28 investigation as the department of homeland security considers proper  
29 in relation to the complaint.

(l) The department of homeland security may reinstate a certificate or license that has been suspended under this section if the department of homeland security is satisfied that the applicant is able to practice with reasonable skill, competency, and safety to the public. As a condition of reinstatement, the department of homeland security may impose disciplinary or corrective measures authorized under this chapter.

37 (m) The department of homeland security may not reinstate a  
38 certificate or license that has been revoked under this chapter.

39 (n) The department of homeland security must be consistent in the  
40 application of sanctions authorized in this chapter. Significant  
41 departures from prior decisions involving similar conduct must be  
42 explained in the department of homeland security's findings or orders.

(o) A certificate holder may not surrender the certificate holder's certificate, and a license holder may not surrender the license holder's license, without the written approval of the department of homeland security, and the department of homeland security may impose any conditions appropriate to the surrender or reinstatement of a surrendered certificate or license.

(p) For purposes of this section, "certificate holder" means a person who holds:

SECTION 45. IC 22-15-5-16, AS AMENDED BY P.L.186-2025, SECTION 123, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 16. (a) A practitioner shall comply with the standards established under this licensing program. A practitioner is subject to the exercise of the disciplinary sanctions under IC 22-12-7-7 if the department finds that a practitioner has:

- (1) engaged in or knowingly cooperated in fraud or material deception in order to obtain a license to practice, including cheating on a licensing examination;
- (2) engaged in fraud or material deception in the course of professional services or activities;
- (3) advertised services or goods in a false or misleading manner;
- (4) falsified or knowingly allowed another person to falsify attendance records or certificates of completion of continuing education courses provided under this chapter;
- (5) been convicted of a crime that has a direct bearing on the practitioner's ability to continue to practice competently;
- (6) knowingly violated a state statute or rule or federal statute or regulation regulating the profession for which the practitioner is licensed;
- (7) continued to practice although the practitioner has become unfit to practice due to:
  - (A) professional incompetence;
  - (B) failure to keep abreast of current professional theory or practice;
  - (C) physical or mental disability, or

(D) addiction to, abuse of, or severe dependency on alcohol or other drugs that endanger the public by impairing a practitioner's ability to practice safely;

(8) engaged in a course of lewd or immoral conduct in connection with the delivery of services to the public;

(9) allowed the practitioner's name or a license issued under this chapter to be used in connection with an individual or business who renders services beyond the scope of that individual's or business's training, experience, or competence;

(10) had disciplinary action taken against the practitioner or the practitioner's license to practice in another state or jurisdiction on grounds similar to those under this chapter;

(11) assisted another person in committing an act that would constitute a ground for disciplinary sanction under this chapter; or

(12) allowed a license issued by the department to be:

(A) used by another person; or

(B) displayed to the public when the license has expired, is inactive, is invalid, or has been revoked or suspended.

For purposes of subdivision (10), a certified copy of a record of disciplinary action constitutes *prima facie* evidence of a disciplinary action in another jurisdiction.

(b) If an applicant or a practitioner has engaged in or knowingly cooperated in fraud or material deception to obtain a license to practice, including cheating on the licensing examination, the department may rescind the license if it has been granted, void the examination or other fraudulent or deceptive material, and prohibit the applicant from reapplying for the license for a length of time established by the department.

(c) The department may deny licensure to an applicant who has had disciplinary action taken against the applicant or the applicant's license to practice in another state or jurisdiction or who has practiced without a license in violation of the law. A certified copy of the record of disciplinary action is conclusive evidence of the other jurisdiction's disciplinary action.

(d) The department may order a practitioner to submit to a reasonable physical or mental examination if the practitioner's physical or mental capacity to practice safely and competently is at issue in a disciplinary proceeding. Failure to comply with a department order to submit to a physical or mental examination makes a practitioner liable to temporary suspension under subsection (h).

(e) Except as provided under subsection (f) or (g), a license may not

1       be denied, revoked, or suspended because the applicant or holder has  
 2       been convicted of an offense. The acts from which the applicant's or  
 3       holder's conviction resulted may, however, be considered as to whether  
 4       the applicant or holder should be entrusted to serve the public in a  
 5       specific capacity.

6       (f) The department may deny, suspend, or revoke a license issued  
 7       under this chapter if the individual who holds the license is convicted  
 8       of any of the following:

- 9           (1) Possession of cocaine or a narcotic drug under IC 35-48-4-6.

 19       committed before July 1, 2014) or a Level 6 felony (for a crime  
 20       committed after June 30, 2014) under IC 35-48-4-8.5(b).
- 21           (7) Possession of paraphernalia as a Class D felony (for a crime  
 22       committed before July 1, 2014) or a Level 6 felony (for a crime

 26       D felony (for a crime committed before July 1, 2014) or a Level

 28       IC 35-48-4-11.
- 29           (9) A felony offense under IC 35-48-4 involving possession of a  
 30       synthetic drug (as defined in IC 35-31.5-2-321), possession of a  
 31       controlled substance analog (as defined in IC 35-48-1.1-8), or  
 32       possession of a synthetic drug lookalike substance (as defined in  
 33       IC 35-31.5-2-321.5 (before its repeal on July 1, 2019)) as a:

- 38           (10) Maintaining a common nuisance under IC 35-48-4-13

 40       controlled substance.

