3 SECTION 8. IC 24-5-0.5-3, AS AMENDED BY P.L.104-2024,  
4 SECTION 42, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
5 JULY 1, 2026]: Sec. 3. (a) A supplier may not commit an unfair,  
6 abusive, or deceptive act, omission, or practice in connection with a  
7 consumer transaction. Such an act, omission, or practice by a supplier  
8 is a violation of this chapter whether it occurs before, during, or after  
9 the transaction. An act, omission, or practice prohibited by this section  
10 includes both implicit and explicit misrepresentations.

11 (b) Without limiting the scope of subsection (a), the following acts,  
12 and the following representations as to the subject matter of a  
13 consumer transaction, made orally, in writing, or by electronic  
14 communication, by a supplier, are deceptive acts:

15 (1) That such subject of a consumer transaction has sponsorship, approval, performance, characteristics, accessories, uses, or benefits it does not have which the supplier knows or should reasonably know it does not have.

16 (2) That such subject of a consumer transaction is of a particular standard, quality, grade, style, or model, if it is not and if the supplier knows or should reasonably know that it is not.

17 (3) That such subject of a consumer transaction is new or unused, if it is not and if the supplier knows or should reasonably know that it is not.

18 (4) That such subject of a consumer transaction will be supplied to the public in greater quantity than the supplier intends or reasonably expects.

19 (5) That replacement or repair constituting the subject of a consumer transaction is needed, if it is not and if the supplier knows or should reasonably know that it is not.

20 (6) That a specific price advantage exists as to such subject of a consumer transaction, if it does not and if the supplier knows or should reasonably know that it does not.

21 (7) That the supplier has a sponsorship, approval, or affiliation in such consumer transaction the supplier does not have, and which the supplier knows or should reasonably know that the supplier does not have.

22 (8) That such consumer transaction involves or does not involve a warranty, a disclaimer of warranties, or other rights, remedies, or obligations, if the representation is false and if the supplier knows or should reasonably know that the representation is false.

23 (9) That the consumer will receive a rebate, discount, or other

1 benefit as an inducement for entering into a sale or lease in return  
2 for giving the supplier the names of prospective consumers or  
3 otherwise helping the supplier to enter into other consumer  
4 transactions, if earning the benefit, rebate, or discount is  
5 contingent upon the occurrence of an event subsequent to the time  
6 the consumer agrees to the purchase or lease.

7 (10) That the supplier is able to deliver or complete the subject of  
8 the consumer transaction within a stated period of time, when the  
9 supplier knows or should reasonably know the supplier could not.  
10 If no time period has been stated by the supplier, there is a  
11 presumption that the supplier has represented that the supplier  
12 will deliver or complete the subject of the consumer transaction  
13 within a reasonable time, according to the course of dealing or the  
14 usage of the trade.

15 (11) That the consumer will be able to purchase the subject of the  
16 consumer transaction as advertised by the supplier, if the supplier  
17 does not intend to sell it.

(12) That the replacement or repair constituting the subject of a consumer transaction can be made by the supplier for the estimate the supplier gives a customer for the replacement or repair, if the specified work is completed and:

22 (A) the cost exceeds the estimate by an amount equal to or  
23 greater than ten percent (10%) of the estimate;

24 (B) the supplier did not obtain written permission from the  
25 customer to authorize the supplier to complete the work even  
26 if the cost would exceed the amounts specified in clause (A);  
27 (C) the total cost for services and parts for a single transaction

28 is more than seven hundred fifty dollars (\$750); and  
29 (D) the supplier knew or reasonably should have known that  
30 the cost would exceed the estimate in the amounts specified in  
31 clause (A).

(13) That the replacement or repair constituting the subject of a consumer transaction is needed, and that the supplier disposes of the part repaired or replaced earlier than seventy-two (72) hours after both:

36 (A) the customer has been notified that the work has been  
37 completed; and

38 (B) the part repaired or replaced has been made available for  
39 examination upon the request of the customer.

40 (14) Engaging in the replacement or repair of the subject of a  
41 consumer transaction if the consumer has not authorized the  
42 replacement or repair, and if the supplier knows or should

1 reasonably know that it is not authorized.

2 (15) The act of misrepresenting the geographic location of the

3 supplier by listing an alternate business name or an assumed

4 business name (as described in IC 23-0.5-3-4) in a local telephone

5 directory if:

6 (A) the name misrepresents the supplier's geographic location;

7 (B) the listing fails to identify the locality and state of the

8 supplier's business;

9 (C) calls to the local telephone number are routinely forwarded

10 or otherwise transferred to a supplier's business location that

11 is outside the calling area covered by the local telephone

12 directory; and

14 is not contiguous to a county in the calling area covered by the

15 local telephone directory.

16 (16) The act of listing an alternate business name or assumed

17 business name (as described in IC 23-0.5-3-4) in a directory

18 assistance data base if:

19 (A) the name misrepresents the supplier's geographic location;

20 (B) calls to the local telephone number are routinely forwarded

21 or otherwise transferred to a supplier's business location that

22 is outside the local calling area; and

23 (C) the supplier's business location is located in a county that

24 is not contiguous to a county in the local calling area.

25 (17) The violation by a supplier of IC 24-3-4 concerning

26 cigarettes for import or export.

27 (18) The act of a supplier in knowingly selling or reselling a

28 product to a consumer if the product has been recalled, whether

29 by the order of a court or a regulatory body, or voluntarily by the

30 manufacturer, distributor, or retailer, unless the product has been

31 repaired or modified to correct the defect that was the subject of

32 the recall.

33 (19) The violation by a supplier of 47 U.S.C. 227, including any

## SENATE MOTION

Mr. President: I move that Senate Bill 199 be amended to read as follows:

Page 17, between lines 2 and 3, begin a new paragraph and insert:  
**"Chapter 0.5. Legislative Findings**

**Sec. 1. In enacting this article, the general assembly finds and declares that it is the policy of the state to recognize the unique and evolving risks to the health, safety, and well-being of children who have unrestricted access to social media. Suicide is the leading cause of death for children between fourteen (14) and fifteen (15) years of age and the second leading cause of death for other teens. Further, twenty percent (20%) of children between twelve (12) and seventeen (17) years of age suffer from depression. Many experts have identified a strong correlation between the use of social media and the increase in suicide and depression among children. Accordingly, the general assembly finds that it has a compelling governmental interest to appropriately regulate a child's access to social media while also recognizing the fundamental rights of free speech and of a parent to make decisions about the upbringing of the parent's child."**

Page 18, line 7, delete "sixteen (16) years of age or younger" and insert **"less than eighteen (18) years of age"**.
