**SUBJECT**

Professional fiduciaries: corporate practice

**DIGEST**

This bill authorizes the formation of a professional fiduciary professional corporation, if certain conditions are met. The bill prohibits a superior court from appointing a professional fiduciary as a guardian, conservator, personal representative, or trustee unless the professional fiduciary is licensed as a professional fiduciary, a professional fiduciary professional corporation, or otherwise exempt from licensure as a professional fiduciary.

**EXECUTIVE SUMMARY**

A professional fiduciary may be appointed by a court as a guardian or conservator of a person or an estate, or both, or to probate a person's estate. A fiduciary may also be appointed by an individual as the trustee of a trust or an agent under a power of attorney. A professional fiduciary has significant responsibility for managing the assets or person of another and as such is required to be licensed by the Professional Fiduciary Bureau. This bill seeks to address a purported gap in existing law by requiring a professional fiduciary corporation to be registered with the Professional Fiduciary Bureau and ensuring that a court cannot name a professional fiduciary as a guardian, conservator, personal representative, trustee, or other officer unless they are licensed or registered, except as specified. This bill is substantially similar to AB 2148 (Low, 2023), which passed this Committee on a vote of 11 to 0, and AB 586 (Flora, 2025), which passed this Committee on a vote of 13 to 0, but both bills were ultimately held in the Senate Appropriations Committee.

This bill is supported by the Professional Fiduciary Association of California. No timely opposition was received by this Committee. The bill passed the Senate Business, Professions and Economic Development Committee on a vote of 11 to 0.

## PROPOSED CHANGES TO THE LAW

Existing law:

- 1) Provides for the licensure and regulation of professional fiduciaries by the Professional Fiduciaries Bureau (PFB) under the Professional Fiduciaries Act. (Bus. & Prof. Code §§ 6500 et. seq.)
- 2) Prohibits a person from acting or holding themselves out to the public as a professional fiduciary unless licensed as a professional fiduciary, except as specified. (Bus. & Prof. Code § 6530.)
- 3) Defines a “professional fiduciary” as the following:
  - a) A person who acts as a guardian or conservator of the person, the estate, or the person and estate, for two or more individuals at the same time who are not related to the professional fiduciary or to each other. (Bus. & Prof. Code §6501(f)(1)(A).)
  - b) A personal representative of a decedent’s estate, as defined in the Probate Code, for two or more individuals at the same time who are not related to the professional fiduciary or to each other. (Bus. & Prof. Code §6501(f)(1)(B); Prob. Code § 58(a).)
  - c) A person who acts as a trustee, agent under a durable power of attorney for health care, or agent under a durable power of attorney for finances, for more than three individuals, at the same time. (Bus. & Prof. Code § 6501(f)(2).)
- 4) Requires the PFB to maintain certain information in each licensee’s file, including the names of the licensee’s current conservatees, wards, principals under a durable power of attorney for health care, or principals under a durable power of attorney for finances, and the names of the trusts or estates currently administered by the licensee, whether the case is court supervised or noncourt supervised. (Bus. & Prof. Code §6534(a).)
  - a) Makes some of the information held by the PFB in a licensee’s file confidential.
- 5) Requires a professional fiduciary to file a statement with the PFB under penalty of perjury containing specified information, including whether the licensee has been found by a court to have breached a fiduciary duty or whether the licensee has been convicted of a crime. (Bus. & Prof. Code § 6561.)
- 6) Authorizes the formation of professional corporations under the Moscone-Knox Professional Corporation Act. (Corp. Code §§ 13400 et. seq.)
  - a) Defines “professional services” as any type of professional services that may be lawfully rendered pursuant to a license, certification, or registration

authorized by the Business and Professions Code, the Chiropractic Act, or the Osteopathic Act. (Corp. Code § 13401(a).)

- b) Defines “professional corporation” as a corporation that is engaged in rendering professional services in a single profession pursuant to a certificate of registration issued by the governmental agency regulating the profession as provided in the Moscone-Knox Professional Corporation Act and that in its practice or business designates itself as a professional or other corporation as may be required by statute. (Corp. Code § 13401(b).)
- 7) Prohibits a superior court from appointing a person to carry out the duties of a professional fiduciary, or permit a person to continue those duties, unless the person holds a valid, unexpired, unsuspended license as a professional fiduciary, is exempt from the definition of “professional fiduciary,” or is exempt from the licensing requirements of the Professional Fiduciaries Act. (Prob. Code § 2340.)
  - 8) Provides, pursuant to the California Constitution, that the people have the right of access to information concerning the conduct of the people’s business, and, therefore, the meetings of public bodies and the writings of public officials and agencies are required to be open to public scrutiny. (Cal. const. art. I, § 3(b)(1).)
    - a) Requires a statute to be broadly construed if it furthers the people’s right of access, and narrowly construed if it limits the right of access. (Cal. const. art. I, § 3(b)(1).)
    - b) Requires a statute that limits the public’s right of access to be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest. (Cal. const. art. I, § 3(b)(1).)
  - 9) Governs the disclosure of information collected and maintained by public agencies pursuant to the CPRA. (Gov. Code §§ 7920.000 et seq.)
    - a) States that the Legislature, mindful of the individual right to privacy, finds and declares that access to information concerning the conduct of the people’s business is a fundamental and necessary right of every person in this state. (Gov. Code § 7921.000.)
    - b) Defines “public records” as any writing containing information relating to the conduct of the public’s business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. (Gov. Code § 7920.530.)
    - c) Provides that all public records are accessible to the public upon request, unless the record requested is exempt from public disclosure. (Gov. Code § 7922.530.)

