69th Legislature 2025 SB 508.1

	(2)	Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have
been c	ommitte	by any person driving or in actual physical control of a vehicle while under the influence of
alcohol	I, the cor	ncentration of alcohol in the person at the time of a test, as shown by analysis of a sample of the
person	's blood,	breath, or other bodily substance drawn or taken within a reasonable time after the alleged act
gives ri	ise to the	e following inferences:

- (a) if there was at that time an alcohol concentration of 0.04 or less, it may be inferred that the person was not under the influence of alcohol;
- (b) if there was at that time an alcohol concentration in excess of 0.04 but less than 0.08, that fact may not give rise to any inference that the person was or was not under the influence of alcohol, but the fact may be considered with other competent evidence in determining the guilt or innocence of the person; and
- (c) if there was at that time an alcohol concentration of 0.08 or more, it may be inferred that the person was under the influence of alcohol. The inference is rebuttable.
- (3) The provisions of subsection (2) do not limit the introduction of any other competent evidence bearing on the issue of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs.
- (4) Each municipality in this state is given authority to enact this section, with the word "state" changed to read "municipality", as an ordinance and is given jurisdiction of the enforcement of the ordinance and the imposition of the fines and penalties provided in the ordinance.
 - (5) Absolute liability, as provided in 45-2-104, is imposed for a violation of this section.
- (6) When the same acts may establish the commission of an offense under subsection (1), a person charged with the conduct may be prosecuted for a violation of another relevant subsection under subsection (1). However, the person may be convicted of only one offense under this section or of a similar offense under previous laws of this state."
