1       nonfarm personal income" means the estimate of total nonfarm  
 2       personal income for Indiana in a calendar year as computed by the  
 3       federal Bureau of Economic Analysis using any actual data for the  
 4       calendar year and any estimated data determined appropriate by the  
 5       federal Bureau of Economic Analysis.

6       (b) Except as provided in subsections (c) and (e), for purposes of  
 7       determining a civil taxing unit's maximum permissible ad valorem  
 8       property tax levy for an ensuing calendar year, the civil taxing unit  
 9       shall use the maximum levy growth quotient determined in the last  
 10      STEP of the following STEPS:

11       STEP ONE: For each of the six (6) calendar years immediately  
 12       preceding the year in which a budget is adopted under  
 13       IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana  
 14       nonfarm personal income for the calendar year by the Indiana  
 15       nonfarm personal income for the calendar year immediately  
 16       preceding that calendar year, rounding to the nearest  
 17       one-thousandth (0.001).

18       STEP TWO: Determine the sum of the STEP ONE results.

19       STEP THREE: Divide the STEP TWO result by six (6),  
 20       rounding to the nearest one-thousandth (0.001).

21       STEP FOUR: Determine the lesser of the following:

- 22       (A) The STEP THREE quotient.
- 23       (B) One and six-hundredths (1.06).

24       (c) Except as provided in subsection (f), a school corporation, **or,**  
 25       **in the case of a school city (as defined in IC 20-25-2-12), the public**  
 26       **education corporation,** shall use for its operations fund maximum  
 27       levy calculation under IC 20-46-8-1 the maximum levy growth quotient  
 28       determined in the last STEP of the following STEPS:

29       STEP ONE: Determine for each school corporation, the average  
 30       annual growth in net assessed value using the three (3) calendar  
 31       years immediately preceding the year in which a budget is  
 32       adopted under IC 6-1.1-17-5 for the ensuing calendar year.

33       STEP TWO: Determine the greater of:

- 34       (A) zero (0); or
- 35       (B) the STEP ONE amount minus the sum of:
  - 36           (i) the maximum levy growth quotient determined  
 37           under subsection (b) minus one (1); plus
  - 38           (ii) two-hundredths (0.02).

39       STEP THREE: Determine the lesser of:

- 40       (A) the STEP TWO amount; or
- 41       (B) four-hundredths (0.04).

1 STEP FOUR: Determine the sum of:  
2 (A) the STEP THREE amount; plus  
3 (B) the maximum levy growth quotient determined under  
4 subsection (b).

5 STEP FIVE: Determine the greater of:  
6 (A) the STEP FOUR amount; or  
7 (B) the maximum levy growth quotient determined under  
8 subsection (b).

9 (d) The budget agency shall provide the maximum levy growth  
10 quotient for the ensuing year to civil taxing units, school corporations,  
11 **the public education corporation (in the case of a school city (as**  
12 **defined in IC 20-25-2-12)),** and the department of local government  
13 finance before July 1 of each year.

14 (e) This subsection applies only for purposes of determining the  
15 maximum levy growth quotient to be used in determining a civil taxing  
16 unit's maximum permissible ad valorem property tax levy in calendar  
17 years 2024, 2025, and 2026. For purposes of determining the maximum  
18 levy growth quotient in calendar years 2024, 2025, and 2026, instead  
19 of the result determined in the last STEP in subsection (b), the  
20 maximum levy growth quotient is determined in the last STEP of the  
21 following STEPS:

22 STEP ONE: Determine the result of STEP FOUR of subsection  
23 (b), calculated as if this subsection was not in effect.

24 STEP TWO: Subtract one (1) from the STEP ONE result.

25 STEP THREE: Multiply the STEP TWO result by eight-tenths  
26 (0.8).

29 (A) the STEP FOUR result; or  
30 (B) one and four-hundredths (1.04).

31 (f) This subsection applies only for purposes of determining the  
32 maximum levy growth quotient to be used in determining a school  
33 corporation's, **or, in the case of a school city (as defined in**  
34 **IC 20-25-2-12), the public education corporation's**, operations fund  
35 maximum levy in calendar years 2024, 2025, and 2026. For purposes  
36 of determining the maximum levy growth quotient in calendar years  
37 2024, 2025, and 2026, instead of the result determined in the last STEP  
38 in subsection (c), the maximum levy growth quotient is determined in  
39 the last STEP of the following STEPS:

40 STEP ONE: Determine the result of STEP FIVE of subsection  
41 (c), calculated as if this subsection was not in effect.

