- 3 and local administration and to make an appropriation.
- 4 Replace the effective date in SECTION 1 with "[EFFECTIVE
- 5 UPON PASSAGE]".

- 7 **"Sec. 0.3. The general assembly finds the following:**
- 8 **(1) Northwest Indiana as a region and the city face unique and**
- 9 **distinct challenges and opportunities related to the economic**
- 10 **development issues associated with the construction and**

- 12 **(2) A unique approach is required to ensure that northwest**
- 13 **Indiana has sufficient revenue sources to allow it to meet these**
- 14 **challenges and opportunities.**

1 (3) The powers and responsibilities provided to northwest
2 Indiana and to the northwest Indiana stadium authority
3 created by this chapter are appropriate and necessary to
4 carry out the public purposes of encouraging and fostering
5 economic development in northwest Indiana and constructing
6 a world-class stadium facility in the city.

7 (4) The relocation of a National Football League franchised
8 professional football team in northwest Indiana poses unique
9 challenges due to the need for development of a world-class
10 football stadium and related infrastructure that would not be
11 needed apart from the needs related to the relocation of a
12 National Football League franchised professional football
13 team in the city.

14 (5) The relocation of a National Football League franchised
15 professional football team in the city is critical to successful
16 economic development in the city and northwest Indiana and
17 is a public purpose.

18 (6) Encouragement of economic development in northwest
19 Indiana will:

20 (A) provide significant economic activity, a substantial
21 portion of which results from persons residing outside
22 Indiana, which may attract new businesses and encourage
23 existing businesses to remain or expand in the city and
24 northwest Indiana;

25 (B) promote the city and northwest Indiana to residents
26 outside Indiana, which may attract residents outside
27 Indiana and new businesses to relocate to the city and
28 northwest Indiana area;

29 (C) protect and increase state and local tax revenues; and

30 (D) encourage overall economic growth in northwest
31 Indiana and in Indiana.

32 (7) Northwest Indiana faces unique challenges in the
33 development of infrastructure and other facilities necessary
34 to promote economic development:

35 (A) as a result of its need to rely on sources of revenue
36 other than property taxes;

37 (B) due to the large number of tax exempt properties
38 located in northwest Indiana; and

39 (C) because northwest Indiana is the site of numerous state
40 and regional nonprofit corporations.

(8) Economic development benefits the health and welfare of the people of Indiana, is a public use and purpose for which public money may be spent, and is of public utility and benefit."

3 records of the board and has the same powers and duties as the
4 treasurer of the board or the lesser powers and duties that the
5 board prescribes. The controller and any other employee or
6 member of the board authorized to receive, collect, or expend
7 money shall give bond for the faithful performance and discharge
8 of all duties required of the controller in the amount and with
9 surety and other conditions that may be prescribed and approved
10 by the board. The controller shall keep an accurate account of all
11 money due the board and of all money received, invested, and
12 disbursed in accordance with generally recognized governmental
13 accounting principles and procedure. All accounting forms and
14 records shall be prescribed or approved by the state board of
15 accounts.

16 (d) The controller shall issue all warrants for the payment of
17 money from the funds of the board in accordance with procedures
18 prescribed by the board but a warrant may not be issued for the
19 payment of a claim until an itemized and verified statement of the
20 claim has been filed with the controller, who may require evidence
21 that all amounts claimed are justly due. All warrants shall be
22 countersigned by the treasurer of the board or by the executive
23 manager. Warrants may be executed with facsimile signatures.

24 (e) If there are bonds or notes outstanding issued under this
25 chapter, the controller shall deposit with the paying agent or other
26 paying officer within a reasonable period before the date that any
27 principal or interest becomes due sufficient money for the payment
28 of the principal and interest on the due dates. The controller shall
29 make the deposit with money from the sources provided in this
30 chapter, and shall make the deposit in an amount that, together
31 with other money available for the payment of the principal and
32 interest, is sufficient to make the payment. In addition, the
33 controller shall make other deposits for the bonds and notes as is
34 required by this chapter or by the resolutions, ordinances, or trust
35 agreements under which the bonds or notes are issued.

