23 this subsection.

24 (c) This subsection applies to a member who retires after May 1,

2 (d) This subsection applies to a member who retires after May 1,
3 1991, and who is employed at a state educational institution. A member
4 who had begun but had not completed baccalaureate or
5 post-baccalaureate education before voluntary or involuntary induction
6 into military service is entitled to the member's active military service
7 credit for the member's active military service in an amount equal to

29 (f) For purposes of this section, a member returns to:

- 30 (1) a teacher training program; or
31 (2) baccalaureate or post-baccalaureate education;

32 on the date the member registers for or enrolls in classes that the
33 member attends.

34 (g) The board shall extend the twenty-four (24) month deadline
35 contained in subsection (b)(2), (c)(2), or (d)(2) if the board determines
36 that an illness, an injury, or a disability related to the member's military
37 service prevented the member from returning to active teaching service
38 or to a teacher education program not later than twenty-four (24)
39 months after the member's discharge from military service. However,
40 the board may not extend the deadline beyond forty-eight (48) months
41 after the member's discharge.

42 (h) If a member retires and the board subsequently determines that

 5 board's determination, and the member is not entitled to a
 6 recomputation of benefits received before the date of the board's
 7 determination.

8 (i) Notwithstanding any provision of this section, a member is
 9 entitled to military service credit and benefits in the amount and to the
 10 extent required by the federal Uniformed Services Employment and
 11 Reemployment Rights Act (38 U.S.C. 4301 et seq.), including all later
 12 amendments.

13 (j) Subject to this section, an active member may purchase and
 14 claim not more than two (2) years of service credit for the member's

27 (i) the member's salary at the time the member actually
 28 makes a contribution for the service credit;

29 (ii) a rate, determined by the actuary of the fund, that
