SENATE BILL NO. 269

INTRODUCED BY D. LENZ

A BILL FOR AN ACT ENTITLED: "AN ACT GENERALLY REVISING DAY-CARE LAWS; REVISING REQUIREMENTS FOR FAMILY DAY-CARE HOMES PROVIDING CARE FOR 3 TO 8 CHILDREN AND GROUP DAY-CARE HOMES PROVIDING CARE FOR 9 TO 15 CHILDREN; PROVIDING HEALTH, SANITATION, AND SAFETY REQUIREMENTS; PROVIDING FOR PARENTAL INVOLVEMENT; PROVIDING CAREGIVER QUALIFICATIONS AND REQUIREMENTS; PROVIDING PROFESSIONAL DEVELOPMENT REQUIREMENTS; REQUIRING CERTAIN BACKGROUND CHECKS; PROHIBITING THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES FROM ADOPTING REQUIREMENTS IN ADMINISTRATIVE RULE THAT ARE MORE STRINGENT THAN STATUTORY REQUIREMENTS; PROVIDING A DEFINITION; AMENDING SECTION ~~52-2-704, 52-2-714~~, MCA; AND PROVIDING AN EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Definition. For the purposes of [sections 1 through 13], "provider" means a family day-care home provider or a group day-care home provider who is registered as a family day-care home or group day-care home by the department.

NEW SECTION. Section 2. Family and group day-care homes -- general requirements. (1) The provider shall maintain:

(a) proof of current liability insurance that is provided on request to the department; and
(b) a signed contract between the provider and each family for whom the provider cares for one or more children. The contract must include a provision that parents or legal guardians are informed of any changes in the composition of the provider's household.

(2) The provider shall ensure that there is indoor and outdoor space at the family day-care home or group day-care home that is adequate for the number of children in care to play, rest, and eat.

(3) Children in the care of the provider may not ever be left alone with a visitor or another adult who is not authorized to care for children.

(4) The provider shall adopt a policy that prohibits the use of corporal punishment or other negative discipline methods that hurt, humiliate, or frighten children.

(5) The provider shall ensure that the telephone number for the department's child abuse hotline is displayed in a highly visible area where parents or legal guardians can see it and is printed in the published materials that are provided to parents or legal guardians.

(6) Nothing in this part may be construed or applied in any manner to infringe on or usurp the moral and legal responsibilities of parents or legal guardians.

NEW SECTION. Section 3. Family and group day-care homes -- health and sanitation. (1) The provider shall submit to the department documentation that comprehensive fire, safety, and sanitation inspections have been completed. The inspections must be performed annually, and the provider shall make the inspection reports available for review on request by the department.

(2) The provider shall notify the parents or legal guardians and the department of any medical emergency or communicable disease or illness of a child, the provider, or a member of the provider's family.

(3) The provider may readmit a previously ill child for care only when the child's presence no longer endangers the health of other children.

(4) The provider may only administer a physician-prescribed medication to a child in care. A medication may be given only with the written approval of the child's parent or legal guardian. The provider must maintain records documenting the administration of medication to a child.

(5) Before applying basic topical care items, including but not limited to sunscreen, insect repellent, and lotion, the provider must have written permission from the child's parent or legal guardian.

(6) (a) Before a child may attend a family or group day-care home, the provider must be provided with adequate documentation that the child has been vaccinated as provided in 20-5-403(1)(a) and (1)(b) or is exempt as provided in 20-5-403(1)(d).

(b) If a child is not current on all of the vaccines required under subsection (6)(a), the child may be

1 admitted conditionally pursuant to 20-5-403(1)(c). Before the child may attend conditionally, the child's parent or
2 legal guardian shall file a conditional attendance form prescribed by the department to the provider.

3 (c) The family or group day-care home shall keep immunization data for each enrolled child,
4 including the day, month, and year of administration of all required vaccines.

5 (d) If a religious or medical exemption is claimed, the family or group day-care home shall maintain
6 the record of the exemption in accordance with the requirements of 20-5-405.

7 (7) The provider shall follow procedures for diapering and toileting in accordance with national
8 recommendations.

9 (8) The provider and children shall follow hand-washing procedures in accordance with national
10 recommendations. The provider shall post signs in the facility with reminders of proper hand-washing
11 procedures.

12 (9) The facility must be maintained in a sanitary manner.

13 (a) Individual bedding must be washed at least once a week. The bedding may only be used by
14 one child between washings. Individual cribs, cots, and mats must be washed if soiled.

15 (b) Infant equipment must be washed and disinfected at least daily. A toy that has been mouthed
16 by a child must be removed immediately after mouthing and washed and sanitized prior to being used by
17 another child.

18 (10) A window used for ventilation must be properly screened.

19 (11) A provider may not consume alcohol while children are in the provider's care.

20 (12) Smoking is not permitted in the family day-care home or group day-care home or in the outdoor
21 area while children are in the provider's care.

22
23 **NEW SECTION. Section 4. Family and group day-care homes -- fire and safety requirements.**

24 (1) The provider shall adopt and enforce policies to ensure that the family or group day-care home operates to
25 protect children against the risk of fire and safety hazards.