36 (f) The controller shall submit to the board at least annually a
37 report of the board's accounts exhibiting the revenues, receipts,
38 and disbursements and the sources from which the revenues and
39 receipts were derived and the purpose and manner in which they
40 were disbursed. The board may require that the report be

1 prepared by an independent certified public accountant designated
2 by the board. The state board of accounts shall audit the accounts,
3 books, and records of the board and prepare a financial report and
4 a compliance audit report. The handling and expenditure of funds
5 is subject to supervision by the state board of accounts.

6 Sec. 9. (a) Unless there are bonds or notes outstanding under
7 this chapter and secured in whole or in part by money deposited in
8 the capital improvement bond fund, the proceeds of excise taxes
9 received from the treasurer of the state shall be deposited in a
10 separate and distinct fund called the "capital improvement fund".
11 The gross income received by the board from the operation of
12 capital improvements under this chapter shall be deposited in the
13 capital improvement fund, regardless of whether or not there are
14 any bonds or notes outstanding. Any money in the fund may be
15 expended by the board without the necessity of an appropriation
16 to pay or provide for the payment of operating expenses. Money in
17 the fund may also be used by the board without appropriation or
18 approval to pay the principal on, or interest of, any bonds or notes
19 issued under this chapter that cannot be paid from funds in the
20 capital improvement bond fund or may be used for the payment of
21 the principal of, redemption premium, if any, for, and interest on
22 any bonds or notes issued under this chapter, upon prior
23 redemption, or for all or part of the cost of a capital improvement.

24 (b) The board may covenant in any resolution, ordinance, or
25 trust agreement providing for the issuance of bonds or notes as to
26 the order of application of money deposited in the capital
27 improvement fund, including the holding or disposing of any
28 surplus in that fund.

29 (c) The net income from the operation of capital improvements
30 under this chapter shall be transferred from the capital
31 improvement fund to the capital improvement bond fund to the
32 extent of any deficiency in the amount required to be in the capital
33 improvement bond fund.

34 Sec. 10. (a) If there are any outstanding bonds or notes issued
35 under this chapter and secured in whole or in part by money
36 deposited in the capital improvement bond fund, the treasurer of
37 the board shall, except as otherwise provided in this section,
38 deposit the following amounts in a separate and distinct fund called
39 the "capital improvement bond fund":

40 (1) Excise tax proceeds received by the treasurer.

1 **(2) Net income transferred to the capital improvement bond**
2 **fund under section 9 of this chapter.**

3 **(3) Any other amounts received for deposit in the capital**
4 **improvement bond fund.**

5 **(b) Principal and interest subaccounts shall be maintained in the**
6 **capital improvement bond fund. The lesser of the following**
7 **amounts shall be deposited in the principal and interest**
8 **subaccounts:**

9 **(1) The total of the amounts listed in subsection (a).**

10 **(2) The total of the principal and interest subaccounts for all**
11 **outstanding bonds and notes issued under this chapter, the**
12 **amounts required by the resolutions, ordinances, and trust**
13 **agreements under which the bonds or notes are issued.**

14 **Deposits to principal and interest subaccounts for notes and for**
15 **bonds shall be made in the manner and in the order of priority that**
16 **is provided in the resolutions, ordinances, and trust agreements**
17 **under which the bonds or notes are issued. Amounts in a principal**
18 **and interest subaccount may be used solely to pay the principal of**
19 **and interest on the issue or issues of bonds or notes for which the**
20 **principal and interest subaccount was established.**

21 **(c) The treasurer of the board shall maintain in the capital**
22 **improvement bond fund a bond reserve subaccount for bonds and**
23 **for notes secured in whole or in part by money deposited in the**
24 **capital improvement bond fund. These subaccounts shall be**
25 **maintained to the extent and in the amount required by the**
26 **resolutions, ordinances, and trust agreements under which the**
27 **bonds or notes are issued. Amounts described in subsection (a) that**
28 **are not required to be deposited in principal and interest**
29 **subaccounts under subsection (b) shall be deposited in the reserve**
30 **subaccounts to the extent of any deficiency in those subaccounts.**
31 **Deposits to the reserve subaccounts for notes and for bonds shall**
32 **be made in the manner and in the order of priority that is provided**
33 **in the resolutions, ordinances, and trust agreements under which**
34 **the bonds or notes are issued. Subject to subsection (e), amounts in**
35 **a reserve subaccount may be used solely to pay the principal of and**
36 **interest on the issue or issues of bonds or notes for which the**
37 **reserve subaccount was established and only to the extent amounts**
38 **in the principal and interest subaccount for the issue or issues of**
39 **bonds or notes are not sufficient for that purpose.**

40 **(d) Amounts described in subsection (a) that are not required to**

1 be deposited in principal and interest subaccounts or bond reserve
2 subaccounts under subsections (b) and (c) shall be deposited in the
3 capital improvement fund rather than the capital improvement
4 bond fund.

