SENATE BILL No. 88

Proposed Changes to introduced printing by AM008801

DIGEST OF PROPOSED AMENDMENT

Civics education and instruction. Removes provisions: (1) concerning civics education; and (2) prohibiting certain instruction or discussion from fostering a national identity, heritage, or culture that is contrary to shared principles.

A BILL FOR AN ACT to amend the Indiana Code concerning education.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. IC 20-19-2-14.5, AS AMENDED BY P.L.93-2024,
2 SECTION 138, IS AMENDED TO READ AS FOLLOWS
3 [EFFECTIVE JULY 1, 2026]: Sec. 14.5. (a) As used in this section:
4 (1) "college and career readiness educational standards" means
5 Indiana standards that a high school graduate must meet to
6 obtain the requisite knowledge and skill to transition without
7 remediation to postsecondary education or training, and
8 ultimately into a sustainable career; and
9 (2) "cut scores" means the scores that define a student's
10 performance on an assessment, including passing, failing, or
11 falling into a performance category.
12 (b) The state board shall adopt Indiana college and career
13 readiness educational standards. The educational standards must do the
14 following:
15 (1) Meet national and international benchmarks for college and
16 career readiness standards and be aligned with postsecondary
17 educational expectations.
18 (2) Use the highest standards in the United States.
19 (3) Comply with federal standards to receive a flexibility waiver

1 under 20 U.S.C. 7861, as in effect on January 1, 2014.

2 (4) Prepare Indiana students for college and career success,

3 including the proper preparation for nationally recognized

4 college entrance examinations such as the ACT, ~~and~~ SAT, **or**

5 **Classic Learning Test.**

6 (5) Maintain Indiana sovereignty.

7 (6) Provide strict safeguards to protect the confidentiality of

8 student data.

9 (c) The state, or the state board on behalf of the state, may not

10 enter into or renew an agreement with any organization, entity, group,

11 or consortium that requires the state to cede any measure of autonomy

12 or control of education standards and assessments, including cut scores.

13 The state board may not adopt Common Core (Common Core State

14 Standards Initiative) or an assessment or test, except as provided in this

15 subsection, that is produced solely by the United States government or

16 a consortium of states. However, the state board is not prohibited from

17 incorporating as part of Indiana's statewide assessments any

18 assessment, part of an assessment, or series of questions if the

19 assessment, part of an assessment, or series of questions is aligned to

20 Indiana's academic standards.

21 (d) The state board may adopt rules under IC 4-22-2 to implement

22 this section.

23 SECTION 2. IC 20-28-5-12.5, AS AMENDED BY P.L.201-2025,

24 SECTION 3, AND AS AMENDED BY P.L.214-2025, SECTION 114,

25 AND AS AMENDED BY THE TECHNICAL CORRECTIONS BILL

26 OF THE 2026 GENERAL ASSEMBLY, IS CORRECTED AND

27 AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]:

28 Sec. 12.5. (a) The department shall grant an initial practitioner license

29 to an individual who:

30 (1) possesses a bachelor's degree from an accredited

31 postsecondary four (4) year institution;

32 (2) successfully completes an alternative teacher certification

33 program that includes:

34 (A) the required content training in the area in which the

35 individual seeks to be licensed;

36 (B) pedagogy training and an examination that is in

37 substantive alignment with nationally recognized

38 pedagogical standards and teaches effective:

39 (i) instructional delivery;

40 (ii) classroom management and organization;

41 (iii) assessment;

42 (iv) instructional design; and

(v) professional learning and leadership;

(C) successful demonstration of content area proficiency in an examination that includes content area material in substantive alignment with nationally recognized content area standards in the areas that the individual is required to have a license to teach;

(D) verification from a third party that regularly reviews educational and professional examinations that the alternative certification examination is equal to or greater in rigor than the written examination under section 12 of this chapter; *and*

(E) content within the curriculum that prepares teacher candidates to use evidence based trauma informed classroom instruction, including instruction in evidence based social emotional learning classroom practices that are conducive to supporting students who have experienced trauma that may interfere with a student's academic functioning; and

(F) (E) content within the curriculum that:

(i) beginning July 1, 2024, is aligned to the science of reading; and

(ii) beginning July 1, 2024, prepares teacher candidates or program participants who seek to obtain an elementary generalist license that is valid for teaching in kindergarten through grade 5 or an early childhood license that is valid for teaching prekindergarten through grade 3 to obtain the literacy endorsement required under section 19.7 of this chapter;

(3) successfully completes an applicable teacher licensing exam as approved by the state board;

(4) holds a valid cardiopulmonary resuscitation certification from a provider approved by the department; and

(5) has attended youth suicide awareness and prevention training.

