DIGEST OF PROPOSED AMENDMENT

Tax matters. Reinstates excess tax levy appeals resulting from a consolidation that was repealed in SEA 1 in the 2025 session. Requires the budget agency, before January 1, 2029, to transfer a specified LIT amount from the trust account maintained for each county under current law to the state and local trust established in SEA 1 in the 2025 session. Specifies the allocation and distribution of LIT revenue with the transition to the provisions enacted in SEA 1 in the 2025 session. Reinstates a provision that was repealed in SEA 1 in the 2025 session that requires the budget agency, before August 2 of each calendar year, to provide certain estimated information to the counties.

For purposes of this subdivision, the state comptroller shall treat any amounts deposited under this clause in the Lake County economic development and convention fund established by IC 36-7.5-7-5 as amounts constructively received by the city of Gary and used to satisfy the city of Gary's funding obligation to the northwest Indiana regional development authority under IC 36-7.5-7-5.

(3) For state fiscal years ending before July 1, 2050, after making the distributions under subdivisions (1) and (2), the state comptroller shall make distributions from the remaining tax revenue remitted by each licensed owner in the following order of priority:

1 Corporation and Radius Indiana or their successor entities

3 (c) This subsection does not apply to tax revenue remitted by an
4 inland casino operating in Vigo County. For each city and county
5 receiving money under subsection (a)(2), the state comptroller shall
6 determine the total amount of money paid by the state comptroller to
7 the city or county during the state fiscal year 2002. The amount
8 determined is the base year revenue for the city or county. The state
9 comptroller shall certify the base year revenue determined under this
10 subsection to the city or county. The total amount of money distributed
11 to a city or county under this section during a state fiscal year may not
12 exceed the entity's base year revenue. For each state fiscal year, the
13 state comptroller shall pay that part of the riverboat wagering taxes
14 that:

- 15 (1) exceeds a particular city's or county's base year revenue; and
- 16 (2) would otherwise be due to the city or county under this
17 section;

18 to the state general fund instead of to the city or county.

19 (d) Except as provided in subsections (k) and (l), before August 15
20 of each year, the state comptroller shall distribute the wagering taxes
21 set aside for revenue sharing under subsection (a)(1) to the county
22 treasurer of each county that does not have a riverboat according to the
23 ratio that the county's population bears to the total population of the
24 counties that do not have a riverboat. Except as provided in subsection
25 (g), the county auditor shall distribute the money received by the
26 county under this subsection as follows:

- 27 (1) To each city located in the county according to the ratio the
28 city's population bears to the total population of the county.
- 29 (2) To each town located in the county according to the ratio the
30 town's population bears to the total population of the county.
- 31 (3) After the distributions required in subdivisions (1) and (2)
32 are made, the remainder shall be retained by the county.

33 (e) Money received by a city, town, or county under subsection (d)
34 or (g) may be used for any of the following purposes:

- 35 (1) To reduce the property tax levy of the city, town, or county
36 for a particular year (a property tax reduction under this
37 subdivision does not reduce the maximum levy of the city, town,
38 or county under IC 6-1.1-18.5).
- 39 (2) For deposit in a special fund or allocation fund created under
40 IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(f) This subsection does not apply to an inland casino operating in Vigo County. Before July 15 of each year, the state comptroller shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the state comptroller determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the state comptroller shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (h), the amount of an entity's supplemental distribution is equal to:

- (1) the entity's base year revenue (as determined under IC 4-33-12-9); minus
- (2) the sum of:
 - (A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
 - (B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(g) This subsection applies only to Marion County. The county auditor shall distribute the money received by the county under subsection (d) as follows:

- (1) To each city, other than the consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(h) This subsection does not apply to an inland casino operating in Vigo County. This subsection applies to a supplemental distribution made after June 30, 2017. The maximum amount of money that may be

5 (2) After June 30, 2021, if the total adjusted gross receipts
6 received by licensees from gambling games authorized under

8 greater than the total adjusted gross receipts received by
9 licensees from gambling games authorized under this article
10 during the state fiscal year ending June 30, 2020, the maximum
11 amount is forty-eight million dollars (\$48,000,000).

12 (3) After June 30, 2021, if the total adjusted gross receipts

25 (ii) the total adjusted gross receipts received by
26 licensees from gambling games authorized under this
27 article during the state fiscal year ending June 30,
28 2020.

29 If the total amount determined under subsection (f) exceeds the
30 maximum amount determined under this subsection, the amount
31 distributed to an entity under subsection (f) must be reduced according
32 to the ratio that the amount distributed to the entity under IC 4-33-12-6
33 or IC 4-33-12-8 bears to the total amount distributed under
34 IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental

36 (i) This subsection applies to a supplemental distribution, if any,

33 (k) After June 30, 2020, the amount of wagering taxes that would

4 has the meaning set forth in ~~IC 6-1.1-7-1~~, IC 9-13-2-103.2. The term

6 SECTION 13. IC 6-1.1-2-11, AS ADDED BY P.L.68-2025,
7 SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
8 JULY 1, 2025 (RETROACTIVE)]: Sec. 11. (a) As used in this section,
9 "tax increment financing allocation area" means any area authorized by
10 statute in which ad valorem property taxes are allocated, including the
11 following:

- 12 (1) IC 6-1.1-39 (economic development districts).

23 (b) The department shall, in each year beginning after December
24 31, ~~2025~~, **2026**, and ending before January 1, 2034, adjust the base
25 assessed value of each tax increment financing allocation area to
26 neutralize the effect of the changing tax rates resulting year to year
27 from the homestead deduction under IC 6-1.1-12-37(c)(2) and
28 IC 6-1.1-12-37.5(c) and the deduction for eligible property under
29 IC 6-1.1-12-47. It is the intent of the general assembly that an increase
30 in revenue from a change in tax rates resulting from these statutes
31 accrue only to the base assessed value and not to the tax increment
32 financing allocation area. However, in the case of a decrease in revenue
33 from a change in tax rates resulting from these statutes, the department
34 may neutralize the change under this subsection in a positive manner
35 with regard to the tax increment financing allocation area to protect the
36 ability to pay bonds based on incremental revenue, if the tax increment
37 financing allocation area demonstrates to the department that an
38 adjustment is needed before the department calculates a positive
39 neutralization adjustment.

- 1 (c) The rules adopted under subsection (a) must include the
- 2 following characteristics in the system:
- 3 (1) Promote uniform and equal assessment of real property
- 4 within and across classifications.
- 5 (2) Require that assessing officials:
- 6 (A) reevaluate the factors that affect value;
- 7 (B) express the interactions of those factors mathematically;
- 8 (C) use mass appraisal techniques to estimate updated
- 9 property values within statistical measures of accuracy; and
- 10 (D) provide notice to taxpayers of an assessment increase
- 11 that results from the application of annual adjustments.
- 12 (3) Prescribe procedures that permit the application of the
- 13 adjustment percentages in an efficient manner by assessing
- 14 officials.
- 15 (d) The department of local government finance must review and
- 16 certify each annual adjustment determined under this section.
- 17 (e) For an assessment beginning after December 31, 2022,
- 18 agricultural improvements such as but not limited to barns, grain bins,
- 19 or silos on land assessed as agricultural shall not be adjusted using
- 20 factors, such as neighborhood delineation, that are appropriate for use

- 28 similar residential purposes.
- 29 (f) In making the annual determination of the base rate to satisfy
- 30 the requirement for an annual adjustment for each assessment date, the
- 31 department of local government finance shall, not later than March 1
- 32 of each year, determine the base rate using the methodology reflected
- 33 in Table 2-18 of Book 1, Chapter 2 of the department of local
- 34 government finance's Real Property Assessment Guidelines (as in
- 35 effect on January 1, 2005), except that the department shall adjust the
- 36 methodology as follows:
- 37 (1) Use a six (6) year rolling average adjusted under subdivision
- 38 (3) instead of a four (4) year rolling average.
- 39 (2) Use the data from the six (6) most recent years preceding the
- 40 year in which the assessment date occurs for which data is
- 41 available, before one (1) of those six (6) years is eliminated

- 1 (3) Eliminate in the calculation of the rolling average the year

 3 of agricultural land is determined.
- 4 (4) After determining a preliminary base rate that would apply
 5 for the assessment date without applying the adjustment under
 6 this subdivision, the department of local government finance
 7 shall adjust the preliminary base rate as follows:
- 8 (A) If the preliminary base rate for the assessment date

- 26 (C) If neither clause (A) nor clause (B) applies, a
 27 capitalization rate of seven percent (7%) shall be used to
 28 determine the final base rate.
- 29 (D) In the case of a market value in use for a year that is
 30 used in the calculation of the six (6) year rolling average
 31 under subdivision (1) for purposes of determining the base
 32 rate for the assessment date:
- 33 (i) that market value in use shall be recalculated by
 34 using the capitalization rate determined under clauses
 35 (A) through (C) for the calculation of the base rate for
 36 the assessment date; and
- 37 (ii) the market value in use recalculated under item (i)
 38 shall be used in the calculation of the six (6) year

23 P.L.255-2017 to reapply for the deduction or credit, the county auditor
24 shall reinstate the deduction or credit if the taxpayer provides proof that
25 the taxpayer is eligible for the deduction or credit and is not claiming

27 (e) A trust entitled to a deduction under section 9 (before its

31 individual in accordance with section 17.9 of this chapter ~~(before its~~

37 ~~(before its expiration)~~, 17.4 (before its expiration), or 37 of this
38 chapter in a particular year; and

39 (2) the trust remains eligible for the deduction in the following
40 year.

3 (f) A cooperative housing corporation (as defined in 26 U.S.C.
4 216) that is entitled to a deduction under section 37 of this chapter in
5 the immediately preceding calendar year for a homestead (as defined
6 in section 37 of this chapter) is not required to file a statement to apply
7 for the deduction for the current calendar year if the cooperative
8 housing corporation remains eligible for the deduction for the current
9 calendar year. However, the county auditor may, in the county auditor's
10 discretion, terminate the deduction for assessment dates after January
11 15, 2012, if the individual does not comply with the requirement in
12 IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015), as determined by the
13 county auditor, before January 1, 2013. Before the county auditor
14 terminates a deduction because the taxpayer claiming the deduction did
15 not comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired
16 January 1, 2015) before January 1, 2013, the county auditor shall mail

23 (g) An individual who:

24 (1) was eligible for a homestead credit under IC 6-1.1-20.9
25 (repealed) for property taxes imposed for the March 1, 2007, or
26 January 15, 2008, assessment date; or

27 (2) would have been eligible for a homestead credit under
28 IC 6-1.1-20.9 (repealed) for property taxes imposed for the
29 March 1, 2008, or January 15, 2009, assessment date if

33 the current year. An individual who filed for a homestead credit under
34 IC 6-1.1-20.9 (repealed) for an assessment date after March 1, 2007 (if
35 the property is real property), or after January 1, 2008 (if the property
36 is personal property), shall be treated as an individual who has filed for
37 a deduction under section 37 of this chapter. However, the county
38 auditor may, in the county auditor's discretion, terminate the deduction
39 for assessment dates after January 15, 2012, if the individual does not
40 comply with the requirement in IC 6-1.1-22-8.1(b)(9) (expired January
41 1, 2015), as determined by the county auditor, before January 1, 2013.

 4 of the deduction to the last known address of each person liable for any
 5 property taxes or special assessment, as shown on the tax duplicate or
 6 special assessment records, or to the last known address of the most
 7 recent owner shown in the transfer book.

8 (h) If a county auditor terminates a deduction because the taxpayer
 9 claiming the deduction did not comply with the requirement in
 10 IC 6-1.1-22-8.1(b)(9) (expired January 1, 2015) before January 1, 2013,
 11 the county auditor shall reinstate the deduction if the taxpayer provides
 12 proof that the taxpayer is eligible for the deduction and is not claiming
 13 the deduction for any other property.

14 (i) A taxpayer described in section 37(r) of this chapter is not
 15 required to file a statement to apply for the deduction provided by

1 the person's name:

2 (1) changes the use of the individual's property so that part or all

3 of the property no longer qualifies for the deduction under this

4 section; or

5 (2) is not eligible for a deduction under this section because the

6 person is already receiving:

7 (A) a deduction under this section in the person's name as

8 an individual or a spouse; or

9 (B) a deduction under the law of another state that is

10 equivalent to the deduction provided by this section;

11 the person must file a certified statement with the auditor of the county,

12 notifying the auditor of the person's ineligibility, not more than sixty

13 (60) days after the date of the change in eligibility. A person who fails

14 to file the statement required by this subsection may, under

15 IC 6-1.1-36-17, be liable for any additional taxes that would have been

16 due on the property if the person had filed the statement as required by

17 this subsection plus a civil penalty equal to ten percent (10%) of the

18 additional taxes due. The civil penalty imposed under this subsection

19 is in addition to any interest and penalties for a delinquent payment that

20 might otherwise be due. One percent (1%) of the total civil penalty

21 collected under this subsection shall be transferred by the county to the

22 department of local government finance for use by the department in

23 establishing and maintaining the homestead property data base under

24 subsection (j) and, to the extent there is money remaining, for any other

25 purposes of the department. This amount becomes part of the property

26 tax liability for purposes of this article.

27 (h) The department of local government finance may adopt rules

28 or guidelines concerning the application for a deduction under this

29 section.