5 (e) Unless otherwise provided in any resolution, ordinance, or
6 trust agreement under which bonds or notes are issued, amounts
7 in the capital improvement bond fund in excess of the amount
8 required by this section to be on deposit in that fund shall be
9 transferred to the capital improvement fund.

10 (f) Subject to any trust agreements, funds on deposit in the
11 capital improvement fund shall be transferred to the Indiana
12 finance authority created by IC 5-1.2-3 for deposit into separate
13 accounts, based on pro rata county population, for the payment or
14 reimbursement of costs associated with transportation or
15 infrastructure projects in the following counties:

- 16 (1) Elkhart County.
- 17 (2) LaGrange County.
- 18 (3) LaPorte County.
- 19 (4) Porter County.
- 20 (5) Steuben County.
- 21 (6) St. Joseph County.

22 The maximum amount of all deposits by the Indiana finance
23 authority under this subsection shall not exceed the amount of
24 proceeds received by the Indiana finance authority, including
25 interest earned on such proceeds, in connection with an extension
26 or amendment executed after January 1, 2026, and before
27 December 31, 2026, related to a public-private agreement to which
28 the authority is a party under IC 8-15.5, and that was originally
29 entered into before January 1, 2013, and contributed by the
30 Indiana finance authority towards a project.

31 (g) The principal and interest subaccount and bond reserve
32 subaccounts shall be held by the treasurer of the board or by an
33 escrow agent, depository, or trustee provided in the resolutions,
34 ordinances, or trust agreements establishing the subaccounts. One
35 (1) principal and interest subaccount or bond reserve subaccount
36 may be established for two (2) or more issues of bonds or notes.

37 (h) For purposes of this section and section 9 of this chapter,
38 bonds issued under section 15 of this chapter shall be considered to
39 be secured by money deposited in the capital improvement bond
40 fund, if provided in the resolution, ordinance, or trust agreement

1 providing for the issuance of the bonds.

2 Sec. 11. (a) Upon the defeasance of an issue of northwest Indiana
3 stadium board bonds, the board may use funds in its capital
4 improvement bond fund for those defeased bonds for the purposes
5 set forth in subsection (b) if the board:

- 6 (1) has sold all or part of a capital improvement to the
7 northwest Indiana stadium authority and leased it back; or
- 8 (2) has leased all or part of a capital improvement to the
9 northwest Indiana stadium authority and leased it back.

10 (b) The board may use the funds in the capital improvement
11 fund for the defeased bonds for the following:

- 12 (1) As payment of lease rental or as a reserve for lease rental.
- 13 (2) As a deposit with the northwest Indiana stadium authority
14 or a trustee for the authority's bond owners to be used for
15 payment of those bonds or as a reserve for those bonds.
- 16 (3) For any purpose for which the board is authorized to
17 expend or apply funds.
- 18 (4) For any combination of the purposes set forth in
19 subdivisions (1), (2), and (3).

20 Sec. 12. (a) A capital improvement may be financed in whole or
21 in part by the issuance of bonds payable, to the extent stated in the
22 resolution or trust agreement providing for the issuance of the
23 bonds, solely from one (1) or more of the following sources:

- 24 (1) Net income received from the operation of the capital
25 improvement and not required to be deposited in the capital
26 improvement bond fund under section 10 of this chapter.
- 27 (2) Net income received from the operation of any other
28 capital improvement or improvements and not required to be
29 deposited in the capital improvement bond fund under section
30 10 of this chapter.
- 31 (3) Money in the capital improvement bond fund available for
32 that purpose.
- 33 (4) Money in the capital improvement fund available for that
34 purpose.
- 35 (5) Any other funds made available for that purpose.

36 The resolution or trust agreement may pledge all or part of those
37 amounts to the repayment of the bonds and may secure the bonds
38 by a lien on the amounts pledged.