(11) An offense relating to registration, labeling, and prescription forms under IC 35-48-4-14.

(g) The department shall deny, revoke, or suspend a license issued under this chapter if the individual who holds the license is convicted of any of the following:

(2) Dealing in cocaine or a narcotic drug under IC 35-48-4-1.

(3) Dealing in methamphetamine under IC 35-48-4-1.1.

(h) The department may temporarily suspend a practitioner's license under IC 4-21.5-4 before a final adjudication or during the appeals process if the department finds that a practitioner represents a clear and immediate danger to the public's health, safety, or property if the practitioner is allowed to continue to practice.

(i) On receipt of a complaint or an information alleging that a person licensed under this chapter has engaged in or is engaging in a practice

1 that jeopardizes the public health, safety, or welfare, the department  
2 shall initiate an investigation against the person.

3 (j) Any complaint filed with the office of the attorney general  
4 alleging a violation of this licensing program shall be referred to the  
5 department for summary review and for its general information and any  
6 authorized action at the time of the filing.

7 (k) The department shall conduct a fact finding investigation as the  
8 department considers proper in relation to the complaint.

9 (l) A practitioner may petition the department to accept the  
10 surrender of the practitioner's license. The practitioner may not

33 SECTION 48. IC 24-5-0.5-3, AS AMENDED BY P.L.104-2024,  
34 SECTION 42, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
35 JULY 1, 2026]: Sec. 3. (a) A supplier may not commit an unfair,  
36 abusive, or deceptive act, omission, or practice in connection with a  
37 consumer transaction. Such an act, omission, or practice by a supplier  
38 is a violation of this chapter whether it occurs before, during, or after  
39 the transaction. An act, omission, or practice prohibited by this section  
40 includes both implicit and explicit misrepresentations.

41 (b) Without limiting the scope of subsection (a), the following acts,  
42 and the following representations as to the subject matter of a

1 consumer transaction, made orally, in writing, or by electronic  
2 communication, by a supplier, are deceptive acts:

3 (1) That such subject of a consumer transaction has sponsorship,  
4 approval, performance, characteristics, accessories, uses, or  
5 benefits it does not have which the supplier knows or should  
6 reasonably know it does not have.

7 (2) That such subject of a consumer transaction is of a particular  
8 standard, quality, grade, style, or model, if it is not and if the  
9 supplier knows or should reasonably know that it is not.

10 (3) That such subject of a consumer transaction is new or unused,  
11 if it is not and if the supplier knows or should reasonably know  
12 that it is not.

13 (4) That such subject of a consumer transaction will be supplied  
14 to the public in greater quantity than the supplier intends or  
15 reasonably expects.

16 (5) That replacement or repair constituting the subject of a  
17 consumer transaction is needed, if it is not and if the supplier  
18 knows or should reasonably know that it is not.

19 (6) That a specific price advantage exists as to such subject of a  
20 consumer transaction, if it does not and if the supplier knows or  
21 should reasonably know that it does not.

22 (7) That the supplier has a sponsorship, approval, or affiliation in  
23 such consumer transaction the supplier does not have, and which  
24 the supplier knows or should reasonably know that the supplier  
25 does not have.

26 (8) That such consumer transaction involves or does not involve  
27 a warranty, a disclaimer of warranties, or other rights, remedies,  
28 or obligations, if the representation is false and if the supplier  
29 knows or should reasonably know that the representation is false.

30 (9) That the consumer will receive a rebate, discount, or other  
31 benefit as an inducement for entering into a sale or lease in return  
32 for giving the supplier the names of prospective consumers or  
33 otherwise helping the supplier to enter into other consumer  
34 transactions, if earning the benefit, rebate, or discount is  
35 contingent upon the occurrence of an event subsequent to the time  
36 the consumer agrees to the purchase or lease.

37 (10) That the supplier is able to deliver or complete the subject of  
38 the consumer transaction within a stated period of time, when the  
39 supplier knows or should reasonably know the supplier could not.  
40 If no time period has been stated by the supplier, there is a  
41 presumption that the supplier has represented that the supplier  
42 will deliver or complete the subject of the consumer transaction

1           within a reasonable time, according to the course of dealing or the  
2           usage of the trade.

3           (11) That the consumer will be able to purchase the subject of the  
4           consumer transaction as advertised by the supplier, if the supplier  
5           does not intend to sell it.

6           (12) That the replacement or repair constituting the subject of a  
7           consumer transaction can be made by the supplier for the estimate  
8           the supplier gives a customer for the replacement or repair, if the  
9           specified work is completed and:

10           (A) the cost exceeds the estimate by an amount equal to or  
11           greater than ten percent (10%) of the estimate;

12           (B) the supplier did not obtain written permission from the  
13           customer to authorize the supplier to complete the work even  
14           if the cost would exceed the amounts specified in clause (A);

15           (C) the total cost for services and parts for a single transaction  
16           is more than seven hundred fifty dollars (\$750); and

17           (D) the supplier knew or reasonably should have known that  
18           the cost would exceed the estimate in the amounts specified in  
19           clause (A).

