The following information is revised to reflect amendments  
adopted by the committee on August 20, 2020

#### **Fiscal Impact:**

- Departments of Business Oversight & Real Estate: Unknown costs, potentially in the thousands of dollars to make translations in certain languages a specified notice regarding tenant protection. (General Fund)
- Courts: Unknown, potential-significant cost savings to the courts and the Judicial Council for tasks and responsibilities related to risk assessment tools and a pretrial release system the due dates for which would be extended. Cost savings related to the pretrial release program would be realized only if Proposition 25 (2020) is passed by the voters in November 2020. (General Fund)

#### **Author Amendments:**

- Replace the Department of Consumer Affairs with the departments of Business Oversight and Real Estate to make translation in specified languages of a certain notice that is to be sent to tenants when a notice of sale is posted on the property that informs the tenant that the foreclosure process has begun on the property and what rights the tenants may have under the law.
- Extend various deadlines related to a pretrial risk assessment tool and pretrial release program (SB 36 (Hertzberg, Ch. 589. Stats. 2019)).

#### **Committee Amendments:**

- Strike the Fish and Game Code provision.
- Extend various deadlines and timelines related to a non-monetary pre-arraignment and pretrial release system (SB 10 (Hertzberg, Ch. 244, Stats. 2018)).
