**\*\*\*\*\* ANALYSIS ADDENDUM – SUSPENSE FILE \*\*\*\*\***

**The following information is revised to reflect amendments  
adopted by the committee on August 29, 2025**

**Fiscal Impact:**

- The CTC estimates unknown, but potentially significant General Fund costs to review and approve an increased number of new one-year internship programs with approximately 1,000 school districts and COEs that would be authorized to provide them as a result of this measure.
- This bill could result in additional, unknown Proposition 98 General Fund costs for school districts and COEs that elect to develop and provide the internship programs.

**Author Amendments:** Require the CTC to examine its preservice, professional development, supervision requirements for the internship programs when it next considers administrative services credential pathways.