20           (13) That the replacement or repair constituting the subject of a  
21           consumer transaction is needed, and that the supplier disposes of  
22           the part repaired or replaced earlier than seventy-two (72) hours  
23           after both:

24           (A) the customer has been notified that the work has been  
25           completed; and

26           (B) the part repaired or replaced has been made available for  
27           examination upon the request of the customer.

28           (14) Engaging in the replacement or repair of the subject of a  
29           consumer transaction if the consumer has not authorized the  
30           replacement or repair, and if the supplier knows or should  
31           reasonably know that it is not authorized.

32           (15) The act of misrepresenting the geographic location of the  
33           supplier by listing an alternate business name or an assumed  
34           business name (as described in IC 23-0.5-3-4) in a local telephone  
35           directory if:

36           (A) the name misrepresents the supplier's geographic location;  
37           (B) the listing fails to identify the locality and state of the  
38           supplier's business;

39           (C) calls to the local telephone number are routinely forwarded  
40           or otherwise transferred to a supplier's business location that  
41           is outside the calling area covered by the local telephone  
42           directory; and

(D) the supplier's business location is located in a county that is not contiguous to a county in the calling area covered by the local telephone directory.

(16) The act of listing an alternate business name or assumed business name (as described in IC 23-0.5-3-4) in a directory assistance data base if:

- (B) calls to the local telephone number are routinely forwarded or otherwise transferred to a supplier's business location that is outside the local calling area; and
- (C) the supplier's business location is located in a county that is not contiguous to a county in the local calling area.

(17) The violation by a supplier of IC 24-3-4 concerning cigarettes for import or export.

(18) The act of a supplier in knowingly selling or reselling a product to a consumer if the product has been recalled, whether by the order of a court or a regulatory body, or voluntarily by the manufacturer, distributor, or retailer, unless the product has been repaired or modified to correct the defect that was the subject of the recall.

39 deceptive act shall be the deceptive act both of the supplier who places  
40 such representation thereon or therein, or who authored such materials,  
41 and such other suppliers who shall state orally or in writing that such  
42 representation is true if such other supplier shall know or have reason

1 to know that such representation was false.

2 (d) If a supplier shows by a preponderance of the evidence that an  
 3 act resulted from a bona fide error notwithstanding the maintenance of  
 4 procedures reasonably adopted to avoid the error, such act shall not be  
 5 deceptive within the meaning of this chapter.

6 (e) It shall be a defense to any action brought under this chapter that  
 7 the representation constituting an alleged deceptive act was one made  
 8 in good faith by the supplier without knowledge of its falsity and in  
 9 reliance upon the oral or written representations of the manufacturer,  
 10 the person from whom the supplier acquired the product, any testing  
 11 organization, or any other person provided that the source thereof is

 23 base unless the telephone company or other provider of a telephone  
 24 directory or directory assistance service is the same person as the  
 25 supplier who has committed the deceptive act.

26 (h) For purposes of subsection (b)(18), it is an affirmative defense  
 27 to any action brought under this chapter that the product has been  
 28 altered by a person other than the defendant to render the product  
 29 completely incapable of serving its original purpose.

30 SECTION 49. IC 24-5-0.5-4, AS AMENDED BY P.L.186-2025,  
 31 SECTION 133, IS AMENDED TO READ AS FOLLOWS  
 32 [EFFECTIVE JULY 1, 2026]: Sec. 4. (a) A person relying upon an  
 33 uncured or incurable deceptive act may bring an action for the damages  
 34 actually suffered as a consumer as a result of the deceptive act or five  
 35 hundred dollars (\$500), whichever is greater. The court may increase  
 36 damages for a willful deceptive act in an amount that does not exceed  
 37 the greater of:

38 (1) three (3) times the actual damages of the consumer suffering  
 39 the loss; or

40 (2) one thousand dollars (\$1,000).

41 Except as provided in subsection (k), the court may award reasonable  
 42 attorney's fees to the party that prevails in an action under this

1 subsection. This subsection does not apply to a consumer transaction  
2 in real property, including a claim or action involving a construction  
3 defect (as defined in IC 32-27-3-1(5)) brought against a construction  
4 professional (as defined in IC 32-27-3-1(4)), except for purchases of  
5 time shares and camping club memberships. This subsection does not  
6 apply with respect to a deceptive act described in section 3(b)(20) of  
7 this chapter. This subsection also does not apply to a violation of  
8 IC 24-4-7, IC 24-5-12, IC 24-5-14, or IC 24-5-14.5. Actual damages  
9 awarded to a person under this section have priority over any civil  
10 penalty imposed under this chapter.

