2 subsection (a):

3 (1) Revocation of a certificate holder's certificate or license
4 holder's license for a period not to exceed seven (7) years.

5 (2) Suspension of a certificate holder's certificate or license
6 holder's license for a period not to exceed seven (7) years.

7 (3) Censure of a certificate holder or license holder.

9 (5) Assessment of a civil penalty against the certificate holder or

11 (A) The civil penalty may not exceed five hundred dollars
12 (\$500) per day per violation.

13 (B) If the certificate holder or license holder fails to pay the
14 civil penalty within the time specified by the department of

22 upon the matters that are the basis of probation;

37 remedied or that changed circumstances warrant a modification
38 of the order.

39 (c) If an applicant or a certificate holder or license holder has
40 engaged in or knowingly cooperated in fraud or material deception to
41 obtain a certificate or license, including cheating on the certification or

1 rescind the certificate or license if it has been granted, void the

 3 applicant from reapplying for the certificate or license for a length of
 4 time established by the department of homeland security.

5 (d) The department of homeland security may deny certification
 6 or licensure to an applicant who would be subject to disciplinary
 7 sanctions under subsection (b) if that person were a certificate holder
 8 or license holder, has had disciplinary action taken against the
 9 applicant or the applicant's certificate or license to practice in another
 10 state or jurisdiction, or has practiced without a certificate or license in

 12 action is conclusive evidence of the other jurisdiction's disciplinary
 13 action.

14 (e) The department of homeland security may order a certificate
 15 holder or license holder to submit to a reasonable physical or mental
 16 examination if the certificate holder's or license holder's physical or
 17 mental capacity to practice safely and competently is at issue in a
 18 disciplinary proceeding. Failure to comply with a department of
 19 homeland security order to submit to a physical or mental examination
 20 makes a certificate holder or license holder liable to temporary
 21 suspension under subsection (i).

22 (f) Except as provided under subsection (a), subsection (g), and
 23 section 14.5 of this chapter, a certificate or license may not be denied,
 24 revoked, or suspended because the applicant, certificate holder, or
 25 license holder has been convicted of an offense. The acts from which
 26 the applicant's, certificate holder's, or license holder's conviction
 27 resulted may be considered as to whether the applicant or certificate
 28 holder or license holder should be entrusted to serve the public in a
 29 specific capacity.

30 (g) The department of homeland security may deny, suspend, or
 31 revoke a certificate or license issued under this article if the individual
 32 who holds or is applying for the certificate or license is convicted of
 33 any of the following:

26 (10) Maintaining a common nuisance under IC 35-48-4-13
27 (repealed) or IC 35-45-1-5, if the common nuisance involves a
28 controlled substance.
29 (11) An offense relating to registration, labeling, and
30 prescription forms under IC 35-48-4-14.
31 (h) A decision of the department of homeland security under
32 subsections (b) through (g) may be appealed to the commission under
33 IC 4-21.5-3-7.
34 (i) The department of homeland security may temporarily suspend
35 a certificate holder's certificate or license holder's license under
36 IC 4-21.5-4 before a final adjudication or during the appeals process if
37 the department of homeland security finds that a certificate holder or
38 license holder would represent a clear and immediate danger to the
39 public's health, safety, or property if the certificate holder or license
40 holder were allowed to continue to practice.
41 (j) On receipt of a complaint or information alleging that a person
42 certified or licensed under this chapter or IC 16-31-3.5 has engaged in

1 or is engaging in a practice that is subject to disciplinary sanctions
2 under this chapter, the department of homeland security must initiate
3 an investigation against the person.

4 (k) The department of homeland security shall conduct a
5 factfinding investigation as the department of homeland security
6 considers proper in relation to the complaint.

7 (l) The department of homeland security may reinstate a certificate
8 or license that has been suspended under this section if the department
9 of homeland security is satisfied that the applicant is able to practice
10 with reasonable skill, competency, and safety to the public. As a
11 condition of reinstatement, the department of homeland security may
12 impose disciplinary or corrective measures authorized under this
13 chapter.

