure form that meets the requirements of section 44 of this chapter is submitted to the county assessor on or before December 31 of the calendar year for the individual's purchase of the homestead.

An individual who satisfies the requirements of subdivisions (1) through (3) is entitled to the deduction under this section for the homestead for the assessment date, even if on the assessment date the property on which the homestead is currently located was vacant land or the construction of the dwelling that constitutes the homestead was not completed. The county auditor shall apply the deduction for the assessment date and for the assessment date in any later year in which the homestead remains eligible for the deduction. A homestead that qualifies for the deduction under this section as provided in this subsection is considered a homestead for purposes of section 37.5 of this chapter and IC 6-1.1-20.6.

(o) This subsection applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013. Notwithstanding any other provision of this section, an individual buying a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property under a contract providing that the individual is to pay the property taxes on the mobile home or manufactured home is not entitled to the deduction provided by this section unless the parties to the contract comply with IC 9-17-6-17.

(p) This subsection:

- (1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and
- (2) does not apply to an individual described in subsection (o).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

(q) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

- (1) is serving on active duty in any branch of the armed forces of the United States;
- (2) was ordered to transfer to a location outside Indiana; and
- (3) was otherwise eligible, without regard to this subsection, for

7 P.L.272-2019, SECTION 2, IS AMENDED TO READ AS FOLLOWS

21 SECTION 171, IS AMENDED TO READ AS FOLLOWS
22 [EFFECTIVE JANUARY 1, 2026 (RETROACTIVE)]: Sec. 9.8. (a)
23 This section applies to property taxes first due and payable after

1 taxes described in this clause are subject to the credit
2 granted under section 7 or 7.5 of this chapter by section
3 7(b), 7(c), 7.5(b), or 7.5(c) of this chapter regardless of their
4 designation as protected taxes.

5 (3) "Unprotected taxes" refers to property taxes that are not
6 protected taxes.

7 (c) Except as provided in section 9.9 of this chapter, the total
8 amount of revenue to be distributed to the fund for which the protected
9 taxes were imposed shall be determined as if no credit were granted
10 under section 7, ~~or 7.5~~, **or 7.7** of this chapter **or under IC 6-1.1-49**.
11 The total amount of the loss in revenue resulting from the granting of
12 credits under section 7, ~~or 7.5~~, **or 7.7** of this chapter **or under**
13 **IC 6-1.1-49** must reduce only the amount of unprotected taxes
14 distributed to a fund using the following criteria:

15 (1) The reduction may be allocated in the amounts determined
16 by the political subdivision using a combination of unprotected
17 taxes of the political subdivision in those taxing districts in
18 which the credit caused a reduction in protected taxes.

19 (2) The tax revenue and each fund of any other political
20 subdivisions must not be affected by the reduction.

21 (d) When:

22 (1) the revenue that otherwise would be distributed to a fund
23 receiving only unprotected taxes is reduced entirely under

25 fund receiving protected taxes to receive the revenue specified
26 by subsection (c); or

27 (2) there is not a fund receiving only unprotected taxes from
28 which to distribute revenue;

29 the revenue distributed to the fund receiving protected taxes must also
30 be reduced. If the revenue distributed to a fund receiving protected
31 taxes is reduced, the political subdivision may transfer money from one
32 (1) or more of the other funds of the political subdivision to offset the
33 loss in revenue to the fund receiving protected taxes. The transfer is
34 limited to the amount necessary for the fund receiving protected taxes
35 to receive the revenue specified under subsection (c). The amount
36 transferred shall be specifically identified as a debt service obligation

- 1 (1) a school corporation after July 1, 2016, issues new bonds or
- 2 enters into a new lease rental agreement for which the school
- 3 corporation is imposing or will impose a debt service levy other
- 4 than:
- 5 (A) to refinance or renew prior bond or lease rental
- 6 obligations existing before January 1, 2017; or
- 7 (B) indebtedness that is approved in a local public question
- 8 or referendum under IC 6-1.1-20 or any other law; and
- 9 (2) the school corporation's:
- 10 (A) total debt service levy is greater than the school
- 11 corporation's total debt service levy in 2016; and
- 12 (B) total debt service tax rate is greater than the school
- 13 corporation's total debt service tax rate in 2016;

14 the school corporation is not eligible to allocate credits proportionately
 15 under this section.

16 (b) This subsection applies to credits allocated after December 31,
 17 2023. A school corporation is not eligible to allocate credits
 18 proportionately under this section, if a school corporation after July 1,
 19 2023, issues new bonds or enters into a new lease rental agreement for
 20 which the school corporation is imposing or will impose a debt service
 21 levy other than:

- 22 (1) to refinance or renew prior bond or lease rental obligations
- 23 existing before January 1, 2024, but only if the refinancing or
- 24 renewal is for a lower interest rate; or
- 25 (2) indebtedness that is approved in a local public question or
- 26 referendum under IC 6-1.1-20 or any other law.

27 (c) Subject to subsection (a) (before January 1, 2024) and
 28 subsection (b) (after December 31, 2023), a school corporation is
 29 eligible to allocate credits proportionately under this section for 2019,
 30 2020, 2021, 2022, 2023, 2024, 2025, or 2026 if the school corporation's
 31 percentage computed under this subsection is at least ten percent (10%)
 32 for its operations fund levy as certified by the department of local
 33 government finance. A school corporation shall compute its percentage
 34 under this subsection as determined under the following formula:

35 STEP ONE: Determine the amount of credits granted under this
 36 chapter against the school corporation's levy for the school
 37 corporation's operations fund.

38 STEP TWO: Determine the amount of the school corporation's
 39 levy that is attributable to new debt incurred after June 30, 2019,
 40 but is not attributable to the debt service levy described in
 41 subsection (a)(1)(B) (before January 1, 2024) or subsection
 42 (b)(2) (after December 31, 2023).

- 1 STEP THREE: Determine the result of the school corporation's
 2 total levy minus any referendum levy.
 3 STEP FOUR: Subtract the STEP TWO amount from the STEP
 4 THREE amount.
 5 STEP FIVE: Divide the STEP FOUR amount by the STEP
 6 THREE amount expressed as a percentage.
 7 STEP SIX: Multiply the STEP ONE amount by the STEP FIVE
 8 percentage.
 9 STEP SEVEN: Determine the school corporation's levy for the
 10 school corporation's operations fund.
 11 STEP EIGHT: Divide the STEP SIX amount by the STEP
 12 SEVEN amount expressed as a percentage.

13 The computation must be made by taking into account the requirements
 14 of section 9.8 of this chapter regarding protected taxes and the impact
 15 of credits granted under this chapter on the revenue to be distributed to
 16 the school corporation's operations fund for the particular year.

17 (d) A school corporation that desires to be an eligible school
 18 corporation under this section must, before May 1 of the year for which
 19 it wants a determination, submit a written request for a certification by
 20 the department of local government finance that the computation of the
 21 school corporation's percentage under subsection (c) is correct. The
 22 department of local government finance shall, not later than June 1 of
 23 that year, determine whether the percentage computed by the school
 24 corporation under subsection (c) is accurate and certify whether the
 25 school corporation is eligible under this section.

26 (e) For a school corporation that is certified as eligible under this
 27 section, the school corporation may allocate the effect of the credits
 28 granted under this chapter **and IC 6-1.1-49** proportionately among all
 29 the school corporation's property tax funds that are not exempt under
 30 section 7.5(b) or 7.5(c) of this chapter, based on the levy for each fund
 31 and without taking into account the requirements of section 9.8 of this
 32 chapter regarding protected taxes as determined under the following
 33 formula:

- 34 STEP ONE: Determine the product of:
 35 (A) the percentage determined under STEP EIGHT of
 36 subsection (c); multiplied by
 37 (B) five (5).
 38 STEP TWO: Determine the lesser of the STEP ONE percentage
 39 or one hundred percent (100%).
 40 STEP THREE: Determine the product of:
 41 (A) the amount determined under STEP SIX of subsection
 42 (c); multiplied by

1 (B) the STEP TWO percentage.
2 The school corporation may allocate the amount of credits determined
3 under STEP THREE proportionately under this section. The
4 department of local government finance shall include in its certification
5 of an eligible school corporation under subsection (d) the amount of
6 credits that the school corporation may allocate proportionately as
7 determined under this subsection.

8 (f) This section expires January 1, 2027.

6 (b) Except as provided in subsection (e), any member of a local

7 income tax council may present an ordinance for passage. To do so, the

8 member must adopt a resolution to propose the ordinance to the local

9 income tax council and distribute a copy of the proposed ordinance to

10 the county auditor. The county auditor shall treat any proposed

11 ordinance distributed to the auditor under this section as a casting of all

12 that member's votes in favor of the proposed ordinance.

13 (c) Except as provided in subsection (f), the county auditor shall

14 deliver copies of a proposed ordinance the auditor receives to all

15 members of the local income tax council within ten (10) days after

16 receipt. Subject to subsection (d), once a member receives a proposed

17 ordinance from the county auditor, the member shall vote on it within

18 thirty (30) days after receipt.

19 (d) Except as provided in subsection (h), if, before the elapse of

20 thirty (30) days after receipt of a proposed ordinance, the county

21 auditor notifies the member that the members of the local income tax

22 council have cast a majority of the votes on the local income tax

23 council for or against the proposed ordinance the member need not

24 vote on the proposed ordinance.

25 (e) This subsection applies only to a county with a single voting

26 bloc that proposes to increase (but not decrease) a tax rate in the

27 county. The fiscal body of any county, city, or town that is a member

28 of a local income tax council may adopt a resolution to propose an

29 ordinance to increase a tax rate in the county to be voted on by the local

30 income tax council as a whole as required under section 9.5 of this

31 chapter and distribute a copy of the proposed ordinance to the county

32 auditor. The county auditor shall treat the vote tally on the resolution

33 adopted under this subsection for each individual who is a member of

34 the fiscal body of the county, city, or town as the voting record for that

35 individual either for or against the ordinance being proposed for

36 consideration by the local income tax council as a whole under section

37 9.5 of this chapter. This subsection expires May 31, 2027. <-> [

10 resolution to propose an ordinance under subsection (e), or voting on
11 a proposed ordinance being considered by the local income tax council
12 as a whole under section 9.5 of this chapter, must take a roll call vote
13 on the resolution or the proposed ordinance. If an individual who sits
14 on the fiscal body is absent from the meeting in which a vote is taken
15 or abstains from voting on the resolution or proposed ordinance, the
16 fiscal officer of the county, city, or town shall nevertheless consider
17 that individual's vote as a "no" vote against the resolution or the
18 proposed ordinance being considered, whichever is applicable, for
19 purposes of the vote tally under this section and shall note on the vote
20 tally that the individual's "no" vote is due to absence or abstention. The
21 fiscal body of each county, city, or town shall certify the roll call vote

(B) If an ordinance described in section 2.6 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.6 of this chapter.

(C) If an ordinance described in section 2.7 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.7 of this chapter.

(D) If an ordinance described in section 2.8 of this chapter is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.8 of this chapter.

(E) If an ordinance described in section 2.9 of this chapter (before its repeal) is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 2.9 of this chapter.

(F) If an ordinance described in section 3.1 of this chapter (before its expiration) is in effect in a county, to make a distribution to the county equal to the amount of revenue generated by the rate imposed under section 3.1 of this chapter.

(2) After making the distributions described in subdivision (1), if any, to make distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1 (repealed). The revenue categorized from the next twenty-five hundredths percent (0.25%) of the rate for a former tax adopted under IC 6-3.5-1.1 (repealed) shall be allocated to school corporations and civil taxing units. (b) In the case of a civil taxing unit that has pledged the tax from additional revenue for the payment of bonds, leases, or other

1 obligations as reported by the civil taxing unit under IC 5-1-18, the
 2 adopting body may not, under section 4 of this chapter, reduce the

 5 amount less than the amount necessary for the payment of bonds,
 6 leases, or other obligations payable or required to be deposited in a
 7 sinking fund or other reserve in that year for the bonds, leases, or other
 8 obligations for which the tax from additional revenue has been pledged.
 9 To inform an adopting body with regard to allocations that affect the
 10 payment of bonds, leases, or other obligations, a taxing unit may
 11 provide the adopting body with information regarding any outstanding
 12 bonds, leases, or other obligations that are secured by additional
 13 revenue. The information must be provided before the date of the
 14 public hearing at which the adopting body may change the allocation
 15 of additional revenue under section 4 of this chapter.

 23 the property tax liability of taxpayers who own homesteads that are:

- 24 (1) located in the county; and
- 25 (2) eligible for a credit under IC 6-1.1-20.6-7.5 that limits the
 26 taxpayer's property tax liability for the property to one percent
 27 (1%).

28 Revenue collected from a tax rate imposed under this section may only
 29 be used to fund replacement of the county's property tax levy. Property
 30 taxes imposed due to a referendum in which a majority of the voters in
 31 the taxing unit imposing the property taxes approved the property taxes
 32 are not eligible for a credit under this section.