11 (b) Any person who is entitled to bring an action under subsection  
12 (a) on the person's own behalf against a supplier for damages for a  
13 deceptive act may bring a class action against such supplier on behalf  
14 of any class of persons of which that person is a member and which has  
15 been damaged by such deceptive act, subject to and under the Indiana  
16 Rules of Trial Procedure governing class actions, except as herein  
17 expressly provided. Except as provided in subsection (k), the court may  
18 award reasonable attorney's fees to the party that prevails in a class  
19 action under this subsection, provided that such fee shall be determined  
20 by the amount of time reasonably expended by the attorney and not by  
21 the amount of the judgment, although the contingency of the fee may  
22 be considered. Except in the case of an extension of time granted by the  
23 attorney general under IC 24-10-2-2(b) in an action subject to IC 24-10,  
24 any money or other property recovered in a class action under this  
25 subsection which cannot, with due diligence, be restored to consumers  
26 within one (1) year after the judgment becomes final shall be returned  
27 to the party depositing the same. This subsection does not apply to a  
28 consumer transaction in real property, except for purchases of time  
29 shares and camping club memberships. This subsection does not apply  
30 with respect to a deceptive act described in section 3(b)(20) of this  
31 chapter. Actual damages awarded to a class have priority over any civil  
32 penalty imposed under this chapter.

33 (c) The attorney general may bring an action to enjoin an unfair,  
34 abusive, or deceptive act, omission, or practice in connection with a  
35 consumer transaction, including a deceptive act described in section  
36 3(b)(20) of this chapter, notwithstanding subsections (a) and (b).  
37 However, the attorney general may seek to enjoin patterns of incurable  
38 deceptive acts with respect to consumer transactions in real property.  
39 In addition, the court may:

40 (1) issue an injunction;  
41 (2) order the supplier to make payment of the money unlawfully  
42 received from the aggrieved consumers to be held in escrow for

1 distribution to aggrieved consumers;

2 (3) for a knowing violation against a senior consumer, increase

3 the amount of restitution ordered under subdivision (2) in any

4 amount up to three (3) times the amount of damages incurred or

5 value of property or assets lost;

6 (4) order the supplier to pay to the state the reasonable costs of

7 the attorney general's investigation and prosecution, expert fees,

8 and court fees related to the action;

9 (5) provide for the appointment of a receiver; and

10 (6) order the department of state revenue to suspend the supplier's

11 registered retail merchant certificate, subject to the requirements

12 and prohibitions contained in IC 6-2.5-8-7(a)(5), if the court finds

13 that a violation of this chapter involved the sale or solicited sale

14 of a synthetic drug (as defined in IC 35-31.5-2-321), a synthetic

15 drug lookalike substance (as defined in IC 35-31.5-2-321.5

16 (repealed)) (before July 1, 2019), a controlled substance analog

17 (as defined in IC 35-48-1.1-8), or a substance represented to be a

18 controlled substance (as described in IC 35-48-4-4.6).

19 (d) In an action under subsection (a), (b), (c), or (n) the court may

20 void or limit the application of contracts or clauses resulting from

21 deceptive acts and order restitution to be paid to aggrieved consumers.

22 (e) In any action under subsection (a) or (b), upon the filing of the

23 complaint or on the appearance of any defendant, claimant, or any

24 other party, or at any later time, the trial court, the supreme court, or the

25 court of appeals may require the plaintiff, defendant, claimant, or any

26 other party or parties to give security, or additional security, in such

27 sum as the court shall direct to pay all costs, expenses, and

28 disbursements that shall be awarded against that party or which that

29 party may be directed to pay by any interlocutory order by the final

30 judgment or on appeal.

31 (f) Any person who violates the terms of an injunction issued under

32 subsection (c) or (n) shall forfeit and pay to the state a civil penalty of

33 not more than fifteen thousand dollars (\$15,000) per violation. For the

34 purposes of this section, the court issuing an injunction shall retain

35 jurisdiction, the cause shall be continued, and the attorney general

36 acting in the name of the state may petition for recovery of civil

37 penalties. Whenever the court determines that an injunction issued

38 under subsection (c) or (n) has been violated, the court shall award

39 reasonable costs to the state.

40 (g) If a court finds any person has knowingly violated section 3 or

41 10 of this chapter, other than section 3(b)(19), 3(b)(20), or 3(b)(40)

42 3(b)(41) of this chapter, the attorney general, in an action pursuant to

1 subsection (c), may recover from the person on behalf of the state a  
2 civil penalty of a fine not exceeding five thousand dollars (\$5,000) per  
3 violation.

4 (h) If a court finds that a person has violated section 3(b)(19) of this  
5 chapter, the attorney general, in an action under subsection (c), may  
6 recover from the person on behalf of the state a civil penalty as follows:

7 (1) For a knowing or intentional violation, one thousand five  
8 hundred dollars (\$1,500).

9 (2) For a violation other than a knowing or intentional violation,  
10 five hundred dollars (\$500).

11 A civil penalty recovered under this subsection shall be deposited in  
12 the consumer protection division telephone solicitation fund  
13 established by IC 24-4.7-3-6 to be used for the administration and  
14 enforcement of section 3(b)(19) of this chapter.

