BILL NUMBER: SB 55

NOTE PREPARED: Nov 29, 2025
BILL AMENDED:

SUBJECT: Soybean Market Development.

FIRST AUTHOR: Sen. Leising
FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: X GENERAL
 X DEDICATED
 FEDERAL

IMPACT: State & Local

Summary of Legislation: This bill creates the Soybean Market Development Program. It specifies that the program goes into effect only if assessments are not levied and collected under federal law. It requires the Indiana Soybean Alliance (ISA) to administer the program. It also establishes various procedures and requirements for operating the program.

Effective Date: July 1, 2026.

Explanation of State Expenditures: *Indiana Soybean Alliance (ISA):* The bill requires the ISA to establish and carry out the Indiana Soybean Marketing Program, as prescribed in the bill, if assessments are not levied and collected under the Soybean Promotion, Research, and Consumer Information Act and the Soybean Promotion and Research Order. When the program is established, the ISA will consist of 26 voting members and at least 8 ex officio, nonvoting members. Four ex officio members are members of the Indiana General Assembly that are entitled to a \$213 per diem and mileage of \$0.70 per mile (as of January 1, 2025) for each meeting attended. These expenses are paid by appropriations from the Legislative Council or the Legislative Services Agency. Additionally, at least 2 members are state employees and are entitled to reimbursement for travel expenses and other expenses actually incurred in connection with the board members duties. Expenses for state employees are paid by the Indiana State Department of Agriculture (ISDA). The bill requires the ISA to meet at least three times each federal fiscal year.

Workload Increase: Workload will increase for the State Board of Accounts to receive and review reports submitted by the ISA. Additionally, workload will increase for the ISDA, Lieutenant Governor, and Purdue University to appoint members and serve on the ISA.

Explanation of State Revenues: *Civil Cases:* The bill allows the ISA to bring a civil action against a first purchaser that fails to remit assessments or pay assessed penalties. If additional civil cases occur and court fees are collected, revenue to the state General Fund will increase. The total revenue per case would range between \$100 and \$122. The amount deposited will vary depending on whether the case is filed in a court of record or a municipal court. The following linked document describes the fees and distribution of the revenue: [Court fees imposed in civil, probate, and small claims cases.](#)

Explanation of Local Expenditures:

Explanation of Local Revenues: *Civil Cases:* If additional cases occur, revenue will be collected by certain local units. If the case is filed in a court of record, the county will receive \$32 and qualifying municipalities will receive a share of \$3. If the case is filed in a municipal court, the county receives \$20, and the municipality will receive \$37. The following linked document describes the fees and distribution of the revenue: [Court fees imposed in civil, probate, and small claims cases](#)