39 (b) If the board desires to finance a capital improvement in
40 whole or in part as provided in this section, it shall adopt a

1 resolution authorizing the issuance of revenue bonds. The
 2 resolution must state the date or dates on which the principal of the
 3 bonds will mature (not exceeding forty (40) years from the date of
 4 issuance), the maximum interest rate to be paid, and the other
 5 terms upon which the bonds will be issued.

6 (c) The board may, under section 13 of this chapter, enter into
 7 a trust agreement with a trust company as trustee for the
 8 bondholders. An action to contest the validity of bonds to be issued
 9 under this section may not be brought after the fifteenth day
 10 following:

11 (1) the receipt of bids for the bonds, if the bonds are sold at
 12 public sale; or

13 (2) the publication one (1) time in a newspaper of general
 14 circulation published in the city of notice of the execution and
 15 delivery of the contract of sale for the bonds;

16 whichever occurs first.

17 (d) Bonds issued under this section may be sold at public or
 18 private sale for the price or prices that are provided in the
 19 resolution authorizing the issuance of bonds. All bonds and interest
 20 are exempt from taxation in Indiana as provided in IC 6-8-5.

21 (e) When issuing revenue bonds, the board may covenant with
 22 the purchasers of the bonds that any funds in the capital
 23 improvement fund may be used to pay the principal on, or interest
 24 of, the bonds that cannot be paid from any other funds.

25 (f) The revenue bonds may be made redeemable before maturity
 26 at the price or prices and under the terms that are determined by
 27 the board in the authorizing resolution. The board shall determine
 28 the form of bonds, including any interest coupons to be attached,
 29 and shall fix the denomination or denominations of the bonds and
 30 the place or places of payment of the principal and interest, which
 31 may be at any bank or trust company within or outside Indiana.
 32 All bonds must have all the qualities and incidents of negotiable
 33 instruments under statute. Provision may be made for the
 34 registration of any of the bonds as to principal alone or to both
 35 principal and interest.

36 (g) The revenue bonds must recite on the face that the principal
 37 of and interest on the bonds is payable solely from the amounts
 38 pledged to their payment. The bonds shall be executed by the
 39 manual or facsimile signature of the president of the board, and
 40 attested by the manual or facsimile signature of the treasurer of

the board. However, one (1) of the signatures must be manual, unless the bonds are authenticated by the manual signature of an authorized officer or a trustee for the bondholders. Any coupons attached must bear the facsimile signature of the president of the board.

(h) This chapter constitutes full and complete authority for the issuance of revenue bonds. No law, procedure, proceedings, publications, notices, consents, approvals, orders, acts, or things by the board or any other officer, department, agency, or instrumentality of the state or any political subdivision is required to issue any revenue bonds except as prescribed in this chapter.

(i) Revenue bonds issued under this section are legal investments for private trust funds and the funds of banks, trust companies, insurance companies, building and loan associations, credit unions, banks of discount and deposit, savings banks, loan and trust and safe deposit companies, rural loan and savings associations, guaranty loan and savings associations, mortgage guaranty companies, small loan companies, industrial loan and investment companies, and other financial institutions organized under statute.

Sec. 13. (a) Revenue bonds issued under this chapter may be secured by a trust agreement by and between the board and a corporate trustee, which may be any trust company or bank having the powers of a trust company in Indiana. Any resolution adopted by the board providing for the issuance of revenue bonds and any trust agreement under which the revenue bonds are issued may pledge or assign, subject only to valid prior pledges, all or a part of the amounts authorized by this chapter, but the board may not convey or mortgage any capital improvement or any part of a capital improvement.

(b) In authorizing the issuance of revenue bonds, the board may:

(1) limit the amount of revenue bonds that may be issued as a first lien against the amounts pledged to the payment of those revenue bonds; or

(2) authorize the issuance from time to time of additional revenue bonds secured by the same lien.

Additional revenue bonds shall be issued on the terms and conditions provided in the bond resolution or resolutions adopted by the board and in the trust agreement or any agreement

1 supplemental to the trust agreement. Additional revenue bonds
2 may be secured equally and ratably without preference, priority,
3 or distinction with the original issue of revenue bonds or may be
4 made junior to the original issue of revenue bonds.