2            SECTION 10. IC 20-26-7-47, AS AMENDED BY P.L.36-2024,  
 3            SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 4            UPON PASSAGE]: Sec. 47. (a) The following definitions apply  
 5            throughout this section:

6            (1) "Covered school building" has the meaning set forth in  
 7            IC 20-26-7.1-2.1.

8            (2) "Current school year" refers to a year in which the governing  
 9            body is required to conduct a review of school building usage  
 10            under subsection (c).

11            (3) "Enrollment" refers to the following:

12            (A) Except as provided in clause (B), students counted in  
 13            ADM (as defined in IC 20-43-1-6) in the first count date for  
 14            a school year fixed under IC 20-43-4-3.

15            (B) With regard to a school corporation, students counted in  
 16            a school corporation's fall count of ADM minus all students  
 17            counted in the fall count of ADM who are enrolled in  
 18            eligible schools that:

19            (i) have entered into an agreement with the school  
 20            corporation to participate as a participating innovation  
 21            network charter school under IC 20-25.7-5; and  
 22            (ii) are included in the school corporation's fall ADM  
 23            count.

24            (4) "Interested person" has the meaning set forth in  
 25            IC 20-26-7.1-2.2.

26            (b) This section:

27            (1) applies to a school corporation only if:

28            (1) (A) the total student enrollment for in-person instruction  
 29            in the school corporation in the current school year is at  
 30            least ten percent (10%) less than the student enrollment for  
 31            in-person instruction in the school corporation in a school  
 32            year that precedes the current school year by five (5); and  
 33            (2) (B) the school corporation in the current school year has  
 34            more than one (1) school building serving the same grade  
 35            level as the school building subject to closure under this  
 36            section; and

37            (2) **does not apply to a school city (as defined in**  
 38            **IC 20-25-2-12).**

39            (c) Each school year, the governing body of a school corporation  
 40            shall review the usage of school buildings used by the school  
 41            corporation to determine whether any school building should be closed

1 for the ensuing school year and subsequent school years.

2 (d) A school corporation shall close a school building for the  
3 ensuing school year (and subsequent school years) if:

4 (1) at any time the school building had been used for classroom  
5 instruction;

6 (2) in the current school year and the two (2) school years  
7 immediately preceding the current school year the school  
8 building was underutilized for classroom instruction purposes or  
9 other allowable uses specified by this section;

10 (3) as of the end of the school year before the school building is  
11 required to be closed under this section, the school corporation  
12 was not subject to a transitional plan adopted by the governing  
13 body and approved by the department to use the school building  
14 for an allowable use not later than the next school year after the  
15 school building is otherwise required to be closed under this  
16 section;

17 (4) in the case of a school building that was used in any part in  
18 the current school year for instructional purposes, the school  
19 corporation has another school building:

20 (A) with sufficient capacity to take the students using the  
21 school building being considered for closure; and

22 (B) that does not require more than twenty (20) minutes of  
23 travel time by car or bus from the school building being  
24 considered for closure; and

25 (5) the school building is not a school building described in  
26 IC 20-26-7.1-1, IC 20-26-7.1-3(b), IC 20-26-7.1-3(c), or  
27 IC 20-26-7.1-3(d).

28 (e) For purposes of this section, a school building is underutilized  
29 in a school year if the school building is not used for any of the  
30 following allowable uses:

31 (1) The number of full-time equivalent students enrolled for  
32 in-person instruction in the school building on instructional days  
33 (as determined under IC 20-30-2) for instructional purposes,  
34 averaged over the current school year and the two (2) school  
35 years immediately preceding the current school year, is at least  
36 fifty percent (50%) of:

37 (A) the known classroom design capacity of the school  
38 building; or

39 (B) if the design capacity is not known, the average  
40 maximum full-time equivalent enrollment in any of the last  
41 twenty-five (25) years, as validated by records created or

maintained by the department.