30 (i) This subsection does not apply to property in the first year for

31 which a deduction is claimed under this section if the sole reason that

32 a deduction is claimed on other property is that the individual or

33 married couple maintained a principal residence at the other property

34 on the assessment date in the same year in which an application for a

35 deduction is filed under this section or, if the application is for a

36 homestead that is assessed as personal property, on the assessment date

37 in the immediately preceding year and the individual or married couple

38 is moving the individual's or married couple's principal residence to the

39 property that is the subject of the application. Except as provided in

40 subsection (l), the county auditor may not grant an individual or a

41 married couple a deduction under this section if:

- 1 the deduction on two (2) or more different applications for the
 2 deduction; and
 3 (2) the applications claim the deduction for different property.
 4 (j) The department of local government finance shall provide
 5 secure access to county auditors to a homestead property data base that
 6 includes access to the homestead owner's name and the numbers
 7 required from the homestead owner under subsection (e)(4) for the sole
 8 purpose of verifying whether an owner is wrongly claiming a deduction
 9 under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or
 10 IC 6-3.6-5 (before its expiration). Each county auditor shall submit data
 11 on deductions applicable to the current tax year on or before March 15
 12 of each year in a manner prescribed by the department of local
 13 government finance.
 14 (k) A county auditor may require an individual to provide evidence
 15 proving that the individual's residence is the individual's principal place
 16 of residence as claimed in the certified statement filed under subsection
 17 (e). The county auditor may limit the evidence that an individual is
 18 required to submit to a state income tax return, a valid driver's license,
 19 or a valid voter registration card showing that the residence for which
 20 the deduction is claimed is the individual's principal place of residence.
 21 The county auditor may not deny an application filed under section 44
 22 of this chapter because the applicant does not have a valid driver's
 23 license or state identification card with the address of the homestead
 24 property. The department of local government finance shall work with
 25 county auditors to develop procedures to determine whether a property
 26 owner that is claiming a standard deduction or homestead credit is not
 27 eligible for the standard deduction or homestead credit because the
 28 property owner's principal place of residence is outside Indiana.
 29 (l) A county auditor shall grant an individual a deduction under
 30 this section regardless of whether the individual and the individual's
 31 spouse claim a deduction on two (2) different applications and each
 32 application claims a deduction for different property if the property
 33 owned by the individual's spouse is located outside Indiana and the
 34 individual files an affidavit with the county auditor containing the
 35 following information:
 36 (1) The names of the county and state in which the individual's
 37 spouse claims a deduction substantially similar to the deduction
 38 allowed by this section.
 39 (2) A statement made under penalty of perjury that the following
 40 are true:
 41 (A) That the individual and the individual's spouse maintain
 42 separate principal places of residence.

- 1 (B) That neither the individual nor the individual's spouse
- 2 has an ownership interest in the other's principal place of

- 4 (C) That neither the individual nor the individual's spouse
- 5 has, for that same year, claimed a standard or substantially
- 6 similar deduction for any property other than the property
- 7 maintained as a principal place of residence by the
- 8 respective individuals.

9 A county auditor may require an individual or an individual's spouse to
 10 provide evidence of the accuracy of the information contained in an
 11 affidavit submitted under this subsection. The evidence required of the
 12 individual or the individual's spouse may include state income tax
 13 returns, excise tax payment information, property tax payment
 14 information, driver's license information, and voter registration
 15 information.

- 16 (m) If:
- 17 (1) a property owner files a statement under subsection (e) to
- 18 claim the deduction provided by this section for a particular
- 19 property; and
- 20 (2) the county auditor receiving the filed statement determines
- 21 that the property owner's property is not eligible for the
- 22 deduction;

23 the county auditor shall inform the property owner of the county
 24 auditor's determination in writing. If a property owner's property is not
 25 eligible for the deduction because the county auditor has determined
 26 that the property is not the property owner's principal place of
 27 residence, the property owner may appeal the county auditor's
 28 determination as provided in IC 6-1.1-15. The county auditor shall
 29 inform the property owner of the owner's right to appeal when the
 30 county auditor informs the property owner of the county auditor's
 31 determination under this subsection.

32 (n) An individual is entitled to the deduction under this section for
 33 a homestead for a particular assessment date if:

- 34 (1) either:
- 35 (A) the individual's interest in the homestead as described
- 36 in subsection (a)(2)(B) is conveyed to the individual after
- 37 the assessment date, but within the calendar year in which
- 38 the assessment date occurs; or
- 39 (B) the individual contracts to purchase the homestead after
- 40 the assessment date, but within the calendar year in which
- 41 the assessment date occurs;
- 42 (2) on the assessment date:

- 3 (B) the construction of the dwelling that constitutes the

- 5 (3) either:
- 6 (A) the individual files the certified statement required by
- 7 subsection (e); or
- 8 (B) a sales disclosure form that meets the requirements of
- 9 section 44 of this chapter is submitted to the county assessor
- 10 on or before December 31 of the calendar year for the
- 11 individual's purchase of the homestead.

12 An individual who satisfies the requirements of subdivisions (1)
 13 through (3) is entitled to the deduction under this section for the
 14 homestead for the assessment date, even if on the assessment date the
 15 property on which the homestead is currently located was vacant land
 16 or the construction of the dwelling that constitutes the homestead was
 17 not completed. The county auditor shall apply the deduction for the
 18 assessment date and for the assessment date in any later year in which
 19 the homestead remains eligible for the deduction. A homestead that
 20 qualifies for the deduction under this section as provided in this
 21 subsection is considered a homestead for purposes of section 37.5 of
 22 this chapter and IC 6-1.1-20.6.

23 (o) This subsection applies to an application for the deduction
 24 provided by this section that is filed for an assessment date occurring
 25 after December 31, 2013. Notwithstanding any other provision of this
 26 section, an individual buying a mobile home that is not assessed as real
 27 property or a manufactured home that is not assessed as real property
 28 under a contract providing that the individual is to pay the property
 29 taxes on the mobile home or manufactured home is not entitled to the
 30 deduction provided by this section unless the parties to the contract
 31 comply with IC 9-17-6-17.

32 (p) This subsection:
 33 (1) applies to an application for the deduction provided by this
 34 section that is filed for an assessment date occurring after
 35 December 31, 2013; and

36 (2) does not apply to an individual described in subsection (o).
 37 The owner of a mobile home that is not assessed as real property or a
 38 manufactured home that is not assessed as real property must attach a
 39 copy of the owner's title to the mobile home or manufactured home to
 40 the application for the deduction provided by this section.

41 (q) For assessment dates after 2013, the term "homestead"
 42 includes property that is owned by an individual who:

- 1 (1) is serving on active duty in any branch of the armed forces of
- 2 the United States;
- 3 (2) was ordered to transfer to a location outside Indiana; and
- 4 (3) was otherwise eligible, without regard to this subsection, for
- 5 the deduction under this section for the property for the
- 6 assessment date immediately preceding the transfer date
- 7 specified in the order described in subdivision (2).

 9 by this section, the individual described in subdivisions (1) through (3)
 10 must submit to the county auditor a copy of the individual's transfer
 11 orders or other information sufficient to show that the individual was

 14 ceases to be on active duty, the property is sold, or the individual's
 15 ownership interest is otherwise terminated, whichever occurs first.
 16 Notwithstanding subsection (a)(2), the property remains a homestead
 17 regardless of whether the property continues to be the individual's
 18 principal place of residence after the individual transfers to a location
 19 outside Indiana. The property continues to qualify as a homestead
 20 under this subsection if the property is leased while the individual is
 21 away from Indiana and is serving on active duty, if the individual has
 22 lived at the property at any time during the past ten (10) years.
 23 Otherwise, the property ceases to qualify as a homestead under this
 24 subsection if the property is leased while the individual is away from
 25 Indiana. Property that qualifies as a homestead under this subsection
 26 shall also be construed as a homestead for purposes of section 37.5 of
 27 this chapter.

28 (r) As used in this section, "homestead" includes property that
 29 satisfies each of the following requirements:

- 30 (1) The property is located in Indiana and consists of a dwelling
- 31 and includes up to one (1) acre of land immediately surrounding
- 32 that dwelling, and any of the following improvements:

22 SECTION 54[6]. IC 6-1.1-20.6-9.5, AS AMENDED BY
23 P.L.272-2019, SECTION 2, IS AMENDED TO READ AS FOLLOWS

27 (b) The application of the credit under this chapter, IC 6-1.1-49,

30 provided in IC 20-46-1 and IC 20-46-9, a political subdivision may not
31 increase its property tax levy to make up for that reduction.

32 (c) A political subdivision may not borrow money to compensate
33 the political subdivision or any other political subdivision for the
34 reduction of property tax collections referred to in subsection (b).

- 1 on bonds; and
- 2 (B) lease rental payments payable during a calendar year on
- 3 leases;
- 4 of a political subdivision payable from ad valorem property

- 6 (2) "Protected taxes" refers to the following:
 - 7 (A) Property taxes that are exempted from the application

 - 11 (B) Property taxes imposed by a political subdivision to pay

 - 14 under section 7 or 7.5 of this chapter by section 7(b), 7(c),
 - 15 7.5(b), or 7.5(c) of this chapter or any other law. Property

- 22 (c) Except as provided in section 9.9 of this chapter, the total

 - 30 (1) The reduction may be allocated in the amounts determined
 - 31 by the political subdivision using a combination of unprotected
 - 32 taxes of the political subdivision in those taxing districts in
 - 33 which the credit caused a reduction in protected taxes.
 - 34 (2) The tax revenue and each fund of any other political
 - 35 subdivisions must not be affected by the reduction.
- 36 (d) When:
 - 37 (1) the revenue that otherwise would be distributed to a fund

 5 (1) or more of the other funds of the political subdivision to offset the
 6 loss in revenue to the fund receiving protected taxes. The transfer is
 7 limited to the amount necessary for the fund receiving protected taxes
 8 to receive the revenue specified under subsection (c). The amount

 13 FOLLOWS [EFFECTIVE JANUARY 1, 2026 (RETROACTIVE)]:
 14 Sec. 9.9. (a) This subsection applies to credits allocated before January
 15 1, 2024. If:

16 (1) a school corporation after July 1, 2016, issues new bonds or
 17 enters into a new lease rental agreement for which the school
 18 corporation is imposing or will impose a debt service levy other
 19 than:

20 (A) to refinance or renew prior bond or lease rental
 21 obligations existing before January 1, 2017; or

22 (B) indebtedness that is approved in a local public question
 23 or referendum under IC 6-1.1-20 or any other law; and

24 (2) the school corporation's:

25 (A) total debt service levy is greater than the school
 26 corporation's total debt service levy in 2016; and

27 (B) total debt service tax rate is greater than the school
 28 corporation's total debt service tax rate in 2016;

29 the school corporation is not eligible to allocate credits proportionately
 30 under this section.

31 (b) This subsection applies to credits allocated after December 31,
 32 2023. A school corporation is not eligible to allocate credits
 33 proportionately under this section, if a school corporation after July 1,
 34 2023, issues new bonds or enters into a new lease rental agreement for
 35 which the school corporation is imposing or will impose a debt service
 36 levy other than:

37 (1) to refinance or renew prior bond or lease rental obligations
 38 existing before January 1, 2024, but only if the refinancing or
 39 renewal is for a lower interest rate; or

40 (2) indebtedness that is approved in a local public question or
 41 referendum under IC 6-1.1-20 or any other law.

42 (c) Subject to subsection (a) (before January 1, 2024) and

1 subsection (b) (after December 31, 2023), a school corporation is
2 eligible to allocate credits proportionately under this section for 2019,
3 2020, 2021, 2022, 2023, 2024, 2025, or 2026 if the school corporation's
4 percentage computed under this subsection is at least ten percent (10%)
5 for its operations fund levy as certified by the department of local
6 government finance. A school corporation shall compute its percentage
7 under this subsection as determined under the following formula:

8 STEP ONE: Determine the amount of credits granted under this
9 chapter against the school corporation's levy for the school
10 corporation's operations fund.

11 STEP TWO: Determine the amount of the school corporation's
12 levy that is attributable to new debt incurred after June 30, 2019,
13 but is not attributable to the debt service levy described in
14 subsection (a)(1)(B) (before January 1, 2024) or subsection
15 (b)(2) (after December 31, 2023).

16 STEP THREE: Determine the result of the school corporation's
17 total levy minus any referendum levy.

18 STEP FOUR: Subtract the STEP TWO amount from the STEP
19 THREE amount.

20 STEP FIVE: Divide the STEP FOUR amount by the STEP
21 THREE amount expressed as a percentage.

22 STEP SIX: Multiply the STEP ONE amount by the STEP FIVE
23 percentage.

24 STEP SEVEN: Determine the school corporation's levy for the
25 school corporation's operations fund.

26 STEP EIGHT: Divide the STEP SIX amount by the STEP
27 SEVEN amount expressed as a percentage.

28 The computation must be made by taking into account the requirements
29 of section 9.8 of this chapter regarding protected taxes and the impact
30 of credits granted under this chapter on the revenue to be distributed to
31 the school corporation's operations fund for the particular year.

32 (d) A school corporation that desires to be an eligible school
33 corporation under this section must, before May 1 of the year for which
34 it wants a determination, submit a written request for a certification by
35 the department of local government finance that the computation of the
36 school corporation's percentage under subsection (c) is correct. The
37 department of local government finance shall, not later than June 1 of
38 that year, determine whether the percentage computed by the school
39 corporation under subsection (c) is accurate and certify whether the
40 school corporation is eligible under this section.

41 (e) For a school corporation that is certified as eligible under this
42 section, the school corporation may allocate the effect of the credits

1 granted under this chapter **and IC 6-1.1-49** proportionately among all
2 the school corporation's property tax funds that are not exempt under
3 section 7.5(b) or 7.5(c) of this chapter, based on the levy for each fund
4 and without taking into account the requirements of section 9.8 of this
5 chapter regarding protected taxes as determined under the following
6 formula:

7 STEP ONE: Determine the product of:
8 (A) the percentage determined under STEP EIGHT of
9 subsection (c); multiplied by
10 (B) five (5).

11 STEP TWO: Determine the lesser of the STEP ONE percentage
12 or one hundred percent (100%).

13 STEP THREE: Determine the product of:
14 (A) the amount determined under STEP SIX of subsection
15 (c); multiplied by
16 (B) the STEP TWO percentage.

17 The school corporation may allocate the amount of credits determined
18 under STEP THREE proportionately under this section. The
19 department of local government finance shall include in its certification
20 of an eligible school corporation under subsection (d) the amount of
21 credits that the school corporation may allocate proportionately as
22 determined under this subsection.

2 described in section 5.1, 5.3, ~~or 5.4~~, ~~or 5.9~~ of this chapter until the
3 person satisfies the eligibility requirements as determined by the county
4 auditor, a county legislative body may adopt an ordinance further
5 prohibiting the assignment of a certificate of sale acquired at a
6 treasurer's sale (pursuant to section 5 of this chapter) or at a county
7 executive's tax sale (pursuant to section 6.1 of this chapter) prior to the
8 issuance of a tax deed for the real property by the county auditor.

