**The following information is revised to reflect amendments
adopted by the committee on August 29, 2025**

Fiscal Impact: Unknown General Fund cost pressures to fund counties for administration. Proposition 30 of 2012 provides that any legislation enacted after September 30, 2012 that has an overall effect of increasing the costs already borne by a local agency for realigned services applies to local agencies only to the extent that the State provides annual funding for the cost increase. Local agencies are not be obligated to provide programs or levels of service required by legislation above the level for which funding has been provided.

Committee Amendments: Delete requirements on county boards of supervisors.
