

# PROPOSED AMENDMENT

## SB 250 # 3

### DIGEST

Regulation of hemp. Specifies that provisions of the hemp derived cannabinoid products law that specify the disposition of fee or fine revenue under the hemp derived cannabinoid products law control over general provisions specifying the disposition of fee and fine revenue under Title 7.1. Specifies that an applicant for a permit under the hemp derived cannabinoid products law consents to entrance, inspection, and search and seizure by a law enforcement officer (rather than simply an enforcement officer, under the current version of the bill). Provides that a provision in current law regarding rescheduling of a substance under Indiana law in conformance with a rescheduling of the substance under federal law does not apply to marijuana or tetrahydrocannabinol (rather than only marijuana, under the current version of the bill). Makes technical corrections.