5 (c) Any pledge or assignment made by the board under this
6 section is valid and binding from the time that the pledge or
7 assignment is made, and the amounts pledged and received by the
8 board are immediately subject to the lien of the pledge or
9 assignment without physical delivery of those amounts or further
10 act. The lien of the pledge or assignment is valid and binding
11 against all parties having claims of any kind in tort, contract, or
12 otherwise against the board irrespective of whether these parties
13 have notice of the lien. Neither the resolution nor any trust
14 agreement by which a pledge is created or an assignment need be
15 filed or recorded in order to perfect the resulting lien against third
16 parties. However, a copy of the pledge or assignment shall be filed
17 in the records of the board.

18 (d) Any trust agreement or resolution providing for the issuance
19 of revenue bonds may contain provisions for protecting and
20 enforcing the rights and remedies of the bondholders that are
21 reasonable and proper and not in violation of law. The provisions
22 may include covenants stating the duties of the board in relation to:

- 23 (1) the acquisition of property;
- 24 (2) the construction, improvement, maintenance, repair,
25 operation, and insurance of the capital improvement or
26 capital improvements in connection with which the bonds
27 have been authorized;
- 28 (3) the rates of fees, rentals, or other charges to be collected
29 for the use of the capital improvement or capital
30 improvements;
- 31 (4) the custody, safeguarding, investment, and application of
32 all money received or to be received by the board or trustee;
- 33 (5) the establishment of funds, reserves, and accounts; and
- 34 (6) the employment of consulting engineers in connection with
35 the construction or operation of the capital improvement or
36 capital improvements.

37 (e) It is lawful for any bank or trust company incorporated
38 under statute, and any national banking association that may act
39 as depository of the proceeds of bonds or other funds of the board,
40 to furnish indemnifying bonds or to pledge securities that are

1 required by the board.

2 (f) Any trust agreement entered into under this section may
3 state the rights and remedies of the bondholders and of the trustee,
4 and may restrict the individual right of action by bondholders as
5 is customary in trust agreements or trust indentures securing
6 bonds or debentures of private corporations. In addition, the trust
7 agreement may contain other provisions that the board considers
8 reasonable and proper for the security of the bondholders.

9 (g) All expenses incurred in carrying out a trust agreement
10 entered into under this section may be treated as a part of the
11 necessary operating expenses of the board.

12 Sec. 14. (a) The Indiana general assembly covenants with the
13 purchasers of any bonds or notes issued under this chapter that:

14 (1) the excise taxes pledged to the payment of those bonds and
15 notes will not be repealed, amended, or altered in any manner
16 that would reduce or adversely affect the levy and collection
17 of those taxes; and

18 (2) it will not reduce the rates or amounts of those taxes; as
19 long as the principal of, or interest on, any bonds or notes is
20 unpaid.

21 (b) The board may make a similar pledge or covenant in any
22 agreement with the purchasers of any bonds or notes issued under
23 this chapter.

24 (c) For purposes of this section, the principal of or interest on
25 bonds or notes is considered paid if provision has been made for
26 their payment in such a manner that the bonds or notes are not
27 considered to be outstanding under the resolution, ordinance, or
28 trust agreement under which the bonds or notes are issued.

29 Sec. 15. (a) A capital improvement may be financed in whole or
30 in part by the issuance of general obligation bonds of the city.

31 (b) If the board desires to finance a capital improvement in
32 whole or in part as provided in this section, it shall have prepared
33 a resolution to be adopted by the legislative body of the city
34 authorizing the issuance of general obligation bonds. The
35 resolution must state the date or dates on which the principal of the
36 bonds is payable, the maximum interest rate to be paid, and the
37 other terms upon which the bonds shall be issued. The board shall
38 submit the proposed resolution to the legislative body of the city
39 for approval under IC 36-4-6-19, together with a certificate to the
40 effect that the issuance of bonds in accordance with the resolution

will be in compliance with this section. The certificate must also state the estimated annual net income of the capital improvement to be financed by the bonds, the estimated annual tax revenues, and the maximum amount payable in any year as principal and interest on the bonds issued under this chapter, including the bonds proposed to be issued, at the maximum interest rate set forth in the resolution. The bonds issued may mature over a period not exceeding forty (40) years from the date of issue.

(c) If the legislative body of the city approves the issuance of bonds under IC 36-4-6-19, the board shall submit the resolution to the executive of the city, who shall review the resolution. If the executive approves the resolution, the board shall take all action necessary to issue the bonds in accordance with the resolution. An action to contest the validity of bonds issued under this section and sold at a public sale may not be brought after the fifteenth day following the receipt of bids for the bonds.

