

HOUSE BILL NO. 371

INTRODUCED BY G. KMETZ, L. SCHUBERT, K. LOVE, T. SHARP, R. GREGG, E. TILLEMANN, T.
MANZELLA, D. EMRICH, S. GIST, R. MARSHALL, J. SCHILLINGER, L. DEMING, S. MANESS

A BILL FOR AN ACT ENTITLED: "AN ACT PROHIBITING THE ADMINISTRATION OF GENE-BASED
VACCINES FOR INFECTIOUS DISEASES INTO HUMANS IN THE STATE OF MONTANA; PROVIDING A
DEFINITION; AND PROVIDING A PENALTY."

WHEREAS, the mRNA vaccines have caused enormous numbers of deaths, disabilities, and serious
adverse events; and

WHEREAS, no long-term studies have been completed regarding fertility, teratogenicity, mutagenicity,
or oncogenicity; and

WHEREAS, recipients are not given informed consent; and

WHEREAS, the mRNA vaccines may integrate into the human genome and be passed onto the next
generation; and

WHEREAS, the mRNA vaccines are contaminated with DNA, metallic particles, and other unknown
nanoparticles; and

WHEREAS, the mRNA vaccines may shed to others and cause side effects or harm.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Administration of gene-based vaccines FOR INFECTIOUS DISEASES. (1)

A person may not provide or administer a gene-based vaccine FOR INFECTIOUS DISEASES to a human within the
state.

(2) A person who violates this section is guilty of a misdemeanor and is subject to a \$500 fine for
each incident.

(3) The appropriate licensure board within the Montana department of labor and industry shall
review the license of a person who is licensed under Title 37 and who violates this section.

(4) (A) For the purposes of this section, "gene-based vaccine FOR INFECTIOUS DISEASES" means a vaccine FOR INFECTIOUS DISEASES developed using messenger ribonucleic acid (mRNA) technology, modified messenger ribonucleic acid technology, self-amplifying messenger ribonucleic acid technology, or deoxyribonucleic acid technology.

(B) THE TERM DOES NOT INCLUDE GENE THERAPY PRODUCTS USED TO TREAT CANCER OR GENETIC DISORDERS.

NEW SECTION. **Section 2. Codification instruction.** [Section 1] is intended to be codified as an integral part of Title 45, chapter 5, and the provisions of Title 45, chapter 5, apply to [section 1].
