**DIGEST:** This bill recasts the public membership of the California Student Aid Commission (CSAC) to require one of the three public members to be a veteran.

**ANALYSIS:**

Existing law:

- 1) Establishes CSAC and provides that it is to be composed of the following 15 members:
  - a) One representative from public, proprietary, or nonprofit postsecondary schools located in California.

- b) One representative from a California independent college or university.
  - c) One representative each from the University of California, the California State University, and the California Community Colleges.
  - d) Two members, each of whom shall be a student enrolled in a California postsecondary educational institution at the time of appointment, and shall be enrolled in a California postsecondary educational institution for the duration of the term. A student member who graduates from an institution with no more than six months of his or her term remaining shall be permitted to serve for the remainder of the term.
  - e) Three public members.
  - f) One representative from a California secondary school.
  - g) Two representatives appointed by the Senate Rules Committee.
  - h) Two representatives appointed by the Speaker of the Assembly. (Education Code (EC) § 69510)
- 2) Requires that each member of CSAC, other than a student member and a member appointed by the Speaker of the Assembly, have a four-year term. Requires that members appointed by the Speaker of the Assembly serve at the pleasure of the Speaker. (EC § 69511)

This bill:

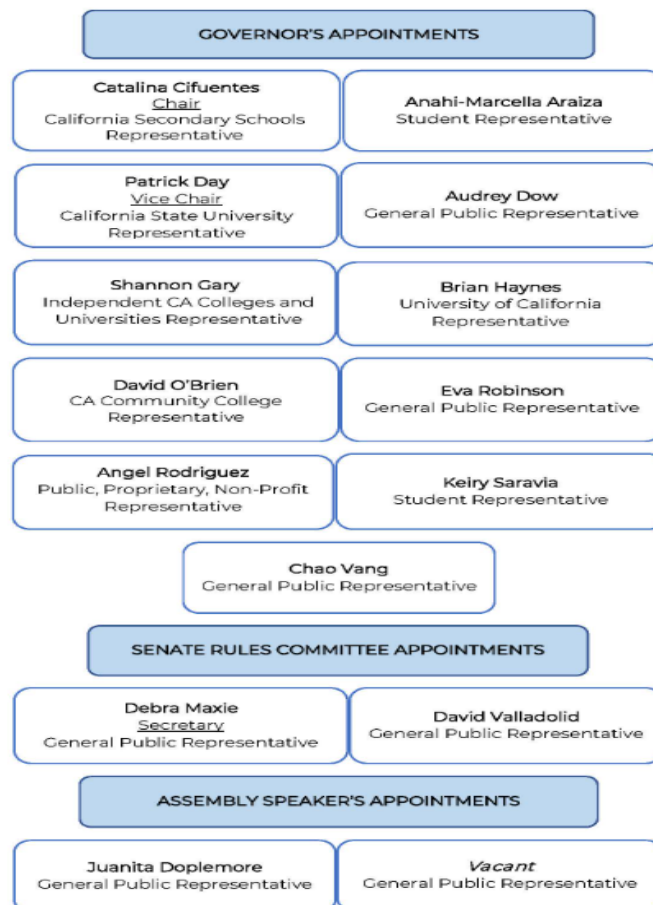

- 1) Recasts the public membership of CSAC, from three public members to two public members and one member who is a veteran of the Armed Forces of the United States and represents the veteran community.
- 2) Makes this change operative on the date that a public member's term expires.

## Comments

*Need for this bill.* According to the author, "The California Student Aid Commission is a testament of our State's commitment to creating opportunities for upward social mobility. It is in that spirit that we should continue looking for ways to innovate in order to best serve all of California's students. Our veterans can

offer a unique perspective on their experiences traversing the financial aid system, to further improve these systems in California.”

*Current composition of CSAC.* Since 1990, CSAC has had 15 members, comprised of 11 commissioners appointed by the Governor representing five members from the various higher education segments, three members from the general public, two student members, and one member from the secondary schools. The chart below depicts the current membership of CSAC:

## Related/Prior Legislation

AB 320 (Lee, 2023) would have expanded CSAC to include two additional student board members. AB 320 was referred to but not heard by the Senate Education Committee.

AB 2363 (Ta, 2024) would have added a fourth public member to CSAC, bringing

the total membership to 16. AB 2363 was referred to the Assembly Higher Education Committee but was not heard.