(2) The school corporation demonstrates through facts included in a resolution that the school building is being used and that it is financially prudent to continue to use the school building, considering all community resources, for a distinct student population that reasonably cannot be served through integration with the general school population, such as students attending an alternative education program (as defined in IC 20-30-8-1). However, to be an allowable use under this subdivision, the average number of full-time equivalent students using the school building in a school year for instructional purposes must be at least thirty percent (30%) of:

(A) the known classroom design capacity of the school building; or

(B) if the design capacity is not known, the average maximum full-time equivalent enrollment in any of the last twenty-five (25) years, as validated by records created or maintained by the department; and

(if multiple school buildings are used for the same purposes) combining the student populations into fewer school buildings is not reasonably feasible.

22 (3) The school corporation demonstrates through facts included  
23 in a resolution that the school building is being used and that it  
24 is financially prudent to continue to use the school building,  
25 considering all community resources, for administrative or other  
26 school offices. However, to be an allowable use under this  
27 subdivision, at least fifty percent (50%) of the square footage of  
28 the school building must be used for offices, the personnel  
29 headquartered in the school building must consistently use the  
30 space for office purposes, and the occupancy cost of using the  
31 school building cannot be more than comparable office space  
32 that is available in the school district.

33 (4) The school corporation demonstrates through facts included  
34 in a resolution that the school building is being used and that it  
35 is financially prudent to continue to use the school building,  
36 considering all community resources, for storage. However, to be  
37 an allowable use under this subdivision, at least fifty percent  
38 (50%) of the square footage of the school building must be used  
39 for storage, on average the storage space must be used to  
40 capacity, and the cost of using the school building for storage  
41 must be less than comparable storage space that is available in

1 the school district.

2 (5) The school corporation demonstrates through facts included  
 3 in a resolution that the school building is being used and that it  
 4 is financially prudent to continue to use the school building,  
 5 considering all community resources, for a combination of office  
 6 space and storage. However, to be an allowable use under this  
 7 subdivision, at least fifty percent (50%) of the square footage of  
 8 the school building must be used for a combination of office  
 9 space and storage and:

10 (A) the personnel headquartered in the school building must  
 11 consistently use the office space for office purposes, and the  
 12 occupancy cost of using the office space, calculated using  
 13 the costs of operating the school building, cannot be more  
 14 than comparable office space that is available in the school  
 15 district; and

16 (B) on average, the storage space must be used to capacity  
 17 and the cost of using the school building for storage must be  
 18 less than comparable storage space that is available in the  
 19 school district.

20 (f) Closure of a school building that is:

21 (1) owned by the school corporation or any other entity that is  
 22 related in any way to, or created by, the school corporation or the  
 23 governing body; or

24 (2) jointly owned in the same manner by two (2) or more school  
 25 corporations;

26 shall be carried out in conformity with IC 20-26-7.1.

27 (g) Before filing a petition under subsection (h), a charter school  
 28 or state educational institution that is interested in a school  
 29 corporation's school building must give written notice to the school  
 30 corporation to determine whether an agreement can be reached  
 31 regarding the school corporation making the school building available  
 32 for lease or purchase under IC 20-26-7.1.

33 (h) If an agreement is not reached within forty-five (45) days after  
 34 the date that the school corporation receives the notice under  
 35 subsection (g), the charter school or state educational institution may  
 36 petition the department to initiate or the department on its own may  
 37 initiate a proceeding for a determination as to whether a school  
 38 building meets the criteria for closure under this section or a covered  
 39 school building that is no longer used for classroom instruction by a  
 40 school corporation should be made available under IC 20-26-7.1. If a  
 41 charter school or state educational institution petitions the department

1 under this subsection, the charter school or state educational institution  
 2 must provide a copy of the petition to the applicable school  
 3 corporation.

4 (i) An interested person that is not otherwise a party to the proceeding may intervene in the proceeding under subsection (h) as a  
 5 party. The school corporation has the burden of going forward with the  
 6 evidence and the burden of proof to demonstrate that the school  
 7 building does not meet the criteria for closure or the covered school  
 8 building is not required to be made available under IC 20-26-7.1.

9 (j) Not more than sixty (60) days after receiving notice of a petition under subsection (h), the school corporation must:

10 (1) file a response to the petition that notifies the department that  
 11 the school corporation:

12 (A) is not contesting the petition; or  
 13 (B) is contesting the petition and states the facts upon which  
 14 the school corporation relies in contesting the petition; and

15 (2) provide a copy of the response to the petitioner and any  
 16 intervening party.