14 (m) The department of homeland security may not reinstate a
15 certificate or license that has been revoked under this chapter.

16 (n) The department of homeland security must be consistent in the
17 application of sanctions authorized in this chapter. Significant
18 departures from prior decisions involving similar conduct must be
19 explained in the department of homeland security's findings or orders.

20 (o) A certificate holder may not surrender the certificate holder's
21 certificate, and a license holder may not surrender the license holder's
22 license, without the written approval of the department of homeland
23 security, and the department of homeland security may impose any

25 surrendered certificate or license.

26 (p) For purposes of this section, "certificate holder" means a
27 person who holds:

- 28 (1) an unlimited certificate;
- 29 (2) a limited or probationary certificate; or
- 30 (3) an inactive certificate.

31 (q) For purposes of this section, "license holder" means a person

36 SECTION 45. IC 22-15-5-16, AS AMENDED BY P.L.186-2025,
37 SECTION 123, IS AMENDED TO READ AS FOLLOWS
38 [EFFECTIVE JULY 1, 2026]: Sec. 16. (a) A practitioner shall comply
39 with the standards established under this licensing program. A
40 practitioner is subject to the exercise of the disciplinary sanctions under
41 IC 22-12-7-7 if the department finds that a practitioner has:

- 42 (1) engaged in or knowingly cooperated in fraud or material

- 1 deception in order to obtain a license to practice, including
 2 cheating on a licensing examination;
 3 (2) engaged in fraud or material deception in the course of
 4 professional services or activities;
 5 (3) advertised services or goods in a false or misleading manner;
 6 (4) falsified or knowingly allowed another person to falsify
 7 attendance records or certificates of completion of continuing
 8 education courses provided under this chapter;
 9 (5) been convicted of a crime that has a direct bearing on the
 10 practitioner's ability to continue to practice competently;
 11 (6) knowingly violated a state statute or rule or federal statute or
 12 regulation regulating the profession for which the practitioner is
 13 licensed;
 14 (7) continued to practice although the practitioner has become
 15 unfit to practice due to:
 16 (A) professional incompetence;
 17 (B) failure to keep abreast of current professional theory or
 18 practice;
 19 (C) physical or mental disability; or
 20 (D) addiction to, abuse of, or severe dependency on alcohol
 21 or other drugs that endanger the public by impairing a
 22 practitioner's ability to practice safely;
 23 (8) engaged in a course of lewd or immoral conduct in
 24 connection with the delivery of services to the public;
 25 (9) allowed the practitioner's name or a license issued under this
 26 chapter to be used in connection with an individual or business
 27 who renders services beyond the scope of that individual's or
 28 business's training, experience, or competence;
 29 (10) had disciplinary action taken against the practitioner or the
 30 practitioner's license to practice in another state or jurisdiction
 31 on grounds similar to those under this chapter;
 32 (11) assisted another person in committing an act that would
 33 constitute a ground for disciplinary sanction under this chapter;
 34 or
 35 (12) allowed a license issued by the department to be:
 36 (A) used by another person; or
 37 (B) displayed to the public when the license has expired, is
 38 inactive, is invalid, or has been revoked or suspended.
 39 For purposes of subdivision (10), a certified copy of a record of
 40 disciplinary action constitutes prima facie evidence of a disciplinary
 41 action in another jurisdiction.
 42 (b) If an applicant or a practitioner has engaged in or knowingly

M

1 cooperated in fraud or material deception to obtain a license to
 2 practice, including cheating on the licensing examination, the
 3 department may rescind the license if it has been granted, void the
 4 examination or other fraudulent or deceptive material, and prohibit the
 5 applicant from reapplying for the license for a length of time
 6 established by the department.

7 (c) The department may deny licensure to an applicant who has
 8 had disciplinary action taken against the applicant or the applicant's
 9 license to practice in another state or jurisdiction or who has practiced
 10 without a license in violation of the law. A certified copy of the record
 11 of disciplinary action is conclusive evidence of the other jurisdiction's
 12 disciplinary action.