33 (c) The tax rate must be in increments of one-hundredth of one
 34 percent (0.01%) and may not exceed three-tenths of one percent
 35 (0.3%).

36 (d) A tax imposed under this section shall be treated as property

revenue under this section.

STEP SIX: The percentage of revenue that shall be distributed to each provider of fire protection and emergency medical services located within the county that is eligible to receive revenue under this section is equal to:

- (A) the STEP FOUR result for the provider; divided by
- (B) the STEP FIVE result.

(b) Subject to subsection (d), the county may determine the allocation method for revenue raised from a tax rate for fire protection or emergency medical services under section 2(b)(2) of this chapter. However, in determining the allocation method, the county shall, for each provider of fire protection, emergency medical services, or both in the county, consider the service boundaries of the provider and the population living within the service boundaries of the provider using the most recent federal decennial census.

(c) If at least fifty percent (50%) of fire runs made by a township fire department during the calendar year preceding by two (2) years the calendar year in which distribution amounts are being determined are carried out by full-time firefighters who receive a salary of at least thirty thousand dollars (\$30,000), the county shall distribute an allocation of revenue to the township fire department under this section.

- (2) volunteer fire department shall be made to the taxing unit that is served by the volunteer fire department.

(f) If the population living within the service boundaries of a provider cannot be determined using data from the United States Census Bureau, the county may determine an estimated population based on income tax returns that report a residence located within the service boundaries of the provider. The county auditor shall provide the estimated population to the department of local government finance not later than July 15 of the calendar year that precedes the calendar year before the year in which the

(b) Subject to subsection (g), the revenue raised from a tax rate under section 2(b)(4) of this chapter shall be allocated to the cities and towns based on the population of the city or the population of the town, whichever is applicable; compared to the population of all the cities or the population of all the towns; whichever is applicable; that are eligible for a distribution, subject to subsection (d). For purposes of this ~~determination~~, **section**, if the boundaries of a city or town are located in more than one (1) county, only the portion of the population of the city or town that is located within the county imposing the tax rate under section 2(b)(4) of this chapter shall be considered.

(c) The money may be used by the city or town fiscal body for any of the purposes of the city or town, including public safety (as defined in IC 6-3.6-2-14) and economic development purposes described in IC 6-3.6-10. 3 that year.

4 (f) The county may use any money received under this section
5 for the purposes described in section 4 of this chapter.

6 (f) Subject to subsection (g), if one (1) or more, but not all, eligible

11 resolution request, or the county may distribute the total amount of
12 revenue raised from a tax rate under section 2(b)(4) of this chapter to
13 all eligible cities or towns as set forth in this section. If no eligible city
14 or town adopts a resolution to request a distribution in a given year, the

26 described in section 4 of this chapter; and

27 (2) twenty-five percent (25%) of the revenue received from the
28 tax rate imposed under section 2(b)(4) of this chapter shall be
29 distributed among the eligible cities and towns as set forth in this
30 section and may be used for the purposes set forth in this section.

31 However, the adopting body may, by ordinance, determine to allocate

Hancock County.

(b) The county fiscal body may, by ordinance, allocate part of the tax rate imposed under IC 6-3.6-5 (before its expiration), not to exceed a tax rate of fifteen hundredths percent (0.15%), to a property tax credit against the property tax liability imposed for public libraries in the county, if all territory in the county is included in a library district. The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. Tax revenues derived from the part of the tax rate imposed under IC 6-3.6-5 (before its expiration) that is designated for property tax replacement credits under this section shall be deposited in the library property tax replacement fund. Any interest earned on money in the library property tax replacement fund shall be credited to the library property tax replacement fund.

(c) The amount of property tax replacement credits that each public library in the county is entitled to receive during a calendar year under this section (before the expiration of IC 6-3.6-5) equals the lesser of:

- (1) the product of:
 - (A) the amount of revenue deposited by the county auditor in the library property tax replacement fund; multiplied by
 - (B) a fraction described as follows:
 - (i) The numerator of the fraction equals the sum of the total property taxes that would have been collected by the public library during the previous calendar year from taxpayers located within the library district if the property tax replacement under this section had not been in effect.
 - (ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax replacement credits under this section if the property tax replacement under this section had not been in effect; or

(2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax replacement credit under this section were not in effect.

The department of local government finance shall make any adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into

1 reciprocal borrowing agreements with all other public libraries in the
 2 county. If the total amount of tax revenue deposited by the county
 3 auditor in the library property tax replacement fund for a calendar year
 4 exceeds the total property tax liability that would otherwise be imposed
 5 for public libraries in the county for the year, the excess must remain
 6 in the library property tax replacement fund and may be used for library
 7 property tax replacement purposes in the following calendar year.

8 (d) A public library receiving property tax replacement credits
 9 under this section shall allocate the credits among each fund for which
 10 a distinct property tax levy is imposed in proportion to the property
 11 taxes levied for each fund. However, if a public library did not impose
 12 a property tax levy during the previous calendar year or did not impose
 13 a property tax levy for a particular fund during the previous calendar
 14 year, but the public library is imposing a property tax levy in the
 15 current calendar year or is imposing a property tax levy for the
 16 particular fund in the current calendar year, the department of local
 17 government finance shall adjust the amount of property tax
 18 replacement credits allocated among the various funds of the public
 19 library and shall provide the adjustment to the county auditor. If a
 20 public library receiving property tax replacement credits under this
 21 section does not impose a property tax levy for a particular fund that is
 22 first due and payable in a calendar year in which the property tax
 23 replacement credits are being distributed, the public library is not
 24 required to allocate to that fund a part of the property tax replacement
 25 credits to be distributed to the public library. Notwithstanding
 26 IC 6-1.1-20-1.1(a)(1), a public library that receives property tax
 27 replacement credits under this section is subject to the procedures for
 28 the issuance of bonds set forth in IC 6-1.1-20.

29 (e) A public library shall treat property tax replacement credits
 30 received during a particular calendar year under this section as a part
 31 of the public library's property tax levy for each fund for that same
 32 calendar year for purposes of fixing the public library's budget and for
 33 purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

34 (f) For the purpose of allocating tax revenue under IC 6-3.6-6 and
 35 computing and distributing tax revenue under IC 6-5.5 or IC 6-6-5, the
 36 property tax replacement credits that are received under this section
 37 shall be treated as though they were property taxes that were due and
 38 payable during that same calendar year.

39 **(g) The county fiscal body shall adopt a resolution to allow a**
 40 **one (1) time transfer to be made after December 31, 2028, but not**
 41 **later than July 1, 2029, of money from the library property tax**

2 (1) Hancock County Public Library for deposit in the general

5 The amount shall be allocated between the Hancock County Public

6 Library and Fortville Public Library based on each library's

7 proportional share of the population in each library district

8 compared to the total population in both library districts, based on

9 the most recent federal decennial census. After the county fiscal

10 body adopts a resolution under this subsection, before the transfer

11 may be made, and not later than July 1, 2029, the Hancock County

12 Public Library and Fortville Public Library shall each adopt a

13 substantially similar resolution requesting that the transfer be

14 made and provide certified copies to the county fiscal body. Upon

15 receiving the certified copies, the county fiscal body shall make the

16 transfer under this subsection.

17 SECTION 63, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
18 JANUARY 1, 2028]: Sec. 27. (a) This section applies only to an
19 eligible county, as defined in IC 8-25-1-4.

20 (b) If the voters of the county approve a local public question
21 under IC 8-25-2, the fiscal body of the county may adopt an ordinance
22 to provide for the use of local income tax revenues ~~attributable to an~~
23 ~~additional tax rate imposed under IC 6-3.6-6~~ to fund a public

26 IC 8-25-6-10 to impose an additional tax rate on the county taxpayers
27 (as defined in IC 8-24-1-10) who reside in a township in which the
28 voters approve a public transportation project in a local public question
29 held under IC 8-25-6. An ordinance adopted under this subsection must
30 specify an additional tax rate to be imposed in the county (or township
31 in the case of an additional rate required by IC 8-25-6-10) of at least
32 one-tenth percent (0.1%), but not more than twenty-five hundredths
33 percent (0.25%). If an ordinance is adopted under this subsection, the
34 amount of the certified distribution attributable to the additional tax
35 rate imposed under this subsection must be:

- 36 (1) retained by the county auditor;
- 37 (2) deposited in the county public transportation project fund
- 38 established under IC 8-25-3-7; and
- 39 (3) used for the purpose provided in this subsection instead of as
- 40 a property tax replacement distribution.

8 imposed, paid, and collected under IC 6-2.5. However, the return
9 to be filed with the payment of the tax imposed under this chapter

17 the county, the county fiscal officer shall establish a food and
18 beverage tax receipts fund.

19 (b) The county fiscal officer shall deposit in the fund all amounts
20 received under this chapter.

21 (c) Money earned from the investment of money in the fund
22 becomes a part of the fund.

23 Sec. 9. Money in the food and beverage tax receipts fund must
24 be used by the county only for the following purposes:

25 (1) Economic development and tourism related purposes or

29 or other obligations incurred for a purpose described in
30 subdivision (1).

31 Revenue derived from the imposition of a tax under this chapter
32 may be treated by the county as additional revenue for the purpose
33 of fixing its budget for the budget year during which the revenues
34 are to be distributed to the county.

35 Sec. 10. With respect to obligations for which a pledge has been
36 made under section 9 of this chapter, the general assembly
37 covenants with the holders of the obligations that this chapter will

1 have a group of employees on its staff who are capable of performing
 2 the construction, maintenance, and repair applicable to that work.
 3 ~~(c)~~ **(c)** For purposes of ~~this subsection~~, **determining** the cost of a public
 4 work project, **the cost** includes:
 5 (1) the actual cost of materials, labor, equipment, and rental;
 6 (2) a reasonable rate for use of trucks and heavy equipment
 7 owned; and
 8 (3) all other expenses incidental to the performance of the project.
 9 ~~(b)~~ **(d)** This subsection applies only to a municipality or a county.
 10 The workforce of a municipality or county may perform a public work
 11 described in subsection (a) only if:
 12 (1) the workforce, through demonstrated skills, training, or
 13 expertise, is capable of performing the public work; and
 14 (2) for a public work project under subsection (a) whose cost is
 15 estimated to be more than one hundred thousand dollars
 16 (\$100,000), the board:
 17 (A) publishes a notice under IC 5-3-1 that:
 18 (i) describes the public work that the board intends to
 19 perform with its own workforce; and
 20 (ii) sets forth the projected cost of each component of the
 21 public work as described in subsection (a); and
 22 (B) determines at a public meeting that it is in the public
 23 interest to perform the public work with the board's own
 24 workforce.
 25 A public work project performed by a board's own workforce must be
 26 inspected and accepted as complete in the same manner as a public
 27 work project performed under a contract awarded after receiving bids.
 28 ~~(c)~~ **(e)** When the project involves the rental of equipment with an
 29 operator furnished by the owner, or the installation or application of
 30 materials by the supplier of the materials, the project is considered to
 31 be a public work project and subject to this chapter. However, an
 32 annual contract may be awarded for equipment rental and materials to
 33 be installed or applied during a calendar or fiscal year if the proposed
 34 project or projects are described in the bid specifications.
 35 ~~(d)~~ **(f)** A board of aviation commissioners or an airport authority
 36 board may purchase or lease materials in the manner provided in
 37 IC 5-22 and perform any public work by means of its own workforce
 38 and owned or leased equipment, in the construction, maintenance, and

1 chapter for all contracts for public work that are financed in whole or
2 in part with cumulative building fund revenue, as provided in section
3 1(c) of this chapter. However, if the cost of the public work is
4 estimated to be less than fifty thousand dollars (\$50,000), as reflected
5 in the board minutes, the hospital board may have the public work done
6 without receiving bids, by purchasing the materials and performing the
7 work by means of its own workforce and owned or leased equipment.

