******* ANALYSIS ADDENDUM – SUSPENSE FILE *******

**The following information is revised to reflect amendments
adopted by the committee on August 29, 2025**

Fiscal Impact: Unknown one-time General Fund costs, likely hundreds of thousands, for the CDA and the CDSS to oversee the stakeholder process and support the development of findings and recommendations.

Author Amendments: Remove provisions specifying the composition of a new panel and instead authorize the director of the CDA to modify an existing panel for purposes of the stakeholder process, and remove provisions requiring policy recommendations to be provided to the California Health and Human Services Agency to be included in the Master Plan for Aging.
