20 owner of property subject to the easement, covenant, condition, or restriction;

2 covenant, condition, or restriction from requiring a longer period of notice and opportunity to vote than that
3 provided by this section.

4 (c) If any owner objects to the proposed adoption, removal, or amendment or requests additional
5 information during the 30-day period, or any longer period provided, then the easement, covenant, condition, or
6 restriction may not be adopted, removed, or amended unless the owner who objected or requested additional
7 information confirms in writing that the owner does not object to the adoption, removal, or amendment.