15 (i) A senior consumer relying upon an uncured or incurable  
16 deceptive act, including an act related to hypnotism, may bring an  
17 action to recover treble damages, if appropriate.

18 (j) An offer to cure is:

19 (1) not admissible as evidence in a proceeding initiated under this  
20 section unless the offer to cure is delivered by a supplier to the  
21 consumer or a representative of the consumer before the supplier  
22 files the supplier's initial response to a complaint; and

23 (2) only admissible as evidence in a proceeding initiated under  
24 this section to prove that a supplier is not liable for attorney's fees  
25 under subsection (k).

26 If the offer to cure is timely delivered by the supplier, the supplier may  
27 submit the offer to cure as evidence to prove in the proceeding in  
28 accordance with the Indiana Rules of Trial Procedure that the supplier  
29 made an offer to cure.

30 (k) A supplier may not be held liable for the attorney's fees and  
31 court costs of the consumer that are incurred following the timely  
32 delivery of an offer to cure as described in subsection (j) unless the  
33 actual damages awarded, not including attorney's fees and costs, exceed  
34 the value of the offer to cure.

35 (l) If a court finds that a person has knowingly violated section  
36 3(b)(20) of this chapter, the attorney general, in an action under  
37 subsection (c), may recover from the person on behalf of the state a  
38 civil penalty not exceeding one thousand dollars (\$1,000) per  
39 consumer. In determining the amount of the civil penalty in any action  
40 by the attorney general under this subsection, the court shall consider,  
41 among other relevant factors, the frequency and persistence of  
42 noncompliance by the debt collector, the nature of the noncompliance,

1 and the extent to which the noncompliance was intentional. A person  
2 may not be held liable in any action by the attorney general for a  
3 violation of section 3(b)(20) of this chapter if the person shows by a  
4 preponderance of evidence that the violation was not intentional and  
5 resulted from a bona fide error, notwithstanding the maintenance of  
6 procedures reasonably adapted to avoid the error. A person may not be  
7 held liable in any action for a violation of this chapter for contacting a  
8 person other than the debtor, if the contact is made in compliance with  
9 the Fair Debt Collection Practices Act.

10 (m) If a court finds that a person has knowingly or intentionally  
11 violated section 3(b)(40) ~~3(b)(41)~~ of this chapter, the attorney general,  
12 in an action under subsection (c), may recover from the person on  
13 behalf of the state a civil penalty in accordance with  
14 IC 24-5-14.5-12(b). As specified in IC 24-5-14.5-12(b), a civil penalty  
15 recovered under IC 24-5-14.5-12(b) shall be deposited in the consumer  
16 protection division telephone solicitation fund established by  
17 IC 24-4.7-3-6 to be used for the administration and enforcement of  
18 IC 24-5-14.5. In addition to the recovery of a civil penalty in  
19 accordance with IC 24-5-14.5-12(b), the attorney general may also  
20 recover reasonable attorney fees and court costs from the person on  
21 behalf of the state. Those funds shall also be deposited in the consumer  
22 protection division telephone solicitation fund established by  
23 IC 24-4.7-3-6.

24 (n) An action that arises from, or otherwise involves, an unfair,  
25 abusive, or deceptive act, omission, or practice in connection with a  
26 consumer transaction described in section 2(a)(1)(D)(i) of this chapter  
27 may be brought and enforced only by the attorney general under this  
28 subsection. An action that arises from, or otherwise involves, an unfair,  
29 abusive, or deceptive act, omission, or practice in connection with a  
30 consumer transaction described in section 2(a)(1)(D)(ii) of this chapter  
31 may be brought and enforced only by an attorney acting on behalf of  
32 the local law enforcement agency involved in the transaction, unless  
33 the local unit of government served by the local law enforcement  
34 agency requests the attorney general to bring and enforce an action  
35 under this subsection on behalf of the local unit. In addition, the court  
36 may:

37 (1) issue an injunction;  
38 (2) order the supplier to make payment of the money unlawfully  
39 received from the aggrieved consumers to be held in escrow for  
40 distribution to aggrieved consumers; or  
41 (3) order the supplier to pay to:  
42 (A) the attorney acting on behalf of the local law enforcement

The time for bringing an action under subsection (c), as set forth in section 5(b) of this chapter, applies to an action brought under this subsection.

"SECTION 46. IC 24-5-0.5-3, AS AMENDED BY P.L.104-2024, SECTION 42, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 3. (a) A supplier may not commit an unfair, abusive, or deceptive act, omission, or practice in connection with a consumer transaction. Such an act, omission, or practice by a supplier is a violation of this chapter whether it occurs before, during, or after the transaction. An act, omission, or practice prohibited by this section includes both implicit and explicit misrepresentations.

(b) Without limiting the scope of subsection (a), the following acts, and the following representations as to the subject matter of a consumer transaction, made orally, in writing, or by electronic communication, by a supplier, are deceptive acts:

(1) That such subject of a consumer transaction has sponsorship, approval, performance, characteristics, accessories, uses, or benefits it does not have which the supplier knows or should reasonably know it does not have.

