9

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

11

12 **Section 1.** Section 33-32-102, MCA, is amended to read:

13 "33-32-102. **Definitions.** As used in this chapter, the following definitions apply:

14 (1) "Adverse determination", except as provided in 33-32-402, means:

15 (a) a determination by a health insurance issuer or its designated utilization review organization  
16 that, based on the provided information and after application of any utilization review technique, a requested  
17 benefit under the health insurance issuer's health plan is denied, reduced, or terminated or that payment is not  
18 made in whole or in part for the requested benefit because the requested benefit does not meet the health  
19 insurance issuer's requirement for medical necessity, appropriateness, health care setting, level of care, or level  
20 of effectiveness or is determined to be experimental or investigational;

21 (b) a denial, reduction, termination, or failure to provide or make payment in whole or in part for a  
22 requested benefit based on a determination by a health insurance issuer or its designated utilization review  
23 organization of a person's eligibility to participate in the health insurance issuer's health plan;

24 (c) any prospective review or retrospective review of a benefit determination that denies, reduces,  
25 or terminates or fails to provide or make payment in whole or in part for a benefit; or

26 (d) a rescission of coverage determination.

27 (2) "Ambulatory review" means a utilization review of health care services performed or provided in  
28 an outpatient setting.

SB0447.002.002

1     ADULTS, WITHIN EACH ~~any~~ of the following prescription drugs ~~DRUG THERAPEUTIC CLASSES, generic or brand name,~~

2     except as provided in subsection (3):

3         (i)     an inhaled corticosteroid;

4         (ii)    an inhaled short-acting beta-agonist;

5         (iii)   an inhaled combination corticosteroid and beta-agonist;

6         (iv)    a short-acting insulin for diabetes; or

7         (v)     a long-acting insulin for diabetes.

8         (3)    If an individual has multiple prescriptions for any one kind of prescription drug listed under

9     subsection (1)(g), a health insurance issuer or its utilization review organization may perform a prior

10    authorization on all but one prescription.

11         (4)(3)    If the health insurance issuer or its utilization review organization makes an adverse

12    determination for a prescription drug during prior authorization, the health insurance issuer or its utilization

13    review organization shall provide a written adverse determination notice that includes a list of reasonable

14    therapeutic alternatives that are covered by the insurer's formulary.

15         (2)(5)(4)    Any adverse determination for a prescription drug made during prior authorization by a

16    health insurance issuer must be made by a physician whose specialty focuses on the diagnosis and treatment

17    of the condition for which the prescription drug was prescribed to treat, provided that prior authorization that

18    does not result in an adverse determination does not require the involvement of a physician on the part of a

19    health insurance issuer."

21         **COORDINATION SECTION. Section 4. Coordination instruction.** If both House Bill No. 398 and

22    [this act] are passed and approved and if both contain a section that amends 33-22-102, then the sections

23    amending 33-22-102 are void and 33-22-102 must be amended as follows:

24         **"33-32-102. Definitions.** As used in this chapter, the following definitions apply:

25         (1)    "Adverse determination", except as provided in 33-32-402, means:

26         (a)    a determination by a health insurance issuer or its designated utilization review organization

27    that, based on the provided information and after application of any utilization review technique, a requested

28    benefit under the health insurance issuer's health plan is denied, reduced, or terminated or that payment is not

1       made in whole or in part for the requested benefit because the requested benefit does not meet the health  
2       insurance issuer's requirement for medical necessity, appropriateness, health care setting, level of care, or level  
3       of effectiveness or is determined to be experimental or investigational;

4           (b)       a denial, reduction, termination, or failure to provide or make payment in whole or in part for a  
5       requested benefit based on a determination by a health insurance issuer or its designated utilization review  
6       organization of a person's eligibility to participate in the health insurance issuer's health plan;

7           (c)       any prospective review or retrospective review of a benefit determination that denies, reduces,  
8       or terminates or fails to provide or make payment in whole or in part for a benefit; or

22 ~~(16)(17)~~ "Final adverse determination" means an adverse determination involving a covered benefit that  
23 has been upheld by a health insurance issuer or its designated utilization review organization at the completion  
24 of the health insurance issuer's internal grievance process as provided in Title 33, chapter 32, part 3.

25 ~~(17)(18)~~ "Grievance" means a written complaint or an oral complaint if the complaint involves an urgent  
26 care request submitted by or on behalf of a covered person regarding:

27 (a) availability, delivery, or quality of health care services, including a complaint regarding an  
28 adverse determination made pursuant to utilization review;

- (b) claims payment, handling, or reimbursement for health care services; or
- (c) matters pertaining to the contractual relationship between a covered person and a health insurance issuer.

(18)(19) "Health care provider" or "provider" means a person, corporation, facility, or institution licensed by the state to provide, or otherwise lawfully providing, health care services, including but not limited to:

(a) a physician, physician assistant, advanced practice registered nurse, health care facility as defined in 50-5-101, osteopath, dentist, nurse, optometrist, chiropractor, podiatrist, physical therapist, psychologist, licensed social worker, speech pathologist, audiologist, licensed addiction counselor, or licensed professional counselor; and

(20)(21) "Health insurance issuer" has the meaning provided in 33-22-140.