34 training.

35 (b) The individual must complete a one (1) year practical
36 experience program during the individual's first year in the classroom
37 when the individual is employed as a full-time teacher. The provider
38 must:

(1) provide the practical experience program at no cost to the state or to the school corporation, charter school, or state accredited nonpublic school; and

(2) as part of the practical instruction program, provide

1 instruction in:

2 (A) instructional design and planning;

3 (B) effective instructional delivery;

4 (C) classroom management and organization;

5 (D) effective use of assessment data;

6 (E) content in federal and Indiana special education laws;

7 and

8 (F) required awareness, preparation, and understanding of:

9 (i) individualized education programs;

10 (ii) service plans developed under 511 IAC 7-34;

11 (iii) choice special education plans developed under

12 511 IAC 7-49; and

13 (iv) plans developed under Section 504 of the federal

14 Rehabilitation Act of 1973, 29 U.S.C. 794.

15 (c) An in-state alternative teacher certification program under

16 subsection (a)(2) must operate in accordance with the procedures and

17 program approval standards and requirements set by the department

18 and the state board for teacher education programs for the licensure of

19 teachers.

20 (d) An out-of-state alternative teacher certification program under

21 subsection (a)(2) must:

22 (1) currently operate in at least five (5) states; and

23 (2) have operated an alternative teacher certification program for

24 at least ten (10) years.

25 (e) An individual who receives an alternative teacher certification

26 under subsection (a)(2) is authorized to teach the subject and

27 educational level that the individual has successfully completed.

28 (f) An individual who receives an initial practitioner license under

29 this section shall be treated in the same manner as an individual who

30 receives an initial practitioner license after completing a traditional

31 teacher preparation program.

32 (g) An individual who graduates from an alternative teacher

33 certification program must be treated in the same manner as a

34 traditional teacher preparation program graduate during the transition

35 from an initial practitioner license to a practitioner license.

36 (h) An individual who receives an initial practitioner license under

37 this section may not teach a special education course for a special

38 education student for the period the individual maintains a license

39 under this section unless the individual is at least twenty-six (26) years

40 of age and employed in a school setting or with another community

41 organization, including a for-profit or nonprofit organization, to

42 provide care or instruction for a student with a physical, intellectual, or

1 developmental disability. However, an individual who receives an
 2 initial practitioner license under this section may not be a teacher of
 3 record for a special education student for the period the individual
 4 maintains the initial practitioner license.

5 (i) A school corporation, charter school, or state accredited
 6 nonpublic school shall submit a plan to the department if the school
 7 corporation, charter school, or state accredited nonpublic school hires
 8 one (1) or more individuals who have received an initial practitioner
 9 license under this section. The plan must be submitted in a manner
 10 prescribed by the department and must include a description of how the
 11 school corporation, charter school, or state accredited nonpublic school
 12 will, excluding the practical experience program described in
 13 subsection (b), provide an individual who receives an initial
 14 practitioner license under this section opportunities to obtain exposure
 15 to classroom management and instructional techniques, including
 16 meaningful exposure to special education. The plan is a public record.

17 (j) Not later than July 1, 2024, the department shall prepare a
 18 report that shall be submitted to the general assembly in an electronic
 19 format under IC 5-14-6. The report must contain the following
 20 information:

21 (1) Data showing how many teachers obtained an initial
 22 practitioner license under this section.
 23 (2) A description of the number of teachers who received an
 24 initial practitioner license under this section who are currently
 25 employed as a teacher by each:
 26 (A) school corporation;
 27 (B) charter school; or
 28 (C) state accredited nonpublic school.