17 (k) If the school corporation:

18 (1) files a response that the school corporation is not contesting  
 19 the petition; or

20 (2) fails to submit a timely response under subsection (j);

21 the department shall issue an order granting the petition. A petition and  
 22 any response or reply are public documents.

23 (l) If a school corporation contests a petition under subsection (j),  
 24 a party to the proceeding has not more than sixty (60) days after the  
 25 date that the school corporation files a response under subsection (j) to  
 26 submit a reply to the school corporation's response.

27 (m) The department shall make a determination regarding a  
 28 petition under subsection (h) not more than one hundred twenty (120)  
 29 days after the date that the:

30 (1) petitioner and any intervening party have submitted a reply  
 31 under subsection (l); or

32 (2) time period to reply under subsection (l) has expired.

33 (n) A school corporation or another party to the proceeding may  
 34 file with the state board a petition requesting review of the department's  
 35 determination. Upon receipt of a petition under this subsection, the  
 36 state board shall review the department's determination. An appeal to  
 37 the state board shall be subject to the procedure described in  
 38 IC 20-26-11-15(b).

39 (o) Upon the issuance of a final unappealable order granting a

1 petition, the school corporation shall make the school building  
 2 available for lease or purchase in accordance with IC 20-26-7.1.

10 (2) "Enrollment" has the meaning set forth in section 47(a)(3) of  
 11 this chapter.

12 (b) This section:

13 (1) applies to a school corporation only if:

14 (1) (A) the total student enrollment for in-person instruction  
 15 in the school corporation in the current school year is at  
 16 least ten percent (10%) less than the student enrollment for  
 17 in-person instruction in the school corporation in a school  
 18 year that precedes the current school year by five (5); and  
 19 (2) (B) the school corporation in the current school year has  
 20 more than one (1) school building serving the same grade

23 (2) **does not apply to a school city (as defined in**  
 24 **IC 20-25-2-12).**

25 (c) Each school corporation shall annually report to the

(ii) Percentage of instructional use.

(iii) Percentage of use for other purposes.

(D) Self-evaluation of whether the building qualifies for closure under section 47 of this chapter or the school board otherwise intends to close the building and the date closure will occur (if applicable).

SECTION 12. IC 20-26-7.1-1, AS AMENDED BY P.L.68-2025,

SECTION 209, IS AMENDED TO READ AS FOLLOWS  
[EFFECTIVE UPON PASSAGE]: Sec. 1. (a) For purposes of this section, "charter school" does not include a virtual charter school or an adult high school.

(b) This chapter does not apply to the following:

(1) A school building that since July 1, 2011, is leased or loaned by the school corporation that owns the school building to another entity, if the entity is not a building corporation or other entity that is related in any way to, or created by, the school corporation or the governing body.

(2) A school corporation to which all of the following apply:

(A) The county auditor distributes revenue after May 10, 2023, as required under IC 20-46-1-21 or IC 20-46-1-22 to each eligible charter school.

(B) If the school corporation listed in IC 20-46-9-22 receives revenue from a school safety referendum tax levy under IC 20-46-9, the county auditor distributes revenue after May 10, 2023, as required under IC 20-46-9-22 to each charter school described in IC 20-46-9-22(b).

The above subdivisions are intended to apply retroactively. No referendums or distributed revenue prior to May 10, 2023, are effective to provide exemption from this chapter.

(3) A school corporation to which all of the following apply:

(A) The school corporation approves a resolution after May 10, 2023, to impose an operating referendum tax levy under IC 20-46-1 after May 10, 2023, that includes sharing the revenue from the referendum tax levy in the amounts described in clause (B) with each charter school that:

(i) a student who resides within the attendance area of the school corporation attends; and

(ii) elects to participate in the referendum.

The above subdivisions are intended to apply retroactively. No resolutions, referendums, or distributed revenue prior to May 10, 2023, are effective to provide exemption from this chapter.

(B) The amount of referendum tax levy revenue that the school corporation is required to share with each charter school under the resolution described in clause (A) is equal to the amount determined applying the applicable formula under IC 20-46-1-21 or IC 20-46-1-22.

(c) In order for any payment to a charter school to qualify as sharing of proceeds from a referendum for purposes of exemption from IC 20-26-7.1, the referendum must have been passed with prior notice to voters of all amounts of referendum proceeds to be paid to charter schools.
