***** **ANALYSIS ADDENDUM – SUSPENSE FILE** *****

The following information is revised to reflect amendments
adopted by the committee on August 26, 2021

Fiscal Impact:

- To the extent the Commission on State Mandates determines the provisions of this bill create a new program or impose a higher level of service associated with the requirement for cities and counties to authorize a local law enforcement agency to enforce the bill, unknown but potentially significant costs (General Fund) to reimburse local government claims made pursuant to existing statutory provisions.

Committee Amendments: These amendments would strike napkins from the definition of “single-use foodware accessories.”