8 ~~(f)~~ **(h)** If a public works project involves a structure, an
9 improvement, or a facility under the control of a public highway
10 department that is under the political control of a unit (as defined in
11 IC 36-1-2-23) and involved in the construction, maintenance, or repair
12 of a public highway (as defined in IC 9-25-2-4), the department may

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

1 property under the rules of the department of local government

 3 (3) If:
 4 (A) an allocation provision adopted before June 30, 1995, in
 5 a declaratory resolution or an amendment to a declaratory
 6 resolution establishing a redevelopment project area expires
 7 after June 30, 1997; and
 8 (B) after June 30, 1997, a new allocation provision is included
 9 in an amendment to the declaratory resolution;
 10 the net assessed value of all the property as finally determined for
 11 the assessment date immediately preceding the effective date of
 12 the allocation provision adopted after June 30, 1997, as adjusted
 13 under subsection (h).
 14 (4) Except as provided in subdivision (5), for all other allocation
 15 areas, the net assessed value of all the property as finally
 16 determined for the assessment date immediately preceding the
 17 effective date of the allocation provision of the declaratory
 18 resolution, as adjusted under subsection (h).
 19 (5) If an allocation area established in an economic development
 20 area before July 1, 1995, is expanded after June 30, 1995, the

 22 area added after June 30, 1995.
 23 (6) If an allocation area established in a redevelopment project
 24 area before July 1, 1997, is expanded after June 30, 1997, the

 26 area added after June 30, 1997.
 27 Except as provided in section 39.3 of this chapter, "property taxes"
 28 means taxes imposed under IC 6-1.1 on real property. However, upon
 29 approval by a resolution of the redevelopment commission adopted
 30 before June 1, 1987, "property taxes" also includes taxes imposed
 31 under IC 6-1.1 on depreciable personal property. If a redevelopment
 32 commission adopted before June 1, 1987, a resolution to include within
 33 the definition of property taxes, taxes imposed under IC 6-1.1 on
 34 depreciable personal property that has a useful life in excess of eight
 35 (8) years, the commission may by resolution determine the percentage
 36 of taxes imposed under IC 6-1.1 on all depreciable personal property
 37 that will be included within the definition of property taxes. However,
 38 the percentage included must not exceed twenty-five percent (25%) of
 39 the taxes imposed under IC 6-1.1 on all depreciable personal property.
 40 (b) A declaratory resolution adopted under section 15 of this chapter

1 of property taxes for the purposes and in the manner provided in this
2 section. A declaratory resolution previously adopted may include an
3 allocation provision by the amendment of that declaratory resolution on
4 or before the allocation deadline determined under subsection (i) in
5 accordance with the procedures required for its original adoption. A
6 declaratory resolution or amendment that establishes an allocation
7 provision must include a specific finding of fact, supported by
8 evidence, that the adoption of the allocation provision will result in
9 new property taxes in the area that would not have been generated but
10 for the adoption of the allocation provision. For an allocation area
11 established before July 1, 1995, the expiration date of any allocation
12 provisions for the allocation area is June 30, 2025, or the last date of
13 any obligations that are outstanding on July 1, 2015, whichever is later.
14 A declaratory resolution or an amendment that establishes an allocation
15 provision after June 30, 1995, must specify an expiration date for the
16 allocation provision. For an allocation area established before July 1,
17 2008, the expiration date may not be more than thirty (30) years after
18 the date on which the allocation provision is established. For an
19 allocation area established after June 30, 2008, the expiration date may
20 not be more than twenty-five (25) years after the date on which the first
21 obligation was incurred to pay principal and interest on bonds or lease
22 rentals on leases payable from tax increment revenues. However, with
23 respect to bonds or other obligations that were issued before July 1,
24 2008, if any of the bonds or other obligations that were scheduled when
25 issued to mature before the specified expiration date and that are
26 payable only from allocated tax proceeds with respect to the allocation
27 area remain outstanding as of the expiration date, the allocation
28 provision does not expire until all of the bonds or other obligations are
29 no longer outstanding. Notwithstanding any other law, in the case of an
30 allocation area that is established after June 30, 2019, and that is
31 located in a redevelopment project area described in section
32 25.1(c)(3)(C) of this chapter, an economic development area described
33 in section 25.1(c)(3)(C) of this chapter, or an urban renewal project
34 area described in section 25.1(c)(3)(C) of this chapter, the expiration
35 date of the allocation provision may not be more than thirty-five (35)
36 years after the date on which the allocation provision is established.
37 The allocation provision may apply to all or part of the redevelopment
38 project area. The allocation provision must require that any property
39 taxes subsequently levied by or for the benefit of any public body
40 entitled to a distribution of property taxes on taxable property in the
41 allocation area be allocated and distributed as follows:

- 42 (1) Except as otherwise provided in this section, the proceeds of

the taxes attributable to the lesser of:
(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;
or
(B) the base assessed value;
shall be allocated to and, when collected, paid into the funds of the respective taxing units.
(2) This subdivision applies to a fire protection territory established after December 31, 2022. If a unit becomes a participating unit of a fire protection territory that is established after a declaratory resolution is adopted under section 15 of this chapter, the excess of the proceeds of the property taxes attributable to an increase in the property tax rate for the participating unit of a fire protection territory:
(A) except as otherwise provided by this subdivision, shall be determined as follows:
STEP ONE: Divide the unit's tax rate for fire protection for the year before the establishment of the fire protection territory by the participating unit's tax rate as part of the fire protection territory.
STEP TWO: Subtract the STEP ONE amount from one (1).
STEP THREE: Multiply the STEP TWO amount by the allocated property tax attributable to the participating unit of the fire protection territory; and
(B) to the extent not otherwise included in subdivisions (1) and (3), the amount determined under STEP THREE of clause (A) shall be allocated to and distributed in the form of an allocated property tax revenue pass back to the participating unit of the fire protection territory for the assessment date with respect to which the allocation is made.
However, if the redevelopment commission determines that it is unable to meet its debt service obligations with regards to the allocation area without all or part of the allocated property tax revenue pass back to the participating unit of a fire protection area under this subdivision, then the allocated property tax revenue pass back under this subdivision shall be reduced by the amount necessary for the redevelopment commission to meet its debt service obligations of the allocation area. The calculation under this subdivision must be made by the redevelopment commission in collaboration with the county auditor and the applicable fire protection territory. Any calculation determined according to clause (A) must be submitted to the department of local

 2 of local government finance. The department of local government
 3 finance shall verify the accuracy of each calculation.
 4 (3) The excess of the proceeds of the property taxes imposed for
 5 the assessment date with respect to which the allocation and
 6 distribution is made that are attributable to taxes imposed after
 7 being approved by the voters in a referendum or local public
 8 question conducted after April 30, 2010, not otherwise included
 9 in subdivisions (1) and (2) shall be allocated to and, when
 10 collected, paid into the funds of the taxing unit for which the
 11 referendum or local public question was conducted.
 12 (4) Except as otherwise provided in this section, property tax
 13 proceeds in excess of those described in subdivisions (1), (2), and
 14 (3) shall be allocated to the redevelopment district and, when
 15 collected, paid into an allocation fund for that allocation area that
 16 may be used by the redevelopment district only to do one (1) or
 17 more of the following:
 18 (A) Pay the principal of and interest on any obligations
 19 payable solely from allocated tax proceeds which are incurred
 20 by the redevelopment district for the purpose of financing or
 21 refinancing the redevelopment of that allocation area.
 22 (B) Establish, augment, or restore the debt service reserve for
 23 bonds payable solely or in part from allocated tax proceeds in
 24 that allocation area.
 25 (C) Pay the principal of and interest on bonds payable from
 26 allocated tax proceeds in that allocation area and from the
 27 special tax levied under section 27 of this chapter.
 28 (D) Pay the principal of and interest on bonds issued by the
 29 unit to pay for local public improvements that are physically
 30 located in or physically connected to that allocation area.
 31 (E) Pay premiums on the redemption before maturity of bonds
 32 payable solely or in part from allocated tax proceeds in that
 33 allocation area.
 34 (F) Make payments on leases payable from allocated tax
 35 proceeds in that allocation area under section 25.2 of this
 36 chapter.
 37 (G) Reimburse the unit for expenditures made by it for local
 38 public improvements (which include buildings, parking
 39 facilities, and other items described in section 25.1(a) of this
 40 chapter) that are physically located in or physically connected
 41 to that allocation area.

parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

(N) Expend revenues that are allocated for police and fire services on both capital expenditures and operating expenses as authorized in section 12.2(a)(28) of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(5) Except as provided in subsection (g), before June 15 of each year, the commission shall do the following:

- (A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the

property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (4), plus the amount necessary for other purposes described in subdivision (4).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The county auditor, upon receiving the notice, shall forward this notice (in an electronic format) to the department of local government finance not later than June 15 of each year. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (4) or lessors under section 25.3 of this chapter. **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

- (C) If:
 - (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (4); plus
 - (ii) the amount necessary for other purposes described in subdivision (4);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(6) Notwithstanding subdivision (5), in the case of an allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, for each year the allocation provision is in effect, if the amount of excess assessed value determined by the commission under subdivision (5)(A) is expected to generate more than two hundred percent (200%) of:

- (A) the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (4) for the project; plus
- (B) the amount necessary for other purposes described in subdivision (4) for the project;

the amount of the excess assessed value that generates more than two hundred percent (200%) of the amounts described in clauses (A) and (B) shall be allocated to the respective taxing units in the manner prescribed by subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

1 (2) the base assessed value.

2 (d) Property tax proceeds allocable to the redevelopment district
3 under subsection (b)(4) may, subject to subsection (b)(5), be
4 irrevocably pledged by the redevelopment district for payment as set
5 forth in subsection (b)(4).

6 (e) Notwithstanding any other law, each assessor shall, upon
7 petition of the redevelopment commission, reassess the taxable
8 property situated upon or in, or added to, the allocation area, effective
9 on the next assessment date after the petition.

10 (f) Notwithstanding any other law, the assessed value of all taxable
11 property in the allocation area, for purposes of tax limitation, property
12 tax replacement, and formulation of the budget, tax rate, and tax levy
13 for each political subdivision in which the property is located is the
14 lesser of:

15 (1) the assessed value of the property as valued without regard to
16 this section; or

17 (2) the base assessed value.

18 (g) If any part of the allocation area is located in an enterprise zone
19 created under IC 5-28-15, the unit that designated the allocation area
20 shall create funds as specified in this subsection. A unit that has
21 obligations, bonds, or leases payable from allocated tax proceeds under
22 subsection (b)(4) shall establish an allocation fund for the purposes
23 specified in subsection (b)(4) and a special zone fund. Such a unit
24 shall, until the end of the enterprise zone phase out period, deposit each
25 year in the special zone fund any amount in the allocation fund derived
26 from property tax proceeds in excess of those described in subsection
27 (b)(1), (b)(2), and (b)(3) from property located in the enterprise zone
28 that exceeds the amount sufficient for the purposes specified in
29 subsection (b)(4) for the year. The amount sufficient for purposes
30 specified in subsection (b)(4) for the year shall be determined based on
31 the pro rata portion of such current property tax proceeds from the part
32 of the enterprise zone that is within the allocation area as compared to
33 all such current property tax proceeds derived from the allocation area.
34 A unit that has no obligations, bonds, or leases payable from allocated
35 tax proceeds under subsection (b)(4) shall establish a special zone fund
36 and deposit all the property tax proceeds in excess of those described
37 in subsection (b)(1), (b)(2), and (b)(3) in the fund derived from
38 property tax proceeds in excess of those described in subsection (b)(1),
39 (b)(2), and (b)(3) from property located in the enterprise zone. The unit
40 that creates the special zone fund shall use the fund (based on the
41 recommendations of the urban enterprise association) for programs in

6 programs shall reserve at least one-half (1/2) of their enrollment in any

20 (7) For property taxes first due and payable before January 1,
21 2009, providing each taxpayer in the allocation area a credit for
22 property tax replacement as determined under subsections (c) and
23 (d). However, the commission may provide this credit only if the
24 municipal legislative body (in the case of a redevelopment
25 commission established by a municipality) or the county
26 executive (in the case of a redevelopment commission established
27 by a county) establishes the credit by ordinance adopted in the
28 year before the year in which the credit is provided.

29 (c) The maximum credit that may be provided under subsection
30 (b)(7) to a taxpayer in a taxing district that contains all or part of an
31 allocation area established for a program adopted under section 45 of
32 this chapter shall be determined as follows:

33 STEP ONE: Determine that part of the sum of the amounts
34 described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2)
35 through IC 6-1.1-21-2(g)(5) (before their repeal) that is
36 attributable to the taxing district.

37 STEP TWO: Divide:

38 (A) that part of each county's eligible property tax replacement
39 amount (as defined in IC 6-1.1-21-2) (before its repeal) for
40 that year as determined under IC 6-1.1-21-4(a)(1) (before its
41 repeal) that is attributable to the taxing district; by

42 (B) the amount determined under STEP ONE.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) (before its repeal) levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) The commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c). Except as provided in subsection (g), one-half (1/2) of the credit shall be applied to each installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal) that under IC 6-1.1-22-9 are due and payable in a year. The commission must provide for the credit annually by a resolution and must find in the resolution the following:

- (1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.
- (2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.
- (3) If bonds of a lessor under section 25.2 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 39(b) of this chapter, the allocation fund established under section 39(b) of this chapter for the allocation area for a program adopted under section 45 of this chapter may only be used to do one (1) or more of the following:

- (1) Accomplish one (1) or more of the actions set forth in section 39(b)(4)(A) through 39(b)(4)(H) and 39(b)(4)(J) of this chapter for property that is residential in nature.
- (2) Reimburse the county or municipality for expenditures made by the county or municipality in order to accomplish the housing program in that allocation area.