(2) That such subject of a consumer transaction is of a particular standard, quality, grade, style, or model, if it is not and if the

supplier knows or should reasonably know that it is not.

(3) That such subject of a consumer transaction is new or unused, if it is not and if the supplier knows or should reasonably know that it is not.

(4) That such subject of a consumer transaction will be supplied to the public in greater quantity than the supplier intends or reasonably expects.

(5) That replacement or repair constituting the subject of a consumer transaction is needed, if it is not and if the supplier knows or should reasonably know that it is not.

(6) That a specific price advantage exists as to such subject of a consumer transaction, if it does not and if the supplier knows or should reasonably know that it does not.

(7) That the supplier has a sponsorship, approval, or affiliation in such consumer transaction the supplier does not have, and which the supplier knows or should reasonably know that the supplier does not have.

(8) That such consumer transaction involves or does not involve a warranty, a disclaimer of warranties, or other rights, remedies, or obligations, if the representation is false and if the supplier knows or should reasonably know that the representation is false.

(9) That the consumer will receive a rebate, discount, or other benefit as an inducement for entering into a sale or lease in return for giving the supplier the names of prospective consumers or otherwise helping the supplier to enter into other consumer transactions, if earning the benefit, rebate, or discount is contingent upon the occurrence of an event subsequent to the time the consumer agrees to the purchase or lease.

(10) That the supplier is able to deliver or complete the subject of the consumer transaction within a stated period of time, when the supplier knows or should reasonably know the supplier could not. If no time period has been stated by the supplier, there is a presumption that the supplier has represented that the supplier will deliver or complete the subject of the consumer transaction within a reasonable time, according to the course of dealing or the usage of the trade.

(11) That the consumer will be able to purchase the subject of the consumer transaction as advertised by the supplier, if the supplier does not intend to sell it.

(12) That the replacement or repair constituting the subject of a consumer transaction can be made by the supplier for the estimate the supplier gives a customer for the replacement or repair, if the

specified work is completed and:

- (A) the cost exceeds the estimate by an amount equal to or greater than ten percent (10%) of the estimate;
- (B) the supplier did not obtain written permission from the customer to authorize the supplier to complete the work even if the cost would exceed the amounts specified in clause (A);
- (C) the total cost for services and parts for a single transaction is more than seven hundred fifty dollars (\$750); and
- (D) the supplier knew or reasonably should have known that the cost would exceed the estimate in the amounts specified in clause (A).

(13) That the replacement or repair constituting the subject of a consumer transaction is needed, and that the supplier disposes of the part repaired or replaced earlier than seventy-two (72) hours after both:

- (A) the customer has been notified that the work has been completed; and
- (B) the part repaired or replaced has been made available for examination upon the request of the customer.

(14) Engaging in the replacement or repair of the subject of a consumer transaction if the consumer has not authorized the replacement or repair, and if the supplier knows or should reasonably know that it is not authorized.

(15) The act of misrepresenting the geographic location of the supplier by listing an alternate business name or an assumed business name (as described in IC 23-0.5-3-4) in a local telephone directory if:

- (A) the name misrepresents the supplier's geographic location;
- (B) the listing fails to identify the locality and state of the supplier's business;
- (C) calls to the local telephone number are routinely forwarded or otherwise transferred to a supplier's business location that is outside the calling area covered by the local telephone directory; and
- (D) the supplier's business location is located in a county that is not contiguous to a county in the calling area covered by the local telephone directory.

(16) The act of listing an alternate business name or assumed business name (as described in IC 23-0.5-3-4) in a directory assistance data base if:

- (A) the name misrepresents the supplier's geographic location;
- (B) calls to the local telephone number are routinely forwarded

or otherwise transferred to a supplier's business location that is outside the local calling area; and

(C) the supplier's business location is located in a county that is not contiguous to a county in the local calling area.

(17) The violation by a supplier of IC 24-3-4 concerning cigarettes for import or export.

(18) The act of a supplier in knowingly selling or reselling a product to a consumer if the product has been recalled, whether by the order of a court or a regulatory body, or voluntarily by the manufacturer, distributor, or retailer, unless the product has been repaired or modified to correct the defect that was the subject of the recall.

(19) The violation by a supplier of 47 U.S.C. 227, including any rules or regulations issued under 47 U.S.C. 227.

(20) The violation by a supplier of the federal Fair Debt Collection Practices Act (15 U.S.C. 1692 et seq.), including any rules or regulations issued under the federal Fair Debt Collection Practices Act (15 U.S.C. 1692 et seq.).

(d) If a supplier shows by a preponderance of the evidence that an act resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid the error, such act shall not be deceptive within the meaning of this chapter.

(e) It shall be a defense to any action brought under this chapter that the representation constituting an alleged deceptive act was one made in good faith by the supplier without knowledge of its falsity and in

reliance upon the oral or written representations of the manufacturer, the person from whom the supplier acquired the product, any testing organization, or any other person provided that the source thereof is disclosed to the consumer.

(f) For purposes of subsection (b)(12), a supplier that provides estimates before performing repair or replacement work for a customer shall give the customer a written estimate itemizing as closely as possible the price for labor and parts necessary for the specific job before commencing the work.

