# HOUSE MOTION \_\_\_\_\_

MR. SPEAKER:

I move that Engrossed Senate Bill 277 be amended to read as follows:

- 1           Page 36, line 42, after "Sec. 11." insert "(a)".
- 2           Page 37, between lines 3 and 4, begin a new paragraph and insert:
- 3           **"(b) Subject to available funding and utilizing existing**
- 4           **monitoring authority to the extent practicable, the department**
- 5           **shall conduct groundwater and private well sampling within five**
- 6           **(5) miles of a hazardous waste disposal or recycling facility**
- 7           **permitted under this title that:**
- 8                 **(1) has documented repeated violations of environmental**
- 9                 **permit conditions within the preceding five (5) years; or**
- 10                **(2) accepts waste associated with a federally declared**
- 11                **emergency or interstate hazardous chemical incident.**
- 12           **(c) Monitoring under subsection (b):**
- 13                 **(1) must be limited to contaminants associated with the**
- 14                 **facility's permitted operations; and**
- 15                 **(2) must report results in aggregated form by county to**
- 16                 **protect individual privacy.**
- 17                 **(d) If sampling identifies contaminant concentrations exceeding**
- 18                 **applicable regulatory standards, the department, in coordination**
- 19                 **with the state department of health, may offer voluntary**

- 1 **biomonitoring to affected residents."**  
(Reference is to ESB 277 as printed February 16, 2026.)