The allocation fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 39(b) of this chapter, the commission shall, relative to the allocation fund established under section 39(b) of this chapter for an allocation area for a program adopted under section

 10 (B) make, when due, principal and interest payments on bonds
 11 described in section 39(b)(4) of this chapter;
 12 (C) pay the amount necessary for other purposes described in
 13 section 39(b)(4) of this chapter; and
 14 (D) reimburse the county or municipality for anticipated
 15 expenditures described in subsection (e)(2).
 16 (2) Provide a written notice to the county auditor, the fiscal body
 17 of the county or municipality that established the department of
 18 redevelopment, and the officers who are authorized to fix budgets,
 19 tax rates, and tax levies under IC 6-1.1-17-5 for each of the other
 20 taxing units that is wholly or partly located within the allocation
 21 area. The county auditor, upon receiving the notice, shall forward
 22 this notice (in an electronic format) to the department of local
 23 government finance not later than June 15 of each year. The
 24 notice must:
 25 (A) state the amount, if any, of excess property taxes that the
 26 commission has determined may be paid to the respective
 27 taxing units in the manner prescribed in section 39(b)(1) of
 28 this chapter; or
 29 (B) state that the commission has determined that there is no
 30 excess assessed value that may be allocated to the respective
 31 taxing units in the manner prescribed in subdivision (1).
 32 The county auditor shall allocate to the respective taxing units the
 33 amount, if any, of excess assessed value determined by the
 34 commission. **If a commission fails to provide the notice under
 35 this subdivision, the county auditor shall allocate five percent
 36 (5%) of the assessed value in the allocation area that is used
 37 to calculate the allocation and distribution of allocated tax
 38 proceeds under this section to the respective taxing units.

(3) If:

(A) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (1); plus

(B) the amount necessary for other purposes described in subdivision (1);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (2). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (2).

If property tax installments with respect to a homestead (as defined in IC 6-1.1-12-37) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2) (before its repeal) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal).

1 Except as provided in section 26.2 of this chapter, "property taxes"
 2 means taxes imposed under IC 6-1.1 on real property. However, upon
 3 approval by a resolution of the redevelopment commission adopted
 4 before June 1, 1987, "property taxes" also includes taxes imposed
 5 under IC 6-1.1 on depreciable personal property. If a redevelopment
 6 commission adopted before June 1, 1987, a resolution to include within
 7 the definition of property taxes, taxes imposed under IC 6-1.1 on
 8 depreciable personal property that has a useful life in excess of eight
 9 (8) years, the commission may by resolution determine the percentage
 10 of taxes imposed under IC 6-1.1 on all depreciable personal property
 11 that will be included within the definition of property taxes. However,
 12 the percentage included must not exceed twenty-five percent (25%) of
 13 the taxes imposed under IC 6-1.1 on all depreciable personal property.

14 (b) A resolution adopted under section 8 of this chapter on or before
 15 the allocation deadline determined under subsection (i) may include a
 16 provision with respect to the allocation and distribution of property
 17 taxes for the purposes and in the manner provided in this section. A
 18 resolution previously adopted may include an allocation provision by
 19 the amendment of that resolution on or before the allocation deadline
 20 determined under subsection (i) in accordance with the procedures
 21 required for its original adoption. A declaratory resolution or
 22 amendment that establishes an allocation provision must include a
 23 specific finding of fact, supported by evidence, that the adoption of the
 24 allocation provision will result in new property taxes in the area that
 25 would not have been generated but for the adoption of the allocation
 26 provision. For an allocation area established before July 1, 1995, the
 27 expiration date of any allocation provisions for the allocation area is
 28 June 30, 2025, or the last date of any obligations that are outstanding
 29 on July 1, 2015, whichever is later. However, for an allocation area
 30 identified as the Consolidated Allocation Area in the report submitted
 31 in 2013 to the fiscal body under section 36.3 of this chapter, the
 32 expiration date of any allocation provisions for the allocation area is
 33 January 1, 2051. A declaratory resolution or an amendment that
 34 establishes an allocation provision after June 30, 1995, must specify an
 35 expiration date for the allocation provision. For an allocation area
 36 established before July 1, 2008, the expiration date may not be more
 37 than thirty (30) years after the date on which the allocation provision
 38 is established. For an allocation area established after June 30, 2008,
 39 the expiration date may not be more than twenty-five (25) years after
 40 the date on which the first obligation was incurred to pay principal and
 41 interest on bonds or lease rentals on leases payable from tax increment
 42 revenues. However, with respect to bonds or other obligations that were

1 issued before July 1, 2008, if any of the bonds or other obligations that
 2 were scheduled when issued to mature before the specified expiration
 3 date and that are payable only from allocated tax proceeds with respect
 4 to the allocation area remain outstanding as of the expiration date, the
 5 allocation provision does not expire until all of the bonds or other
 6 obligations are no longer outstanding. The allocation provision may
 7 apply to all or part of the redevelopment project area. The allocation
 8 provision must require that any property taxes subsequently levied by
 9 or for the benefit of any public body entitled to a distribution of
 10 property taxes on taxable property in the allocation area be allocated
 11 and distributed as follows:

12 (1) Except as otherwise provided in this section, the proceeds of
 13 the taxes attributable to the lesser of:

14 (A) the assessed value of the property for the assessment date
 15 with respect to which the allocation and distribution is made;
 16 or

17 (B) the base assessed value;
 18 shall be allocated to and, when collected, paid into the funds of
 19 the respective taxing units.

20 (2) The excess of the proceeds of the property taxes imposed for
 21 the assessment date with respect to which the allocation and
 22 distribution is made that are attributable to taxes imposed after
 23 being approved by the voters in a referendum or local public
 24 question conducted after April 30, 2010, not otherwise included
 25 in subdivision (1) shall be allocated to and, when collected, paid
 26 into the funds of the taxing unit for which the referendum or local
 27 public question was conducted.

28 (3) Except as otherwise provided in this section, property tax
 29 proceeds in excess of those described in subdivisions (1) and (2)
 30 shall be allocated to the redevelopment district and, when
 31 collected, paid into a special fund for that allocation area that may
 32 be used by the redevelopment district only to do one (1) or more
 33 of the following:

34 (A) Pay the principal of and interest on any obligations
 35 payable solely from allocated tax proceeds that are incurred by
 36 the redevelopment district for the purpose of financing or
 37 refinancing the redevelopment of that allocation area.

38 (B) Establish, augment, or restore the debt service reserve for
 39 bonds payable solely or in part from allocated tax proceeds in
 40 that allocation area.

41 (C) Pay the principal of and interest on bonds payable from
 42 allocated tax proceeds in that allocation area and from the

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(ii) Make any reimbursements required under this subdivision.
(iii) Pay any expenses required under this subdivision.
(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so

would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

- (C) If:
 - (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
 - (ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);
 the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).
- (c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:
 - (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
 - (2) the base assessed value.
- (d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be

1 irrevocably pledged by the redevelopment district for payment as set
2 forth in subsection (b)(3).

3 (e) Notwithstanding any other law, each assessor shall, upon
4 petition of the commission, reassess the taxable property situated upon
5 or in, or added to, the allocation area, effective on the next assessment
6 date after the petition.

7 (f) Notwithstanding any other law, the assessed value of all taxable
8 property in the allocation area, for purposes of tax limitation, property
9 tax replacement, and formulation of the budget, tax rate, and tax levy
10 for each political subdivision in which the property is located is the
11 lesser of:

12 (1) the assessed value of the property as valued without regard to
13 this section; or

14 (2) the base assessed value.

15 (g) If any part of the allocation area is located in an enterprise zone
16 created under IC 5-28-15, the unit that designated the allocation area
17 shall create funds as specified in this subsection. A unit that has
18 obligations, bonds, or leases payable from allocated tax proceeds under
19 subsection (b)(3) shall establish an allocation fund for the purposes
20 specified in subsection (b)(3) and a special zone fund. Such a unit
21 shall, until the end of the enterprise zone phase out period, deposit each
22 year in the special zone fund the amount in the allocation fund derived
23 from property tax proceeds in excess of those described in subsection
24 (b)(1) and (b)(2) from property located in the enterprise zone that
25 exceeds the amount sufficient for the purposes specified in subsection
26 (b)(3) for the year. A unit that has no obligations, bonds, or leases
27 payable from allocated tax proceeds under subsection (b)(3) shall
28 establish a special zone fund and deposit all the property tax proceeds
29 in excess of those described in subsection (b)(1) and (b)(2) in the fund
30 derived from property tax proceeds in excess of those described in
31 subsection (b)(1) and (b)(2) from property located in the enterprise
32 zone. The unit that creates the special zone fund shall use the fund,
33 based on the recommendations of the urban enterprise association, for
34 one (1) or more of the following purposes:

35 (1) To pay for programs in job training, job enrichment, and basic
36 skill development designed to benefit residents and employers in
37 the enterprise zone. The programs must reserve at least one-half
38 (1/2) of the enrollment in any session for residents of the
39 enterprise zone.

40 (2) To make loans and grants for the purpose of stimulating
41 business activity in the enterprise zone or providing employment

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the ~~department of local government finance county auditor~~ shall, **on forms prescribed by the department of local government finance**, adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the ~~department of local government finance county auditor~~ shall, **on forms prescribed by the department of local government finance**, adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or annual adjustment had not occurred. ~~<~~

The county auditor shall, in the manner prescribed by the department of local government finance, submit the forms required by this subsection to the department of local government finance no later than July 15 of each year.**

- (i) The allocation deadline referred to in subsection (b) is determined in the following manner:
 - (1) The initial allocation deadline is December 31, 2011.
 - (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines

1 subsequent to the initial allocation deadline fall on December 31,
 2 2016, and December 31 of each fifth year thereafter.
 3 (3) At least one (1) year before the date of an allocation deadline
 4 determined under subdivision (2), the general assembly may enact
 5 a law that:
 6 (A) terminates the automatic extension of allocation deadlines
 7 under subdivision (2); and
 8 (B) specifically designates a particular date as the final
 9 allocation deadline.
 10 (j) If the commission adopts a declaratory resolution or an
 11 amendment to a declaratory resolution that contains an allocation
 12 provision and the commission makes either of the filings required
 13 under section 10(e) of this chapter after the first anniversary of the
 14 effective date of the allocation provision, the auditor of the county in
 15 which the unit is located shall compute the base assessed value for the
 16 allocation area using the assessment date immediately preceding the
 17 later of:
 18 (1) the date on which the documents are filed with the county
 19 auditor; or
 20 (2) the date on which the documents are filed with the department
 21 of local government finance.
 22 (k) For an allocation area established after June 30, 2024,
 23 "residential property" refers to the assessed value of property that is
 24 allocated to the one percent (1%) homestead land and improvement
 25 categories in the county tax and billing software system, along with the
 26 residential assessed value as defined for purposes of calculating the
 27 rate for the local income tax property tax relief credit designated for
 28 residential property under IC 6-3.6-5-6(d)(3).
 29 SECTION 153. IC 36-7-15.1-26, AS AMENDED BY P.L.68-2025,
 30 SECTION 235, IS AMENDED TO READ AS FOLLOWS
 31 [EFFECTIVE JULY 1, 2028]: Sec. 26. (a) As used in this section:
 32 "Allocation area" means that part of a redevelopment project area
 33 to which an allocation provision of a resolution adopted under section
 34 8 of this chapter refers for purposes of distribution and allocation of
 35 property taxes.
 36 "Base assessed value" means, subject to subsection (j), the
 37 following:
 38 (1) If an allocation provision is adopted after June 30, 1995, in a
 39 declaratory resolution or an amendment to a declaratory
 40 resolution establishing an economic development area:

effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the

1 area added after June 30, 1997.
 2 Except as provided in section 26.2 of this chapter, "property taxes"
 3 means taxes imposed under IC 6-1.1 on real property. However, upon
 4 approval by a resolution of the redevelopment commission adopted
 5 before June 1, 1987, "property taxes" also includes taxes imposed
 6 under IC 6-1.1 on depreciable personal property. If a redevelopment
 7 commission adopted before June 1, 1987, a resolution to include within
 8 the definition of property taxes, taxes imposed under IC 6-1.1 on
 9 depreciable personal property that has a useful life in excess of eight
 10 (8) years, the commission may by resolution determine the percentage
 11 of taxes imposed under IC 6-1.1 on all depreciable personal property
 12 that will be included within the definition of property taxes. However,
 13 the percentage included must not exceed twenty-five percent (25%) of
 14 the taxes imposed under IC 6-1.1 on all depreciable personal property.