(g) For purposes of subsection (b)(15) and (b)(16), a telephone company or other provider of a telephone directory or directory assistance service or its officer or agent is immune from liability for publishing the listing of an alternate business name or assumed business name of a supplier in its directory or directory assistance data base unless the telephone company or other provider of a telephone directory or directory assistance service is the same person as the supplier who has committed the deceptive act.

(h) For purposes of subsection (b)(18), it is an affirmative defense to any action brought under this chapter that the product has been altered by a person other than the defendant to render the product completely incapable of serving its original purpose.

SECTION 47. IC 24-5-0.5-4, AS AMENDED BY P.L.186-2025, SECTION 133, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 4. (a) A person relying upon an uncured or incurable deceptive act may bring an action for the damages actually suffered as a consumer as a result of the deceptive act or five hundred dollars (\$500), whichever is greater. The court may increase damages for a willful deceptive act in an amount that does not exceed the greater of:

- (1) three (3) times the actual damages of the consumer suffering the loss; or
- (2) one thousand dollars (\$1,000).

Except as provided in subsection (k), the court may award reasonable attorney's fees to the party that prevails in an action under this subsection. This subsection does not apply to a consumer transaction in real property, including a claim or action involving a construction defect (as defined in IC 32-27-3-1(5)) brought against a construction professional (as defined in IC 32-27-3-1(4)), except for purchases of time shares and camping club memberships. This subsection does not apply with respect to a deceptive act described in section 3(b)(20) of this chapter. This subsection also does not apply to a violation of IC 24-4.7, IC 24-5-12, IC 24-5-14, or IC 24-5-14.5. Actual damages

awarded to a person under this section have priority over any civil penalty imposed under this chapter.

(b) Any person who is entitled to bring an action under subsection (a) on the person's own behalf against a supplier for damages for a deceptive act may bring a class action against such supplier on behalf of any class of persons of which that person is a member and which has been damaged by such deceptive act, subject to and under the Indiana Rules of Trial Procedure governing class actions, except as herein expressly provided. Except as provided in subsection (k), the court may award reasonable attorney's fees to the party that prevails in a class action under this subsection, provided that such fee shall be determined by the amount of time reasonably expended by the attorney and not by the amount of the judgment, although the contingency of the fee may be considered. Except in the case of an extension of time granted by the attorney general under IC 24-10-2-2(b) in an action subject to IC 24-10, any money or other property recovered in a class action under this subsection which cannot, with due diligence, be restored to consumers within one (1) year after the judgment becomes final shall be returned to the party depositing the same. This subsection does not apply to a consumer transaction in real property, except for purchases of time shares and camping club memberships. This subsection does not apply with respect to a deceptive act described in section 3(b)(20) of this chapter. Actual damages awarded to a class have priority over any civil penalty imposed under this chapter.

(c) The attorney general may bring an action to enjoin an unfair, abusive, or deceptive act, omission, or practice in connection with a consumer transaction, including a deceptive act described in section 3(b)(20) of this chapter, notwithstanding subsections (a) and (b). However, the attorney general may seek to enjoin patterns of incurable deceptive acts with respect to consumer transactions in real property. In addition, the court may:

- (1) issue an injunction;
- (2) order the supplier to make payment of the money unlawfully received from the aggrieved consumers to be held in escrow for distribution to aggrieved consumers;
- (3) for a knowing violation against a senior consumer, increase the amount of restitution ordered under subdivision (2) in any amount up to three (3) times the amount of damages incurred or value of property or assets lost;
- (4) order the supplier to pay to the state the reasonable costs of the attorney general's investigation and prosecution, expert fees, and court fees related to the action;

(5) provide for the appointment of a receiver; and  
 (6) order the department of state revenue to suspend the supplier's registered retail merchant certificate, subject to the requirements and prohibitions contained in IC 6-2.5-8-7(a)(5), if the court finds that a violation of this chapter involved the sale or solicited sale of a synthetic drug (as defined in IC 35-31.5-2-321), a synthetic drug lookalike substance (as defined in IC 35-31.5-2-321.5 (repealed)) (before July 1, 2019), a controlled substance analog (as defined in IC 35-48-1.1-8), or a substance represented to be a controlled substance (as described in IC 35-48-4-4.6).

(d) In an action under subsection (a), (b), (c), or (n) the court may void or limit the application of contracts or clauses resulting from deceptive acts and order restitution to be paid to aggrieved consumers.

(e) In any action under subsection (a) or (b), upon the filing of the complaint or on the appearance of any defendant, claimant, or any other party, or at any later time, the trial court, the supreme court, or the court of appeals may require the plaintiff, defendant, claimant, or any other party or parties to give security, or additional security, in such sum as the court shall direct to pay all costs, expenses, and disbursements that shall be awarded against that party or which that party may be directed to pay by any interlocutory order by the final judgment or on appeal.