9 (d) An assignment not prohibited by an ordinance adopted under
10 subsection (c) is not valid unless the county auditor first determines the
11 person is eligible to receive the assignment. If the county auditor
12 determines the person is eligible to receive the assignment, the
13 following requirements apply:

14 (1) The assignment must be acknowledged before an officer
15 authorized to take acknowledgments of deeds.

16 (2) The assignment must be registered in the office of the county

21 (e) Subject to IC 36-1-11-8, the county executive may assign a
22 certificate of sale held in the name of the county executive to any
23 political subdivision. If an assignment is made under this subsection:

24 (1) the period of redemption of the real property under
25 IC 6-1.1-25 is one hundred twenty (120) days after the date of
26 the assignment; and

27 (2) notwithstanding IC 6-1.1-25-4.5(a) through
28 IC 6-1.1-25-4.5(c), the assignee must transmit the notices
29 required under IC 6-1.1-25-4.5 not later than ninety (90) days
30 after the date of the assignment.

31 If the real property is not redeemed during the period of redemption,
32 the assignee may petition the court for a tax deed under IC 6-1.1-25-4.6
33 not later than ninety (90) days after the expiration of the period of
34 redemption.

 2 SECTION 68, IS CORRECTED AND AMENDED TO READ AS
 3 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) A declaratory
 4 ordinance adopted under section 2 of this chapter and confirmed under
 5 section 3 of this chapter must include a provision with respect to the
 6 allocation and distribution of property taxes for the purposes and in the
 7 manner provided in this section. The allocation provision must apply
 8 to the entire economic development district. The allocation provisions
 9 must require that any property taxes subsequently levied by or for the
 10 benefit of any public body entitled to a distribution of property taxes on
 11 taxable property in the economic development district be allocated and
 12 distributed as follows:

13 (1) Except as otherwise provided in this section, the proceeds of
 14 the taxes attributable to the lesser of:

15 (A) the assessed value of the property for the assessment
 16 date with respect to which the allocation and distribution is
 17 made; or

18 (B) the base assessed value;
 19 shall be allocated to and, when collected, paid into the funds of
 20 the respective taxing units. However, if the effective date of the
 21 allocation provision of a declaratory ordinance is after March 1,
 22 1985, and before January 1, 1986, and if an improvement to
 23 property was partially completed on March 1, 1985, the unit may
 24 provide in the declaratory ordinance that the taxes attributable to
 25 the assessed value of the property as finally determined for
 26 March 1, 1984, shall be allocated to and, when collected, paid
 27 into the funds of the respective taxing units.

28 (2) Except as otherwise provided in this section, part or all of the
 29 property tax proceeds in excess of those described in subdivision
 30 (1), as specified in the declaratory ordinance, shall be allocated
 31 to the unit for the economic development district and, when
 32 collected, paid into a special fund established by the unit for that
 33 economic development district that may be used only to pay the

 37 development district. The amount not paid into the special fund
 38 shall be paid to the respective units in the manner prescribed by
 39 subdivision (1).

40 (3) When the money in the fund is sufficient to pay all
 41 outstanding principal of and interest (to the earliest date on
 42 which the obligations can be redeemed) on obligations owed by

 4 excess of that amount shall be paid to the respective taxing units
 5 in the manner prescribed by subdivision (1).
 6 (b) Property tax proceeds allocable to the economic development
 7 district under subsection (a)(2) must, subject to subsection (a)(3), be
 8 irrevocably pledged by the unit for payment as set forth in subsection
 9 (a)(2).
 10 (c) For the purpose of allocating taxes levied by or for any taxing
 11 unit or units, the assessed value of taxable property in a territory in the
 12 economic development district that is annexed by any taxing unit after
 13 the effective date of the allocation provision of the declaratory
 14 ordinance is the lesser of:
 15 (1) the assessed value of the property for the assessment date
 16 with respect to which the allocation and distribution is made; or
 17 (2) the base assessed value.
 18 (d) Notwithstanding any other law, each assessor shall, upon

 20 or in, or added to, the economic development district effective on the
 21 next assessment date after the petition.
 22 (e) Notwithstanding any other law, the assessed value of all

 26 property is located, is the lesser of:
 27 (1) the assessed value of the property as valued without regard
 28 to this section; or
 29 (2) the base assessed value.
 30 (f) The state board of accounts and department of local
 31 government finance shall make the rules and prescribe the forms and
 32 procedures that they consider expedient for the implementation of this
 33 chapter. After each reassessment of a group of parcels under a
 34 reassessment plan prepared under IC 6-1.1-4-4.2 the ~~department of~~

10 (2) any part of the taxes imposed under this article on
11 depreciable personal property that the unit has by ordinance
12 allocated to the economic development district. However, the
13 ordinance may not limit the allocation to taxes on depreciable
14 personal property with any particular useful life or lives.

15 If a unit had, by ordinance adopted before May 8, 1987, allocated to an
16 economic development district property taxes imposed under IC 6-1.1
17 on depreciable personal property that has a useful life in excess of eight
18 (8) years, the ordinance continues in effect until an ordinance is

23 determined for the assessment date immediately preceding the
24 effective date of the allocation provision of the declaratory
25 resolution, as adjusted under subsection (f); plus
26 (2) to the extent that it is not included in subdivision (1), the net
27 assessed value of property that is assessed as residential property
28 under the rules of the department of local government finance,
29 within the economic development district, as finally determined
30 for *any the current* assessment date. *after the effective date of*
31 *the allocation provision.*

32 Subdivision (2) applies only to economic development districts
33 established after June 30, 1997, and to additional areas established
34 after June 30, 1997.

35 ~~(i)~~ **(j)** If a fiscal body confirms, or modifies and confirms, an

 18 **among the county and** each fire protection district, fire protection

 20 **provides fire protection, emergency medical services, or both in the**

27 (b) Revenue raised from a tax rate for fire protection and
 28 emergency medical services under section 2(b)(2) of this chapter shall
 29 be allocated to each fire protection district, fire protection territory,
 30 municipal fire department, and, if applicable, township fire
 31 departments and volunteer fire departments, based on the following
 32 formula:

33 STEP ONE: For each provider of fire protection and emergency

 6 STEP FOUR: For each provider of fire protection and
 7 emergency medical services located within the county that is
 8 eligible to receive revenue under this section; determine the sum
 9 of:
 10 (A) the STEP ONE result; plus
 11 (B) the STEP THREE result.
 12 STEP FIVE: Determine the sum total of the STEP FOUR results
 13 for each provider of fire protection and emergency medical
 14 services located within the county that is eligible to receive
 15 revenue under this section.
 16 STEP SIX: The percentage of revenue that shall be distributed
 17 to each provider of fire protection and emergency medical

 22 (b) Subject to subsection (d), the county may determine the
 23 allocation method for revenue raised from a tax rate for fire
 24 protection or emergency medical services under section 2(b)(2) of
 25 this chapter. However, in determining the allocation method, the
 26 county shall, for each provider of fire protection, emergency
 27 medical services, or both in the county, consider the service
 28 boundaries of the provider and the population living within the
 29 service boundaries of the provider using the most recent federal
 30 decennial census.
 31 (c) If at least fifty percent (50%) of fire runs made by a
 32 township fire department during the calendar year preceding by
 33 two (2) years the calendar year in which distribution amounts are
 34 being determined are carried out by full-time firefighters who
 35 receive a salary of at least thirty thousand dollars (\$30,000), the
 36 county shall distribute an allocation of revenue to the township fire
 37 department under this section.
 38 (d) In the case of a county that provides fire protection,
 39 emergency medical services, or both in part of the county, but not

6 that is served by the volunteer fire department.

7 (f) If the population living within the service boundaries of a
8 provider cannot be determined using data from the United States
9 Census Bureau, the county may determine an estimated population
10 based on income tax returns that report a residence located within
11 the service boundaries of the provider. The county auditor shall
12 provide the estimated population to the department of local
13 government finance not later than July 15 of the calendar year that
14 precedes the calendar year before the year in which the

 11 **beginning after December 31, 2028, a tax rate imposed by a county**
 12 **under this chapter may be imposed on a local taxpayer only if the**
 13 **county could impose the tax rates in IC 6-3.6-2(b)(1) through**
 14 **IC 6-3.6-2(b)(3) on the local taxpayer.**

15 SECTION 10 ~~↔~~ [5]. IC 6-3.6-7-9, AS AMENDED BY
 16 P.L.68-2025, SECTION 149, IS AMENDED TO READ AS
 17 FOLLOWS [EFFECTIVE JULY 1, 2028]: Sec. 9. (a) This section
 18 applies only to Hancock County.

19 (b) The county fiscal body may, by ordinance, allocate part of the
 20 tax rate imposed under IC 6-3.6-5 (before its expiration), not to exceed
 21 a tax rate of fifteen hundredths percent (0.15%), to a property tax credit
 22 against the property tax liability imposed for public libraries in the
 23 county, if all territory in the county is included in a library district. The
 24 county treasurer shall establish a library property tax replacement fund
 25 to be used only for the purposes described in this section. Tax revenues
 26 derived from the part of the tax rate imposed under IC 6-3.6-5 (before
 27 its expiration) that is designated for property tax replacement credits
 28 under this section shall be deposited in the library property tax
 29 replacement fund. Any interest earned on money in the library property
 30 tax replacement fund shall be credited to the library property tax
 31 replacement fund.

32 (c) The amount of property tax replacement credits that each
 33 public library in the county is entitled to receive during a calendar year
 34 under this section (before the expiration of IC 6-3.6-5) equals the lesser
 35 of:

36 (1) the product of:

37 (A) the amount of revenue deposited by the county auditor
 38 in the library property tax replacement fund; multiplied by

39 (B) a fraction described as follows:

40 (i) The numerator of the fraction equals the sum of the
 41 total property taxes that would have been collected by

from taxpayers located within the library district if the property tax replacement under this section had not been in effect.

(ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax replacement credits under this section if the property tax replacement under this section had not been in effect; or

(2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax replacement credit under this section were not in effect.

The department of local government finance shall make any adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into reciprocal borrowing agreements with all other public libraries in the county. If the total amount of tax revenue deposited by the county auditor in the library property tax replacement fund for a calendar year exceeds the total property tax liability that would otherwise be imposed for public libraries in the county for the year, the excess must remain in the library property tax replacement fund and may be used for library property tax replacement purposes in the following calendar year.

(d) A public library receiving property tax replacement credits under this section shall allocate the credits among each fund for which a distinct property tax levy is imposed in proportion to the property taxes levied for each fund. However, if a public library did not impose a property tax levy during the previous calendar year or did not impose a property tax levy for a particular fund during the previous calendar year, but the public library is imposing a property tax levy in the current calendar year or is imposing a property tax levy for the particular fund in the current calendar year, the department of local government finance shall adjust the amount of property tax replacement credits allocated among the various funds of the public library and shall provide the adjustment to the county auditor. If a public library receiving property tax replacement credits under this section does not impose a property tax levy for a particular fund that is first due and payable in a calendar year in which the property tax replacement credits are being distributed, the public library is not required to allocate to that fund a part of the property tax replacement credits to be distributed to the public library. Notwithstanding

1 IC 6-1.1-20-1.1(a)(1), a public library that receives property tax
2 replacement credits under this section is subject to the procedures for
3 the issuance of bonds set forth in IC 6-1.1-20.

4 (e) A public library shall treat property tax replacement credits
5 received during a particular calendar year under this section as a part
6 of the public library's property tax levy for each fund for that same
7 calendar year for purposes of fixing the public library's budget and for
8 purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

9 (f) For the purpose of allocating tax revenue under IC 6-3.6-6 and
10 computing and distributing tax revenue under IC 6-5.5 or IC 6-6-5, the
11 property tax replacement credits that are received under this section
12 shall be treated as though they were property taxes that were due and
13 payable during that same calendar year.

14 (g) **The county fiscal body shall adopt a resolution to allow a**

24 **proportional share of the population in each library district**
25 **compared to the total population in both library districts, based on**
26 **the most recent federal decennial census. After the county fiscal**
27 **body adopts a resolution under this subsection, before the transfer**
28 **may be made, and not later than July 1, 2029, the Hancock County**
29 **Public Library and Fortville Public Library shall each adopt a**
30 **substantially similar resolution requesting that the transfer be**

14 interest to perform the public work with the board's own
15 workforce.

16 A public work project performed by a board's own workforce must be
17 inspected and accepted as complete in the same manner as a public
18 work project performed under a contract awarded after receiving bids.

20 operator furnished by the owner, or the installation or application of
21 materials by the supplier of the materials, the project is considered to
22 be a public work project and subject to this chapter. However, an
23 annual contract may be awarded for equipment rental and materials to

7 SECTION 148 [51]. IC 36-7-14-39, AS AMENDED BY
8 P.L.181-2025, SECTION 20, IS AMENDED TO READ AS
9 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 39. (a) As used in
10 this section:

11 "Allocation area" means that part of a redevelopment project area
12 to which an allocation provision of a declaratory resolution adopted
13 under section 15 of this chapter refers for purposes of distribution and
14 allocation of property taxes.

15 "Base assessed value" means, subject to subsection (j), the
16 following:

17 (1) If an allocation provision is adopted after June 30, 1995, in a
18 declaratory resolution or an amendment to a declaratory
19 resolution establishing an economic development area:

20 (A) the net assessed value of all the property as finally
21 determined for the assessment date immediately preceding the
22 effective date of the allocation provision of the declaratory
23 resolution, as adjusted under subsection (h); plus

24 (B) to the extent that it is not included in clause (A), the net
25 assessed value of property that is assessed as residential
26 property under the rules of the department of local government
27 finance, within the allocation area, as finally determined for
28 the current assessment date.

29 (2) If an allocation provision is adopted after June 30, 1997, in a
30 declaratory resolution or an amendment to a declaratory
31 resolution establishing a redevelopment project area:

32 (A) the net assessed value of all the property as finally
33 determined for the assessment date immediately preceding the
34 effective date of the allocation provision of the declaratory
35 resolution, as adjusted under subsection (h); plus

36 (B) to the extent that it is not included in clause (A), the net
37 assessed value of property that is assessed as residential
38 property under the rules of the department of local government
39 finance, as finally determined for the current assessment date.

