replacement of voting systems and technology and election management system replacements.

- 3) Allows funding provided to the Commission on Peace Officer Standards and Training for standards and training to be transferrable between these two uses for purposes of implementing SB 2 (Bradford, Chapter 409 Statutes of 2021), subject to Joint Legislative Budget Committee notification.
- 4) Clarifies that funding provided for legislative priorities can be used as an advance lump sum and can be used for costs incurred prior to the enactment of this bill.
- 5) Specifies that \$300,000 provided in the Budget Act to the California Victim Compensation Board for a contract with the Alliance for a Better Community will be used for outreach to survivors of forced or involuntary sterilization at the formerly named Los Angeles County Hospital.