29 The description must include a breakdown of the subjects taught
 30 by teachers who receive an initial practitioner license under this
 31 section.

32 (3) A comparison of the *Praxis Subject Assessment applicable*
 33 *teacher licensing exam as approved by the state board* pass rates
 34 for individuals who receive an initial practitioner license under
 35 this section in comparison with the *Praxis Subject Assessment*
 36 *applicable teacher licensing exam as approved by the state*
 37 *board* pass rates for teachers who obtained an initial practitioner
 38 license using a different pathway to licensure.

39 (4) A description of how many teachers who received an initial
 40 practitioner license under this section are rated as effective or
 41 highly effective.

42 (k) **An individual in an alternative teacher certification**

1 program may request a waiver from the department, in a time and
 2 manner determined by the department, of the examination
 3 requirements described in subsection (a)(3), if the individual:

4 (1) received a score on a nationally recognized college
 5 entrance examination, such as the ACT, SAT, or Classic
 6 Learning Test; or

7 (2) received a score on a nationally recognized graduate
 8 school entrance exam, such as the GRE or GMAT;

9 that placed the individual in at least the eightieth percentile of
 10 other test takers for the given examination.

11 SECTION 3. IC 20-30-4-2, AS AMENDED BY P.L.9-2021,
 12 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 13 JULY 1, 2026]: Sec. 2. (a) In consultation with the student's school
 14 counselor, after seeking consultation with each student's parents, and
 15 not later than the date on which the student completes grade 8, each
 16 student shall develop a graduation plan that is a part of the student's
 17 permanent school record and accessible to a parent of the student in
 18 accordance with the Family Education Rights and Privacy Act (20
 19 U.S.C. 1232g et seq.).

20 (b) The graduation plan developed under subsection (a) must
 21 include the following:

22 (1) A statement of intent to graduate from high school.

23 (2) An acknowledgment of the importance of:

24 (A) good citizenship;

25 (B) school attendance; and

26 (C) diligent study habits.

27 (3) The subject and skill areas of interest to the student.

28 (4) The postsecondary goals of the student aligned with the
 29 graduation pathway requirements under IC 20-32-4-1.5.

30 (5) A program of study under the college/technology preparation
 31 curriculum adopted by the state board under IC 20-30-10-2 for
 32 grades 10, 11, and 12 that meets the interests, aptitude, and
 33 postsecondary goals of the student.

34 (6) Assurances that, upon satisfactory fulfillment of the plan, the
 35 student:

36 (A) is entitled to graduate; and

37 (B) will have taken at least the minimum variety and
 38 number of courses necessary to gain admittance to a state
 39 educational institution.

40 (7) An indication of assessments (other than the statewide
 41 assessment program and the graduation examination (before July
 42 1, 2018)) that the student plans to take voluntarily during grade

10 through grade 12 and which may include any of the
2 following:

3 (A) The SAT Reasoning Test.

4 (B) The ACT test.

5 **(C) The Classic Learning Test.**

6 ~~(D)~~ Advanced placement exams.

7 ~~(E)~~ College readiness exams approved by the
8 department.

9 ~~(F)~~ Workforce readiness exams approved by the
10 department of workforce development established under
11 IC 22-4.1-2.

12 ~~(G)~~ Cambridge International examinations.

14 SECTION 170, IS AMENDED TO READ AS FOLLOWS

15 [EFFECTIVE JULY 1, 2026]: Sec. 6. (a) This section applies only to
16 public schools.

17 (b) As used in this section, "good citizenship instruction" means
18 integrating instruction into the current curriculum that stresses the
19 nature and importance of the following:

20 (1) Being honest and truthful.

21 (2) Respecting authority.

22 (3) Respecting the property of others.

23 (4) Always doing the student's personal best.

24 (5) Not stealing.

25 (6) Possessing the skills (including methods of conflict
26 resolution) necessary to live peaceably in society and not
27 resorting to violence to settle disputes.

28 (7) Taking personal responsibility for obligations to family and
29 community.

30 (8) Taking personal responsibility for earning a livelihood.

31 (9) Treating others the way the student would want to be treated.