(f) Any person who violates the terms of an injunction issued under subsection (c) or (n) shall forfeit and pay to the state a civil penalty of not more than fifteen thousand dollars (\$15,000) per violation. For the purposes of this section, the court issuing an injunction shall retain jurisdiction, the cause shall be continued, and the attorney general acting in the name of the state may petition for recovery of civil penalties. Whenever the court determines that an injunction issued under subsection (c) or (n) has been violated, the court shall award reasonable costs to the state.

(g) If a court finds any person has knowingly violated section 3 or 10 of this chapter, other than section 3(b)(19), 3(b)(20), or 3(b)(40) **3(b)(41)** of this chapter, the attorney general, in an action pursuant to subsection (c), may recover from the person on behalf of the state a civil penalty of a fine not exceeding five thousand dollars (\$5,000) per violation.

(h) If a court finds that a person has violated section 3(b)(19) of this chapter, the attorney general, in an action under subsection (c), may recover from the person on behalf of the state a civil penalty as follows:

(1) For a knowing or intentional violation, one thousand five hundred dollars (\$1,500).

(2) For a violation other than a knowing or intentional violation, five hundred dollars (\$500).

A civil penalty recovered under this subsection shall be deposited in the consumer protection division telephone solicitation fund established by IC 24-4.7-3-6 to be used for the administration and enforcement of section 3(b)(19) of this chapter.

(i) A senior consumer relying upon an uncured or incurable deceptive act, including an act related to hypnotism, may bring an action to recover treble damages, if appropriate.

(j) An offer to cure is:

(1) not admissible as evidence in a proceeding initiated under this section unless the offer to cure is delivered by a supplier to the consumer or a representative of the consumer before the supplier files the supplier's initial response to a complaint; and

(2) only admissible as evidence in a proceeding initiated under this section to prove that a supplier is not liable for attorney's fees under subsection (k).

If the offer to cure is timely delivered by the supplier, the supplier may submit the offer to cure as evidence to prove in the proceeding in accordance with the Indiana Rules of Trial Procedure that the supplier made an offer to cure.

(k) A supplier may not be held liable for the attorney's fees and court costs of the consumer that are incurred following the timely delivery of an offer to cure as described in subsection (j) unless the actual damages awarded, not including attorney's fees and costs, exceed the value of the offer to cure.

(l) If a court finds that a person has knowingly violated section 3(b)(20) of this chapter, the attorney general, in an action under subsection (c), may recover from the person on behalf of the state a civil penalty not exceeding one thousand dollars (\$1,000) per consumer. In determining the amount of the civil penalty in any action by the attorney general under this subsection, the court shall consider, among other relevant factors, the frequency and persistence of noncompliance by the debt collector, the nature of the noncompliance, and the extent to which the noncompliance was intentional. A person may not be held liable in any action by the attorney general for a violation of section 3(b)(20) of this chapter if the person shows by a preponderance of evidence that the violation was not intentional and resulted from a bona fide error, notwithstanding the maintenance of procedures reasonably adapted to avoid the error. A person may not be held liable in any action for a violation of this chapter for contacting a person other than the debtor, if the contact is made in compliance with

the Fair Debt Collection Practices Act.

(m) If a court finds that a person has knowingly or intentionally violated section 3(b)(40) 3(b)(41) of this chapter, the attorney general, in an action under subsection (c), may recover from the person on behalf of the state a civil penalty in accordance with IC 24-5-14.5-12(b). As specified in IC 24-5-14.5-12(b), a civil penalty recovered under IC 24-5-14.5-12(b) shall be deposited in the consumer protection division telephone solicitation fund established by IC 24-4.7-3-6 to be used for the administration and enforcement of IC 24-5-14.5. In addition to the recovery of a civil penalty in accordance with IC 24-5-14.5-12(b), the attorney general may also recover reasonable attorney fees and court costs from the person on behalf of the state. Those funds shall also be deposited in the consumer protection division telephone solicitation fund established by IC 24-4.7-3-6.

(n) An action that arises from, or otherwise involves, an unfair, abusive, or deceptive act, omission, or practice in connection with a consumer transaction described in section 2(a)(1)(D)(i) of this chapter may be brought and enforced only by the attorney general under this subsection. An action that arises from, or otherwise involves, an unfair, abusive, or deceptive act, omission, or practice in connection with a consumer transaction described in section 2(a)(1)(D)(ii) of this chapter may be brought and enforced only by an attorney acting on behalf of the local law enforcement agency involved in the transaction, unless the local unit of government served by the local law enforcement agency requests the attorney general to bring and enforce an action under this subsection on behalf of the local unit. In addition, the court may:

- (1) issue an injunction;
- (2) order the supplier to make payment of the money unlawfully received from the aggrieved consumers to be held in escrow for distribution to aggrieved consumers; or
- (3) order the supplier to pay to:
  - (A) the attorney acting on behalf of the local law enforcement agency; or
  - (B) the attorney general for the state;

as applicable, the reasonable costs of the attorney's or the attorney general's investigation and prosecution, expert fees, and court fees related to the action.

The time for bringing an action under subsection (c), as set forth in section 5(b) of this chapter, applies to an action brought under this subsection.".
