

# PROPOSED AMENDMENT

## HR 28 # 1

### DIGEST

National debt. Encourages the department of education to implement into K-12 curriculum a standard that all United States history classes will provide specific instruction on how much the national debt has increased, as expressed in both dollars and a percentage, during the term of each United States president.

---

- 1           Page 2, between lines 24 and 25, begin a new paragraph and insert:  
2           "SECTION 2. That the Indiana department of education is  
3           encouraged to implement into K-12 curriculum a standard that all  
4           United States history classes will provide specific instruction on how  
5           much the national debt has increased, as expressed in both dollars and  
6           a percentage, during the term of each United States president,  
7           beginning with Ronald Reagan through the term of each ensuing  
8           President, including the current incumbent."  
9           Page 2, line 25, delete "2." and insert "3."  
10          Page 2, line 26, after "resolution" insert "to the Indiana secretary of  
11          education and".