32 (10) Respecting the national flag, the Constitution of the United
33 States, and the Constitution of the State of Indiana.

34 (11) Respecting the student's parents and home.

35 (12) Respecting the student's self.

36 (13) Respecting the rights of others to have their own views and
37 religious beliefs.

38 **(14) The importance of:**

39 (A) obtaining at least a high school diploma and
40 acquiring additional training in preparation for the
41 workforce;

— SECTION 6. IC 20-30-5-26 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: See. 26. (a) **This section applies to** each school that provides instruction or discussion on the content described in the following:

- (1) Section 1 of this chapter.
- (2) Section 2 of this chapter.
- (3) Section 4 of this chapter.
- (4) Section 5(a)(5) of this chapter.
- (5) Section 6(b)(10) of this chapter.
- (6) Section 7(a)(3) of this chapter.
- (7) Section 7.3 of this chapter.

(b) The instruction or discussion described in subsection (a) may not foster a national identity, heritage, or culture established by:

- (1) racial identity or racial discrimination;
- (2) gender identity or gender discrimination;
- (3) victimization;
- (4) class struggle;
- (5) a hierarchy of privileges; or
- (6) systemic exclusion;

~~that is contrary to the concepts described in subsection (a).~~

— SECTION 7. IC 20-30-16-6.5, AS ADDED BY P.L.200-2021; SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 6.5. The department in accordance with requirements established by the state board shall approve a civics course access program course that:

~~(1) meets the requirements under IC 20-30-5-2(a) and IC 20-30-5-26; and~~

~~(2) is presented with special emphasis on the items listed in IC 20-30-5-5(a) and IC 20-30-5-6(b).~~

➤ SECTION ~~8~~5. IC 20-32-5.1-7, AS AMENDED BY P.L.150-2024, SECTION 47, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 7. (a) Except as otherwise provided in this section and in the manner provided in section 6 of this chapter, the state board is responsible for determining the appropriate subjects, grades, and format of the statewide assessment program.

(b) For each school year beginning after June 30, 2018, and except

2026

1 as provided in section 11 of this chapter, the statewide assessment
 2 program must be administered to all full-time students attending a
 3 school corporation, charter school, state accredited nonpublic school,
 4 or eligible school (as defined in IC 20-51-1-4.7) in grades subject to the
 5 statewide summative assessment required by federal law and in a
 6 manner prescribed by the state board.

7 (c) Subject matter tested on by the statewide assessment program
 8 as determined by the state board under subsection (a) must, at a
 9 minimum, do the following:

10 (1) Comply with requirements established under federal law
 11 with:

12 (A) math and English/language arts assessed yearly in
 13 grades 3 through 8, and at least once in grades 9 through 12;
 14 and

15 (B) science assessed at least once in grades 3 through 5,
 16 grades 6 through 9, and grades 10 through 12.

17 (2) Require that United States history or United States
 18 government be assessed at least once in grades 5 or 8.

19 (d) Except as provided under subsection (e), for each school year
 20 beginning after June 30, 2021, a nationally recognized college entrance
 21 exam **such as the ACT, SAT, or Classic Learning Test** must be
 22 administered for the high school subjects required under subsection (c).
 23 The proficiency benchmark must be approved by the commission for
 24 higher education, in consultation with the state educational institutions,
 25 and may not be lower than the national college ready benchmark
 26 established for that particular exam.

27 (e) If the state board determines that no nationally recognized
 28 college entrance exam assesses a given high school subject that is
 29 required under subsection (c), the state board may select another type
 30 of assessment, including an end of course assessment, for that subject.

31 (f) The statewide assessment program:

32 (1) may not use technology that may negatively influence the
 33 ability to measure a student's mastery of material or a particular
 34 academic standard being tested; and

35 (2) may use a technology enhanced test question only when the
 36 technology enhanced test question is the best way to measure the
 37 academic standard being tested.

38 (g) A statewide summative assessment, other than an assessment
 39 administered under subsection (d), must use a scale score that will
 40 ensure the statewide summative assessment scores are comparable to
 41 scale scores used as part of the ISTEP program under IC 20-32-5,
 42 before its expiration.
