

# PROPOSED AMENDMENT

## SB 219 # 2

### DIGEST

Reporting requirements. Specifies that the Uniform Antitrust Pre-Merger Notification Act does not limit or replace a requirement imposed under IC 25-1-8.5 (reporting of health care entity mergers and acquisitions). Provides that a pre-merger notification is a notification filed under the Hart-Scott-Rodino Act with either the Federal Trade Commission or the Antitrust Division of the United States Department of Justice. Allows a person required to file an electronic copy of the Hart-Scott-Rodino form with the attorney general, to file the form not later than one business day after the person files the pre-merger notification instead of contemporaneously with the notification. Provides a reporting exception for certain Indiana health care entities. Replaces the term "Hart-Scott-Rondino" with "Hart-Scott-Rodino".