13 (d) The department may order a practitioner to submit to a
 14 reasonable physical or mental examination if the practitioner's physical
 15 or mental capacity to practice safely and competently is at issue in a
 16 disciplinary proceeding. Failure to comply with a department order to
 17 submit to a physical or mental examination makes a practitioner liable
 18 to temporary suspension under subsection (h).

19 (e) Except as provided under subsection (f) or (g), a license may
 20 not be denied, revoked, or suspended because the applicant or holder
 21 has been convicted of an offense. The acts from which the applicant's
 22 or holder's conviction resulted may, however, be considered as to
 23 whether the applicant or holder should be entrusted to serve the public
 24 in a specific capacity.

25 (f) The department may deny, suspend, or revoke a license issued
 26 under this chapter if the individual who holds the license is convicted
 27 of any of the following:

28 (1) Possession of cocaine or a narcotic drug under IC 35-48-4-6.

29 (2) Possession of methamphetamine under IC 35-48-4-6.1.

 35 committed after June 30, 2014).

36 (5) Manufacture of paraphernalia as a Class D felony (for a
 37 crime committed before July 1, 2014) or a Level 6 felony (for a

 11 possession of a synthetic drug lookalike substance (as defined in
 12 IC 35-31.5-2-321.5 (before its repeal on July 1, 2019)) as a:
- 13 (A) Class D felony for a crime committed before July 1,

 25 of any of the following:
- 26 (1) Dealing in a controlled substance resulting in death under
 27 IC 35-42-1-1.5.

 32 IC 35-48-4-2.
- 33 (6) Dealing in a schedule IV controlled substance under
 34 IC 35-48-4-3.
- 35 (7) Dealing in a schedule V controlled substance under
 36 IC 35-48-4-4.
- 37 (8) Dealing in a substance represented to be a controlled
 38 substance under IC 35-48-4-4.5 (repealed).

12 (13) A violation of any federal or state drug law or rule related
13 to wholesale legend drug distributors licensed under
14 IC 25-26-14.
15 (h) The department may temporarily suspend a practitioner's
16 license under IC 4-21.5-4 before a final adjudication or during the
17 appeals process if the department finds that a practitioner represents a
18 clear and immediate danger to the public's health, safety, or property if
19 the practitioner is allowed to continue to practice.
20 (i) On receipt of a complaint or an information alleging that a
21 person licensed under this chapter has engaged in or is engaging in a
22 practice that jeopardizes the public health, safety, or welfare, the
23 department shall initiate an investigation against the person.
24 (j) Any complaint filed with the office of the attorney general
25 alleging a violation of this licensing program shall be referred to the
26 department for summary review and for its general information and any
27 authorized action at the time of the filing.

- 13 SECTION 42, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
- 14 JULY 1, 2026]: Sec. 3. (a) A supplier may not commit an unfair,
- 15 abusive, or deceptive act, omission, or practice in connection with a
- 16 consumer transaction. Such an act, omission, or practice by a supplier
- 17 is a violation of this chapter whether it occurs before, during, or after
- 18 the transaction. An act, omission, or practice prohibited by this section
- 19 includes both implicit and explicit misrepresentations.
- 20 (b) Without limiting the scope of subsection (a), the following
- 21 acts, and the following representations as to the subject matter of a
- 22 consumer transaction, made orally, in writing, or by electronic
- 23 communication, by a supplier, are deceptive acts:
- 24 (1) That such subject of a consumer transaction has sponsorship,
- 25 approval, performance, characteristics, accessories, uses, or
- 26 benefits it does not have which the supplier knows or should
- 27 reasonably know it does not have.
- 28 (2) That such subject of a consumer transaction is of a particular
- 29 standard, quality, grade, style, or model, if it is not and if the
- 30 supplier knows or should reasonably know that it is not.
- 31 (3) That such subject of a consumer transaction is new or
- 32 unused, if it is not and if the supplier knows or should reasonably
- 33 know that it is not.
- 34 (4) That such subject of a consumer transaction will be supplied
- 35 to the public in greater quantity than the supplier intends or
- 36 reasonably expects.
- 37 (5) That replacement or repair constituting the subject of a
- 38 consumer transaction is needed, if it is not and if the supplier
- 39 knows or should reasonably know that it is not.
- 40 (6) That a specific price advantage exists as to such subject of a

