Sec. 17. (a) In 2028 and each year thereafter, the fiscal body of the recipient municipality shall, in the manner provided by IC 6-1.1-17, adopt a township services district levy for the ensuing year.

(2) different rates for the township service districts included within the designated township, so long as a tax rate applies uniformly to all of a township service district's taxable property within the designated township.

(d) If a uniform tax rate is levied upon all taxable property within a designated township upon reorganization, different tax rates may be levied for the township service districts included within the designated township in subsequent years.

(e) Not later than October 1 of a year, the municipality shall submit the township services district levy for the rural township service district to the county fiscal body for its approval. Not later than October 15 of the year, the county fiscal body shall review the proposed township service district levy for the rural township service district. The county fiscal body may reduce or modify but not increase the proposed township service district levy.

(f) If:

(1) the municipality fails to adopt a township service district levy; or

(2) a county fiscal body does not adopt the township service district levy for a rural township district within the time specified under subsection (c);

the township service district's most recent township service district levy approved by the municipality or county, whichever is appropriate, is continued for the ensuing budget year.

(g) A tax levied by the recipient municipality under this chapter after December 31, 2028, shall:

(1) be in an amount sufficient for the recipient municipality to provide township services within a township service district; and

(2) include amounts necessary to continue payment of any debt service or obligation incurred by the township before January 1, 2029, in accordance with the terms of the debt service or obligation incurred.

Sec. 19. For purposes of the property tax levy limits under IC 6-1.1-18.5, a tax levied by a recipient municipality under this

- (1) the township's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 for property taxes first due and payable in 2028; multiplied by
- (2) the maximum levy growth quotient under IC 6-1.1-18.5-2 for property taxes first due and payable in 2029.

The recipient municipality's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 for property taxes first due and payable in 2029 as adjusted under this section shall be used in the determination of the recipient municipality's maximum permissible ad valorem property tax levy under IC 6-1.1-18.5 for property taxes first due and payable in 2030 and thereafter.

Sec. 20. (a) The plan of reorganization governs the actions, duties, and powers of the recipient municipality and the designated township that are not specified by law.

- (3) Any other matter that the joint board determines to be necessary or appropriate or to include in the plan of reorganization.

(c) When the plan of reorganization is submitted to the recipient municipality by the joint board, the recipient municipality shall post a copy of the plan of reorganization on the website of the recipient municipality not more than seven (7) days after receiving the plan of reorganization from the joint board. If the plan of reorganization is amended, the recipient municipality shall post the amended plan on the website of the recipient municipality not later than seven (7) days after the amended plan is adopted.
