Introduced

Second Regular Session of the 124th General Assembly (2026)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2025 Regular Session of the General Assembly.

## HOUSE BILL No. 1355

A BILL FOR AN ACT to amend the Indiana Code concerning environmental law.

*Be it enacted by the General Assembly of the State of Indiana:*

1        SECTION 1. IC 13-18-10-1.3 IS ADDED TO THE INDIANA  
2        CODE AS A **NEW** SECTION TO READ AS FOLLOWS  
3        [EFFECTIVE JULY 1, 2026]: **Sec. 1.3. (a) An applicant may request**  
4        **a preapplication meeting with the department, which requires the**  
5        **following:**

6        **(1) The applicant to submit the engineered designs of:**  
7                **(A) a manure treatment facility;**  
8                **(B) a control facility; or**  
9                **(C) an animal feeding structure;**  
10        **to the department.**  
11        **(2) The department shall:**  
12                **(A) review the designs; and**  
13                **(B) schedule a preapplication meeting;**  
14        **within thirty (30) days of receiving the designs from the**  
15        **applicant.**

(3) The applicant and the department shall discuss the plans and specifications for the design and operation of an animal feeding structure at the preapplication meeting.

**(4) If at a preapplication meeting the department requests changes to the:**

- (A) manure treatment facility;
  - (B) control facility; or
  - (C) animal feeding structure;

the applicant shall resubmit the necessary plans or specifications within forty-five (45) days of the preapplication meeting.

**(5) The department shall issue a permit under section 1 of this chapter within ninety (90) days of the:**

- (A) preapplication meeting; or
  - (B) day the applicant submits required changes to the department under subdivision (4).

(b) If the department fails to approve or deny an application not more than ninety (90) days after the date on which the applicant makes a reasonable effort to provide notice under section 2(b) of this chapter, the department shall refund the fee described in section 2 of this chapter to the applicant. After the department issues the refund to the applicant, the department shall continue working on the application and issue the application as soon as possible.

SECTION 2. IC 13-18-10-2.1, AS AMENDED BY P.L.199-2014, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 2.1. (a) The department:

(1) shall make a determination on an application submitted under section 2 of this chapter not later than ninety (90) days after the date the department receives the completed application, including all required supplemental information, unless the department and the applicant agree to a longer time; and

(2) may conduct any inquiry or investigation, consistent with the department's duties under this chapter, the department considers necessary before making a determination.

(b) If the department fails to make a determination on an application not later than ninety (90) days after the date the department receives the completed application, the applicant may request and receive a refund of an approval application fee paid by the applicant, and the commissioner shall:

- (1) continue to review the application;
  - (2) approve or deny the application as soon as practicable; and

**DOCUMENT HAS NOT BEEN CHECKED FOR ACCURACY**

10 (1) do not contain adequate information for the department to  
11 process the application; or  
12 (2) are not consistent with applicable law.

(d) The department may establish requirements in an approval regarding that part of the confined feeding operation that concerns manure handling and application to assure compliance with:

16 (1) this chapter;

17 (2) rules adopted under this chapter;

18 (3) the water pollution control laws;

(4) rules adopted under the water pollution control laws; and

(5) policies and statements adopted under IC 13-14-1-11.5 relative to confined feeding operations.

22 (e) Subject to subsection (f), the commissioner may deny an  
23 application upon making either or both of the following findings:

24 (1) A responsible party intentionally misrepresented or  
25 concealed any material fact in either or both of the following:

26 (A) An application for approval under section 1 of this  
27 chapter.

28 (B) A disclosure statement required by section 1.4 of this  
29 chapter.

30 (2) An enforcement action was resolved against a responsible  
31 party as described in either or both of the following:

32 (A) Section 1.4(c)(5) of this chapter.

33 (B) Section 1.4(c)(6) of this chapter.

34 (f) Before making a determination to approve or deny an  
35 application, the commissioner must consider the following factors:

36 (1) The nature and details of the acts attributed to the responsible  
37 party.

38 (2) The degree of culpability of the responsible party.  
39 (3) The responsible party's cooperation with the state, federal, or  
40 foreign agencies involved in the investigation of the activities  
41 involved in actions referred to in section 1.4(c)(5) and 1.4(c)(6)

## **DOCUMENT HAS NOT BEEN CHECKED FOR ACCURACY**

1 of this chapter.

2 (4) The responsible party's dissociation from any other persons  
3 or entities convicted in a criminal enforcement action referred to  
4 in section 1.4(c)(5) and 1.4(c)(6) of this chapter.