(d) The provisions of all general statutes relating to:

(1) the filing of a petition requesting the issuance of bonds and giving notice;

(2) the right of:

(A) taxpayers and voters to remonstrate against the issuance of bonds in the case of a proposed bond issue described by IC 6-1.1-20-3.1(a); or

(B) voters to vote on the issuance of bonds in the case of a proposed bond issue described by IC 6-1.1-20-3.5(a);

(3) the giving of notice of the determination to issue bonds;

(4) the giving of notice of a hearing on the appropriation of the proceeds of bonds;

(5) the right of taxpayers to appear and be heard on the proposed appropriation;

(6) the approval of the appropriation by the department of local government finance; and

(7) the sale of bonds at a public sale for not less than par value or at a negotiated sale;

are applicable to the issuance of bonds under this section.

Sec. 16. All money received from any bonds issued under this chapter shall be applied solely to the payment of the construction cost of the capital improvement or capital improvements or the cost of refunding or refinancing outstanding bonds or notes, for which the bonds are issued. The cost may include:

- (1) planning and development of the capital improvement and all buildings, facilities, structures, and improvements related to it;
- (2) acquisition of a site and clearing and preparing the site for construction;
- (3) equipment, facilities, structures, and improvements that are necessary or desirable to make the capital improvement suitable for use and operation;
- (4) architectural, engineering, consultant, and attorney's fees;
- (5) incidental expenses in connection with the issuance and sale of bonds;
- (6) reserves for principal and interest and for operations, extensions, replacements, renovations, and improvements;
- (7) interest during construction;
- (8) financial advisory fees;
- (9) insurance during construction;
- (10) municipal bond insurance; and
- (11) in the case of refunding or refinancing, payment of the principal of, redemption premiums, if any, for, and interest on the bonds or notes being refunded or refinanced.

Sec. 17. Unless their rights are restricted by the appropriate bond resolution, ordinance, or trust agreement, any holder of notes or bonds issued under this chapter or a trustee under a trust agreement entered into under this chapter may, by any suitable form of legal proceeding, protect and enforce any rights provided under statute or granted by the bond resolution, ordinance, or trust agreement.

Sec. 18. All:

- (1) property owned by the board;
- (2) property leased to or by the board; and
- (3) income and revenues received by the board;

are exempt from special assessments and taxation in Indiana for all purposes.

Sec. 19. The board and the state, any department, agency, or commission of the state, or any department, agency, or commission of municipal or county government, may enter into agreements, contracts, or leases with each other on the terms that are agreed upon, providing for joint and cooperative planning, financing, construction, operation, or maintenance of a capital improvement or of the buildings, facilities, structures, or improvements that are

1 necessary or desirable in connection with the use and operation of
2 a capital improvement.

3 Sec. 20. (a) In anticipation of funds to be received from any
4 source, the board may borrow money and issue notes for a term
5 not exceeding ten (10) years and at a rate or rates of interest
6 determined by the board. The notes shall be issued in the name of
7 the "northwest Indiana stadium board" and may be secured
8 (either on a parity with or junior and subordinate to any
9 outstanding bonds or notes) by:

10 (1) the pledge of income and revenues of any capital
11 improvement;

12 (2) the proceeds of excise taxes; or

13 (3) any other funds anticipated to be received.

14 The notes are payable solely from the income, excise taxes,
15 revenues, and anticipated funds.

16 (b) The financing may be negotiated directly by the board with
17 any bank, insurance company, savings association, or other
18 financial institution licensed to do business in Indiana upon the
19 terms and conditions that are agreed upon, except as specifically
20 provided in this section, and may be consummated without public
21 offering. The notes plus interest are exempt from taxation in
22 Indiana as provided for bonds in IC 6-8-5.

23 Sec. 21. A board established under this chapter may defend any
24 current or former member of the board or its officers, employees,
25 or agents in a claim or suit, at law or in equity, that arises from the
26 exercise of powers or the performance of duties or services for the
27 board or that arises from official acts as a member of the board.
28 The board may indemnify a person for any liability, cost, or
29 damages related to a claim or suit, including the payment of legal
30 fees. Before taking action authorized by this section, the board
31 must, by resolution, determine that the action or conduct in
32 question was taken, done, or omitted in good faith.
