

# PROPOSED AMENDMENT

## ES 78 # 15

### DIGEST

Charge of fees. Provides that, if a school corporation or charter school stores a student's wireless communication device, the school corporation or charter school may charge a fee for costs associated with the storage.

---

1           Page 10, between lines 19 and 20, begin a new paragraph and insert:  
2           "**(1) If a school corporation or charter school stores a student's**  
3           **wireless communication device as provided under subsection**  
4           **(d)(3)(B), the school corporation or charter school may charge the:**  
5           **(1) parent of a student if the student is an unemancipated**  
6           **minor; or**  
7           **(2) student if the student is an adult or emancipated minor;**  
8           **a fee in the amount of not more than twenty-five dollars (\$25), as**  
9           **determined by the school corporation or charter school, for costs**  
10           **associated with the storage of the student's wireless communication**  
11           **device."**