40 (3) If:
41 (A) an allocation provision adopted before June 30, 1995, in
42 a declaratory resolution or an amendment to a declaratory

1 resolution establishing a redevelopment project area expires
 2 after June 30, 1997; and
 3 (B) after June 30, 1997, a new allocation provision is included
 4 in an amendment to the declaratory resolution;
 5 the net assessed value of all the property as finally determined for
 6 the assessment date immediately preceding the effective date of
 7 the allocation provision adopted after June 30, 1997, as adjusted
 8 under subsection (h).
 9 (4) Except as provided in subdivision (5), for all other allocation
 10 areas, the net assessed value of all the property as finally
 11 determined for the assessment date immediately preceding the
 12 effective date of the allocation provision of the declaratory
 13 resolution, as adjusted under subsection (h).
 14 (5) If an allocation area established in an economic development
 15 area before July 1, 1995, is expanded after June 30, 1995, the
 16 definition in subdivision (1) applies to the expanded part of the
 17 area added after June 30, 1995.
 18 (6) If an allocation area established in a redevelopment project
 19 area before July 1, 1997, is expanded after June 30, 1997, the
 20 definition in subdivision (2) applies to the expanded part of the
 21 area added after June 30, 1997.
 22 Except as provided in section 39.3 of this chapter, "property taxes"
 23 means taxes imposed under IC 6-1.1 on real property. However, upon
 24 approval by a resolution of the redevelopment commission adopted
 25 before June 1, 1987, "property taxes" also includes taxes imposed
 26 under IC 6-1.1 on depreciable personal property. If a redevelopment
 27 commission adopted before June 1, 1987, a resolution to include within
 28 the definition of property taxes, taxes imposed under IC 6-1.1 on
 29 depreciable personal property that has a useful life in excess of eight
 30 (8) years, the commission may by resolution determine the percentage
 31 of taxes imposed under IC 6-1.1 on all depreciable personal property
 32 that will be included within the definition of property taxes. However,
 33 the percentage included must not exceed twenty-five percent (25%) of
 34 the taxes imposed under IC 6-1.1 on all depreciable personal property.
 35 (b) A declaratory resolution adopted under section 15 of this chapter
 36 on or before the allocation deadline determined under subsection (i)
 37 may include a provision with respect to the allocation and distribution
 38 of property taxes for the purposes and in the manner provided in this
 39 section. A declaratory resolution previously adopted may include an
 40 allocation provision by the amendment of that declaratory resolution on
 41 or before the allocation deadline determined under subsection (i) in
 42 accordance with the procedures required for its original adoption. A

1 declaratory resolution or amendment that establishes an allocation
 2 provision must include a specific finding of fact, supported by
 3 evidence, that the adoption of the allocation provision will result in
 4 new property taxes in the area that would not have been generated but
 5 for the adoption of the allocation provision. For an allocation area
 6 established before July 1, 1995, the expiration date of any allocation
 7 provisions for the allocation area is June 30, 2025, or the last date of
 8 any obligations that are outstanding on July 1, 2015, whichever is later.
 9 A declaratory resolution or an amendment that establishes an allocation
 10 provision after June 30, 1995, must specify an expiration date for the
 11 allocation provision. For an allocation area established before July 1,
 12 2008, the expiration date may not be more than thirty (30) years after
 13 the date on which the allocation provision is established. For an
 14 allocation area established after June 30, 2008, the expiration date may
 15 not be more than twenty-five (25) years after the date on which the first
 16 obligation was incurred to pay principal and interest on bonds or lease
 17 rentals on leases payable from tax increment revenues. However, with
 18 respect to bonds or other obligations that were issued before July 1,
 19 2008, if any of the bonds or other obligations that were scheduled when
 20 issued to mature before the specified expiration date and that are
 21 payable only from allocated tax proceeds with respect to the allocation
 22 area remain outstanding as of the expiration date, the allocation
 23 provision does not expire until all of the bonds or other obligations are
 24 no longer outstanding. Notwithstanding any other law, in the case of an
 25 allocation area that is established after June 30, 2019, and that is
 26 located in a redevelopment project area described in section
 27 25.1(c)(3)(C) of this chapter, an economic development area described
 28 in section 25.1(c)(3)(C) of this chapter, or an urban renewal project
 29 area described in section 25.1(c)(3)(C) of this chapter, the expiration
 30 date of the allocation provision may not be more than thirty-five (35)
 31 years after the date on which the allocation provision is established.
 32 The allocation provision may apply to all or part of the redevelopment
 33 project area. The allocation provision must require that any property
 34 taxes subsequently levied by or for the benefit of any public body
 35 entitled to a distribution of property taxes on taxable property in the
 36 allocation area be allocated and distributed as follows:

37 (1) Except as otherwise provided in this section, the proceeds of
 38 the taxes attributable to the lesser of:

39 (A) the assessed value of the property for the assessment date
 40 with respect to which the allocation and distribution is made;

41 or

42 (B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) This subdivision applies to a fire protection territory established after December 31, 2022. If a unit becomes a participating unit of a fire protection territory that is established after a declaratory resolution is adopted under section 15 of this chapter, the excess of the proceeds of the property taxes attributable to an increase in the property tax rate for the participating unit of a fire protection territory:

(A) except as otherwise provided by this subdivision, shall be determined as follows:

STEP ONE: Divide the unit's tax rate for fire protection for the year before the establishment of the fire protection territory by the participating unit's tax rate as part of the fire protection territory.

STEP TWO: Subtract the STEP ONE amount from one (1).

STEP THREE: Multiply the STEP TWO amount by the allocated property tax attributable to the participating unit of the fire protection territory; and

(B) to the extent not otherwise included in subdivisions (1) and (3), the amount determined under STEP THREE of clause

(A) shall be allocated to and distributed in the form of an allocated property tax revenue pass back to the participating unit of the fire protection territory for the assessment date with respect to which the allocation is made.

However, if the redevelopment commission determines that it is unable to meet its debt service obligations with regards to the allocation area without all or part of the allocated property tax revenue pass back to the participating unit of a fire protection area under this subdivision, then the allocated property tax revenue pass back under this subdivision shall be reduced by the amount necessary for the redevelopment commission to meet its debt service obligations of the allocation area. The calculation under this subdivision must be made by the redevelopment commission in collaboration with the county auditor and the applicable fire protection territory. Any calculation determined according to clause (A) must be submitted to the department of local government finance in the manner prescribed by the department of local government finance. The department of local government finance shall verify the accuracy of each calculation.

(3) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and

(4) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1), (2), and (3) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as authorized in section 12.2(a)(27) of this chapter.

(N) Expend revenues that are allocated for police and fire services on both capital expenditures and operating expenses as authorized in section 12.2(a)(28) of this chapter.

The allocation fund may not be used for operating expenses of the commission.

(5) Except as provided in subsection (g), before June 15 of each year, the commission shall do the following:

- (A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (4), plus the amount necessary for other purposes described in subdivision (4).

body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The county auditor, upon receiving the notice, shall forward this notice (in an electronic format) to the department of local government finance not later than June 15 of each year. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (4) or lessors under section 25.3 of this chapter. **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

 12 (6) Notwithstanding subdivision (5), in the case of an allocation
 13 area that is established after June 30, 2019, and that is located in

 17 area described in section 25.1(c)(3)(C) of this chapter, for each
 18 year the allocation provision is in effect, if the amount of excess
 19 assessed value determined by the commission under subdivision
 20 (5)(A) is expected to generate more than two hundred percent
 21 (200%) of:
 22 (A) the amount of allocated tax proceeds necessary to make,
 23 when due, principal and interest payments on bonds described
 24 in subdivision (4) for the project; plus
 25 (B) the amount necessary for other purposes described in
 26 subdivision (4) for the project;
 27 the amount of the excess assessed value that generates more than
 28 two hundred percent (200%) of the amounts described in clauses
 29 (A) and (B) shall be allocated to the respective taxing units in the

 31 (c) For the purpose of allocating taxes levied by or for any taxing
 32 unit or units, the assessed value of taxable property in a territory in the

 36 (1) the assessed value of the property for the assessment date with
 37 respect to which the allocation and distribution is made; or
 38 (2) the base assessed value.
 39 (d) Property tax proceeds allocable to the redevelopment district

1 (e) Notwithstanding any other law, each assessor shall, upon
 2 petition of the redevelopment commission, reassess the taxable
 3 property situated upon or in, or added to, the allocation area, effective
 4 on the next assessment date after the petition.

5 (f) Notwithstanding any other law, the assessed value of all taxable
 6 property in the allocation area, for purposes of tax limitation, property
 7 tax replacement, and formulation of the budget, tax rate, and tax levy
 8 for each political subdivision in which the property is located is the
 9 lesser of:

10 (1) the assessed value of the property as valued without regard to
 11 this section; or
 12 (2) the base assessed value.

13 (g) If any part of the allocation area is located in an enterprise zone
 14 created under IC 5-28-15, the unit that designated the allocation area
 15 shall create funds as specified in this subsection. A unit that has
 16 obligations, bonds, or leases payable from allocated tax proceeds under
 17 subsection (b)(4) shall establish an allocation fund for the purposes
 18 specified in subsection (b)(4) and a special zone fund. Such a unit
 19 shall, until the end of the enterprise zone phase out period, deposit each
 20 year in the special zone fund any amount in the allocation fund derived
 21 from property tax proceeds in excess of those described in subsection
 22 (b)(1), (b)(2), and (b)(3) from property located in the enterprise zone
 23 that exceeds the amount sufficient for the purposes specified in
 24 subsection (b)(4) for the year. The amount sufficient for purposes
 25 specified in subsection (b)(4) for the year shall be determined based on
 26 the pro rata portion of such current property tax proceeds from the part
 27 of the enterprise zone that is within the allocation area as compared to
 28 all such current property tax proceeds derived from the allocation area.
 29 A unit that has no obligations, bonds, or leases payable from allocated
 30 tax proceeds under subsection (b)(4) shall establish a special zone fund
 31 and deposit all the property tax proceeds in excess of those described
 32 in subsection (b)(1), (b)(2), and (b)(3) in the fund derived from
 33 property tax proceeds in excess of those described in subsection (b)(1),
 34 (b)(2), and (b)(3) from property located in the enterprise zone. The unit
 35 that creates the special zone fund shall use the fund (based on the
 36 recommendations of the urban enterprise association) for programs in
 37 job training, job enrichment, and basic skill development that are
 38 designed to benefit residents and employers in the enterprise zone or
 39 other purposes specified in subsection (b)(4), except that where
 40 reference is made in subsection (b)(4) to allocation area it shall refer

18 However, the adjustments under this subsection:

- 19 (1) may not include the effect of phasing in assessed value due to
- 20 property tax abatements under IC 6-1.1-12.1;
- 21 (2) may not produce less property tax proceeds allocable to the

- 25 (3) may decrease base assessed value only to the extent that
- 26 assessed values in the allocation area have been decreased due to
- 27 annual adjustments or the reassessment under the reassessment
- 28 plan.

29 Assessed value increases attributable to the application of an abatement

 4 (3) At least one (1) year before the date of an allocation deadline

 6 a law that:
 7 (A) terminates the automatic extension of allocation deadlines
 8 under subdivision (2); and
 9 (B) specifically designates a particular date as the final

 11 (j) If a redevelopment commission adopts a declaratory resolution
 12 or an amendment to a declaratory resolution that contains an allocation
 13 provision and the redevelopment commission makes either of the
 14 filings required under section 17(e) of this chapter after the first
 15 anniversary of the effective date of the allocation provision, the auditor

 21 (2) the date on which the documents are filed with the department

 30 Notwithstanding section 39(a) of this chapter, with respect to the
 31 allocation and distribution of property taxes for the accomplishment of
 32 a program adopted under section 45 of this chapter, "base assessed

- 2 (2) The construction, reconstruction, or repair of any
- 3 infrastructure (including streets, sidewalks, and sewers) within or
- 4 serving the allocation area.
- 5 (3) The acquisition of real property and interests in real property
- 6 within the allocation area.
- 7 (4) The demolition of real property within the allocation area.
- 8 (5) The provision of financial assistance to enable individuals and
- 9 families to purchase or lease residential units within the allocation
- 10 area. However, financial assistance may be provided only to those
- 11 individuals and families whose income is at or below the county's
- 12 median income for individuals and families, respectively.
- 13 (6) The provision of financial assistance to neighborhood
- 14 development corporations to permit them to provide financial
- 15 assistance for the purposes described in subdivision (5).
- 16 (7) For property taxes first due and payable before January 1,
- 17 2009, providing each taxpayer in the allocation area a credit for
- 18 property tax replacement as determined under subsections (c) and
- 19 (d). However, the commission may provide this credit only if the
- 20 municipal legislative body (in the case of a redevelopment
- 21 commission established by a municipality) or the county
- 22 executive (in the case of a redevelopment commission established
- 23 by a county) establishes the credit by ordinance adopted in the
- 24 year before the year in which the credit is provided.
- 25 (c) The maximum credit that may be provided under subsection
- 26 (b)(7) to a taxpayer in a taxing district that contains all or part of an
- 27 allocation area established for a program adopted under section 45 of
- 28 this chapter shall be determined as follows:
- 29 STEP ONE: Determine that part of the sum of the amounts
- 30 described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2)
- 31 through IC 6-1.1-21-2(g)(5) (before their repeal) that is
- 32 attributable to the taxing district.
- 33 STEP TWO: Divide:
- 34 (A) that part of each county's eligible property tax replacement
- 35 amount (as defined in IC 6-1.1-21-2) (before its repeal) for
- 36 that year as determined under IC 6-1.1-21-4(a)(1) (before its
- 37 repeal) that is attributable to the taxing district; by
- 38 (B) the amount determined under STEP ONE.
- 39 STEP THREE: Multiply:
- 40 (A) the STEP TWO quotient; by
- 41 (B) the taxpayer's taxes (as defined in IC 6-1.1-21-2) (before
- 42 its repeal) levied in the taxing district allocated to the

1 allocation fund, including the amount that would have been
 2 allocated but for the credit.

