(a) This subsection governs salary increases for a teacher employed by a school corporation. Compensation attributable to additional degrees or graduate credits earned before the effective date of a local compensation plan created under this chapter before July 1, 2015, shall continue for school years beginning after June 30, 2015. Compensation attributable to additional degrees for which a teacher has started course work before July 1, 2011, and completed course work before September 2, 2014, shall also continue for school years beginning after June 30, 2015. For school years beginning after June 30, 2022, a school corporation may provide a supplemental payment to a teacher in excess of the salary specified in the school corporation's compensation plan when doing so is in the best interest of students. A supplement provided under this subsection is not subject to collective bargaining and, under IC 20-29-6-3(d), a school corporation may exclude, for this purpose, a portion of the revenue available for bargaining from education fund revenues included in IC 20-29-2-6. Such a supplement is in addition to any increase permitted under subsection (b).

(b) Subject to subsection (e), increases or increments in a local salary range must be based upon a combination of the following factors:

(A) The number of years of a teacher's experience.

(B) The possession of either:

(i) additional content area degrees beyond the requirements for employment; or

(ii) additional content area degrees and credit hours beyond the requirements for employment, if required under an agreement bargained under IC 20-29.

 7 identified under IC 20-29-3-15(b)(27). This factor may not:

 9 calculation used to determine a teacher's increase or
 10 increment;
 11 (B) apply to all eligible teachers in a bargaining unit
 12 uniformly; or
 13 (C) be based on any other factor under this subsection.
 14 (c) To provide greater flexibility and options, a school corporation
 15 may further differentiate the amount of salary increases or increments
 16 determined for teachers. A school corporation shall base a
 17 differentiated amount under this subsection on reasons the school

 32 to receive a salary adjusted in comparison to starting base
 33 salaries of new teachers.

 35 increases or increments for teachers who possess a required literacy
 36 endorsement under IC 20-28-5-19.7.