15 (b) A resolution adopted under section 8 of this chapter on or before
 16 the allocation deadline determined under subsection (i) may include a
 17 provision with respect to the allocation and distribution of property
 18 taxes for the purposes and in the manner provided in this section. A
 19 resolution previously adopted may include an allocation provision by
 20 the amendment of that resolution on or before the allocation deadline
 21 determined under subsection (i) in accordance with the procedures
 22 required for its original adoption. A declaratory resolution or
 23 amendment that establishes an allocation provision must include a
 24 specific finding of fact, supported by evidence, that the adoption of the
 25 allocation provision will result in new property taxes in the area that
 26 would not have been generated but for the adoption of the allocation
 27 provision. For an allocation area established before July 1, 1995, the
 28 expiration date of any allocation provisions for the allocation area is
 29 June 30, 2025, or the last date of any obligations that are outstanding
 30 on July 1, 2015, whichever is later. However, for an allocation area
 31 identified as the Consolidated Allocation Area in the report submitted
 32 in 2013 to the fiscal body under section 36.3 of this chapter, the
 33 expiration date of any allocation provisions for the allocation area is
 34 January 1, 2051. A declaratory resolution or an amendment that
 35 establishes an allocation provision after June 30, 1995, must specify an
 36 expiration date for the allocation provision. For an allocation area
 37 established before July 1, 2008, the expiration date may not be more
 38 than thirty (30) years after the date on which the allocation provision
 39 is established. For an allocation area established after June 30, 2008,
 40 the expiration date may not be more than twenty-five (25) years after
 41 the date on which the first obligation was incurred to pay principal and
 42 interest on bonds or lease rentals on leases payable from tax increment

1 revenues. However, with respect to bonds or other obligations that were
2 issued before July 1, 2008, if any of the bonds or other obligations that
3 were scheduled when issued to mature before the specified expiration
4 date and that are payable only from allocated tax proceeds with respect
5 to the allocation area remain outstanding as of the expiration date, the
6 allocation provision does not expire until all of the bonds or other
7 obligations are no longer outstanding. The allocation provision may
8 apply to all or part of the redevelopment project area. The allocation
9 provision must require that any property taxes subsequently levied by
10 or for the benefit of any public body entitled to a distribution of
11 property taxes on taxable property in the allocation area be allocated
12 and distributed as follows:

13 (1) Except as otherwise provided in this section, the proceeds of
14 the taxes attributable to the lesser of:

15 (A) the assessed value of the property for the assessment date
16 with respect to which the allocation and distribution is made;

17 or

18 (B) the base assessed value;

19 shall be allocated to and, when collected, paid into the funds of
20 the respective taxing units.

21 (2) The excess of the proceeds of the property taxes imposed for
22 the assessment date with respect to which the allocation and
23 distribution is made that are attributable to taxes imposed after
24 being approved by the voters in a referendum or local public
25 question conducted after April 30, 2010, not otherwise included
26 in subdivision (1) shall be allocated to and, when collected, paid
27 into the funds of the taxing unit for which the referendum or local
28 public question was conducted.

29 (3) Except as otherwise provided in this section, property tax
30 proceeds in excess of those described in subdivisions (1) and (2)
31 shall be allocated to the redevelopment district and, when
32 collected, paid into a special fund for that allocation area that may
33 be used by the redevelopment district only to do one (1) or more
34 of the following:

35 (A) Pay the principal of and interest on any obligations
36 payable solely from allocated tax proceeds that are incurred by
37 the redevelopment district for the purpose of financing or
38 refinancing the redevelopment of that allocation area.

39 (B) Establish, augment, or restore the debt service reserve for
40 bonds payable solely or in part from allocated tax proceeds in
41 that allocation area.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. (iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

 the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).
- (c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

1 under subsection (b)(3) may, subject to subsection (b)(4), be
 2 irrevocably pledged by the redevelopment district for payment as set
 3 forth in subsection (b)(3).

4 (e) Notwithstanding any other law, each assessor shall, upon
 5 petition of the commission, reassess the taxable property situated upon
 6 or in, or added to, the allocation area, effective on the next assessment
 7 date after the petition.

8 (f) Notwithstanding any other law, the assessed value of all taxable
 9 property in the allocation area, for purposes of tax limitation, property
 10 tax replacement, and formulation of the budget, tax rate, and tax levy
 11 for each political subdivision in which the property is located is the
 12 lesser of:

13 (1) the assessed value of the property as valued without regard to
 14 this section; or

15 (2) the base assessed value.

16 (g) If any part of the allocation area is located in an enterprise zone
 17 created under IC 5-28-15, the unit that designated the allocation area
 18 shall create funds as specified in this subsection. A unit that has
 19 obligations, bonds, or leases payable from allocated tax proceeds under
 20 subsection (b)(3) shall establish an allocation fund for the purposes
 21 specified in subsection (b)(3) and a special zone fund. Such a unit
 22 shall, until the end of the enterprise zone phase out period, deposit each
 23 year in the special zone fund the amount in the allocation fund derived
 24 from property tax proceeds in excess of those described in subsection
 25 (b)(1) and (b)(2) from property located in the enterprise zone that
 26 exceeds the amount sufficient for the purposes specified in subsection
 27 (b)(3) for the year. A unit that has no obligations, bonds, or leases
 28 payable from allocated tax proceeds under subsection (b)(3) shall
 29 establish a special zone fund and deposit all the property tax proceeds
 30 in excess of those described in subsection (b)(1) and (b)(2) in the fund
 31 derived from property tax proceeds in excess of those described in
 32 subsection (b)(1) and (b)(2) from property located in the enterprise
 33 zone. The unit that creates the special zone fund shall use the fund,
 34 based on the recommendations of the urban enterprise association, for
 35 one (1) or more of the following purposes:

36 (1) To pay for programs in job training, job enrichment, and basic
 37 skill development designed to benefit residents and employers in
 38 the enterprise zone. The programs must reserve at least one-half
 39 (1/2) of the enrollment in any session for residents of the
 40 enterprise zone.

41 (2) To make loans and grants for the purpose of stimulating

 6 (3) To provide funds to carry out other purposes specified in

 8 subsection (b)(3) to the allocation area, the reference refers for

 10 of the allocation area that is also located in the enterprise zone.
 11 (h) The state board of accounts and department of local government

 3 2016, and December 31 of each fifth year thereafter.
 4 (3) At least one (1) year before the date of an allocation deadline
 5 determined under subdivision (2), the general assembly may enact
 6 a law that:
 7 (A) terminates the automatic extension of allocation deadlines
 8 under subdivision (2); and
 9 (B) specifically designates a particular date as the final

 11 (j) If the commission adopts a declaratory resolution or an
 12 amendment to a declaratory resolution that contains an allocation
 13 provision and the commission makes either of the filings required
 14 under section 10(e) of this chapter after the first anniversary of the
 15 effective date of the allocation provision, the auditor of the county in

 21 (2) the date on which the documents are filed with the department

- 19 (7) For property taxes first due and payable before 2009, to

3 for the credit.

4 (d) Except as provided in subsection (g), the commission may
5 determine to grant to taxpayers in an allocation area from its allocation
6 fund a credit under this section, as calculated under subsection (c), by
7 applying one-half (1/2) of the credit to each installment of taxes (as
8 defined in IC 6-1.1-21-2 (before its repeal)) that under IC 6-1.1-22-9

10 one-half (1/2) of the credit shall be applied to each installment of taxes
11 (as defined in IC 6-1.1-21-2 (before its repeal)). The commission must
12 provide for the credit annually by a resolution and must find in the
13 resolution the following:

14 (1) That the money to be collected and deposited in the allocation
15 fund, based upon historical collection rates, after granting the
16 credit will equal the amounts payable for contractual obligations
17 from the fund, plus ten percent (10%) of those amounts.

18 (2) If bonds payable from the fund are outstanding, that there is
19 a debt service reserve for the bonds that at least equals the amount

21 (3) If bonds of a lessor under section 17.1 of this chapter or under
22 IC 36-1-10 are outstanding and if lease rentals are payable from
23 the fund, that there is a debt service reserve for those bonds that
24 at least equals the amount of the credit to be granted.

25 If the tax increment is insufficient to grant the credit in full, the
26 commission may grant the credit in part, prorated among all taxpayers.

27 (e) Notwithstanding section 26(b) of this chapter, the special fund
28 established under section 26(b) of this chapter for the allocation area
29 for a program adopted under section 32 of this chapter may only be
30 used to do one (1) or more of the following:

31 (1) Accomplish one (1) or more of the actions set forth in section

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-20.9-1 (before its repeal)) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2 (before its repeal)) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2 (before its repeal)).

SECTION 155. IC 36-7-15.1-53, AS AMENDED BY P.L.174-2022, SECTION 73, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j):

- (1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
- (2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision.

1 For an allocation area established before July 1, 2008, the expiration
 2 date may not be more than thirty (30) years after the date on which the
 3 allocation provision is established. For an allocation area established
 4 after June 30, 2008, the expiration date may not be more than
 5 twenty-five (25) years after the date on which the first obligation was
 6 incurred to pay principal and interest on bonds or lease rentals on
 7 leases payable from tax increment revenues. However, with respect to
 8 bonds or other obligations that were issued before July 1, 2008, if any
 9 of the bonds or other obligations that were scheduled when issued to
 10 mature before the specified expiration date and that are payable only
 11 from allocated tax proceeds with respect to the allocation area remain
 12 outstanding as of the expiration date, the allocation provision does not
 13 expire until all of the bonds or other obligations are no longer
 14 outstanding. The allocation provision may apply to all or part of the
 15 redevelopment project area. The allocation provision must require that
 16 any property taxes subsequently levied by or for the benefit of any
 17 public body entitled to a distribution of property taxes on taxable
 18 property in the allocation area be allocated and distributed as follows:

19 (1) Except as otherwise provided in this section, the proceeds of
 20 the taxes attributable to the lesser of:

21 (A) the assessed value of the property for the assessment date
 22 with respect to which the allocation and distribution is made;
 23 or

24 (B) the base assessed value;
 25 shall be allocated to and, when collected, paid into the funds of
 26 the respective taxing units.

27 (2) The excess of the proceeds of the property taxes imposed for
 28 the assessment date with respect to which the allocation and
 29 distribution is made that are attributable to taxes imposed after
 30 being approved by the voters in a referendum or local public
 31 question conducted after April 30, 2010, not otherwise included
 32 in subdivision (1) shall be allocated to and, when collected, paid
 33 into the funds of the taxing unit for which the referendum or local
 34 public question was conducted.

35 (3) Except as otherwise provided in this section, property tax
 36 proceeds in excess of those described in subdivisions (1) and (2)
 37 shall be allocated to the redevelopment district and, when
 38 collected, paid into a special fund for that allocation area that may

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.
(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.
(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.
(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.
(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.
(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

 (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.
However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund

1 derived from property tax proceeds in excess of those described in
2 subsection (b)(1) and (b)(2) from property located in the enterprise
3 zone. The unit that creates the special zone fund shall use the fund,
4 based on the recommendations of the urban enterprise association, for
5 one (1) or more of the following purposes:

6 (1) To pay for programs in job training, job enrichment, and basic
7 skill development designed to benefit residents and employers in
8 the enterprise zone. The programs must reserve at least one-half
9 (1/2) of the enrollment in any session for residents of the
10 enterprise zone.

11 (2) To make loans and grants for the purpose of stimulating
12 business activity in the enterprise zone or providing employment
13 for enterprise zone residents in an enterprise zone. These loans
14 and grants may be made to the following:

15 (A) Businesses operating in the enterprise zone.

16 (B) Businesses that will move their operations to the enterprise
17 zone if such a loan or grant is made.

18 (3) To provide funds to carry out other purposes specified in
19 subsection (b)(3). However, where reference is made in
20 subsection (b)(3) to the allocation area, the reference refers, for
21 purposes of payments from the special zone fund, only to that part
22 of the allocation area that is also located in the enterprise zone.

23 (h) The state board of accounts and department of local government
24 finance shall make the rules and prescribe the forms and procedures
25 that they consider expedient for the implementation of this chapter.
26 After each reassessment of real property in an area under a county's
27 reassessment plan prepared under IC 6-1.1-4-4.2, the ~~department of~~

38 However, the adjustments under this subsection may not include the
39 effect of property tax abatements under IC 6-1.1-12.1, and these
40 adjustments may not produce less property tax proceeds allocable to
41 the redevelopment district under subsection (b)(3) than would
42 otherwise have been received if the reassessment under the county's

3 county and township officials to follow to assist the department in
4 making the adjustments. **The county auditor shall, in the manner
5 prescribed by the department of local government finance, submit
6 the forms required by this subsection to the department of local
7 government finance no later than July 15 of each year.**

8 (i) The allocation deadline referred to in subsection (b) is
9 determined in the following manner:

10 (1) The initial allocation deadline is December 31, 2011.

11 (2) Subject to subdivision (3), the initial allocation deadline and
12 subsequent allocation deadlines are automatically extended in
13 increments of five (5) years, so that allocation deadlines
14 subsequent to the initial allocation deadline fall on December 31,
15 2016, and December 31 of each fifth year thereafter.

16 (3) At least one (1) year before the date of an allocation deadline
17 determined under subdivision (2), the general assembly may enact
18 a law that:

19 (A) terminates the automatic extension of allocation deadlines
20 under subdivision (2); and

21 (B) specifically designates a particular date as the final
22 allocation deadline.