- 2 in such consumer transaction the supplier does not have, and
- 3 which the supplier knows or should reasonably know that the
- 4 supplier does not have.
- 5 (8) That such consumer transaction involves or does not involve
- 6 a warranty, a disclaimer of warranties, or other rights, remedies,
- 7 or obligations, if the representation is false and if the supplier
- 8 knows or should reasonably know that the representation is false.
- 9 (9) That the consumer will receive a rebate, discount, or other
- 10 benefit as an inducement for entering into a sale or lease in
- 11 return for giving the supplier the names of prospective
- 12 consumers or otherwise helping the supplier to enter into other
- 13 consumer transactions, if earning the benefit, rebate, or discount
- 14 is contingent upon the occurrence of an event subsequent to the
- 15 time the consumer agrees to the purchase or lease.
- 16 (10) That the supplier is able to deliver or complete the subject
- 17 of the consumer transaction within a stated period of time, when
- 18 the supplier knows or should reasonably know the supplier could
- 19 not. If no time period has been stated by the supplier, there is a
- 20 presumption that the supplier has represented that the supplier
- 21 will deliver or complete the subject of the consumer transaction
- 22 within a reasonable time, according to the course of dealing or
- 23 the usage of the trade.
- 24 (11) That the consumer will be able to purchase the subject of
- 25 the consumer transaction as advertised by the supplier, if the
- 26 supplier does not intend to sell it.
- 27 (12) That the replacement or repair constituting the subject of a
- 28 consumer transaction can be made by the supplier for the
- 29 estimate the supplier gives a customer for the replacement or
- 30 repair, if the specified work is completed and:
- 31 (A) the cost exceeds the estimate by an amount equal to or
- 32 greater than ten percent (10%) of the estimate;
- 33 (B) the supplier did not obtain written permission from the
- 34 customer to authorize the supplier to complete the work
- 35 even if the cost would exceed the amounts specified in

 4 after both:
 5 (A) the customer has been notified that the work has been
 6 completed; and
 7 (B) the part repaired or replaced has been made available
 8 for examination upon the request of the customer.
 9 (14) Engaging in the replacement or repair of the subject of a
 10 consumer transaction if the consumer has not authorized the
 11 replacement or repair, and if the supplier knows or should
 12 reasonably know that it is not authorized.
 13 (15) The act of misrepresenting the geographic location of the
 14 supplier by listing an alternate business name or an assumed
 15 business name (as described in IC 23-0.5-3-4) in a local
 16 telephone directory if:
 17 (A) the name misrepresents the supplier's geographic

23 deceptive act shall be the deceptive act both of the supplier who places
24 such representation thereon or therein, or who authored such materials,
25 and such other suppliers who shall state orally or in writing that such
26 representation is true if such other supplier shall know or have reason
27 to know that such representation was false.
- 28 (d) If a supplier shows by a preponderance of the evidence that an
29 act resulted from a bona fide error notwithstanding the maintenance of
30 procedures reasonably adopted to avoid the error, such act shall not be
31 deceptive within the meaning of this chapter.
- 32 (e) It shall be a defense to any action brought under this chapter
33 that the representation constituting an alleged deceptive act was one
34 made in good faith by the supplier without knowledge of its falsity and
35 in reliance upon the oral or written representations of the manufacturer,
36 the person from whom the supplier acquired the product, any testing
37 organization, or any other person provided that the source thereof is
38 disclosed to the consumer.
- 39 (f) For purposes of subsection (b)(12), a supplier that provides
40 estimates before performing repair or replacement work for a customer
41 shall give the customer a written estimate itemizing as closely as
42 possible the price for labor and parts necessary for the specific job

1 before commencing the work.