This bill:

- 1) Authorizes licensed professional fiduciaries to organize professional fiduciary corporations to provide professional fiduciary services under the Moscone-Knox Professional Corporation Act, as provided.
  - a) Authorizes the PFB to promulgate regulations for professional fiduciary professional corporations in accordance with the provisions of the Administrative Procedure Act.
- 2) Requires a licensed professional fiduciary to indicate to PFB, under penalty of perjury, on each case if the licensee is serving under a professional fiduciary corporation.

## COMMENTS

### 1. Stated need for the bill

The author writes:

AB 1939 protects consumers first, by requiring the members of a professional fiduciary professional corporation to possess a license, second, by prescribing requirements and regulations for those corporations to provide fiduciary services, and third, by requiring the entities to comply with the requirements of the Moscone Knox Professional Corporations Act.

### 2. Background on professional fiduciaries

A professional fiduciary is defined as any person who acts as a guardian, conservator, or personal representative for two or more individuals at the same time who are not related to the professional fiduciary or each other, a trustee, an agent under a durable power of attorney for health care, or an agent under a durable power of attorney for finances for more than three individuals, at the same time. (Bus. & Prof. Code § 6501 (f).) A professional fiduciary is required to be licensed and regulated by the PFB. Often, a professional fiduciary steps in to act when family members are unable or unwilling to serve, or when there is a dispute among the family members. Professional fiduciaries must make a broad range of complex decisions for wards and conservatees, including where they live, home care arrangements, major medical decisions, and control of all of the financial matters from bank accounts to investment and tax decisions. A personal representative is generally appointed in connection with the administration of estates, a trustee in connection with administration of a trust, and an agent under a durable power of attorney to handle financial matters. These positions place responsibility on a person for making decisions relating to the management and disposition of assets, management of accounts, and the distribution to heirs or beneficiaries. Agents for health care of financial matters may be called upon to make critical medical decisions on behalf of the principal.

### 3. This bill seeks to regulate professional fiduciary corporations

This bill seeks to address a gap in existing law by authorizing professional fiduciaries to organize as a “professional corporation” pursuant to the provisions of the Moscone-Knox Professional Corporation Act. All directors, shareholders, and officers must be licensed by the PFB and any income of the professional corporation attributable to professional fiduciary services rendered while a shareholder is a disqualified person cannot accrue to the benefit of that shareholder or their shares in the corporation. The bill requires a professional fiduciary to submit to the PFB each case where they are serving under a professional fiduciary corporation and other specified information, such as assets under the licensee’s supervision. This information would be deemed

confidential and therefore not subject to disclosure under the California Public Records Act.

California generally recognizes that public access to information concerning the conduct of the people's business is a fundamental and necessary right.<sup>1</sup> At the same time, the state recognizes that this right must be balanced against the right to privacy.<sup>2</sup> The general right of access to public records may, therefore, be limited when records include personal information. The bill states that this limitation is necessary to protect the privacy rights of individual clients. In light of the privacy implications, the stated need for the limitation on access to public records seems warranted.

The bill amends the Probate Code to prohibit a court from appointing a professional fiduciary as a guardian, conservator, public representative, or trustee unless they are: a licensed professional fiduciary, otherwise exempt from the licensing requirements of the Professional Fiduciaries Act; or are a professional fiduciary professional corporation organized under the Moscone-Knox Professional Corporation Act. The bill defines a professional fiduciary, for purposes of the Probate Code, as a person who holds a current, unsuspended license under the Professional Fiduciaries Act, is exempt from the licensing requirements of that act, or is a professional fiduciary professional corporation organized under the Moscone-Knox Professional Corporation Act. When making an appointment of a professional fiduciary corporation, the petition and appointment must specify the corporate member having primary responsibility for the matter.

#### 4. Statements in support

The Professional Fiduciary Association of California writes in support stating:

The measure allows licensed professional fiduciaries to form professional corporations provided those corporations are in compliance with the Moscone Knox Professional Corporations Act which, among other conditions, requires corporate officers, directors and shareholders to be licensed professionals.

AB 1939 authorizes the court to appoint a professional fiduciary professional corporation to serve in specific capacities including guardian of the estate, conservator of the estate, personal representative of a decedent's estate and trustee of a trust. Not included in the list of capacities in which a court may appoint a professional corporation is guardian of the person or conservator of the person.

As a protection to consumers, and in addition to services provided by these professional corporations being subject to court scrutiny, as a further consumer protection these professional corporations will be subject to the oversight, protection and disciplinary procedures provided by the Department of Consumer Affairs.