23 (j) If the commission adopts a declaratory resolution or an
24 amendment to a declaratory resolution that contains an allocation
25 provision and the commission makes either of the filings required
26 under section 10(e) of this chapter after the first anniversary of the
27 effective date of the allocation provision, the auditor of the county in
28 which the unit is located shall compute the base assessed value for the
29 allocation area using the assessment date immediately preceding the
30 later of:

31 (1) the date on which the documents are filed with the county
32 auditor; or

33 (2) the date on which the documents are filed with the department
34 of local government finance.

35 (k) For an allocation area established after June 30, 2024,
36 "residential property" refers to the assessed value of property that is
37 allocated to the one percent (1%) homestead land and improvement
38 categories in the county tax and billing software system, along with the
39 residential assessed value as defined for purposes of calculating the
40 rate for the local income tax property tax relief credit designated for
41 residential property under IC 6-3.6-5-6(d)(3).

1 SECTION 236, IS AMENDED TO READ AS FOLLOWS
2 [EFFECTIVE JULY 1, 2028]: Sec. 53. (a) As used in this section:

3 "Allocation area" means that part of a redevelopment project area
4 to which an allocation provision of a resolution adopted under section
5 40 of this chapter refers for purposes of distribution and allocation of
6 property taxes.

7 "Base assessed value" means, subject to subsection (j):
8 (1) the net assessed value of all the property as finally determined
9 for the assessment date immediately preceding the effective date
10 of the allocation provision of the declaratory resolution, as
11 adjusted under subsection (h); plus

12 (2) to the extent that it is not included in subdivision (1), the net
13 assessed value of property that is assessed as residential property
14 under the rules of the department of local government finance, as
15 finally determined for the current assessment date.

16 Except as provided in section 55 of this chapter, "property taxes"
17 means taxes imposed under IC 6-1.1 on real property.

18 (b) A resolution adopted under section 40 of this chapter on or
19 before the allocation deadline determined under subsection (i) may
20 include a provision with respect to the allocation and distribution of
21 property taxes for the purposes and in the manner provided in this
22 section. A resolution previously adopted may include an allocation
23 provision by the amendment of that resolution on or before the
24 allocation deadline determined under subsection (i) in accordance with
25 the procedures required for its original adoption. A declaratory
26 resolution or an amendment that establishes an allocation provision
27 must be approved by resolution of the legislative body of the excluded
28 city and must specify an expiration date for the allocation provision.
29 For an allocation area established before July 1, 2008, the expiration
30 date may not be more than thirty (30) years after the date on which the
31 allocation provision is established. For an allocation area established
32 after June 30, 2008, the expiration date may not be more than
33 twenty-five (25) years after the date on which the first obligation was
34 incurred to pay principal and interest on bonds or lease rentals on
35 leases payable from tax increment revenues. However, with respect to
36 bonds or other obligations that were issued before July 1, 2008, if any
37 of the bonds or other obligations that were scheduled when issued to
38 mature before the specified expiration date and that are payable only
39 from allocated tax proceeds with respect to the allocation area remain
40 outstanding as of the expiration date, the allocation provision does not
41 expire until all of the bonds or other obligations are no longer
42 outstanding. The allocation provision may apply to all or part of the

1 redevelopment project area. The allocation provision must require that
 2 any property taxes subsequently levied by or for the benefit of any
 3 public body entitled to a distribution of property taxes on taxable
 4 property in the allocation area be allocated and distributed as follows:
 5 (1) Except as otherwise provided in this section, the proceeds of
 6 the taxes attributable to the lesser of:
 7 (A) the assessed value of the property for the assessment date
 8 with respect to which the allocation and distribution is made;
 9 or
 10 (B) the base assessed value;
 11 shall be allocated to and, when collected, paid into the funds of
 12 the respective taxing units.
 13 (2) The excess of the proceeds of the property taxes imposed for
 14 the assessment date with respect to which the allocation and
 15 distribution is made that are attributable to taxes imposed after
 16 being approved by the voters in a referendum or local public
 17 question conducted after April 30, 2010, not otherwise included
 18 in subdivision (1) shall be allocated to and, when collected, paid
 19 into the funds of the taxing unit for which the referendum or local
 20 public question was conducted.
 21 (3) Except as otherwise provided in this section, property tax
 22 proceeds in excess of those described in subdivisions (1) and (2)
 23 shall be allocated to the redevelopment district and, when
 24 collected, paid into a special fund for that allocation area that may
 25 be used by the redevelopment district only to do one (1) or more
 26 of the following:
 27 (A) Pay the principal of and interest on any obligations
 28 payable solely from allocated tax proceeds that are incurred by
 29 the redevelopment district for the purpose of financing or
 30 refinancing the redevelopment of that allocation area.
 31 (B) Establish, augment, or restore the debt service reserve for
 32 bonds payable solely or in part from allocated tax proceeds in
 33 that allocation area.
 34 (C) Pay the principal of and interest on bonds payable from
 35 allocated tax proceeds in that allocation area and from the
 36 special tax levied under section 50 of this chapter.
 37 (D) Pay the principal of and interest on bonds issued by the
 38 excluded city to pay for local public improvements that are
 39 physically located in or physically connected to that allocation
 40 area.
 41 (E) Pay premiums on the redemption before maturity of bonds
 42 payable solely or in part from allocated tax proceeds in that

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.
(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.
(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.
(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:
 (i) in the allocation area; and
 (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.
However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.
The special fund may not be used for operating expenses of the commission.
(4) Before June 15 of each year, the commission shall do the following:
 (A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).
 (B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized

to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.
- (2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

- 4 (3) To provide funds to carry out other purposes specified in

- 9 (h) The state board of accounts and department of local government

 3 amount of assessed value needed to produce the property taxes
 4 necessary to:

5 (A) make the distribution required under section 26(b)(2) of
 6 this chapter;

7 (B) make, when due, principal and interest payments on bonds
 8 described in section 26(b)(3) of this chapter;

9 (C) pay the amount necessary for other purposes described in
 10 section 26(b)(3) of this chapter; and

11 (D) reimburse the county or municipality for anticipated
 12 expenditures described in subsection (b)(2).

13 (2) Provide a written notice to the county auditor, the fiscal body
 14 of the county or municipality that established the department of
 15 redevelopment, the officers who are authorized to fix budgets, tax
 16 rates, and tax levies under IC 6-1.1-17-5 for each of the other
 17 taxing units that is wholly or partly located within the allocation
 18 area, and (in an electronic format) the department of local
 19 government finance. The notice must:

20 (A) state the amount, if any, of excess property taxes that the
 21 commission has determined may be paid to the respective
 22 taxing units in the manner prescribed in section 26(b)(1) of
 23 this chapter; or

24 (B) state that the commission has determined that there is no
 25 excess assessed value that may be allocated to the respective
 26 taxing units in the manner prescribed in subdivision (1).

27 The county auditor shall allocate to the respective taxing units the
 28 amount, if any, of excess assessed value determined by the
 29 commission. **If a commission fails to provide the notice under
 30 subdivision (2), the county auditor shall allocate five percent (5%)
 31 of the assessed value in the allocation area that is used to calculate
 32 the allocation and distribution of allocated tax proceeds under this
 33 section to the respective taxing units. However, if the commission
 34 notifies the county auditor and the department of local government
 35 finance, no later than July 1, that it is unable to meet its debt
 36 service obligations with regard to the allocation area without all or
 37 part of the allocated tax proceeds attributed to the assessed value
 38 that has been allocated to the respective taxing units, then the
 39 county auditor may not allocate five percent (5%) of the assessed
 40 value in the allocation area that is used to calculate the allocation
 41 and distribution of allocated tax proceeds under this section to the
 42 respective taxing units.**

1 SECTION 158. IC 36-7-30-25, AS AMENDED BY P.L.174-2022,
2 SECTION 74, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

7 adopted under section 10 of this chapter refers for purposes of
8 distribution and allocation of property taxes.

9 (2) "Base assessed value" means, subject to subsection (i):

10 (A) the net assessed value of all the property as finally
11 determined for the assessment date immediately preceding the
12 adoption date of the allocation provision of the declaratory
13 resolution, as adjusted under subsection (h); plus

14 (B) to the extent that it is not included in clause (A) or (C), the
15 net assessed value of any and all parcels or classes of parcels
16 identified as part of the base assessed value in the declaratory
17 resolution or an amendment thereto, as finally determined for
18 any subsequent assessment date; plus

19 (C) to the extent that it is not included in clause (A) or (B), the
20 net assessed value of property that is assessed as residential
21 property under the rules of the department of local government
22 finance, within the allocation area, as finally determined for
23 the current assessment date.

24 Clause (C) applies only to allocation areas established in a
25 military reuse area after June 30, 1997, and to the part of an
26 allocation area that was established before June 30, 1997, and that
27 is added to an existing allocation area after June 30, 1997.

28 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
29 property.

30 (b) A declaratory resolution adopted under section 10 of this chapter

(F) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

Except as provided in clause (E), the allocation fund may not be used for operating expenses of the reuse authority.

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the unit that established the reuse authority, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or

1 The county auditor shall allocate to the respective taxing units
2 the amount, if any, of excess property tax proceeds determined
3 by the reuse authority. The reuse authority may not authorize
4 a payment to the respective taxing units under this subdivision
5 if to do so would endanger the interest of the holders of bonds
6 described in subdivision (3) or lessors under section 19 of this
7 chapter.

8 (c) For the purpose of allocating taxes levied by or for any taxing
9 unit or units, the assessed value of taxable property in a territory in the
10 allocation area that is annexed by a taxing unit after the effective date
11 of the allocation provision of the declaratory resolution is the lesser of:

- 12 (1) the assessed value of the property for the assessment date with
13 respect to which the allocation and distribution is made; or
- 14 (2) the base assessed value.

15 (d) Property tax proceeds allocable to the military base reuse district
16 under subsection (b)(3) may, subject to subsection (b)(4), be
17 irrevocably pledged by the military base reuse district for payment as
18 set forth in subsection (b)(3).

19 (e) Notwithstanding any other law, each assessor shall, upon
20 petition of the reuse authority, reassess the taxable property situated
21 upon or in or added to the allocation area, effective on the next
22 assessment date after the petition.

23 (f) Notwithstanding any other law, the assessed value of all taxable
24 property in the allocation area, for purposes of tax limitation, property
25 tax replacement, and the making of the budget, tax rate, and tax levy
26 for each political subdivision in which the property is located is the
27 lesser of:

- 28 (1) the assessed value of the property as valued without regard to
29 this section; or
- 30 (2) the base assessed value.

31 (g) If any part of the allocation area is located in an enterprise zone
32 created under IC 5-28-15, the unit that designated the allocation area
33 shall create funds as specified in this subsection. A unit that has
34 obligations, bonds, or leases payable from allocated tax proceeds under
35 subsection (b)(3) shall establish an allocation fund for the purposes
36 specified in subsection (b)(3) and a special zone fund. Such a unit
37 shall, until the end of the enterprise zone phase out period, deposit each
38 year in the special zone fund any amount in the allocation fund derived
39 from property tax proceeds in excess of those described in subsection
40 (b)(1) and (b)(2) from property located in the enterprise zone that

 5 unit that does not have obligations, bonds, or leases payable from
 6 allocated tax proceeds under subsection (b)(3) shall establish a special
 7 zone fund and deposit all the property tax proceeds in excess of those
 8 described in subsection (b)(1) and (b)(2) that are derived from property
 9 in the enterprise zone in the fund. The unit that creates the special zone
 10 fund shall use the fund (based on the recommendations of the urban
 11 enterprise association) for programs in job training, job enrichment,
 12 and basic skill development that are designed to benefit residents and
 13 employers in the enterprise zone or other purposes specified in
 14 subsection (b)(3), except that where reference is made in subsection
 15 (b)(3) to allocation area it shall refer for purposes of payments from the

 27 zone fund and deposit all the property tax proceeds in excess of those
 28 described in subsection (b)(1) and (b)(2) that are derived from property
 29 in the enterprise zone in the fund. The unit that creates the special zone
 30 fund shall use the fund (based on the recommendations of the urban
 31 enterprise association) for programs in job training, job enrichment,
 32 and basic skill development that are designed to benefit residents and
 33 employers in the enterprise zone or other purposes specified in
 34 subsection (b)(3), except that where reference is made in subsection
 35 (b)(3) to allocation area it shall refer for purposes of payments from the
 36 special zone fund only to that part of the allocation area that is also
 37 located in the enterprise zone. The programs shall reserve at least
 38 one-half (1/2) of their enrollment in any session for residents of the

1 UPON PASSAGE]: Sec. 30. (a) The following definitions apply
2 throughout this section:

3 (1) "Allocation area" means that part of a military base
4 development area to which an allocation provision of a
5 declaratory resolution adopted under section 16 of this chapter
6 refers for purposes of distribution and allocation of property taxes.