26 (2) The provider shall report any death of or serious injury to a child in the provider's care to the
27 department within 24 hours of the death or injury.

(3) The provider shall adopt and enforce a policy to keep children protected from hazards, including poisonous substances, toxic materials, electrical shock risks, standing water, unsafe playground equipment, and strangulation risks.

(4) The provider must have a written plan for reporting and managing emergencies, including terrorist attacks, severe storm warnings, medical and pandemic emergencies, and a lost or missing child. The written plan must include procedures to shelter in place and to evacuate. The provider shall ensure that any employee or volunteer understands the emergency plan.

(5) The provider shall ensure that first aid supplies are readily available for emergencies and kept in a well-maintained and stocked condition.

(6) The provider shall conduct evacuation drills at least once a quarter at different times of the day or evening when children are in the provider's care. The provider shall document the drills.

(7) The family or group day-care home must have a working landline or cellular phone within the home. Emergency telephone numbers, including police, fire, rescue, and poison control services, and instructions must be accessible or kept with each telephone.

(8) The provider shall use safety gates to prevent children from falls. Door locks that can entrap a child inside a bathroom or a bedroom must be able to be opened from the outside.

(9) If there are firearms in the facility, the ammunition must be removed from the firearm. Firearms and ammunition must be stored separately in locked cabinets that are inaccessible to children.

(10) Young infants must be placed on their backs for sleeping to lower the risk of sudden infant death syndrome. Soft cushions, pillows, thick blankets, and comforters may not be used in cribs.

(11) The provider may not allow children to sleep in family beds unless a separate bed is designated for the child and clean linens are provided.

(12) The provider shall use cribs that meet guidelines established by the U.S. consumer product safety commission. The sides of an infant's crib must be locked in position when the crib is occupied and may not present a strangulation or entrapment hazard.

(13) The provider shall inform parents or legal guardians if the provider will be taking children away from the facility while the children are in the provider's care. If the provider transports children in a vehicle, the

provider shall ensure age-appropriate restraint devices are used and appropriate safety precautions are taken.

(14) The provider shall maintain a current copy of the driver's license and proof of insurance on file for the provider and for any other person who will transport children.

NEW SECTION. Section 5. Family and group day-care homes -- parent or legal guardian involvement and participation. (1) Parents or legal guardians must have access to the family or group day-care home at all times when their children are present at the home.

(2) Parents or legal guardians must receive copies of all policies adopted by the provider. The provider shall maintain a prominent place in the facility to display information for parents or legal guardians.

(3) The provider shall communicate regularly with all parents or legal guardians and recognize the parents or legal guardians as partners in the care of the children.

NEW SECTION. Section 6. Family and group day-care homes -- learning activities -- interaction with children. (1) The provider shall offer activities and experiences daily that enhance children's physical, social, emotional, and cognitive development. The activities must include age-appropriate nutrition education. The provider shall plan a variety of indoor and outdoor activities each day with a balance between child-initiated and adult-directed activities. The provider shall post a daily schedule of activities for parents or legal guardians to see.

(2) The provider shall ensure there are sufficient toys and materials in the facility to engage all the children in developmentally appropriate ways. Toys and materials may be homemade or purchased. Any toys, materials, and equipment must be maintained in good repair and must be arranged so that children are able to select and put away the toys and materials with little or no assistance.

(3) The provider shall plan and participate in the children's active play. The provider shall interact frequently with the children and show the children affection and respect. The provider shall speak to the children in a friendly, courteous manner.

(4) The provider shall handle the children's routines in a relaxed and individualized manner that promotes respect and provides opportunities to develop each child's self-esteem and self-discipline and

2 (5) Screen time and the use of passive media, including television and audio tapes, must be
3 limited in duration and developmentally appropriate. Media view and computer use are prohibited for children
4 younger than 2 years old.

5

6 NEW SECTION. **Section 7. Family and group day-care homes -- nutrition -- meal service.** (1)

7 The provider may enroll in the U.S. department of agriculture's child and adult care food program, 7 CFR, part
8 226, with all meals and snacks prepared, handled, transported, and served according to the program's
9 guidelines.

10 (2) The provider shall develop a written menu to show all foods to be served during each month.
11 The menu must be posted for meals and snacks and must be made available to all parents or legal guardians.

12 (3) The provider shall make dietary modifications on the basis of written recommendations from a
13 child's primary care provider. The provider shall make available to families a form to document dietary
14 substitutions for religious and medical purposes.

15 (4) The provider shall limit the amount of juice, beverages with added sweetener, high-fat foods,
16 and salted foods provided with meals and snacks.

17 (5) The provider shall ensure that food is prepared, served, and stored in a sanitary manner. If
18 meals are provided by parents or legal guardians, the provider shall store and handle that food in accordance
19 with procedures approved by local health and sanitation authorities.

20 (6) All children who are present must be served meals and snacks. Meals and snacks for children
21 who are toddler age and older must be served in the manner of family-style dining.