**(21)(22)** "Medical necessity" means health care services that a health care provider exercising prudent clinical judgment would provide to a patient for the purpose of preventing, evaluating, diagnosing, treating, curing, or relieving a health condition, chronic condition, illness, injury, or disease or its symptoms or comorbidities, including minimizing the progression, symptoms, or comorbidities of a health condition, chronic condition, illness, injury, or disease, and that are:

(a) in accordance with generally accepted standards of practice;

(b) clinically appropriate in terms of type, frequency, extent, site, and duration and are considered effective for the patient's illness, injury, or disease; and

(c) not primarily for the economic benefit of the insurer or the convenience of the patient or health care provider and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the patient's illness, injury, or disease.

(22)(23) "Network" means the group of participating providers providing services to a managed care

1 plan.

2 (23)(24)"Participating provider" means a health care provider who, under a contract with a health  
3 insurance issuer or with its contractor or subcontractor, has agreed to provide health care services to covered  
4 persons with the expectation of receiving payment, other than coinsurance, copayments, or deductibles, directly  
5 or indirectly from the health insurance issuer.

6 (24)(25)"Person" means an individual, a corporation, a partnership, an association, a joint venture, a  
7 joint stock company, a trust, an unincorporated organization, or any similar entity or combination of entities in  
8 this subsection.

9 (25)(26)"Preservice claim" means a request for benefits or payment from a health insurance issuer for  
10 health care services that, under the terms of the health insurance issuer's contract of coverage, requires  
11 authorization from the health insurance issuer or from the health insurance issuer's designated utilization review  
12 organization prior to receiving the services.

13 (26)(27)"Prospective review" means a utilization review, medical necessity review, or prior authorization  
14 conducted of a preservice claim prior to an admission or a course of treatment.

15 (27)(28)(a) "Rescission" means a cancellation or the discontinuance of coverage under a health plan  
16 that has a retroactive effect.

17 (b) The term does not include a cancellation or discontinuance under a health plan if the  
18 cancellation or discontinuance of coverage:

19 (i) has only a prospective effect; or

20 (ii) is effective retroactively to the extent that the cancellation or discontinuance is attributable to a  
21 failure to timely pay required premiums or contributions toward the cost of coverage.

22 (28)(29)(a) "Retrospective review" means a review of medical necessity conducted after services have  
23 been provided to a covered person.

24 (b) The term does not include the review of a claim that is limited to an evaluation of  
25 reimbursement levels, veracity of documentation, accuracy of coding, or adjudication for payment.

26 (29)(30)"Second opinion" means an opportunity or requirement to obtain a clinical evaluation by a  
27 health care provider other than the one originally making a recommendation for a proposed health care service  
28 to assess the clinical necessity and appropriateness of the initial proposed health care service.

1                   ~~(30)~~(31)"Stabilize" means, with respect to an emergency condition, to ensure that no material  
2 deterioration of the condition is, within a reasonable medical probability, likely to result from or occur during the  
3 transfer of the individual from a facility.

4                   ~~(31)~~(32)(a) "Urgent care request" means a request for a health care service or course of treatment with  
5 respect to which the time periods for making a nonurgent care request determination could:

6                   (i) seriously jeopardize the life or health of the covered person or the ability of the covered person  
7 to regain maximum function; or

8                   (ii) subject the covered person, in the opinion of a health care provider with knowledge of the  
9 covered person's medical condition, to severe pain that cannot be adequately managed without the health care  
10 service or treatment that is the subject of the request.

11                   (b) Except as provided in subsection~~(31)(e)~~(32)(c), in determining whether a request is to be  
12 treated as an urgent care request, an individual acting on behalf of the health insurance issuer shall apply the  
13 judgment of a prudent lay person who possesses an average knowledge of health and medicine.

14                   (c) Any request that a health care provider with knowledge of the covered person's medical  
15 condition determines is an urgent care request within the meaning of subsection~~(31)(a)~~(32)(a) must be treated  
16 as an urgent care request.

17                   ~~(32)~~(33)"Utilization review" means a set of formal techniques designed to monitor the use of or to  
18 evaluate the clinical necessity, appropriateness, efficacy, or efficiency of health care services, procedures, or  
19 settings. Techniques may include ambulatory review, prospective review, second opinions, certification,  
20 concurrent review, case management, discharge planning, or retrospective review.

21                   ~~(33)~~(34)"Utilization review organization" means an entity that conducts utilization review for one or  
22 more of the following:

23                   (a) an employer with employees who are covered under a health benefit plan or health insurance  
24 policy;

25                   (b) a health insurance issuer providing review for its own health plans or for the health plans of  
26 another health insurance issuer;

27                   (c) a preferred provider organization or health maintenance organization; and

28                   (d) any other individual or entity that provides, offers to provide, or administers hospital, outpatient,

1        medical, or other health benefits to a person treated by a health care provider under a policy, plan, or contract."
