

PROPOSED AMENDMENT

SB 4 # 7

DIGEST

Cell and Gene Therapy Access Model for sickle cell disease. Requires the office of the secretary of family and social services, before December 1, 2026, to apply to the United States Department of Health and Human Services for any Medicaid waiver necessary for Indiana to participate in the Cell and Gene Therapy Access Model for developing and administering outcomes-based agreements under the Medicaid program for cell and gene therapies, including the treatment of sickle cell disease.