7 (2) "Base assessed value" means, subject to subsection (i):
8 (A) the net assessed value of all the property as finally
9 determined for the assessment date immediately preceding the
10 adoption date of the allocation provision of the declaratory
11 resolution, as adjusted under subsection (h); plus

12 (B) to the extent that it is not included in clause (A) or (C), the
13 net assessed value of any and all parcels or classes of parcels
14 identified as part of the base assessed value in the declaratory
15 resolution or an amendment to the declaratory resolution, as
16 finally determined for any subsequent assessment date; plus

17 (C) to the extent that it is not included in clause (A) or (B), the
18 net assessed value of property that is assessed as residential
19 property under the rules of the department of local government
20 finance, within the allocation area, as finally determined for
21 the current assessment date.

22 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
23 property.

24 (b) A declaratory resolution adopted under section 16 of this chapter
25 before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
26 resolutions adopted under IC 36-7-14-15 may include a provision with
27 respect to the allocation and distribution of property taxes for the
28 purposes and in the manner provided in this section. A declaratory
29 resolution previously adopted may include an allocation provision by
30 the amendment of that declaratory resolution in accordance with the
31 procedures set forth in section 18 of this chapter. The allocation
32 provision may apply to all or part of the military base development
33 area. The allocation provision must require that any property taxes
34 subsequently levied by or for the benefit of any public body entitled to
35 a distribution of property taxes on taxable property in the allocation
36 area be allocated and distributed as follows:

37 (1) Except as otherwise provided in this section, the proceeds of
38 the taxes attributable to the lesser of:

39 (A) the assessed value of the property for the assessment date
40 with respect to which the allocation and distribution is made;
41 or

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:
(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
(ii) the STEP ONE sum.

STEP THREE: Multiply:
(i) the STEP TWO quotient; by
(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property

1 situated upon or in or added to the allocation area, effective on the next
 2 assessment date after the petition.

3 (f) Notwithstanding any other law, the assessed value of all taxable
 4 property in the allocation area, for purposes of tax limitation, property
 5 tax replacement, and the making of the budget, tax rate, and tax levy
 6 for each political subdivision in which the property is located is the
 7 lesser of:

8 (1) the assessed value of the property as valued without regard to
 9 this section; or

10 (2) the base assessed value.

11 (g) If any part of the allocation area is located in an enterprise zone
 12 created under IC 5-28-15, the development authority shall create funds
 13 as specified in this subsection. A development authority that has
 14 obligations, bonds, or leases payable from allocated tax proceeds under
 15 subsection (b)(3) shall establish an allocation fund for the purposes
 16 specified in subsection (b)(3) and a special zone fund. The
 17 development authority shall, until the end of the enterprise zone phase
 18 out period, deposit each year in the special zone fund any amount in the
 19 allocation fund derived from property tax proceeds in excess of those
 20 described in subsection (b)(1) and (b)(2) from property located in the
 21 enterprise zone that exceeds the amount sufficient for the purposes
 22 specified in subsection (b)(3) for the year. The amount sufficient for
 23 purposes specified in subsection (b)(3) for the year shall be determined
 24 based on the pro rata part of such current property tax proceeds from
 25 the part of the enterprise zone that is within the allocation area as
 26 compared to all such current property tax proceeds derived from the
 27 allocation area. A development authority that does not have
 28 obligations, bonds, or leases payable from allocated tax proceeds under
 29 subsection (b)(3) shall establish a special zone fund and deposit all the
 30 property tax proceeds in excess of those described in subsection (b)(1)
 31 and (b)(2) that are derived from property in the enterprise zone in the
 32 fund. The development authority that creates the special zone fund
 33 shall use the fund (based on the recommendations of the urban
 34 enterprise association) for programs in job training, job enrichment,
 35 and basic skill development that are designed to benefit residents and
 36 employers in the enterprise zone or for other purposes specified in
 37 subsection (b)(3), except that where reference is made in subsection
 38 (b)(3) to an allocation area it shall refer for purposes of payments from
 39 the special zone fund only to that part of the allocation area that is also
 40 located in the enterprise zone. The programs shall reserve at least
 41 one-half (1/2) of their enrollment in any session for residents of the

2 SECTION 161. IC 36-7-30.5-30, AS AMENDED BY P.L.68-2025,
3 SECTION 238, IS AMENDED TO READ AS FOLLOWS
4 [EFFECTIVE UPON PASSAGE]: Sec. 30. (a) The following
5 definitions apply throughout this section:

6 (1) "Allocation area" means that part of a military base
7 development area to which an allocation provision of a
8 declaratory resolution adopted under section 16 of this chapter
9 refers for purposes of distribution and allocation of property taxes.

10 (2) "Base assessed value" means, subject to subsection (i):

11 (A) the net assessed value of all the property as finally
12 determined for the assessment date immediately preceding the
13 adoption date of the allocation provision of the declaratory
14 resolution, as adjusted under subsection (h); plus

15 (B) to the extent that it is not included in clause (A) or (C), the
16 net assessed value of any and all parcels or classes of parcels
17 identified as part of the base assessed value in the declaratory
18 resolution or an amendment to the declaratory resolution, as

19 finally determined for any subsequent assessment date; plus
20 (C) to the extent that it is not included in clause (A) or (B), the
21 net assessed value of property that is assessed as residential
22 property under the rules of the department of local government
23 finance, within the allocation area, as finally determined for
24 the current assessment date.

25 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
26 property.

27 (b) A declaratory resolution adopted under section 16 of this chapter
28 before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
29 resolutions adopted under IC 36-7-14-15 may include a provision with
30 respect to the allocation and distribution of property taxes for the
31 purposes and in the manner provided in this section. A declaratory
32 resolution previously adopted may include an allocation provision by
33 the amendment of that declaratory resolution in accordance with the
34 procedures set forth in section 18 of this chapter. The allocation
35 provision may apply to all or part of the military base development
36 area. The allocation provision must require that any property taxes
37 subsequently levied by or for the benefit of any public body entitled to
38 a distribution of property taxes on taxable property in the allocation
39 area be allocated and distributed as follows:

40 (1) Except as otherwise provided in this section, the proceeds of
41 the taxes attributable to the lesser of:

1 with respect to which the allocation and distribution is made;
 2 or
 3 (B) the base assessed value;
 4 shall be allocated to and, when collected, paid into the funds of
 5 the respective taxing units.
 6 (2) The excess of the proceeds of the property taxes imposed for
 7 the assessment date with respect to which the allocation and
 8 distribution is made that are attributable to taxes imposed after
 9 being approved by the voters in a referendum or local public
 10 question conducted after April 30, 2010, not otherwise included
 11 in subdivision (1) shall be allocated to and, when collected, paid

 13 public question was conducted.
 14 (3) Except as otherwise provided in this section, property tax
 15 proceeds in excess of those described in subdivisions (1) and (2)
 16 shall be allocated to the development authority and, when

 18 may be used by the development authority and only to do one (1)
 19 or more of the following:
 20 (A) Pay the principal of and interest and redemption premium
 21 on any obligations incurred by the development authority or
 22 any other entity for the purpose of financing or refinancing
 23 military base development or reuse activities in or directly
 24 serving or benefiting that allocation area.
 25 (B) Establish, augment, or restore the debt service reserve for

development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for

payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the development authority shall create funds as specified in this subsection. A development authority that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. The development authority shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A development authority that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The development authority that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or for other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to an allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also

1 **Sec. 6.** As used in this chapter, "improvements" means the
2 acquisition, construction, installation, or maintenance of any
3 tangible property in the district with an estimated useful life of five
4 (5) years or more.

5 **Sec. 7.** As used in this chapter, "legislative body" has the
6 meaning set forth in IC 36-1-2-9.

7 **Sec. 8.** As used in this chapter, "owner" refers to any person
8 recognized by the unit as the owner of a business within the
9 district, without regard to whether the person is the owner of the
10 real property on which the business is located.

11 **Sec. 9. (a)** A person that intends to file a petition for the
12 establishment of a district under this section must first provide
13 written notice to the clerk (as defined in IC 36-1-2-4) in the case of
14 a municipality, or the county auditor in the case of a county, of the
15 person's intent before initiating the petition process.

16 **(b)** A petition for the establishment of a district may be filed
17 with the clerk of the municipality or the county auditor not later
18 than one hundred twenty (120) days after the date on which the
19 notice of intent for the petition is filed with the clerk of the
20 municipality or the county auditor under subsection (a). The
21 petition shall include the name and legal status of the filing party
22 and the district plan.

23 **(c)** The district plan shall include at least the following:

24 **(1)** The name of the proposed district.

25 **(2)** Subject to section 9.5 of this chapter, a map of the
26 proposed district, including a description of the boundaries of
27 the district in a manner sufficient to identify the businesses
28 included.

29 **(3)** The proposed source or sources of financing, including:

30 **(A)** the proposed method and basis of levying the special
31 assessment in sufficient detail to allow each owner to
32 calculate the amount of the special assessment that may be
33 levied against the owner's business; and

34 **(B)** whether the district may issue bonds to finance
35 improvements.

36 **(4)** A list of the businesses to be assessed and a statement of
37 the manner in which the expenses of a district using a method
38 allowed under section 11 of this chapter will be imposed upon
39 a benefited business in proportion to the benefit received by
40 the business, including costs for operation and maintenance.

41 **(5)** For purposes of imposing the special assessment and
42 determining the benefits of the district's activities and

1 improvements, a classification of the types of businesses
2 within the proposed district. The classification may include
3 the following variations in the assessment formula:

- 4 (A) Square footage of the business.
- 5 (B) Number of employees.
- 6 (C) Geography.
- 7 (D) Gross sales.
- 8 (E) Other similar factors that reasonably relate to the
9 benefit received.

10 (6) An estimate of the amount of revenue needed to
11 accomplish or pay for the district's proposed activities and
12 improvements.

13 (7) Subject to section 9.5 of this chapter, a statement
14 identifying the district management association, including the
15 district management association's board of directors and
16 governance structure and any proposed rules or regulations
17 that may be applicable to the district.

18 (8) A statement indicating where a complete copy of the
19 district plan, whether in hard copy or electronic form, may be
20 obtained or accessed.

21 (9) Any other item or matter required to be incorporated in
22 the district plan by the unit's legislative body. The legislative
23 body may require in the district plan that the boundaries of
24 the district be drawn to:

- 25 ⇔ (A) exclude businesses; or
- 26 (B) prevent overlap of the district with another district or
27 area in which a special assessment is imposed.

28 **Sec. 9.5.** Owners of the following property may not be included
29 within the territory of a district and the owners of such property
30 shall not be considered in determining whether the petition
31 signature requirements under section 13 of this chapter are met:

- 32 (1) Any property that receives a homestead standard
33 deduction under IC 6-1.1-12-37.
- 34 (2) Any property that is used for single family residential

within the municipality; or
(2) in the case of a county, may include only territory of the county that is not within any municipality in the county.

Sec. 11. (a) A special assessment on businesses located within the district shall be levied on the basis of the estimated benefit to the businesses within the district. The unit's legislative body may use the classification of the types of businesses described in section 9(c)(5) of this chapter in determining the benefit to a business provided by the district.

(b) The special assessment that may be levied on businesses located within the district may take any form that confers benefits to the assessed business and may include any combination of the following methods:

- (1)** A percentage rate per transaction at a business within the district.
- (2)** A fixed rate per transaction per day at a business within the district.
- (3)** A percentage of gross sales at a business within the district.

(c) The special assessment may be levied on different types of businesses located within the district and is not required to be levied on the same basis or at the same rate.

Sec. 12. (a) After receipt of a petition under section 9 of this chapter, the clerk of the municipality or the county auditor shall, in the manner provided by IC 5-3-1, publish notice of a hearing on the proposed district. The clerk of the municipality or the county auditor shall mail a copy of the notice to each owner within the proposed district. The notice must include the boundaries of the proposed district, a description of the proposed activities and improvements, the proposed formula for determining the percentage of the total benefit to be received by each business, the method of determining the benefit received by each business, and the hearing date. The date of the hearing may not be more than sixty (60) days after the date on which the notice is mailed.

(b) At the public hearing under subsection (a), the legislative body shall hear all owners in the proposed district (who appear and request to be heard) upon the questions of:

- (1)** the sufficiency of the notice;
- (2)** whether the proposed activities and improvements are of public utility and benefit;
- (3)** whether the formula or method to be used for the assessment of special benefits is appropriate;

- 1 (4) whether the district contains all, or more or less than all,
- 2 of the territory specially benefited by the activities and
- 3 improvements; and
- 4 (5) whether each individual business owner:
- 5 (A) that did not sign to approve the petition; and
- 6 (B) would be subject to the assessment of the district that
- 7 has otherwise reached the approval threshold;
- 8 wishes to make a request for exclusion from the district, to be
- 9 approved or denied by the legislative body before the final
- 10 passage of the ordinance establishing the district.

11 **Sec. 13. (a) After conducting a hearing on the proposed district,**
 12 **the legislative body may adopt an ordinance establishing the**
 13 **district if it determines that:**

- 14 (1) the petition meets the requirements of this section and
- 15 sections 9 through 11 of this chapter;
- 16 (2) the activities and improvements to be undertaken in the
- 17 district will provide special benefits to businesses in the
- 18 district and will be of public utility and benefit;
- 19 (3) the benefits provided by the activities and improvements
- 20 will be new benefits that do not replace benefits existing
- 21 before the establishment of the district; and
- 22 (4) the formula or method to be used for the assessment of
- 23 special benefits is appropriate.