3 (d) The commission may determine to grant to taxpayers in an
 4 allocation area from its allocation fund a credit under this section, as
 5 calculated under subsection (c). Except as provided in subsection (g),
 6 one-half (1/2) of the credit shall be applied to each installment of taxes
 7 (as defined in IC 6-1.1-21-2) (before its repeal) that under
 8 IC 6-1.1-22-9 are due and payable in a year. The commission must
 9 provide for the credit annually by a resolution and must find in the
 10 resolution the following:

11 (1) That the money to be collected and deposited in the allocation
 12 fund, based upon historical collection rates, after granting the
 13 credit will equal the amounts payable for contractual obligations
 14 from the fund, plus ten percent (10%) of those amounts.

15 (2) If bonds payable from the fund are outstanding, that there is
 16 a debt service reserve for the bonds that at least equals the amount
 17 of the credit to be granted.

18 (3) If bonds of a lessor under section 25.2 of this chapter or under
 19 IC 36-1-10 are outstanding and if lease rentals are payable from
 20 the fund, that there is a debt service reserve for those bonds that
 21 at least equals the amount of the credit to be granted.

22 If the tax increment is insufficient to grant the credit in full, the
 23 commission may grant the credit in part, prorated among all taxpayers.

24 (e) Notwithstanding section 39(b) of this chapter, the allocation
 25 fund established under section 39(b) of this chapter for the allocation
 26 area for a program adopted under section 45 of this chapter may only
 27 be used to do one (1) or more of the following:

28 (1) Accomplish one (1) or more of the actions set forth in section
 29 39(b)(4)(A) through 39(b)(4)(H) and 39(b)(4)(J) of this chapter
 30 for property that is residential in nature.

31 (2) Reimburse the county or municipality for expenditures made
 32 by the county or municipality in order to accomplish the housing
 33 program in that allocation area.

34 The allocation fund may not be used for operating expenses of the
 35 commission.

36 (f) Notwithstanding section 39(b) of this chapter, the commission
 37 shall, relative to the allocation fund established under section 39(b) of
 38 this chapter for an allocation area for a program adopted under section
 39 45 of this chapter, do the following before June 15 of each year:

- (B) make, when due, principal and interest payments on bonds described in section 39(b)(4) of this chapter;
- (C) pay the amount necessary for other purposes described in section 39(b)(4) of this chapter; and

(2) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The county auditor, upon receiving the notice, shall forward this notice (in an electronic format) to the department of local government finance not later than June 15 of each year. The notice must:

- (A) state the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 39(b)(1) of this chapter; or
- (B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. **If a commission fails to provide the notice under this subdivision, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate**

the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.

(3) If:

(A) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (1); plus

(B) the amount necessary for other purposes described in subdivision (1);

the commission shall submit to the legislative body of the unit its determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (2). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (2).

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential property under the rules of the department of local government finance is not included in the base assessed value. If property tax installments with respect to a homestead (as defined in IC 6-1.1-12-37) are due in installments established by the department of local government finance under IC 6-1.1-22-9.5, each taxpayer subject to those installments in an allocation area is entitled to an additional credit under subsection (d) for the taxes (as defined in IC 6-1.1-21-2) (before its repeal) due in installments. The credit shall be applied in the same proportion to each installment of taxes (as defined in IC 6-1.1-21-2) (before its repeal).

24 SECTION 15 ~~5~~ [5]. IC 36-7-15.1-26, AS AMENDED BY
25 P.L.174-2022, SECTION 72, IS AMENDED TO READ AS
26 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26. (a) As used in
27 this section:

28 "Allocation area" means that part of a redevelopment project area
29 to which an allocation provision of a resolution adopted under section
30 8 of this chapter refers for purposes of distribution and allocation of
31 property taxes.

32 "Base assessed value" means, subject to subsection (j), the
33 following:

- 34 (1) If an allocation provision is adopted after June 30, 1995, in a
35 declaratory resolution or an amendment to a declaratory
36 resolution establishing an economic development area:
 - 37 (A) the net assessed value of all the property as finally
38 determined for the assessment date immediately preceding the
39 effective date of the allocation provision of the declaratory
40 resolution, as adjusted under subsection (h); plus
 - 41 (B) to the extent that it is not included in clause (A), the net

property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted

1 before June 1, 1987, "property taxes" also includes taxes imposed
 2 under IC 6-1.1 on depreciable personal property. If a redevelopment
 3 commission adopted before June 1, 1987, a resolution to include within
 4 the definition of property taxes, taxes imposed under IC 6-1.1 on
 5 depreciable personal property that has a useful life in excess of eight
 6 (8) years, the commission may by resolution determine the percentage
 7 of taxes imposed under IC 6-1.1 on all depreciable personal property
 8 that will be included within the definition of property taxes. However,
 9 the percentage included must not exceed twenty-five percent (25%) of
 10 the taxes imposed under IC 6-1.1 on all depreciable personal property.

11 (b) A resolution adopted under section 8 of this chapter on or before
 12 the allocation deadline determined under subsection (i) may include a
 13 provision with respect to the allocation and distribution of property
 14 taxes for the purposes and in the manner provided in this section. A
 15 resolution previously adopted may include an allocation provision by
 16 the amendment of that resolution on or before the allocation deadline
 17 determined under subsection (i) in accordance with the procedures
 18 required for its original adoption. A declaratory resolution or
 19 amendment that establishes an allocation provision must include a
 20 specific finding of fact, supported by evidence, that the adoption of the
 21 allocation provision will result in new property taxes in the area that
 22 would not have been generated but for the adoption of the allocation
 23 provision. For an allocation area established before July 1, 1995, the
 24 expiration date of any allocation provisions for the allocation area is
 25 June 30, 2025, or the last date of any obligations that are outstanding
 26 on July 1, 2015, whichever is later. However, for an allocation area
 27 identified as the Consolidated Allocation Area in the report submitted
 28 in 2013 to the fiscal body under section 36.3 of this chapter, the
 29 expiration date of any allocation provisions for the allocation area is
 30 January 1, 2051. A declaratory resolution or an amendment that
 31 establishes an allocation provision after June 30, 1995, must specify an
 32 expiration date for the allocation provision. For an allocation area
 33 established before July 1, 2008, the expiration date may not be more
 34 than thirty (30) years after the date on which the allocation provision
 35 is established. For an allocation area established after June 30, 2008,
 36 the expiration date may not be more than twenty-five (25) years after
 37 the date on which the first obligation was incurred to pay principal and
 38 interest on bonds or lease rentals on leases payable from tax increment
 39 revenues. However, with respect to bonds or other obligations that were
 40 issued before July 1, 2008, if any of the bonds or other obligations that
 41 were scheduled when issued to mature before the specified expiration
 42 date and that are payable only from allocated tax proceeds with respect

1 to the allocation area remain outstanding as of the expiration date, the
2 allocation provision does not expire until all of the bonds or other
3 obligations are no longer outstanding. The allocation provision may
4 apply to all or part of the redevelopment project area. The allocation
5 provision must require that any property taxes subsequently levied by
6 or for the benefit of any public body entitled to a distribution of
7 property taxes on taxable property in the allocation area be allocated
8 and distributed as follows:

9 (1) Except as otherwise provided in this section, the proceeds of
10 the taxes attributable to the lesser of:

11 (A) the assessed value of the property for the assessment date
12 with respect to which the allocation and distribution is made;
13 or

14 (B) the base assessed value;

15 shall be allocated to and, when collected, paid into the funds of
16 the respective taxing units.

17 (2) The excess of the proceeds of the property taxes imposed for
18 the assessment date with respect to which the allocation and
19 distribution is made that are attributable to taxes imposed after
20 being approved by the voters in a referendum or local public
21 question conducted after April 30, 2010, not otherwise included
22 in subdivision (1) shall be allocated to and, when collected, paid
23 into the funds of the taxing unit for which the referendum or local
24 public question was conducted.

25 (3) Except as otherwise provided in this section, property tax
26 proceeds in excess of those described in subdivisions (1) and (2)
27 shall be allocated to the redevelopment district and, when
28 collected, paid into a special fund for that allocation area that may
29 be used by the redevelopment district only to do one (1) or more
30 of the following:

31 (A) Pay the principal of and interest on any obligations
32 payable solely from allocated tax proceeds that are incurred by
33 the redevelopment district for the purpose of financing or
34 refinancing the redevelopment of that allocation area.

35 (B) Establish, augment, or restore the debt service reserve for
36 bonds payable solely or in part from allocated tax proceeds in
37 that allocation area.

38 (C) Pay the principal of and interest on bonds payable from
39 allocated tax proceeds in that allocation area and from the
40 special tax levied under section 19 of this chapter.

41 (D) Pay the principal of and interest on bonds issued by the
42 consolidated city to pay for local public improvements that are

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and

- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.
- (K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance.

The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate**

five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.

(C) If:

- (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
- (ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon

1 petition of the commission, reassess the taxable property situated upon
 2 or in, or added to, the allocation area, effective on the next assessment
 3 date after the petition.

4 (f) Notwithstanding any other law, the assessed value of all taxable
 5 property in the allocation area, for purposes of tax limitation, property
 6 tax replacement, and formulation of the budget, tax rate, and tax levy
 7 for each political subdivision in which the property is located is the
 8 lesser of:

9 (1) the assessed value of the property as valued without regard to
 10 this section; or
 11 (2) the base assessed value.

12 (g) If any part of the allocation area is located in an enterprise zone
 13 created under IC 5-28-15, the unit that designated the allocation area
 14 shall create funds as specified in this subsection. A unit that has
 15 obligations, bonds, or leases payable from allocated tax proceeds under
 16 subsection (b)(3) shall establish an allocation fund for the purposes
 17 specified in subsection (b)(3) and a special zone fund. Such a unit
 18 shall, until the end of the enterprise zone phase out period, deposit each
 19 year in the special zone fund the amount in the allocation fund derived
 20 from property tax proceeds in excess of those described in subsection
 21 (b)(1) and (b)(2) from property located in the enterprise zone that
 22 exceeds the amount sufficient for the purposes specified in subsection
 23 (b)(3) for the year. A unit that has no obligations, bonds, or leases
 24 payable from allocated tax proceeds under subsection (b)(3) shall
 25 establish a special zone fund and deposit all the property tax proceeds
 26 in excess of those described in subsection (b)(1) and (b)(2) in the fund
 27 derived from property tax proceeds in excess of those described in
 28 subsection (b)(1) and (b)(2) from property located in the enterprise
 29 zone. The unit that creates the special zone fund shall use the fund,
 30 based on the recommendations of the urban enterprise association, for
 31 one (1) or more of the following purposes:

32 (1) To pay for programs in job training, job enrichment, and basic
 33 skill development designed to benefit residents and employers in
 34 the enterprise zone. The programs must reserve at least one-half
 35 (1/2) of the enrollment in any session for residents of the
 36 enterprise zone.

37 (2) To make loans and grants for the purpose of stimulating
 38 business activity in the enterprise zone or providing employment
 39 for enterprise zone residents in the enterprise zone. These loans
 40 and grants may be made to the following:

41 (A) Businesses operating in the enterprise zone.

However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the ~~department of local government finance county auditor~~ shall, **on forms prescribed by the department of local government finance**, adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the ~~department of local government finance county auditor~~ shall, **on forms prescribed by the department of local government finance**, adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or annual adjustment had not occurred. ~~[The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments. The county auditor shall, in the manner prescribed by the department of local government finance, submit the forms required by this subsection to the department of local government finance no later than July 15 of each year.~~

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact

1 a law that:

4 (B) specifically designates a particular date as the final

6 (j) If the commission adopts a declaratory resolution or an

7 amendment to a declaratory resolution that contains an allocation

8 provision and the commission makes either of the filings required

9 under section 10(e) of this chapter after the first anniversary of the

10 effective date of the allocation provision, the auditor of the county in

11 which the unit is located shall compute the base assessed value for the

13 later of:

14 (1) the date on which the documents are filed with the county

16 (2) the date on which the documents are filed with the department

17 of local government finance.

18 (k) For an allocation area established after June 30, 2024,

19 "residential property" refers to the assessed value of property that is

20 allocated to the one percent (1%) homestead land and improvement

21 categories in the county tax and billing software system, along with the

23 rate for the local income tax property tax relief credit designated for

27 FOLLOWS [EFFECTIVE JULY 1, 2028]: Sec. 26. (a) As used in this

28 section:

29 "Allocation area" means that part of a redevelopment project area

30 to which an allocation provision of a resolution adopted under section

31 8 of this chapter refers for purposes of distribution and allocation of

33 "Base assessed value" means, subject to subsection (j), the

4 the current assessment date.

5 (2) If an allocation provision is adopted after June 30, 1997, in a
6 declaratory resolution or an amendment to a declaratory
7 resolution establishing a redevelopment project area:
8 (A) the net assessed value of all the property as finally
9 determined for the assessment date immediately preceding the
10 effective date of the allocation provision of the declaratory

12 (B) to the extent that it is not included in clause (A), the net
13 assessed value of property that is assessed as residential
14 property under the rules of the department of local government

16 the current assessment date.

17 (3) If:
18 (A) an allocation provision adopted before June 30, 1995, in
19 a declaratory resolution or an amendment to a declaratory
20 resolution establishing a redevelopment project area expires
21 after June 30, 1997; and
22 (B) after June 30, 1997, a new allocation provision is included

24 the net assessed value of all the property as finally determined for
25 the assessment date immediately preceding the effective date of

28 (4) Except as provided in subdivision (5), for all other allocation
29 areas, the net assessed value of all the property as finally
30 determined for the assessment date immediately preceding the
31 effective date of the allocation provision of the declaratory
32 resolution, as adjusted under subsection (h).

33 (5) If an allocation area established in an economic development
34 area before July 1, 1995, is expanded after June 30, 1995, the
35 definition in subdivision (1) applies to the expanded part of the
36 area added after June 30, 1995.