2 (g) For purposes of subsection (b)(15) and (b)(16), a telephone
3 company or other provider of a telephone directory or directory
4 assistance service or its officer or agent is immune from liability for
5 publishing the listing of an alternate business name or assumed
6 business name of a supplier in its directory or directory assistance data
7 base unless the telephone company or other provider of a telephone
8 directory or directory assistance service is the same person as the
9 supplier who has committed the deceptive act.

10 (h) For purposes of subsection (b)(18), it is an affirmative defense
11 to any action brought under this chapter that the product has been
12 altered by a person other than the defendant to render the product
13 completely incapable of serving its original purpose.

14 SECTION 49. IC 24-5-0.5-4, AS AMENDED BY P.L.186-2025,
15 SECTION 133, IS AMENDED TO READ AS FOLLOWS
16 [EFFECTIVE JULY 1, 2026]: Sec. 4. (a) A person relying upon an
17 uncured or incurable deceptive act may bring an action for the damages
18 actually suffered as a consumer as a result of the deceptive act or five
19 hundred dollars (\$500), whichever is greater. The court may increase
20 damages for a willful deceptive act in an amount that does not exceed
21 the greater of:

22 (1) three (3) times the actual damages of the consumer suffering
23 the loss; or

24 (2) one thousand dollars (\$1,000).

25 Except as provided in subsection (k), the court may award reasonable
26 attorney's fees to the party that prevails in an action under this
27 subsection. This subsection does not apply to a consumer transaction
28 in real property, including a claim or action involving a construction
29 defect (as defined in IC 32-27-3-1(5)) brought against a construction
30 professional (as defined in IC 32-27-3-1(4)), except for purchases of
31 time shares and camping club memberships. This subsection does not
32 apply with respect to a deceptive act described in section 3(b)(20) of
33 this chapter. This subsection also does not apply to a violation of
34 IC 24-4.7, IC 24-5-12, IC 24-5-14, or IC 24-5-14.5. Actual damages
35 awarded to a person under this section have priority over any civil
36 penalty imposed under this chapter.

37 (b) Any person who is entitled to bring an action under subsection
38 (a) on the person's own behalf against a supplier for damages for a
39 deceptive act may bring a class action against such supplier on behalf
40 of any class of persons of which that person is a member and which has
41 been damaged by such deceptive act, subject to and under the Indiana
42 Rules of Trial Procedure governing class actions, except as herein

1 expressly provided. Except as provided in subsection (k), the court may
 2 award reasonable attorney's fees to the party that prevails in a class
 3 action under this subsection, provided that such fee shall be determined
 4 by the amount of time reasonably expended by the attorney and not by
 5 the amount of the judgment, although the contingency of the fee may
 6 be considered. Except in the case of an extension of time granted by the
 7 attorney general under IC 24-10-2-2(b) in an action subject to IC 24-10,
 8 any money or other property recovered in a class action under this
 9 subsection which cannot, with due diligence, be restored to consumers
 10 within one (1) year after the judgment becomes final shall be returned
 11 to the party depositing the same. This subsection does not apply to a
 12 consumer transaction in real property, except for purchases of time
 13 shares and camping club memberships. This subsection does not apply
 14 with respect to a deceptive act described in section 3(b)(20) of this
 15 chapter. Actual damages awarded to a class have priority over any civil
 16 penalty imposed under this chapter.