24 (b) The legislative body may adopt the ordinance only if it
 25 determines that the petition has been signed by:

- 26 (1) at least sixty-seven percent (67%) of the owners of
- 27 businesses within the proposed district; and
- 28 (2) the owners of businesses within the proposed district that
- 29 constitute more than fifty percent (50%) of the revenue to be
- 30 collected from the special assessments.

31 (c) The ordinance shall:

- 32 (1) incorporate the information set forth in the district plan;
- 33 (2) specify the time and manner in which special assessments
- 34 levied under this chapter are to be collected and paid to the
- 35 unit's fiscal officer for deposit in the tourism improvement
- 36 fund established under section 14 of this chapter; and
- 37 (3) include any other content that the legislative body
- 38 determines is reasonable as it relates to the operation of the
- 39 district.

40 For purposes of subdivision (2), the collection of special

(d) The adoption of an ordinance establishing a district does not affect and may not be construed to authorize any decrease in the level of publicly funded tourism promotion services that existed before the district's establishment.

Sec. 14. (a) The unit's fiscal officer shall establish a special fund, known as the tourism improvement fund, and shall deposit in the tourism improvement fund all special assessments received under this chapter and any other amounts received by the fiscal officer.

(b) The unit's fiscal officer may transfer money in the tourism improvement fund to the district management association to be used only for the purposes specified in the ordinance establishing the district. Any bonds issued under this chapter are payable solely from special assessments deposited in the tourism improvement fund and other revenues of the district.

(c) Any money earned from investment of money in the tourism improvement fund becomes a part of the tourism improvement fund.

Sec. 15. (a) The unit shall contract with the district management association designated in the district plan to administer and implement the district's activities and improvements.

(b) The district management association may be either an existing nonprofit corporation or a newly formed nonprofit corporation. If the district management association is a new nonprofit corporation created to manage the district, the certificate of incorporation or bylaws of the district management association shall provide for voting representation of owners within the district. If the district management association is an existing nonprofit corporation, the existing nonprofit corporation may create a committee of district owners or owners' representatives.

(c) The district management association may make recommendations to the unit's legislative body with respect to any matter involving or relating to the district.

(d) The unit's legislative body, for any consideration that it considers appropriate, may license or grant to the district management association the right to undertake or permit commercial activities or other private uses of the streets or other parts of the district in which the unit has any real property interest.

Sec. 16. (a) A district may issue bonds to provide improvements. The term of any bonds issued may not exceed ten (10) years. If a

1 district is renewed under section 17 of this chapter, the term of any
2 bonds issued may not exceed ten (10) years from the date of
3 renewal.

4 (b) Bonds issued under this chapter do not constitute an
5 indebtedness of the unit within the meaning of a constitutional or
6 statutory debt limitation.

7 Sec. 17. (a) The initial term for a district shall be at least three
8 (3) years and not more than ten (10) years.

9 (b) A district may be renewed for one (1) additional period of
10 not more than ten (10) years by following the procedures for the
11 initial establishment of a district as set forth in sections 9 through
12 13 of this chapter.

13 (c) If a district is renewed, any remaining revenues derived from
14 the levy of a special assessment, or any revenues derived from the
15 sale of assets acquired with the revenues, shall be transferred to the
16 renewed district. The following apply to the transfer of any
17 remaining revenues of a renewed district:

18 (1) If the renewed district includes a business not included in
19 the prior district, the remaining revenues shall be spent to
20 benefit only the business in the prior district.

21 (2) If the renewed district does not include a business included
22 in the prior district, the remaining revenues attributable to
23 the parcel shall be refunded to the owners of the business by
24 applying the method the district used under section 11 of this
25 chapter to calculate the special assessment before the renewal.

26 (d) The boundaries, special assessments, improvements, or
27 activities of a renewed district are not required to be the same as
28 the original or prior district.

29 Sec. 18. An ordinance adopted under section 13 of this chapter
30 may be amended if notice of the proposed amendment is published
31 and mailed in the manner provided by section 12 of this chapter.
32 However, if an amendment proposes to:

- 33 (1) levy a new or increased special assessment;
- 34 (2) change the district's boundaries; or
- 35 (3) issue a new bond;

36 the unit's legislative body shall require compliance with the
37 procedures set forth in sections 9 through 13 of this chapter before
38 amending the ordinance.

39 Sec. 19. (a) During the operation of the district, there shall be a
40 thirty (30) day period, beginning one (1) year after the date of the

(2) At any time during the annual thirty (30) day period described in subsection (a).

(c) Upon the written petitions of the owners or authorized representatives of businesses in the district that pay fifty percent (50%) or more of the special assessments levied, the unit's legislative body shall pass a resolution of intention to dissolve the district.

(d) The unit's legislative body shall first adopt a resolution of intention to dissolve the district before the public hearing to dissolve a district under this section. The resolution of intention must include each of the following items:

(1) The reason for the dissolution.

(2) The time and place of the public hearing.

(3) A proposal to dispose of any assets acquired with the revenues of the special assessments levied within the district.

The notice of the hearing on the resolution of intent to dissolve the district shall be published in the manner provided by IC 5-3-1 and must also be given by mail to the owner of each business subject to a special assessment in the district. The legislative body shall conduct the public hearing on the resolution of intention to dissolve the district not later than thirty (30) days after the date the notice is mailed to the assessed owners.

(e) The public hearing to dissolve the district shall be held not more than sixty (60) days after the date of the adoption of the resolution of intention.

(f) A dissolution of a district under this section has the effect of repealing the ordinance adopted under section 13 of this chapter that established the district.

Sec. 20. (a) The district management association shall submit an annual report to the legislative body and the fiscal body before January 1 of each year, beginning in the year after the first year of the district's establishment.

- 3 activities and improvements for the ensuing year.
- 4 (3) The estimated amount of any surplus or deficit revenues
- 5 to be carried over from the prior year.

6 **Sec. 21. (a) Upon the dissolution or expiration without renewal**
 7 **of a district, any remaining revenues, after all outstanding debts**
 8 **are paid, derived from the:**

- 9 (1) levy of special assessments; or

- 11 from bond reserve funds or construction funds;

12 **shall be refunded to the owners located within the district on or**
 13 **before the date of the district's dissolution or expiration without**

15 **(b) The amount of the refund provided under subsection (a) to**
 16 **an owner shall be determined by applying the method the district**
 17 **used under section 11 of this chapter to calculate the special**

- 19 (1) in which the district was dissolved or allowed to expire
- 20 without renewal; or
- 21 (2) before the district was dissolved or allowed to expire
- 22 without renewal if a special assessment had not been levied.

23 **However, in lieu of providing a refund, the unit's legislative body**
 24 **may instead elect to spend any remaining revenues on activities**
 25 **and improvements specified in the ordinance that established the**
 26 **district before its dissolution or expiration without renewal.**

27 **(c) Any liabilities incurred by the district are not an obligation**
 28 **of the unit and are payable solely from the collection of special**
 29 **assessments deposited in the special fund under section 14 of this**
 30 **chapter and other revenues of the district.**

31 **Sec. 22. Notwithstanding any other provision of this chapter,**
 32 **special assessments levied to pay the principal and interest on any**
 33 **bonds issued under this chapter may not be reduced or terminated**
 34 **if doing so would interfere with the timely retirement of the debt.**

- 1 (1) local income tax distributions; and
- 2 (2) excise tax distributions;
- 3 made after December 31, 2009.

4 (b) Except as provided in subsection (c), for purposes of allocating
 5 local income tax distributions that are based on a taxing unit's
 6 allocation amount before January 1, 2028, ~~and~~ [20<29>30], or that an
 7 adopting body allocates under IC 6-3.6-6 to economic development
 8 before January 1, 2028, ~~and~~ [20<29>30], or excise tax distributions
 9 that are distributed based on the amount of a taxing unit's property tax
 10 levies, each participating unit in a territory is considered to have
 11 imposed a part of the property tax levy imposed for the territory. The
 12 part of the property tax levy imposed for the territory for a particular
 13 year that shall be attributed to a participating unit is equal to the
 14 amount determined in the following STEPS:

15 STEP ONE: Determine the total amount of all property taxes
 16 imposed by the participating unit in the year before the year in
 17 which a property tax levy was first imposed for the territory.

18 STEP TWO: Determine the sum of the STEP ONE amounts for
 19 all participating units.

20 STEP THREE: Divide the STEP ONE result by the STEP TWO
 21 result.

22 STEP FOUR: Multiply the STEP THREE result by the property
 23 tax levy imposed for the territory for the particular year.

24 (c) This subsection applies to a determination under subsection (b)
 25 made in calendar years 2018, 2019, and 2020. The department of local
 26 government finance may, for distributions made in calendar year 2022,
 27 adjust the allocation amount determined under subsection (b) to correct
 28 for any clerical or mathematical errors made in any determination for
 29 calendar year 2018, 2019, or 2020, as applicable, including the
 30 allocation amount for any taxing unit whose distribution was affected
 31 by the clerical or mathematical error in those years. The department of
 32 local government finance may apply the adjustment to the allocation
 33 amount for a taxing unit over a period not to exceed ten (10) years in
 34 order to offset the effect of the adjustment on the distribution.

35 (d) This subsection applies to a territory established by an ordinance
 36 or a resolution adopted under this chapter after December 31, 2024.
 37 Before additional revenue from a local income tax rate may be
 38 allocated to the provider unit of a new territory due to an increased
 39 property tax levy resulting from the establishment of the territory, the
 40 county fiscal body must adopt an ordinance or resolution approving the

 3 an equipment replacement fund under this section to be used to
 4 purchase fire protection equipment, including housing, that will be
 5 used to serve the entire territory. To establish the fund, the legislative
 6 bodies of each participating unit must adopt an ordinance (in the case
 7 of a county or municipality) or a resolution (in the case of a township
 8 or fire protection district), and the following requirements must be met:
 9 (1) The ordinance or resolution is identical to the ordinances and
 10 resolutions adopted by the other participating units under this
 11 section.
 12 (2) Before adopting the ordinance or resolution, each participating
 13 unit must comply with the notice and hearing requirements of
 14 IC 6-1.1-41-3.
 15 (3) The ordinance or resolution authorizes the provider unit to
 16 establish the fund.
 17 (4) The ordinance or resolution includes at least the following:
 18 (A) The name of each participating unit and the provider unit.
 19 (B) An agreement to impose a uniform tax rate upon all of the

 25 (b) If a fund is established, the participating units may agree to:
 26 (1) impose a property tax to provide for the accumulation of
 27 money in the fund to purchase fire protection equipment;
 28 (2) incur debt to purchase fire protection equipment and impose
 29 a property tax to retire the loan; or
 30 (3) transfer an amount from the fire protection territory fund to
 31 the fire equipment replacement fund not to exceed five percent
 32 (5%) of the levy for the fire protection territory fund for that year;

3 and hold the debt on behalf of the territory. However, the participating
4 units and the provider unit of the territory are jointly liable for any debt
5 incurred by the provider unit for the purposes of the fund. The most
6 recent adjusted value of taxable property for the entire territory must be
7 used to determine the debt limit under IC 36-1-15-6. A provider unit
8 shall comply with all general statutes and rules relating to the
9 incurrence of debt under this subsection.

10 (d) A participating unit of a territory may, to the extent allowed by
11 law, incur debt in the participating unit's own name to acquire fire
12 protection equipment or other property that is to be owned by the
13 participating unit. A participating unit that acquires fire protection

27 of a property tax rate for a cumulative fund apply to:

29 section;
- 30 (2) the imposing of a property tax for a fund under this section;
31 and
- 32 (3) the increasing of a property tax rate for a fund under this
33 section.

35 section is reestablished in the manner provided in IC 6-1.1-41, the
36 property tax rate imposed for the fund in the first year after the fund is

(2) The owner of the eligible property is not required to pay any property taxes, penalties, or interest with respect to the eligible property for the applicable assessment date.

(g) The exemption allowed by this SECTION shall be applied without the need for any further ruling or action by the county assessor, the county auditor, or the county property tax assessment board of appeals of the county in which the eligible property is located or by the Indiana board of tax review.

(h) To the extent the owner of the eligible property has paid any property taxes, penalties, or interest with respect to the eligible property for an applicable date and to the extent that the eligible property is exempt from taxation as provided in this SECTION, the owner of the eligible property is entitled to a refund of the amounts paid. The owner is not entitled to any interest on the refund under IC 6-1.1 or any other law to the extent interest has not been paid by or on behalf of the owner. Notwithstanding the filing deadlines for a claim under IC 6-1.1-26, any claim for a refund filed by the owner of eligible property under this SECTION before September 1, 2026, is considered timely filed. The county auditor shall pay the refund due under this SECTION in one (1) installment.

(i) This SECTION expires June 30, 2027.
