**SUMMARY**

**Senate Amendments**

**COMMENTS****According to the Author**

ACR 17 celebrates and honors the importance of California Native American Day which will be celebrated on September 22 of this year. California's First People's diverse history, culture and contributions have been largely ignored. Thankfully, strides have been made such as California Native American Day which aids in correcting that omission. Our state enjoys the greatest number of Native Americans in the United States, and it is appropriate that we teach everyone throughout California of Native American accomplishments in government, the environment, arts, and other fields.
