## HB 1315 # 1

### DIGEST

Townships. Provides that the requirements to dissolve a township do not apply to a township that, on June 1, 2026, has begun to consolidate with: (1) another township; (2) another unit under the government modernization provisions; or (3) a township located in a county in which each township located in the county consolidates to establish not more than one township whose boundaries coincide with the boundaries of the county and the consolidated township would not meet the population requirement contained in the bill. Changes criteria used for determining whether a township is subject to the dissolution requirements. Provides that the provisions shall not be construed: (1) to constitute as an annexation of an applicable township by a municipality under the provisions of this chapter; or (2) as changing the corporate boundaries of a municipality that is the designated unit of the dissolved township.