22 (7) (a) For children who take bottles, bottle-feeding must be done in a manner that:

23 (i) minimizes the risk of transmitting disease; and

24 (ii) promotes interaction between the child and the person who is feeding the child.

25 (b) Infants must be held for bottle feeding. Bottles are prohibited from being propped during
26 feeding. The provider is prohibited from putting an infant to sleep with a bottle.

27 (c) The provider shall implement an accountability system for bottles, including bottles for breast

2 (8) The provider shall encourage, provide arrangements for, and support breastfeeding.

3
4 **NEW SECTION. Section 8. Family and group day-care homes -- supervision of children.** (1) (a)

5 The maximum number of children a provider may care for in a family day-care home is eight children, including
6 the provider's own children who are under 8 years of age.

7 (b) The maximum number of children a provider may care for in a group day-care home is 15
8 children, including the provider's own children who are under 8 years of age.

9 (2) (a) When all of the children in the provider's care in a family day-care home are under 2 years
10 of age, the maximum number of children the provider may care for at any one time is four children.

11 (b) When all of the children in the provider's care in a group day-care home are under 2 years of
12 age, the maximum number of children who may be cared for at any one time is four children for each staff
13 member.

14 (c) In mixed-age groups, the number of children who are under 2 years of age must be limited to
15 three children for each provider or staff member.

16 (3) A provider may offer overlap care for up to 3 hours each day. A family day-care home provider
17 may care for a maximum of 10 children during overlap care times. A group day-care home provider may care
18 for a maximum of 19 children during overlap care times. To be authorized for overlap care, the provider shall
19 submit a written plan to the department that includes the specific hours during which the overlap care will be
20 provided and proof of insurance to care for the total number of children.

21 (4) The provider shall ensure that parents or legal guardians sign their children in and out of the
22 family day-care home or group day-care home each day. Children may only be released to a person that the
23 parents or legal guardians have authorized in writing.

24 (5) The provider shall supervise all children in the provider's care inside and outdoors. School-age
25 children may be outside without direct supervision by the provider as long as the children are within sight or
26 sound of the provider.

2 (a) maintains and updates the health and safety orientation training provided pursuant to
3 subsection (2);

4 (b) incorporates knowledge and application of the state's early learning and developmental
5 guidelines;

6 (c) incorporates social-emotional behavior intervention models for children from birth through
7 school-age; and

8 (d) is appropriate for a population of children that includes different age groups, English learners,
9 children with developmental delays and disabilities, and Indian children.

10
11 **NEW SECTION. Section 10. Family and group day-care homes -- caregiver qualifications.** (1) An
12 applicant for registration of a family day-care home or group day-care home must meet the following minimum
13 qualifications:

14 (a) be 18 years of age or older;

15 (b) have obtained a high school diploma or high school equivalency diploma;

16 (c) read, speak, and write English; and

17 (d) be in good health and be physically and behaviorally capable of performing the duties of the
18 job.

19 (2) Each provider, substitute provider, and person who is at least 18 years of age who resides at
20 the family day-care home or group day-care home shall complete a background check at least once every 5
21 years pursuant to [section 11].

22
23 **NEW SECTION. Section 11. Licensed or registered day-care facilities -- background checks.** (1)

24 (a) Except as provided in subsection (1)(b), fingerprint and background checks are required for individuals
25 employed by or associated with day-care facilities. The following individuals shall provide satisfactory results of
26 background checks prior to approval of a license or registration:

27 (i) day-care directors, owners, site directors, lead teachers, teachers, substitutes, trainees,

1 support staff, and volunteers who have unsupervised contact with children; and

2 (ii) an adult residing in the day-care facility or other adult who regularly or frequently stays in the
3 facility.

4 (b) In the case of an individual caring for children from more than one sibling group in a child's
5 home, all adults residing in the home must have satisfactory results of a background check.

6 (2) The following background checks are required prior to working in a day-care facility and at least
7 once every 5 years:

8 (a) a fingerprint background check by the Montana department of justice and the federal bureau of
9 investigation;

10 (b) a search of the national sexual offender registry from the national crime information center;

11 (c) a search of the Montana sex offender registry;

12 (d) a child protective services check for Montana and any state where the individual has resided in
13 the preceding 5 years; and

14 (e) a name-based criminal records check for Montana and any state where the individual has
15 resided in the preceding 5 years.

16 (3) Fingerprints must be processed by a trained individual within a certified fingerprinting agency.

17 The results must be transmitted electronically to the department by the department of justice.

18 (4) (a) After written notice to the applicant, licensee, or registration holder, the department shall
19 deny, suspend, restrict, revoke, or reduce a license or registration to a provisional or probationary status on
20 finding that a person who is required under subsection (1) to submit background checks has been convicted of
21 a crime under subsection (4) that makes the person ineligible to work in a day-care facility.

22 (b) The following crimes are felonies and misdemeanors that are direct crimes against a person's
23 physical or emotional well-being, and a person is ineligible to work or be present in a day-care facility if the
24 person has been convicted of one or more of the following crimes:

25 (i) homicide;

26 (ii) sexual intercourse without consent;

27 (iii) sexual assault;