17 (c) The attorney general may bring an action to enjoin an unfair,
 18 abusive, or deceptive act, omission, or practice in connection with a
 19 consumer transaction, including a deceptive act described in section
 20 3(b)(20) of this chapter, notwithstanding subsections (a) and (b).
 21 However, the attorney general may seek to enjoin patterns of incurable
 22 deceptive acts with respect to consumer transactions in real property.
 23 In addition, the court may:

- 24 (1) issue an injunction;
- 25 (2) order the supplier to make payment of the money unlawfully
 26 received from the aggrieved consumers to be held in escrow for
 27 distribution to aggrieved consumers;
- 28 (3) for a knowing violation against a senior consumer, increase
 29 the amount of restitution ordered under subdivision (2) in any
 30 amount up to three (3) times the amount of damages incurred or
 31 value of property or assets lost;
- 32 (4) order the supplier to pay to the state the reasonable costs of
 33 the attorney general's investigation and prosecution, expert fees,
 34 and court fees related to the action;
- 35 (5) provide for the appointment of a receiver; and
- 36 (6) order the department of state revenue to suspend the
 37 supplier's registered retail merchant certificate, subject to the
 38 requirements and prohibitions contained in IC 6-2.5-8-7(a)(5),
 39 if the court finds that a violation of this chapter involved the sale
 40 or solicited sale of a synthetic drug (as defined in
 41 IC 35-31.5-2-321), a synthetic drug lookalike substance (as
 42 defined in IC 35-31.5-2-321.5 (repealed)) (before July 1, 2019),

1 a controlled substance analog (as defined in IC 35-48-1.1-8), or
 2 a substance represented to be a controlled substance (as
 3 described in IC 35-48-4-4.6).

4 (d) In an action under subsection (a), (b), (c), or (n) the court may
 5 void or limit the application of contracts or clauses resulting from
 6 deceptive acts and order restitution to be paid to aggrieved consumers.

7 (e) In any action under subsection (a) or (b), upon the filing of the
 8 complaint or on the appearance of any defendant, claimant, or any
 9 other party, or at any later time, the trial court, the supreme court, or the
 10 court of appeals may require the plaintiff, defendant, claimant, or any
 11 other party or parties to give security, or additional security, in such
 12 sum as the court shall direct to pay all costs, expenses, and
 13 disbursements that shall be awarded against that party or which that
 14 party may be directed to pay by any interlocutory order by the final
 15 judgment or on appeal.

16 (f) Any person who violates the terms of an injunction issued
 17 under subsection (c) or (n) shall forfeit and pay to the state a civil
 18 penalty of not more than fifteen thousand dollars (\$15,000) per
 19 violation. For the purposes of this section, the court issuing an
 20 injunction shall retain jurisdiction, the cause shall be continued, and
 21 the attorney general acting in the name of the state may petition for
 22 recovery of civil penalties. Whenever the court determines that an
 23 injunction issued under subsection (c) or (n) has been violated, the
 24 court shall award reasonable costs to the state.

25 (g) If a court finds any person has knowingly violated section 3 or
 26 10 of this chapter, other than section 3(b)(19), 3(b)(20), or ~~3(b)(40)~~
 27 **3(b)(41)** of this chapter, the attorney general, in an action pursuant to
 28 subsection (c), may recover from the person on behalf of the state a
 29 civil penalty of a fine not exceeding five thousand dollars (\$5,000) per
 30 violation.

31 (h) If a court finds that a person has violated section 3(b)(19) of
 32 this chapter, the attorney general, in an action under subsection (c),
 33 may recover from the person on behalf of the state a civil penalty as
 34 follows:

35 (1) For a knowing or intentional violation, one thousand five
 36 hundred dollars (\$1,500).

37 (2) For a violation other than a knowing or intentional violation,
 38 five hundred dollars (\$500).

39 A civil penalty recovered under this subsection shall be deposited in
 40 the consumer protection division telephone solicitation fund
 41 established by IC 24-4.7-3-6 to be used for the administration and
 42 enforcement of section 3(b)(19) of this chapter.

1 (i) A senior consumer relying upon an uncured or incurable
2 deceptive act, including an act related to hypnotism, may bring an
3 action to recover treble damages, if appropriate.

4 (j) An offer to cure is:

- 5 (1) not admissible as evidence in a proceeding initiated under
6 this section unless the offer to cure is delivered by a supplier to
7 the consumer or a representative of the consumer before the
8 supplier files the supplier's initial response to a complaint; and
9 (2) only admissible as evidence in a proceeding initiated under
10 this section to prove that a supplier is not liable for attorney's
11 fees under subsection (k).