37 (6) If an allocation area established in a redevelopment project
38 area before July 1, 1997, is expanded after June 30, 1997, the
39 definition in subdivision (2) applies to the expanded part of the
40 area added after June 30, 1997.

41 Except as provided in section 26.2 of this chapter, "property taxes"

1 approval by a resolution of the redevelopment commission adopted

 3 under IC 6-1.1 on depreciable personal property. If a redevelopment
 4 commission adopted before June 1, 1987, a resolution to include within
 5 the definition of property taxes, taxes imposed under IC 6-1.1 on
 6 depreciable personal property that has a useful life in excess of eight
 7 (8) years, the commission may by resolution determine the percentage
 8 of taxes imposed under IC 6-1.1 on all depreciable personal property
 9 that will be included within the definition of property taxes. However,
 10 the percentage included must not exceed twenty-five percent (25%) of
 11 the taxes imposed under IC 6-1.1 on all depreciable personal property.

12 (b) A resolution adopted under section 8 of this chapter on or before
 13 the allocation deadline determined under subsection (i) may include a
 14 provision with respect to the allocation and distribution of property
 15 taxes for the purposes and in the manner provided in this section. A
 16 resolution previously adopted may include an allocation provision by
 17 the amendment of that resolution on or before the allocation deadline
 18 determined under subsection (i) in accordance with the procedures
 19 required for its original adoption. A declaratory resolution or
 20 amendment that establishes an allocation provision must include a
 21 specific finding of fact, supported by evidence, that the adoption of the
 22 allocation provision will result in new property taxes in the area that
 23 would not have been generated but for the adoption of the allocation
 24 provision. For an allocation area established before July 1, 1995, the
 25 expiration date of any allocation provisions for the allocation area is
 26 June 30, 2025, or the last date of any obligations that are outstanding
 27 on July 1, 2015, whichever is later. However, for an allocation area
 28 identified as the Consolidated Allocation Area in the report submitted
 29 in 2013 to the fiscal body under section 36.3 of this chapter, the
 30 expiration date of any allocation provisions for the allocation area is
 31 January 1, 2051. A declaratory resolution or an amendment that
 32 establishes an allocation provision after June 30, 1995, must specify an
 33 expiration date for the allocation provision. For an allocation area
 34 established before July 1, 2008, the expiration date may not be more
 35 than thirty (30) years after the date on which the allocation provision
 36 is established. For an allocation area established after June 30, 2008,
 37 the expiration date may not be more than twenty-five (25) years after
 38 the date on which the first obligation was incurred to pay principal and
 39 interest on bonds or lease rentals on leases payable from tax increment
 40 revenues. However, with respect to bonds or other obligations that were
 41 issued before July 1, 2008, if any of the bonds or other obligations that
 42 were scheduled when issued to mature before the specified expiration

1 date and that are payable only from allocated tax proceeds with respect
 2 to the allocation area remain outstanding as of the expiration date, the
 3 allocation provision does not expire until all of the bonds or other
 4 obligations are no longer outstanding. The allocation provision may
 5 apply to all or part of the redevelopment project area. The allocation
 6 provision must require that any property taxes subsequently levied by
 7 or for the benefit of any public body entitled to a distribution of
 8 property taxes on taxable property in the allocation area be allocated
 9 and distributed as follows:

10 (1) Except as otherwise provided in this section, the proceeds of
 11 the taxes attributable to the lesser of:

12 (A) the assessed value of the property for the assessment date
 13 with respect to which the allocation and distribution is made;
 14 or

15 (B) the base assessed value;

16 shall be allocated to and, when collected, paid into the funds of
 17 the respective taxing units.

18 (2) The excess of the proceeds of the property taxes imposed for
 19 the assessment date with respect to which the allocation and
 20 distribution is made that are attributable to taxes imposed after
 21 being approved by the voters in a referendum or local public
 22 question conducted after April 30, 2010, not otherwise included
 23 in subdivision (1) shall be allocated to and, when collected, paid
 24 into the funds of the taxing unit for which the referendum or local
 25 public question was conducted.

26 (3) Except as otherwise provided in this section, property tax
 27 proceeds in excess of those described in subdivisions (1) and (2)
 28 shall be allocated to the redevelopment district and, when
 29 collected, paid into a special fund for that allocation area that may
 30 be used by the redevelopment district only to do one (1) or more
 31 of the following:

32 (A) Pay the principal of and interest on any obligations
 33 payable solely from allocated tax proceeds that are incurred by
 34 the redevelopment district for the purpose of financing or
 35 refinancing the redevelopment of that allocation area.

36 (B) Establish, augment, or restore the debt service reserve for
 37 bonds payable solely or in part from allocated tax proceeds in
 38 that allocation area.

39 (C) Pay the principal of and interest on bonds payable from
 40 allocated tax proceeds in that allocation area and from the
 41 special tax levied under section 19 of this chapter.

42 (D) Pay the principal of and interest on bonds issued by the

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this

(ii) Make any reimbursements required under this subdivision.
(iii) Pay any expenses required under this subdivision.
(iv) Establish, augment, or restore any debt service reserve under this subdivision.
(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the**

notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.

(C) If:

- (i) the amount of excess assessed value determined by the commission is expected to generate more than two hundred percent (200%) of the amount of allocated tax proceeds necessary to make, when due, principal and interest payments on bonds described in subdivision (3); plus
- (ii) the amount necessary for other purposes described in subdivision (3) and subsection (g);

the commission shall submit to the legislative body of the unit the commission's determination of the excess assessed value that the commission proposes to allocate to the respective taxing units in the manner prescribed in subdivision (1). The legislative body of the unit may approve the commission's determination or modify the amount of the excess assessed value that will be allocated to the respective taxing units in the manner prescribed in subdivision (1).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

- 1 (e) Notwithstanding any other law, each assessor shall, upon
- 2 petition of the commission, reassess the taxable property situated upon
- 3 or in, or added to, the allocation area, effective on the next assessment
- 4 date after the petition.
- 5 (f) Notwithstanding any other law, the assessed value of all taxable
- 6 property in the allocation area, for purposes of tax limitation, property
- 7 tax replacement, and formulation of the budget, tax rate, and tax levy
- 8 for each political subdivision in which the property is located is the
- 9 lesser of:
- 10 (1) the assessed value of the property as valued without regard to

- 12 (2) the base assessed value.
- 13 (g) If any part of the allocation area is located in an enterprise zone
- 14 created under IC 5-28-15, the unit that designated the allocation area

- 22 (b)(1) and (b)(2) from property located in the enterprise zone that
- 23 exceeds the amount sufficient for the purposes specified in subsection

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the ~~department of local government finance~~ **county auditor** shall, **on forms prescribed by the department of local government finance**, adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the ~~department of local government finance~~ **county auditor** shall, **on forms prescribed by the department of local government finance**, adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. (i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

3 (A) terminates the automatic extension of allocation deadlines
4 under subdivision (2); and

5 (B) specifically designates a particular date as the final

7 (j) If the commission adopts a declaratory resolution or an
8 amendment to a declaratory resolution that contains an allocation
9 provision and the commission makes either of the filings required
10 under section 10(e) of this chapter after the first anniversary of the
11 effective date of the allocation provision, the auditor of the county in

29 Notwithstanding section 26(a) of this chapter, with respect to the
30 allocation and distribution of property taxes for the accomplishment of
31 a program adopted under section 32 of this chapter, "base assessed

33 value of all of the land as finally determined for the assessment date
34 immediately preceding the effective date of the allocation provision, as
35 adjusted under section 26(h) of this chapter. However, "base assessed
36 value" does not include the value of real property improvements to the
37 land.

38 (b) The special fund established under section 26(b) of this chapter

1 (d) Except as provided in subsection (g), the commission may
2 determine to grant to taxpayers in an allocation area from its allocation
3 fund a credit under this section, as calculated under subsection (c), by
4 applying one-half (1/2) of the credit to each installment of taxes (as
5 defined in IC 6-1.1-21-2 (before its repeal)) that under IC 6-1.1-22-9
6 are due and payable in a year. Except as provided in subsection (g),
7 one-half (1/2) of the credit shall be applied to each installment of taxes
8 (as defined in IC 6-1.1-21-2 (before its repeal)). The commission must
9 provide for the credit annually by a resolution and must find in the
10 resolution the following:

11 (1) That the money to be collected and deposited in the allocation
12 fund, based upon historical collection rates, after granting the
13 credit will equal the amounts payable for contractual obligations
14 from the fund, plus ten percent (10%) of those amounts.

15 (2) If bonds payable from the fund are outstanding, that there is
16 a debt service reserve for the bonds that at least equals the amount
17 of the credit to be granted.

18 (3) If bonds of a lessor under section 17.1 of this chapter or under
19 IC 36-1-10 are outstanding and if lease rentals are payable from
20 the fund, that there is a debt service reserve for those bonds that
21 at least equals the amount of the credit to be granted.

22 If the tax increment is insufficient to grant the credit in full, the
23 commission may grant the credit in part, prorated among all taxpayers.

24 (e) Notwithstanding section 26(b) of this chapter, the special fund
25 established under section 26(b) of this chapter for the allocation area
26 for a program adopted under section 32 of this chapter may only be
27 used to do one (1) or more of the following:

28 (1) Accomplish one (1) or more of the actions set forth in section

30 (2) Reimburse the consolidated city for expenditures made by the
31 city in order to accomplish the housing program in that allocation
32 area.

33 The special fund may not be used for operating expenses of the
34 commission.

35 (f) Notwithstanding section 26(b) of this chapter, the commission
36 shall, relative to the special fund established under section 26(b) of this
37 chapter for an allocation area for a program adopted under section 32
38 of this chapter, do the following before June 15 of each year:

39 (1) Determine the amount, if any, by which the assessed value of
40 the taxable property in the allocation area, when multiplied by the
41 estimated tax rate of the allocation area, will exceed the amount

- (B) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. **If a commission fails to provide the notice under this subdivision, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. However, if the commission notifies the county auditor and the department of local government finance, no later than July 1, that it is unable to meet its debt service obligations with regard to the allocation area without all or part of the allocated tax proceeds attributed to the assessed value that has been allocated to the respective taxing units, then the county auditor may not allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units.**

(g) This subsection applies to an allocation area only to the extent that the net assessed value of property that is assessed as residential

3 with respect to a homestead (as defined in IC 6-1.1-20.9-1 (before its
4 repeal)) are due in installments established by the department of local
5 government finance under IC 6-1.1-22-9.5, each taxpayer subject to
6 those installments in an allocation area is entitled to an additional

8 (before its repeal)) due in installments. The credit shall be applied in
9 the same proportion to each installment of taxes (as defined in
10 IC 6-1.1-21-2 (before its repeal)).

11 SECTION 15<5>[8]. IC 36-7-15.1-53, AS AMENDED BY
12 P.L.174-2022, SECTION 73, IS AMENDED TO READ AS
13 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 53. (a) As used in
14 this section:

15 "Allocation area" means that part of a redevelopment project area
16 to which an allocation provision of a resolution adopted under section
17 40 of this chapter refers for purposes of distribution and allocation of
18 property taxes.

19 "Base assessed value" means, subject to subsection (j):
20 (1) the net assessed value of all the property as finally determined
21 for the assessment date immediately preceding the effective date
22 of the allocation provision of the declaratory resolution, as
23 adjusted under subsection (h); plus
24 (2) to the extent that it is not included in subdivision (1), the net
25 assessed value of property that is assessed as residential property
26 under the rules of the department of local government finance, as
27 finally determined for the current assessment date.

28 Except as provided in section 55 of this chapter, "property taxes"
29 means taxes imposed under IC 6-1.1 on real property.

30 (b) A resolution adopted under section 40 of this chapter on or
31 before the allocation deadline determined under subsection (i) may
32 include a provision with respect to the allocation and distribution of
33 property taxes for the purposes and in the manner provided in this
34 section. A resolution previously adopted may include an allocation
35 provision by the amendment of that resolution on or before the
36 allocation deadline determined under subsection (i) in accordance with
37 the procedures required for its original adoption. A declaratory
38 resolution or an amendment that establishes an allocation provision
39 must be approved by resolution of the legislative body of the excluded
40 city and must specify an expiration date for the allocation provision.
41 For an allocation area established before July 1, 2008, the expiration
42 date may not be more than thirty (30) years after the date on which the

1 allocation provision is established. For an allocation area established
 2 after June 30, 2008, the expiration date may not be more than
 3 twenty-five (25) years after the date on which the first obligation was
 4 incurred to pay principal and interest on bonds or lease rentals on
 5 leases payable from tax increment revenues. However, with respect to
 6 bonds or other obligations that were issued before July 1, 2008, if any
 7 of the bonds or other obligations that were scheduled when issued to
 8 mature before the specified expiration date and that are payable only
 9 from allocated tax proceeds with respect to the allocation area remain
 10 outstanding as of the expiration date, the allocation provision does not
 11 expire until all of the bonds or other obligations are no longer
 12 outstanding. The allocation provision may apply to all or part of the
 13 redevelopment project area. The allocation provision must require that
 14 any property taxes subsequently levied by or for the benefit of any
 15 public body entitled to a distribution of property taxes on taxable
 16 property in the allocation area be allocated and distributed as follows:

17 (1) Except as otherwise provided in this section, the proceeds of
 18 the taxes attributable to the lesser of:

19 (A) the assessed value of the property for the assessment date
 20 with respect to which the allocation and distribution is made;

21 or

22 (B) the base assessed value;

23 shall be allocated to and, when collected, paid into the funds of
 24 the respective taxing units.

25 (2) The excess of the proceeds of the property taxes imposed for
 26 the assessment date with respect to which the allocation and
 27 distribution is made that are attributable to taxes imposed after
 28 being approved by the voters in a referendum or local public
 29 question conducted after April 30, 2010, not otherwise included
 30 in subdivision (1) shall be allocated to and, when collected, paid
 31 into the funds of the taxing unit for which the referendum or local
 32 public question was conducted.

