Summary of Legislation: This bill Urges the Legislative Council to assign to an appropriate interim study committee the task of studying whether the county executive should implement certain processes with respect to establishing or revising districts.

Effective Date: July 1, 2026.

Explanation of State Expenditures: *Study Topic:* The Legislative Council could assign the topic to an existing interim study committee or establish a new interim study committee to study this topic during the next interim. Interim study committees operate on budgets established by the Legislative Council based on committee size. Legislative Council resolutions in the past have established budgets for interim study committees in the amount of \$13,500 per interim for committees with fewer than 16 members and \$17,500 for committees with 16 members or more. If the Legislative Council were to assign this topic to an existing committee and the committee were to have any extra meetings to address this topic, there would be additional expenditures for legislator per diem and travel reimbursement for the committee members. Any additional expenditures must be within the committee's budget.