12 If the offer to cure is timely delivered by the supplier, the supplier may
13 submit the offer to cure as evidence to prove in the proceeding in
14 accordance with the Indiana Rules of Trial Procedure that the supplier
15 made an offer to cure.

16 (k) A supplier may not be held liable for the attorney's fees and
17 court costs of the consumer that are incurred following the timely
18 delivery of an offer to cure as described in subsection (j) unless the
19 actual damages awarded, not including attorney's fees and costs, exceed
20 the value of the offer to cure.

21 (l) If a court finds that a person has knowingly violated section
22 3(b)(20) of this chapter, the attorney general, in an action under
23 subsection (c), may recover from the person on behalf of the state a
24 civil penalty not exceeding one thousand dollars (\$1,000) per
25 consumer. In determining the amount of the civil penalty in any action
26 by the attorney general under this subsection, the court shall consider,
27 among other relevant factors, the frequency and persistence of
28 noncompliance by the debt collector, the nature of the noncompliance,
29 and the extent to which the noncompliance was intentional. A person
30 may not be held liable in any action by the attorney general for a
31 violation of section 3(b)(20) of this chapter if the person shows by a
32 preponderance of evidence that the violation was not intentional and
33 resulted from a bona fide error, notwithstanding the maintenance of
34 procedures reasonably adapted to avoid the error. A person may not be
35 held liable in any action for a violation of this chapter for contacting a
36 person other than the debtor, if the contact is made in compliance with
37 the Fair Debt Collection Practices Act.

38 (m) If a court finds that a person has knowingly or intentionally
39 violated section ~~3(b)(40)~~ **3(b)(41)** of this chapter, the attorney general,
40 in an action under subsection (c), may recover from the person on
41 behalf of the state a civil penalty in accordance with
42 IC 24-5-14.5-12(b). As specified in IC 24-5-14.5-12(b), a civil penalty

 4 IC 24-5-14.5. In addition to the recovery of a civil penalty in
 5 accordance with IC 24-5-14.5-12(b), the attorney general may also
 6 recover reasonable attorney fees and court costs from the person on
 7 behalf of the state. Those funds shall also be deposited in the consumer
 8 protection division telephone solicitation fund established by
 9 IC 24-4.7-3-6.

10 (n) An action that arises from, or otherwise involves, an unfair,
 11 abusive, or deceptive act, omission, or practice in connection with a
 12 consumer transaction described in section 2(a)(1)(D)(i) of this chapter
 13 may be brought and enforced only by the attorney general under this
 14 subsection. An action that arises from, or otherwise involves, an unfair,
 15 abusive, or deceptive act, omission, or practice in connection with a
 16 consumer transaction described in section 2(a)(1)(D)(ii) of this chapter
 17 may be brought and enforced only by an attorney acting on behalf of
 18 the local law enforcement agency involved in the transaction, unless
 19 the local unit of government served by the local law enforcement
 20 agency requests the attorney general to bring and enforce an action
 21 under this subsection on behalf of the local unit. In addition, the court
 22 may:

- 23 (1) issue an injunction;
 24 (2) order the supplier to make payment of the money unlawfully
 25 received from the aggrieved consumers to be held in escrow for
 26 distribution to aggrieved consumers; or
 27 (3) order the supplier to pay to:
 28 (A) the attorney acting on behalf of the local law
 29 enforcement agency; or
 30 (B) the attorney general for the state;
 31 as applicable, the reasonable costs of the attorney's or the
 32 attorney general's investigation and prosecution, expert fees, and
 33 court fees related to the action.

34 The time for bringing an action under subsection (c), as set forth in
 35 section 5(b) of this chapter, applies to an action brought under this
 36 subsection.

10 (2) The substance has a narcotic, stimulant, depressant, or
11 hallucinogenic effect on the central nervous system or is