33 (3) Except as otherwise provided in this section, property tax
 34 proceeds in excess of those described in subdivisions (1) and (2)
 35 shall be allocated to the redevelopment district and, when
 36 collected, paid into a special fund for that allocation area that may
 37 be used by the redevelopment district only to do one (1) or more
 38 of the following:

39 (A) Pay the principal of and interest on any obligations
 40 payable solely from allocated tax proceeds that are incurred by
 41 the redevelopment district for the purpose of financing or
 42 refinancing the redevelopment of that allocation area.

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3). **If a commission fails to provide the notice under this clause, the county auditor shall allocate five percent (5%) of the assessed value in the allocation area that is used to calculate the allocation and distribution of allocated tax proceeds under this section to the respective taxing units. distribution of allocated tax proceeds under this section to the respective taxing units.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise

 4 (1) To pay for programs in job training, job enrichment, and basic
 5 skill development designed to benefit residents and employers in
 6 the enterprise zone. The programs must reserve at least one-half
 7 (1/2) of the enrollment in any session for residents of the
 8 enterprise zone.
 9 (2) To make loans and grants for the purpose of stimulating
 10 business activity in the enterprise zone or providing employment
 11 for enterprise zone residents in an enterprise zone. These loans
 12 and grants may be made to the following:
 13 (A) Businesses operating in the enterprise zone.
 14 (B) Businesses that will move their operations to the enterprise
 15 zone if such a loan or grant is made.
 16 (3) To provide funds to carry out other purposes specified in
 17 subsection (b)(3). However, where reference is made in
 18 subsection (b)(3) to the allocation area, the reference refers, for
 19 purposes of payments from the special zone fund, only to that part
 20 of the allocation area that is also located in the enterprise zone.
 21 (h) The state board of accounts and department of local government
 22 finance shall make the rules and prescribe the forms and procedures
 23 that they consider expedient for the implementation of this chapter.

6 (i) The allocation deadline referred to in subsection (b) is
7 determined in the following manner:

8 (1) The initial allocation deadline is December 31, 2011.

9 (2) Subject to subdivision (3), the initial allocation deadline and
10 subsequent allocation deadlines are automatically extended in
11 increments of five (5) years, so that allocation deadlines
12 subsequent to the initial allocation deadline fall on December 31,
13 2016, and December 31 of each fifth year thereafter.

14 (3) At least one (1) year before the date of an allocation deadline
15 determined under subdivision (2), the general assembly may enact
16 a law that:

17 (A) terminates the automatic extension of allocation deadlines

19 (B) specifically designates a particular date as the final
20 allocation deadline.

21 (j) If the commission adopts a declaratory resolution or an
22 amendment to a declaratory resolution that contains an allocation
23 provision and the commission makes either of the filings required
24 under section 10(e) of this chapter after the first anniversary of the
25 effective date of the allocation provision, the auditor of the county in
26 which the unit is located shall compute the base assessed value for the

30 auditor; or

31 (2) the date on which the documents are filed with the department
32 of local government finance.

33 (k) For an allocation area established after June 30, 2024,
34 "residential property" refers to the assessed value of property that is

section:
"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j):
(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for the current assessment date.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues. However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that

 8 or
 9 (B) the base assessed value;

 12 (2) The excess of the proceeds of the property taxes imposed for

 17 in subdivision (1) shall be allocated to and, when collected, paid
 18 into the funds of the taxing unit for which the referendum or local
 19 public question was conducted.
 20 (3) Except as otherwise provided in this section, property tax
 21 proceeds in excess of those described in subdivisions (1) and (2)
 22 shall be allocated to the redevelopment district and, when
 23 collected, paid into a special fund for that allocation area that may
 24 be used by the redevelopment district only to do one (1) or more
 25 of the following:
 26 (A) Pay the principal of and interest on any obligations
 27 payable solely from allocated tax proceeds that are incurred by
 28 the redevelopment district for the purpose of financing or
 29 refinancing the redevelopment of that allocation area.
 30 (B) Establish, augment, or restore the debt service reserve for
 31 bonds payable solely or in part from allocated tax proceeds in
 32 that allocation area.
 33 (C) Pay the principal of and interest on bonds payable from
 34 allocated tax proceeds in that allocation area and from the
 35 special tax levied under section 50 of this chapter.
 36 (D) Pay the principal of and interest on bonds issued by the
 37 excluded city to pay for local public improvements that are

(F) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

The notice must:

- (ii) state that the reuse authority has determined that there are no excess property tax proceeds that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

 6 chapter.

7 (c) For the purpose of allocating taxes levied by or for any taxing
 8 unit or units, the assessed value of taxable property in a territory in the
 9 allocation area that is annexed by a taxing unit after the effective date
 10 of the allocation provision of the declaratory resolution is the lesser of:
 11 (1) the assessed value of the property for the assessment date with
 12 respect to which the allocation and distribution is made; or
 13 (2) the base assessed value.

14 (d) Property tax proceeds allocable to the military base reuse district
 15 under subsection (b)(3) may, subject to subsection (b)(4), be
 16 irrevocably pledged by the military base reuse district for payment as
 17 set forth in subsection (b)(3).

18 (e) Notwithstanding any other law, each assessor shall, upon
 19 petition of the reuse authority, reassess the taxable property situated
 20 upon or in or added to the allocation area, effective on the next
 21 assessment date after the petition.

22 (f) Notwithstanding any other law, the assessed value of all taxable
 23 property in the allocation area, for purposes of tax limitation, property
 24 tax replacement, and the making of the budget, tax rate, and tax levy

30 (g) If any part of the allocation area is located in an enterprise zone
 31 created under IC 5-28-15, the unit that designated the allocation area
 32 shall create funds as specified in this subsection. A unit that has
 33 obligations, bonds, or leases payable from allocated tax proceeds under
 34 subsection (b)(3) shall establish an allocation fund for the purposes
 35 specified in subsection (b)(3) and a special zone fund. Such a unit
 36 shall, until the end of the enterprise zone phase out period, deposit each

1 (i) If the reuse authority adopts a declaratory resolution or an
2 amendment to a declaratory resolution that contains an allocation
3 provision and the reuse authority makes either of the filings required
4 under section 12(c) or 13(f) of this chapter after the first anniversary of
5 the effective date of the allocation provision, the auditor of the county
6 in which the military base reuse district is located shall compute the
7 base assessed value for the allocation area using the assessment date
8 immediately preceding the later of:

9 (1) the date on which the documents are filed with the county
10 auditor; or

11 (2) the date on which the documents are filed with the department
12 of local government finance.

13 (j) For an allocation area established after June 30, 2024,
14 "residential property" refers to the assessed value of property that is
15 allocated to the one percent (1%) homestead land and improvement
16 categories in the county tax and billing software system, along with the
17 residential assessed value as defined for purposes of calculating the
18 rate for the local income tax property tax relief credit designated for
19 residential property under IC 6-3.6-5-6(d)(3).

20 SECTION 1<59>[62]. IC 36-7-30-25, AS AMENDED BY
21 P.L.68-2025, SECTION 237, IS AMENDED TO READ AS

25 to which an allocation provision of a declaratory resolution
26 adopted under section 10 of this chapter refers for purposes of

29 (A) the net assessed value of all the property as finally
30 determined for the assessment date immediately preceding the
31 adoption date of the allocation provision of the declaratory
32 resolution, as adjusted under subsection (h); plus

33 (B) to the extent that it is not included in clause (A) or (C), the
34 net assessed value of any and all parcels or classes of parcels
35 identified as part of the base assessed value in the declaratory
36 resolution or an amendment thereto, as finally determined for
37 any subsequent assessment date; plus

38 (C) to the extent that it is not included in clause (A) or (B), the
39 net assessed value of property that is assessed as residential
40 property under the rules of the department of local government

1 Clause (C) applies only to allocation areas established in a
 2 military reuse area after June 30, 1997, and to the part of an
 3 allocation area that was established before June 30, 1997, and that

 11 purposes and in the manner provided in this section. A declaratory
 12 resolution previously adopted may include an allocation provision by
 13 the amendment of that declaratory resolution in accordance with the
 14 procedures set forth in section 13 of this chapter. The allocation
 15 provision may apply to all or part of the military base reuse area. The
 16 allocation provision must require that any property taxes subsequently
 17 levied by or for the benefit of any public body entitled to a distribution
 18 of property taxes on taxable property in the allocation area be allocated
 19 and distributed as follows:
 20 (1) Except as otherwise provided in this section, the proceeds of
 21 the taxes attributable to the lesser of:
 22 (A) the assessed value of the property for the assessment date
 23 with respect to which the allocation and distribution is made;
 24 or
 25 (B) the base assessed value;
 26 shall be allocated to and, when collected, paid into the funds of
 27 the respective taxing units.
 28 (2) The excess of the proceeds of the property taxes imposed for
 29 the assessment date with respect to which the allocation and
 30 distribution are made that are attributable to taxes imposed after
 31 being approved by the voters in a referendum or local public
 32 question conducted after April 30, 2010, not otherwise included
 33 in subdivision (1) shall be allocated to and, when collected, paid
 34 into the funds of the taxing unit for which the referendum or local
 35 public question was conducted.
 36 (3) Except as otherwise provided in this section, property tax
 37 proceeds in excess of those described in subdivisions (1) and (2)

 39 collected, paid into an allocation fund for that allocation area that
 40 may be used by the military base reuse district and only to do one
 41 (1) or more of the following:

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay expenses incurred by the reuse authority, any other department of the unit, or a department of another governmental entity for local public improvements or structures that are in the allocation area or directly serving or benefiting the allocation area, including expenses for the operation and maintenance of these local public improvements or structures if the reuse authority determines those operation and maintenance expenses are necessary or desirable to carry out the purposes of this chapter.

(F) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal body of the unit that established the reuse authority, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the reuse authority has determined that there are no excess property tax proceeds that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess property tax proceeds determined by the reuse authority. The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 19 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable

1 property in the allocation area, for purposes of tax limitation, property

3 for each political subdivision in which the property is located is the
4 lesser of:

- 5 (1) the assessed value of the property as valued without regard to
- 6 this section; or
- 7 (2) the base assessed value.

8 (g) If any part of the allocation area is located in an enterprise zone
9 created under IC 5-28-15, the unit that designated the allocation area
10 shall create funds as specified in this subsection. A unit that has
11 obligations, bonds, or leases payable from allocated tax proceeds under
12 subsection (b)(3) shall establish an allocation fund for the purposes
13 specified in subsection (b)(3) and a special zone fund. Such a unit
14 shall, until the end of the enterprise zone phase out period, deposit each
15 year in the special zone fund any amount in the allocation fund derived
16 from property tax proceeds in excess of those described in subsection
17 (b)(1) and (b)(2) from property located in the enterprise zone that
18 exceeds the amount sufficient for the purposes specified in subsection
19 (b)(3) for the year. The amount sufficient for purposes specified in
20 subsection (b)(3) for the year shall be determined based on the pro rata
21 part of such current property tax proceeds from the part of the
22 enterprise zone that is within the allocation area as compared to all
23 such current property tax proceeds derived from the allocation area. A
24 unit that does not have obligations, bonds, or leases payable from
25 allocated tax proceeds under subsection (b)(3) shall establish a special
26 zone fund and deposit all the property tax proceeds in excess of those
27 described in subsection (b)(1) and (b)(2) that are derived from property
28 in the enterprise zone in the fund. The unit that creates the special zone
29 fund shall use the fund (based on the recommendations of the urban
30 enterprise association) for programs in job training, job enrichment,
31 and basic skill development that are designed to benefit residents and
32 employers in the enterprise zone or other purposes specified in
33 subsection (b)(3), except that where reference is made in subsection
34 (b)(3) to allocation area it shall refer for purposes of payments from the
35 special zone fund only to that part of the allocation area that is also
36 located in the enterprise zone. The programs shall reserve at least
37 one-half (1/2) of their enrollment in any session for residents of the
38 enterprise zone.

21 (i) If the reuse authority adopts a declaratory resolution or an
 22 amendment to a declaratory resolution that contains an allocation
 23 provision and the reuse authority makes either of the filings required
 24 under section 12(c) or 13(f) of this chapter after the first anniversary of
 25 the effective date of the allocation provision, the auditor of the county
 26 in which the military base reuse district is located shall compute the

(1) "Allocation area" means that part of a military base development area to which an allocation provision of a declaratory resolution adopted under section 16 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means, subject to subsection (i):

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment to the declaratory resolution, as finally determined for any subsequent assessment date; plus
(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, within the allocation area, as finally determined for the current assessment date.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 16 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 18 of this chapter. The allocation provision may apply to all or part of the military base development area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

- (A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:
 - STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the development authority shall create funds as specified in this subsection. A development authority that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. The development authority shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A development authority that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The development authority that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or for other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to an allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; by
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

1 (e) Notwithstanding any other law, each assessor shall, upon
 2 petition of the development authority, reassess the taxable property
 3 situated upon or in or added to the allocation area, effective on the next
 4 assessment date after the petition.

5 (f) Notwithstanding any other law, the assessed value of all taxable
 6 property in the allocation area, for purposes of tax limitation, property
 7 tax replacement, and the making of the budget, tax rate, and tax levy
 8 for each political subdivision in which the property is located is the

 12 (2) the base assessed value.

13 (g) If any part of the allocation area is located in an enterprise zone
 14 created under IC 5-28-15, the development authority shall create funds
 15 as specified in this subsection. A development authority that has
 16 obligations, bonds, or leases payable from allocated tax proceeds under

 22 described in subsection (b)(1) and (b)(2) from property located in the
 23 enterprise zone that exceeds the amount sufficient for the purposes
 24 specified in subsection (b)(3) for the year. The amount sufficient for

 27 the part of the enterprise zone that is within the allocation area as
 28 compared to all such current property tax proceeds derived from the

3 Sec. 11. (a) A special assessment on businesses located within the

6 the classification of the types of businesses described in section
7 9(c)(5) of this chapter in determining the benefit to a business
8 provided by the district.

9 (b) The special assessment that may be levied on businesses
10 located within the district may take any form that confers benefits

22 Sec. 12. (a) After receipt of a petition under section 9 of this
23 chapter, the clerk of the municipality or the county auditor shall,
24 in the manner provided by IC 5-3-1, publish notice of a hearing on

 3 (5) whether each individual business owner:
 4 (A) that did not sign to approve the petition; and

 6 has otherwise reached the approval threshold;
 7 wishes to make a request for exclusion from the district, to be
 8 approved or denied by the legislative body before the final
 9 passage of the ordinance establishing the district.

