The amount of the credit allowed is equal to the amount of the donation, not to exceed \$200,000.

(2) (a) If the credit allowed under this section is claimed by a small business corporation, a pass-through entity, or a partnership, the credit must be attributed to shareholders, owners, or partners using the same proportion as used to report the entity's income or loss.

(b) A donation by an estate or trust qualifies for the credit. Any credit not used by the estate or trust may be attributed to each beneficiary of the estate or trust in the same proportion used to report the beneficiary's income from the estate or trust for Montana income tax purposes.

(3) The credit allowed under this section may not exceed the taxpayer's income tax liability but may be carried forward 3 years. The entire amount of the tax credit not used in the year earned must be carried first to the earliest tax year in which the credit may be applied and then to each succeeding tax year.

(b) The aggregate limit under this subsection (4) applies to the year in which a donation is made regardless of whether the full credit is claimed in that tax year or carried forward.

This section does not prevent a taxpayer from:

(a) claiming a credit under this section instead of a deduction; or

(b) claiming an exclusion, deduction, or credit for a charitable contribution that exceeds the amount for which the credit is allowed under this section.

(6) (a) On receiving a donation under this part, a school district shall seek preapproval, in a manner prescribed by the department, that the amount of tax credit sought by the taxpayer is available under the aggregate limit under subsection (4).

(b) On preapproval by the department, a school district shall issue a receipt, in a form prescribed by the department, to each contributing taxpayer indicating the value of the donation received and preapproval of the tax credit.