5 (5) Prior or subsequent self-policing or internal education  
6 programs established by the responsible party to prevent acts,  
7 omissions, or violations referred to in section 1.4(c)(5) and  
8 1.4(c)(6) of this chapter.

9 (g) Except as provided in subsection (h), in taking action under  
10 subsection (e), the commissioner must make separately stated findings  
11 of fact to support the action taken. The findings of fact must:  
12 (1) include a statement of ultimate fact; and  
13 (2) be accompanied by a concise statement of the underlying  
14 basic facts of record to support the findings.

15 (h) If the commissioner denies an application under subsection (e),  
16 the commissioner is not required to explain the extent to which any of  
17 the factors set forth in subsection (f) influenced the denial.

18 (i) The department may amend an approval under section 1 of this  
19 chapter or revoke an approval under section 1 of this chapter:  
20 (1) for failure to comply with:  
21 (A) this chapter;  
22 (B) rules adopted under this chapter;  
23 (C) the water pollution control laws; or  
24 (D) rules adopted under the water pollution control laws;  
25 and  
26 (2) as needed to prevent discharges of manure into the  
27 environment that pollute or threaten to pollute the waters of the  
28 state.

29 (j) **The department may not require changes to the design of**  
30 **a confined feeding operation if the design:**  
31 (1) **complies with this chapter; and**  
32 (2) **is submitted and certified by a professional engineer**  
33 **registered under IC 25-31-1.**

34 SECTION 3. IC 13-18-10-2.4 IS ADDED TO THE INDIANA  
35 CODE AS A NEW SECTION TO READ AS FOLLOWS  
36 [EFFECTIVE JULY 1, 2026]: Sec. 2.4. (a) **Except as provided in**  
37 **subsection (b), the department may not require an applicant that**  
38 **applies for approval under section 1 of this chapter for a facility**  
39 **that will contain solid manure produced from livestock on:**  
40 (1) **strawpack; or**  
41 (2) **dry pack bedding;**  
42 **to implement design requirements typically associated with liquid**

1                   **manure.**

2                   **(b) A facility that receives solid manure produced from**  

3                   **livestock on:**

- 4                   **(1) strawpack; or**  

5                   **(2) dry pack bedding;**

6                   **shall control runoff if precipitation or surface water comes in**  

7                   **contact with the manure.**

8                   **SECTION 4. IC 13-18-10-2.5 IS ADDED TO THE INDIANA**  

9                   **CODE AS A NEW SECTION TO READ AS FOLLOWS**  

10                  **[EFFECTIVE JULY 1, 2026]: Sec. 2.5. The department may not**  

11                  **require a current permit holder that is applying to amend a permit**  

12                  **issued under section 1 of this chapter to update or make changes to**  

13                  **an existing permitted facility or structure if the new facility or**  

14                  **structure does not impact an existing facility or structure.**

15                  **SECTION 5. IC 13-18-10-2.8 IS ADDED TO THE INDIANA**  

16                  **CODE AS A NEW SECTION TO READ AS FOLLOWS**  

17                  **[EFFECTIVE JULY 1, 2026]: Sec. 2.8. The department shall:**

- 18                  **(1) designate an employee as the point of contact for**  

19                  **applicants and interested applicants to submit questions**  

20                  **concerning the application process described in this chapter;**  

21                  **and**

22                  **(2) distribute the designated employee's contact information**  

23                  **to all operating confined feeding operations.**

24                  **SECTION 6. IC 36-7-4-201.7 IS ADDED TO THE INDIANA**  

25                  **CODE AS A NEW SECTION TO READ AS FOLLOWS**  

26                  **[EFFECTIVE JULY 1, 2026]: Sec. 201.7. (a) As used in this section,**  

27                  **"permitted use" means a use that is approved in a zoning district**  

28                  **without requiring a:**

- 29                  **(1) public hearing;**  

30                  **(2) variance, special exception, contingent use, or conditional**  

31                  **use; or**

32                  **(3) discretionary zoning action, other than a determination**  

33                  **that a site plan conforms with applicable zoning regulations.**

34                  **(b) Notwithstanding any ordinance or regulation to the**  

35                  **contrary, a confined feeding operation is a permitted use, if the**  

36                  **project or development is situated on land zoned for agricultural**  

37                  **use. However, this subsection does not apply to a project or**  

38                  **development situated on land within:**

- 39                  **(1) a municipality; or**  

40                  **(2) the contiguous unincorporated area within two (2) miles**  

41                  **from the corporate boundaries of the municipality.**
