**COMMENTS:**

- 1) **PURPOSE OF THIS BILL.** According to the author, “California is home to one of the largest veteran populations in the nation, but for too long, a high cost of entry and access has prevented our veterans and service members from experiencing California State Parks. AB 1702 directly addressed this problem by expanding eligibility for the Distinguished Veteran Pass and providing discounted access for all current and former service members. Our State Parks should be a place of healing and connection for those who served. As the daughter of veterans, I know firsthand the sacrifices military families make. I grew up seeing that dedication, and that’s why I’m so passionate about honoring our heroes in California. It’s time we modernize our laws to reflect the service of every man and woman in uniform.”
- 2) **BACKGROUND.** There are 280 park units (beaches, historic sites, museums, off-highway vehicle recreation areas, parks, etc.) in the state park system. At most parks, day use fees are charged per vehicle and average around \$10, with no charge to walk or bike into the parks. Most historical parks and museums charge a day use fee per person.

*Discounted passes.* State Parks offers several forms of discounted pass. These include a Disabled Discount Pass (\$3.50), a California State Parks Golden Bear Pass for low-income individuals (no cost), a California State Parks Limited Use Golden Bear Pass (\$20), and a Distinguished Veteran Pass (no cost). Distinguished veterans are defined as those who have been honorably discharged with a 50% or greater service-connected disability, individuals held as prisoners of war, or recipients of the Medal of Honor. There are also two free entry pilot programs including the (1) California State Parks Adventure Pass that provides free entry for fourth graders and their families at 19 state parks throughout the state and (2) the California State Parks Library Pass that provides free passes to every public library throughout the state. All free and discounted entries are generally provided by a pass, with the exception being active duty and reserve military personnel and veterans receive free entry to most park units upon proof of service on Memorial Day and Veterans Day.

The Distinguished Veterans Pass was issued 7,146 times in 2024.

*Federal parks Military Pass.* A free lifetime Military Pass is available for U.S. military veterans and Gold Star Families (families of fallen service members). A free annual Military Pass is available for current U.S. military members and their dependents. The passes provide free access to more than 2,000 federal recreation areas, including national parks, wildlife refuges, and forests. According to the National Park Service (NPS), most national parks do

not have entrance fees. NPS allows free admission to more than 400 national parks on six different days in 2024. According to NPS, national parks are economical, with entrance fees typically from \$5 to \$35.

*Benefits of the outdoors.* Generally, time spent outdoors is believed to reduce stress and improve mental health. Veterans and service members may particularly benefit from outdoor recreation for readjusting to civilian lifestyles and reducing Post Traumatic Stress Disorder symptoms.

- 3) **SUPPORT.** The Southwest California Legislative Council writes in support of this bill, that California is home to a substantial and growing community of veterans and active military personnel. This bill serves as a heartfelt acknowledgment of their sacrifices by reducing or eliminating admission fees to state parks, thereby enhancing access to California's recreational resources for those who have served. Supporting the wellbeing of our veteran community is not only a moral obligation but also an economic necessity for our region.
- 4) **DOUBLE REFERRAL.** This bill is double referred, it passed the Assembly Committee on Water, Parks and Wildlife with a vote of 12-0 on March 24, 2026.
- 5) **RELATED LEGISLATION.** SB 893 (Seyarto) requires State Parks to issue a pass to a Gold Star Family member for use of all facilities in units of the state park system. SB 893 passed the Senate Committee on Natural Resources and Water by a vote of 7-0 on March 24, 2026 and is pending hearing in the Senate Committee on Military and Veterans Affairs.
- 6) **PREVIOUS LEGISLATION.**

  - d) AB 308 (Alanis) of 2023 would have required State Parks to grant free entry to state parks for eligible Gold Star Family members. AB 308 was held in the Assembly Appropriations Committee.

Furthermore, for the past few years the department has worked closely with the Parks Forward Commission to develop initiatives to expand visitations, increase access, and ensure the system's long-term sustainability. The public and our state parks are better served by allowing the department the flexibility to manage its operations without mandates that may harm its fiscal stability.”
