31 military service and subsequently completes that program.

32 (3) The member has at least ten (10) years of in-state service

(B) Contributions for any accrued interest, at a rate determined by the actuary of the fund, for the period from the member's initial membership in the fund to the date payment is made by the member.

However, a member is entitled to purchase service credit under this subsection only to the extent that service credit is not granted for that time under another provision of this section. At least ten (10) years of service in Indiana is required before a member may receive a benefit based on service credits purchased under this section.