10 **Sec. 13. (a) After conducting a hearing on the proposed district,**
 11 **the legislative body may adopt an ordinance establishing the**
 12 **district if it determines that:**

- 16 district will provide special benefits to businesses in the
- 17 district and will be of public utility and benefit;
- 18 (3) the benefits provided by the activities and improvements
- 19 will be new benefits that do not replace benefits existing
- 20 before the establishment of the district; and
- 21 (4) the formula or method to be used for the assessment of
- 22 special benefits is appropriate.

23 (b) The legislative body may adopt the ordinance only if it

- 26 businesses within the proposed district; and
- 27 (2) the owners of businesses within the proposed district that
- 28 constitute more than fifty percent (50%) of the revenue to be

- 38 district.

39 For purposes of subdivision (2), the collection of special
 40 assessments under this chapter may occur at the same time and in

(d) The adoption of an ordinance establishing a district does not affect and may not be construed to authorize any decrease in the level of publicly funded tourism promotion services that existed before the district's establishment.

Sec. 14. (a) The unit's fiscal officer shall establish a special fund, known as the tourism improvement fund, and shall deposit in the tourism improvement fund all special assessments received under this chapter and any other amounts received by the fiscal officer.

(b) The unit's fiscal officer may transfer money in the tourism improvement fund to the district management association to be used only for the purposes specified in the ordinance establishing the district. Any bonds issued under this chapter are payable solely from special assessments deposited in the tourism improvement fund and other revenues of the district.

(c) Any money earned from investment of money in the tourism improvement fund becomes a part of the tourism improvement fund.

Sec. 15. (a) The unit shall contract with the district management association designated in the district plan to administer and implement the district's activities and improvements.

(b) The district management association may be either an existing nonprofit corporation or a newly formed nonprofit corporation. If the district management association is a new nonprofit corporation created to manage the district, the certificate of incorporation or bylaws of the district management association shall provide for voting representation of owners within the district. If the district management association is an existing nonprofit corporation, the existing nonprofit corporation may create a committee of district owners or owners' representatives.

(c) The district management association may make recommendations to the unit's legislative body with respect to any matter involving or relating to the district.

(d) The unit's legislative body, for any consideration that it considers appropriate, may license or grant to the district management association the right to undertake or permit commercial activities or other private uses of the streets or other parts of the district in which the unit has any real property interest.

Sec. 16. (a) A district may issue bonds to provide improvements. The term of any bonds issued may not exceed ten (10) years. If a district is renewed under section 17 of this chapter, the term of any

1 bonds issued may not exceed ten (10) years from the date of
2 renewal.

3 (b) Bonds issued under this chapter do not constitute an
4 indebtedness of the unit within the meaning of a constitutional or
5 statutory debt limitation.

6 Sec. 17. (a) The initial term for a district shall be at least three
7 (3) years and not more than ten (10) years.

8 (b) A district may be renewed for one (1) additional period of
9 not more than ten (10) years by following the procedures for the
10 initial establishment of a district as set forth in sections 9 through
11 13 of this chapter.

12 (c) If a district is renewed, any remaining revenues derived from
13 the levy of a special assessment, or any revenues derived from the
14 sale of assets acquired with the revenues, shall be transferred to the
15 renewed district. The following apply to the transfer of any
16 remaining revenues of a renewed district:

17 (1) If the renewed district includes a business not included in
18 the prior district, the remaining revenues shall be spent to
19 benefit only the business in the prior district.

20 (2) If the renewed district does not include a business included
21 in the prior district, the remaining revenues attributable to
22 the parcel shall be refunded to the owners of the business by
23 applying the method the district used under section 11 of this
24 chapter to calculate the special assessment before the renewal.

25 (d) The boundaries, special assessments, improvements, or
26 activities of a renewed district are not required to be the same as
27 the original or prior district.

28 Sec. 18. An ordinance adopted under section 13 of this chapter
29 may be amended if notice of the proposed amendment is published
30 and mailed in the manner provided by section 12 of this chapter.
31 However, if an amendment proposes to:

- 32 (1) levy a new or increased special assessment;
- 33 (2) change the district's boundaries; or
- 34 (3) issue a new bond;

35 the unit's legislative body shall require compliance with the
36 procedures set forth in sections 9 through 13 of this chapter before
37 amending the ordinance.

38 Sec. 19. (a) During the operation of the district, there shall be a
39 thirty (30) day period, beginning one (1) year after the date of the
40 district's establishment and in each year thereafter, in which the
41 owners may request dissolution of the district in accordance with
42 this section.

1 (b) After a public hearing before the unit's legislative body, the
2 legislative body may dissolve a district by ordinance in either of the
3 following circumstances:

4 (1) If the legislative body finds there has been
5 misappropriation of funds, malfeasance, or a violation of law
6 in connection with the management of the district.

7 (2) At any time during the annual thirty (30) day period
8 described in subsection (a).

9 (c) Upon the written petitions of the owners or authorized
10 representatives of businesses in the district that pay fifty percent
11 (50%) or more of the special assessments levied, the unit's
12 legislative body shall pass a resolution of intention to dissolve the
13 district.

14 (d) The unit's legislative body shall first adopt a resolution of
15 intention to dissolve the district before the public hearing to
16 dissolve a district under this section. The resolution of intention
17 must include each of the following items:

18 (1) The reason for the dissolution.

19 (2) The time and place of the public hearing.

20 (3) A proposal to dispose of any assets acquired with the
21 revenues of the special assessments levied within the district.

22 The notice of the hearing on the resolution of intent to dissolve the
23 district shall be published in the manner provided by IC 5-3-1 and
24 must also be given by mail to the owner of each business subject to
25 a special assessment in the district. The legislative body shall
26 conduct the public hearing on the resolution of intention to dissolve
27 the district not later than thirty (30) days after the date the notice
28 is mailed to the assessed owners.

29 (e) The public hearing to dissolve the district shall be held not
30 more than sixty (60) days after the date of the adoption of the
31 resolution of intention.

32 (f) A dissolution of a district under this section has the effect of
33 repealing the ordinance adopted under section 13 of this chapter
34 that established the district.

35 Sec. 20. (a) The district management association shall submit an
36 annual report to the legislative body and the fiscal body before
37 January 1 of each year, beginning in the year after the first year of
38 the district's establishment.

39 (b) The report shall contain the following information:

1 ensuing year and an estimate of the cost of providing the
2 activities and improvements for the ensuing year.

3 (3) The estimated amount of any surplus or deficit revenues
4 to be carried over from the prior year.

5 **Sec. 21. (a) Upon the dissolution or expiration without renewal**
6 **of a district, any remaining revenues, after all outstanding debts**
7 **are paid, derived from the:**

- 8 (1) levy of special assessments; or
- 9 (2) sale of assets acquired with the revenues of the district or
- 10 from bond reserve funds or construction funds;

11 shall be refunded to the owners located within the district on or
12 before the date of the district's dissolution or expiration without
13 renewal.

14 (b) The amount of the refund provided under subsection (a) to
15 an owner shall be determined by applying the method the district
16 used under section 11 of this chapter to calculate the special
17 assessment in the year:

- 18 (1) in which the district was dissolved or allowed to expire
- 19 without renewal; or
- 20 (2) before the district was dissolved or allowed to expire
- 21 without renewal if a special assessment had not been levied.

22 However, in lieu of providing a refund, the unit's legislative body
23 may instead elect to spend any remaining revenues on activities
24 and improvements specified in the ordinance that established the
25 district before its dissolution or expiration without renewal.

26 (c) Any liabilities incurred by the district are not an obligation
27 of the unit and are payable solely from the collection of special
28 assessments deposited in the special fund under section 14 of this
29 chapter and other revenues of the district.

30 **Sec. 22. Notwithstanding any other provision of this chapter,**
31 **special assessments levied to pay the principal and interest on any**
32 **bonds issued under this chapter may not be reduced or terminated**
33 **if doing so would interfere with the timely retirement of the debt.**

(2) excise tax distributions;
made after December 31, 2009.

(b) Except as provided in subsection (c), for purposes of allocating local income tax distributions that are based on a taxing unit's allocation amount before January 1, ~~2028~~, **2029**, or that an adopting body allocates under IC 6-3.6-6 to economic development before January 1, ~~2028~~, **2029**, or excise tax distributions that are distributed based on the amount of a taxing unit's property tax levies, each participating unit in a territory is considered to have imposed a part of the property tax levy imposed for the territory. The part of the property tax levy imposed for the territory for a particular year that shall be attributed to a participating unit is equal to the amount determined in the following STEPS:

STEP ONE: Determine the total amount of all property taxes imposed by the participating unit in the year before the year in which a property tax levy was first imposed for the territory.

STEP TWO: Determine the sum of the STEP ONE amounts for all participating units.

STEP THREE: Divide the STEP ONE result by the STEP TWO result.

STEP FOUR: Multiply the STEP THREE result by the property tax levy imposed for the territory for the particular year.

(c) This subsection applies to a determination under subsection (b) made in calendar years 2018, 2019, and 2020. The department of local government finance may, for distributions made in calendar year 2022, adjust the allocation amount determined under subsection (b) to correct for any clerical or mathematical errors made in any determination for calendar year 2018, 2019, or 2020, as applicable, including the allocation amount for any taxing unit whose distribution was affected by the clerical or mathematical error in those years. The department of local government finance may apply the adjustment to the allocation amount for a taxing unit over a period not to exceed ten (10) years in order to offset the effect of the adjustment on the distribution.

(d) This subsection applies to a territory established by an ordinance or a resolution adopted under this chapter after December 31, 2024. Before additional revenue from a local income tax rate may be allocated to the provider unit of a new territory due to an increased property tax levy resulting from the establishment of the territory, the county fiscal body must adopt an ordinance or resolution approving the allocation.

1 FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 8.5. (a) Participating
2 units may agree to establish an equipment replacement fund under this
3 section to be used to purchase fire protection equipment, including
4 housing, that will be used to serve the entire territory. To establish the
5 fund, the legislative bodies of each participating unit must adopt an
6 ordinance (in the case of a county or municipality) or a resolution (in
7 the case of a township or fire protection district), and the following
8 requirements must be met:

- 9 (1) The ordinance or resolution is identical to the ordinances and
10 resolutions adopted by the other participating units under this
11 section.
- 12 (2) Before adopting the ordinance or resolution, each participating
13 unit must comply with the notice and hearing requirements of
14 IC 6-1.1-41-3.
- 15 (3) The ordinance or resolution authorizes the provider unit to
16 establish the fund.
- 17 (4) The ordinance or resolution includes at least the following:
 - 18 (A) The name of each participating unit and the provider unit.
 - 19 (B) An agreement to impose a uniform tax rate upon all of the
20 taxable property within the territory for the equipment
21 replacement fund.
 - 22 (C) The contents of the agreement to establish the fund.

23 An ordinance or a resolution adopted under this section takes effect as
24 provided in IC 6-1.1-41.

- 25 (b) If a fund is established, the participating units may agree to:
 - 26 (1) impose a property tax to provide for the accumulation of
27 money in the fund to purchase fire protection equipment;
 - 28 (2) incur debt to purchase fire protection equipment and impose
29 a property tax to retire the loan; or
 - 30 (3) transfer an amount from the fire protection territory fund to
31 the fire equipment replacement fund not to exceed five percent
32 (5%) of the levy for the fire protection territory fund for that year;
- 33 or any combination of these options.

34 (c) The property tax rate for the levy imposed under this section **is**
35 **considered part of the maximum permissible ad valorem property**
36 **tax levy and** may not exceed three and thirty-three hundredths cents
37 (\$0.0333) per one hundred dollars (\$100) of assessed value. Before
38 debt may be incurred, the fiscal body of a participating unit must adopt
39 an ordinance (in the case of a county or municipality) or a resolution
40 (in the case of a township or fire protection district) that specifies the
41 amount and purpose of the debt. The ordinance or resolution must be
42 identical to the other ordinances and resolutions adopted by the

1 participating units. Except as provided in subsection (d), if debt is to be
2 incurred for the purposes of a fund, the provider unit shall negotiate for
3 and hold the debt on behalf of the territory. However, the participating
4 units and the provider unit of the territory are jointly liable for any debt
5 incurred by the provider unit for the purposes of the fund. The most
6 recent adjusted value of taxable property for the entire territory must be
7 used to determine the debt limit under IC 36-1-15-6. A provider unit
8 shall comply with all general statutes and rules relating to the
9 incurrence of debt under this subsection.

10 (d) A participating unit of a territory may, to the extent allowed by
11 law, incur debt in the participating unit's own name to acquire fire
12 protection equipment or other property that is to be owned by the
13 participating unit. A participating unit that acquires fire protection
14 equipment or other property under this subsection may afterward enter
15 into an interlocal agreement under IC 36-1-7 with the provider unit to
16 furnish the fire protection equipment or other property to the provider
17 unit for the provider unit's use or benefit in accomplishing the purposes
18 of the territory. A participating unit shall comply with all general
19 statutes and rules relating to the incurrence of debt under this
20 subsection.

21 (e) Money in the fund may be used by the provider unit only for
22 those purposes set forth in the agreement among the participating units
23 that permits the establishment of the fund.

24 (f) The requirements and procedures specified in IC 6-1.1-41
25 concerning the establishment or reestablishment of a cumulative fund,
26 the imposing of a property tax for a cumulative fund, and the increasing
27 of a property tax rate for a cumulative fund apply to:

- 28 (1) the establishment or reestablishment of a fund under this
29 section;
- 30 (2) the imposing of a property tax for a fund under this section;
31 and
- 32 (3) the increasing of a property tax rate for a fund under this
33 section.

34 (g) Notwithstanding IC 6-1.1-18-12, if a fund established under this
35 section is reestablished in the manner provided in IC 6-1.1-41, the
36 property tax rate imposed for the fund in the first year after the fund is
37 reestablished may not exceed three and thirty-three hundredths cents
38 (\$0.0333) per one hundred dollars (\$100) of assessed value.
